NOTES

1. The Ministry of Corporate Affairs (“MCA”) inter-alia vide its General Circular Nos. 14/ 2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, followed by General Circular Nos. 20/2020 dated May 5, 2020, and subsequent circulars issued in this regard, the latest being 10/2022 dated December 28, 2022 (collectively referred to as “MCA Circulars”) has permitted the holding of the annual general meeting through Video Conferencing (“VC”) or through other audio-visual means (“OAVM”), without the physical presence of the Members at a common venue.

In compliance with the provisions of the Companies Act, 2013 (“the Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and MCA Circulars, the 53rd Annual General Meeting (“Meeting” or “AGM”) of the Company is being held through VC / OAVM on Thursday, 21st September, 2023, at 11:00 a.m. (IST). The proceedings of the AGM deemed to be conducted at the Registered Office of the Company.

Generally, a member entitled to attend/ participate and vote at the AGM is entitled to appoint a proxy to attend and vote on his/ her behalf and the proxy need not be a Member of the Company. However, as this AGM is being held through VC/ OAVM, hence, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM. Hence, the Proxy Form and Attendance Slip are not annexed to this Notice.

2. As the AGM will be held through VC/ OAVM, the Route Map of the venue of the meeting is not annexed to this Notice.
3. Institutional / Corporate Shareholders (i.e., other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM and vote on its behalf. The said Resolution/Authorization shall be sent to the Company at investor.grievances@splindia.co.in or [to the Scrutinizer through e-mail to shrutisinghal116@gmail.com](mailto:shrutisinghal116@gmail.com).
4. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
5. The Register of Members and Share Transfer Books of the Company will remain closed from Friday, 15th September 2023 to Thursday 21st September 2023 (both days inclusive) for the purpose of AGM.
6. The information required to be provided under the Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standards on General Meetings (SS-2) issued by The Institute of Company Secretaries of India, regarding the Directors who are proposed to be appointed/re-appointed and the relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, setting out material facts relating to the special business(es) in respect of the items 5 and 6 to be transacted at AGM is annexed hereto.
7. SEBI vide its circular dated January 25, 2022, has mandated that the listed companies shall

SWADESHI POLYTEX LIMITED

henceforth issue the securities in dematerialised form only, while processing service requests such as issue of duplicate share certificates, transmission, transposition, etc. Accordingly, members who still hold shares in physical form are advised to dematerialise their holdings.

8. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
9. Members may note that the VC / OAVM Facility, provided by NSDL, allows participation of at least 1,000 Members on a first-come-first-served basis and facility of joining the AGM shall open 15 minutes before the time scheduled for the AGM. The large shareholders (i.e., shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. will not be restricted on first come first serve basis.
10. Pursuant to SEBI circular dated March 16, 2023, November 3, 2021 and clarification circular dated December 14, 2021, members holding shares in physical form are advised to update their PAN, KYC details and nomination etc. in prescribed forms. The forms can be downloaded from the website of the Company at www.splindia.co.in. Further, in respect of shares held in electronic/demat form, the members may please contact their respective Depository Participant. The folios wherein any one of the KYC details is not available on or after October 01, 2023, shall be frozen by the RTA.
11. SEBI vide its circular dated May 30, 2022 has prescribed Standard Operating Procedures for dispute resolution under the Stock Exchange arbitration mechanism for a dispute between a Listed Company and/or RTA and its Shareholders(s) / investor(s). The said circular is available on the website of the Company at www.splindia.co.in

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Pursuant to Regulation 34(3) and Para B of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the amendments thereof, details of the Management discussion and analysis are given below:

ECONOMIC REVIEW**Global economy**

The baseline forecast is for growth to fall from 3.4% in 2022 to 2.8% in 2023, before settling at 3.0% in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7% in 2022 to 1.3% in 2023. With further financial sector stress, global growth declines to about 2.5% in 2023 with advanced economy growth falling below 1.0%. Global headline inflation in the baseline is set to fall from 8.7% in 2022 to 7.0% in 2023 on the back of lower commodity prices but underlying (core) inflation is likely to decline more slowly. Inflation's return to target is unlikely before 2025 in most cases.

Indian economy

India's growth continues to be resilient despite some signs of moderation in growth, although significant challenges remain in the global environment, India was one of the fastest growing economies in the world. The overall growth remains robust and is estimated to be 6.9% for the full year with real GDP growing 7.7% year on year during the first three quarters of FY 2022-23. There were some signs of moderation in the second half of FY 2022-23. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. Inflation remained high, averaging around 6.7% in FY 2022-23 but the current account deficit narrowed in Q3 on the back of strong growth in service exports and easing global commodity prices.

The central government is likely to meet its fiscal deficit target of 5.9% of GDP in FY 2023-24 and combined with consolidation in state government deficits, the general government deficit is also projected to decline. As a result, the debt to GDP ratio is projected to stabilize. On the external front, the current account deficit is projected to narrow to 2.1% of GDP from an estimated 3.0% in FY 2022-23 on the back of robust service exports and a narrowing merchandise trade deficit. Spillovers from recent developments in financial markets in the US and Europe pose a risk to short-term investment flows to emerging markets, including India.

Industry Review

The real estate sector is one of the most globally recognized sectors. Real estate sector comprises four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. It is also expected that this sector will incur more non-resident Indian (NRI) investments in both the short term and the long term. The Indian real estate sector has witnessed high growth in recent times with the rise in demand for office as well as residential spaces.

OPPORTUNITIES, THREATS, RISK AND CONCERNS

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders.

INDEPENDENT AUDITORS' REPORT

To
The Members of
Swadeshi Polytex Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Swadeshi Polytex Limited ('the Company') which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and Notes to financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its Profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Director either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes

public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to information and explanations given to us, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Financial Statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Company as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we report that the Company had not paid remuneration to its directors during the current year.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the information and explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 33 to the financial statements.
 - ii. We are explained that the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. We are explained that there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in Note 45.5 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary

shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in Note 45.6 to the Financial Statements, no funds have been received by the Company from any persons or entity including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v). The Company has neither declared nor paid any dividend during the year.
- vi). Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from 1st April, 2023 and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules 2014 is not applicable for the financial year ended 31st March 2023.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Swadeshi Polytex Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial Statements of Swadeshi Polytex Limited (“the Company”) as of 31 March 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the ‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to these financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference the financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference the financial statements and their operating effectiveness. Our audit of internal financial controls with reference the financial statements included obtaining an understanding of internal financial controls with reference the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to the Financial Statements.

A company’s internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Financial Statements includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

The financial statements for the year ended 31st March, 2023 were approved for issue by the Board of Directors in their meeting held on 22-05-2023.

2 BASIS OF PREPARATION AND PRESENTATION

(a) Basis of Preparation

These financial statements are prepared on going concern basis under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value or amortized cost at the end of each reporting period. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. These financial statements comply with the provisions of the Companies Act, 2013 (the Act), guidelines issued by the Securities and Exchange Board of India (SEBI) and accounting principles generally accepted in India.

(b) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

(c) Functional and presentation currency

The financial statements are presented in Indian Rupees which is the Company's functional and presentation currency and all financial values are rounded to the nearest thousand, except when otherwise indicated.

(d) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

(i) An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

- (ii) A liability is current when:
 - It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting period; or
 - There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.
 - All other liabilities are classified as non-current.
- (iii) Deferred tax assets/liabilities are classified as non-current.
- (iv) The Company recognizes twelve months period as its operating cycle.

3 USE OF ESTIMATES

The preparation of financial statements in conformity with Ind AS requires management to make adjustments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expense and related disclosure concerning the items involved as well as contingent assets and liabilities at the balance sheet date. Estimates and underlying assumptions are reviewed on an ongoing basis and revised if management became aware of changes in circumstances surrounding the estimates. Revisions to accounting estimates are recognized in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements. Application of accounting policies that require critical accounting estimates involving complex and critical judgment is disclosed in notes to accounts.

4 SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

4.1 Property, Plant & Equipment and Depreciation

- (a) The company has elected the option to continue the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the date of transition as per Ind AS 101. Property, plant and equipment are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any.
- (b) Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the costs to the item can be measured reliably.
- (c) Depreciation on all items comprised in Property, Plant and Equipment is being provided on Straight Line Method.
- (d) Based on the technical experts assessment of useful life, certain items of property plant and equipment as detailed below are being depreciated over useful lives different from the prescribed useful lives under Schedule II to the Companies Act, 2013. Management believes that such estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Property, plant and equipment	Useful Life of Asset (In year) as per Schedule-II	Useful Life of Asset (In year) as adopted
Building	60	60
Plant & Machinery	15	5 to 10
Furniture & Fixtures	10	5
Computer	3	3
Computer Server	6	6

- (e) Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income' or 'Other Expenses' as the case may be.
- (f) Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

4.2 Intangible Assets and Amortization

- (a) Software costs are included in the balance sheet as intangible assets when it is probable that associated future economic benefits would flow to the Company. In this case they are measured initially at purchase cost and then amortized on a straight-line basis over their estimated useful lives. All other costs on it are expensed in the statement of profit and loss as and when incurred.
- (b) Based on the technical experts' assessment of useful life these are amortized over a period of six years. The amortization period & the amortization method for an Intangible Asset with a finite useful life are reviewed atleast at the end of each reporting period.

4.3 Impairment of Assets

- (a) Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of fair value less costs of disposal and its value-in-use) is determined on an individual asset basis. In such cases, the recoverable amount is determined for the Cash Generating units (CGU) to which the assets belongs . If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of asset.
- (b) Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exists or have decreased.

4.4 Revenue Recognition

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2018, notifying Ind AS 115 'Revenue from Contracts with Customers', which replaces Ind AS 11 'Construction Contracts' and Ind AS 18 'Revenue'.

The core principle of Ind AS 115 is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation

- (a) Revenue from transfer of rights in leasehold land is recognized when the company receives full payment from buyer and there is relinquishment of right in favour of the buyer by the company.
- (b) Interest on receivables is accounted only when no significant uncertainty as to

measurability or collectability exists. Other interest income is recognized on the time basis determined by the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists. Interest on refund claims of Sales Tax, Excise Duty and Others is accounted for as and when determined by the Authorities concerned and the same is received by the Company.

- (c) Revenue is recognized when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity. Revenue excludes Goods and Service Tax (GST) as applicable.

4.5 Inventories

Valuation of stocks is done as mentioned below:

Leasehold Plot Rights At the lower of Cost and net realizable value

Cost of Leasehold Land is determined after including the proportionate expenditure incurred on the development thereof. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and the estimated costs necessary to make sales.

4.6 Taxation

(a) Current Tax

Current tax expense is recognized in statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Current income taxes are recognized under "income tax payable" net of payments on account, or under "income tax receivables" where there is a credit balance.

(b) Deferred Tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Deferred tax is recognized in statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

4.7 Refunds of Taxes and Duties

Refund claims arising out of monies paid under protest or under appeals and charged to Revenue are accounted for at the time of receipt of orders or actual refunds whichever is earlier.

4.8 Provisions, Contingent Liabilities and Contingent Assets

Disclosure of contingencies as required by the Indian accounting standard is furnished in the Notes to accounts.

- (a) Provisions are made when (a) the Company has a present obligation as a result of past events; (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and (c) a reliable estimate is made of the amount of the obligation.
- (b) Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes. Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, and is recognized as an asset. Information on contingent liabilities is disclosed in the notes to the financial statement. A contingent asset is disclosed where an inflow of economic benefits is probable.

4.9 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contract such as foreign currency exchange forward contracts.

A Financial Assets

(a) Initial recognition and measurement

The company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Purchase and sale of financial assets are accounted for at trade date.

(b) Subsequent Measurement : Non-derivative financial instruments

(i) Financial assets carried at amortized cost (AC)

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(c) Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(d) Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

B Financial liabilities**(a) Initial recognition and measurement**

The Company's financial liabilities include trade and other payables, loans and borrowings etc. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

(b) Subsequent Measurement : Non-derivative financial instruments

Financial liabilities are subsequently carried at amortized cost using the effective interest method, For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(c) Offsetting of Financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

C Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

4.10 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

4.11 Leases

4.11.1 The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

4.11.2 At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

4.11.3 The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

4.11.4 The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

4.11.5 During the year the Company has not entered into any lease transaction.

4.12 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and cheques/drafts on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank, short-term highly liquid fixed deposits with bank with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

4.13 Contract Liabilities

A contract liability is the obligation to transfer of goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract.

4.14 Cash Flow Statement

Cash flows are reported using indirect method as per Ind AS 7, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated.

4.15 Earning Per Share

Basic earnings (loss) per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

4.16 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The Chief Operating Officer has decided that the company has only one segment i.e. real estate.

4.17 Fair Value Measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

41. Expected Credit Loss

For recognition of impairment loss on trade receivable and other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since

SWADESHI POLYTEX LIMITED

initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

42. Risk Management Framework

The Company's business is subject to various risk and uncertainties including financial risks. The Company's documented risk management policies act as an effective tool in mitigating the various financial risks to which the business is exposed to in the course of their daily operations. The risk management policies cover areas such as liquidity risk, market risk, interest rate risk, and capital management. Risks are identified through a formal risk management programme with active involvement of senior management personnel and business managers. The Company has in place risk management processes in line with the Company's policy. Each significant risk has a designated 'owner' within the Company at an appropriate senior level. The potential financial impact of the risk and its likelihood of a negative outcome are regularly updated.

42.1 Financial Risk

The Company's principal financial liabilities comprise of trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash, cheques / draft in hand, fixed deposits, interest accrued on fixed deposits and loan advanced that derive directly from its operations.

The Company is exposed to primarily credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by Finance department that advises on financial risks and the appropriate financial risk governance framework for the Company. The Finance department provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks.

42.2 Liquidity Risk

"Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company has received advance from customers ""Other Current Liabilities-Note 21 amounting to Rs. 3510 Lakh (P.Y. Rs. 3969 Lakh) which is adjustable against future sales proceeds in accordance with terms of addendum dated 24.02.2022 with the customer. The company does not foresee any liquidity problem in this regard.

The below table summarized the maturity profiles of the Companies financial liabilities based on the contractual undiscounted payments:

42.3 Maturity profile of financial Liabilities

The table below summarizes the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

Particular	Less than 1 Year	1 to 5 Years	More than 5 years	Total

Other financial liabilities	10	-	21,642	21,652
	3,419	686	21,642	25,747

42.4 Market Risk

Market Risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables, and loans and borrowings.

Company has no international operations, neither having any investments nor any derivatives. However it manages market risk through the corporate finance department, which evaluates and exercises independent control over the entire process of market risk management. The corporate finance department recommends risk management objectives and policies, which are approved by Board of Directors. The activities of this department include management of cash resources, borrowing strategies, and ensuring compliance with market risk limits and policies.

42.5 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument fluctuates because of changes in prevailing market interest rates. The Company has no exposure to the risk due to the fact that it does not have any borrowing at the year end. The Company constantly monitors the credit markets and revisits its financing strategies to achieve an optimal maturity profile and financing cost.

Particulars	As At March 31, 2023		As At March 31, 2022	
	Fixed Rate Borrowings	Floating Rate Borrowings	Fixed Rate Borrowings	Floating Rate Borrowings
Inter Corporate Deposits	-	-	-	-
Interest Rate Sensitivities for Floating Rate Borrowings:				
Since there are no borrowings availed by the company on floating rate, therefore there is no requirement for calculating the interest rate sensitivity.				

42.6 Foreign Exchange Risk

Foreign exchange risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company has no exposure to foreign exchange risk as there are no international operations.

42.7 Equity Price Risk

The Company doesn't have any Investment in equity. Therefore, the Company is not exposed to equity price risk arising from Equity Investments.

42.8 Credit risk

"Credit Risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad

SWADESHI POLYTEX LIMITED

debts and ageing of accounts receivable. Individual risk limits are set accordingly. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. Trade Receivables are impaired using the Life time Expected Credit Losses (ECL) Model. The company uses a provision matrix to determine the impairment loss allowance based on its historically observed default rates over expected life of trade receivables and is adjusted for forward looking estimates.

Financial Assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments in normal course of business. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in statement of profit and loss.

During the year Company is not having any Trade Receivables however it has a contractual arrangement with a customer against which it receives the advances for future commitments. Company has a periodic system of reviewing the performance of contractual obligations which addresses the risk of non performance.

42.9 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, if any, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity.

42.9.1	Particular	As at March 31, 2023	As at March 31, 2022
	Short term Borrowings	-	-
	Net debts (A)	-	-
	Capital components		
	Share capital	39,000	39,000
	Reserves and surplus	2,24,949	(1,23,521)
	Total Equity (B)	2,63,949	(84,521)
	Gearing ratio (A/B) (%)	0%	0%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lenders to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing during the period when they availed facilities from bank and others.

43 Fair value measurement

43.1 Valuation Principles

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under

current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained in Note below:

43.2 Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined using basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. There were no transfers between Level 1 and Level 2 during the year.

43.3 Categories of financial instruments and fair value thereof:

Total	32,826	32,826	25,747	25,747

SWADESHI POLYTEX LIMITED

The management assessed that cash and cash equivalents and bank balances, other financial assets, trade payables, borrowings and other current liabilities is considered to be equal to the carrying amounts of these items largely due to the short-term maturities of these instruments. Difference between carrying amount and fair value of bank deposits, other financial assets, other financial liabilities and borrowings subsequently measured at amortized cost is not significant in each of the year presented.

* Includes alleged dues being contested before the Honourable Jurisdictional High Court at Rs. 21642 Thousand (P.Y. Rs. 21642 Thousand). Hence it has not been fair valued.
