Limited Review Report on unaudited standalone financial results of Jubilant Pharmova Limited for the quarter ended 30 June 2023 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Jubilant Pharmova Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Jubilant Pharmova Limited (hereinafter referred to as "the Company") for the quarter ended 30 June 2023 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the three months ended 31 March 2023 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it

2. In July 2021, the U.S. Food and Drug Administration ("USFDA") placed the Roorkee facility under import alert, which restricts supplies to the USA from the Roorkee facility. The USFDA earlier exempted certain products from the import alert subject to certain conditions. During the quarter ended 30 September 2022, the USFDA limited the exemption to one product subject to certain conditions. Also, subsequent to the USFDA inspection in July 2022, the inspection classification has been concluded as "OAI" (Official Action Indicated) in October 2022. The Group continues to engage with the USFDA and take all necessary steps, including comprehensive assessment and engaging independent consultants, to ensure continuous quality improvements to resolve the import alert at the earliest. Manufacturing and supply of pharmaceutical products continues from Roorkee facility to all other markets including an exempted product to the USA.
3. The figures for the preceding quarter ended 31 March 2023, as reported in these consolidated financial results, are the balancing figures between audited figures in respect of the full financial year and the published year to date figures until the end of third quarter of that financial year. Also, the figures until the end of the third quarter had only been reviewed and not subjected to audit. Further, previous period figures have been regrouped / reclassified to conform to the current period's classification.
4. The above consolidated unaudited financial results were subjected to limited review by the Statutory Auditors of the Company, reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 19 July 2023. The review report of the Statutory Auditors is being filed with BSE Limited and National Stock Exchange of India Limited. Limited Review Report on unaudited standalone financial results of Jubilant Pharmova Limited for the quarter ended 30 June 2023 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Jubilant Pharmova Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Jubilant Pharmova Limited (hereinafter referred to as "the Company") for the quarter ended 30 June 2023 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the three months ended 31 March 2023 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it

2. In July 2021, the U.S. Food and Drug Administration ("USFDA") placed the Roorkee facility under import alert, which restricts supplies to the USA from the Roorkee facility. The USFDA earlier exempted certain products from the import alert subject to certain conditions. During the quarter ended 30 September 2022, the USFDA limited the exemption to one product subject to certain conditions. Also, subsequent to the USFDA inspection in July 2022, the inspection classification has been concluded as "OAI" (Official Action Indicated) in October 2022. The Group continues to engage with the USFDA and take all necessary steps, including comprehensive assessment and engaging independent consultants, to ensure continuous quality improvements to resolve the import alert at the earliest. Manufacturing and supply of pharmaceutical products continues from Roorkee facility to all other markets including an exempted product to the USA.
3.
