**Sub: Disclosure of material impact of COVID 19 pandemic under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).**

Dear Sir/Madam,

With reference to the captioned subject and in continuation of the above referred letter and as already mentioned in notes to the Financial Results of the Company for the quarter ended 30<sup>th</sup> June, 2020, we wish to state that, the Company's operations were impacted due to the nationwide lockdown imposed by the Government of India in view of the COVID-19 pandemic. Further, the turnover fell by 68% in terms of value as compared to the corresponding quarter of the previous year.

The Company's plant have since then resumed operations in a phased manner and is currently operating at 100% of their normal operations, taking all due care for the health and safety of its employees and adopting work from home policy, wherever possible.

The Company has evaluated the impact of the pandemic on its business operations, financial position and based on its review of the current indicators, there is no significant impact on the Company's assets, including inventories and receivables and expects that the carrying amount of these assets are recoverable. The Company continues to remain a debt-free Company and there is adequate liquidity to support the business operations.

Request you to kindly take the same on record.

Thanking you,

Yours faithfully,

**For Bhansali Engineering Polymers Limited**
