Material Uncertainty regarding Going Concern

- 5) We draw attention to the standalone financial results of the Company which indicates that the Company has incurred a net loss of Rs 10218.53 Lakhs during the half year ended 30th September, 2019 and as of that date, the net worth of the Company has been substantially eroded. Further, borrowings of the company have been called back by the secured lenders due to material breach of debt covenants by the company and consequently, the company has re-classified the borrowings as current borrowings in the standalone financial statements. Subsequent to this reclassification, the current liabilities are substantially higher than current assets of the company as at 30th September, 2019. In addition to this, application has also been made against the company by two of the secured lenders to National Company Law Tribunal (NCLT), Mumbai under the provisions of the Insolvency Bankruptcy Code, 2016 as referred in the aforementioned note. These events or conditions indicate the existence of material uncertainty that may cast significant doubt on the company's ability to continue as a going concern. In spite of above, the Company is defending against admission of proceedings by NCLT through its lawyers on various grounds including the fact that the Consortium of

lenders is already evaluating various modes of resolution and majority lenders are inclined towards a resolution / upfront settlement / assignment. The Company is confident that a

suitable debt resolution plan would be formulated along with its lenders in accordance with existing RBI / internal lender guidelines. Considering these developments as well as the ongoing business operations which continue in normal course, the standalone financial statements continue to be prepared on going concern basis.

Our conclusion on the Statement is not modified in respect of this matter.

- 6) The Statement includes comparative figures for the quarter ended 30th June, 2019, corresponding quarter ended 30th September 2018 and for the half year ended 30th September, 2018 which were reviewed by the predecessor auditors in which they had expressed unmodified conclusion vide their reports dated 1st August 2019 and 1st November 2018 respectively. The Statement also includes figures for the year ended 31st March, 2019 which were audited by the predecessor auditors of the Company where they had expressed unmodified opinion on the standalone financial statements vide their report dated 16th May 2019.
- 7) The Statement of cash flows for the half year ended 30th September, 2018 has been compiled by the management.

For ADLABS Entertainment Limited

Manmohan Shetty
Chairman

Independent Auditor's Review Report on consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To The Board of Directors of

Adlabs Entertainment Limited

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Adlabs Entertainment Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter and half year ended September 30, 2019 ("the Statement"), being submitted by the parent pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following Subsidiaries.
 - a) Walkwater Properties Private Limited; and
 - b) Blue Haven Entertainment Private Limited
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including the manner in which it is to be disclosed, or that it contain any material misstatement

Material Uncertainty Related to Going Concern

6. We draw attention to the consolidated financial statements of the Company which indicates that the Group has incurred a net loss of Rs 10242.23 Lakhs during the half year ended 30th September, 2019 and as of that date, the net worth of the Group has been substantially eroded. Further, borrowings of the group have been called back by the secured lenders due to material breach of debt covenants by the group and consequently, the group has re-classified the borrowings as current borrowings in the consolidated financial statements. Subsequent to this reclassification, the current liabilities are substantially higher than current assets of the group as at 30th September, 2019. In addition to this, application has also been made against the company by two of the secured lenders to National Company Law Tribunal (NCLT), Mumbai under the provisions of the Insolvency Bankruptcy Code, 2016 as referred in the aforementioned note. These events or conditions indicate the existence of material uncertainty that may cast significant doubt on the group's ability to continue as a going concern. In spite of above, the Group is defending against admission of proceedings by NCLT through its lawyers on various grounds including the fact that the Consortium of lenders is already evaluating various modes of resolution and majority lenders are inclined towards a resolution / upfront settlement / assignment. The Group is confident that a suitable debt resolution plan would be formulated along with its lenders in accordance with existing RBI / internal lender guidelines. Considering these developments as well as the ongoing business operations which continue in normal course, the consolidated financial statements continue to be prepared on going concern basis.

Our conclusion on the Statement is not modified in respect of this matter.

7.
