To,
The Board of Directors
Kranti Industries Limited,

We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **Kranti Industries Limited** ("the Company"), for the Quarter and half Year ended 30th September, 2022 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.

The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind-AS 34) "Interim Financial Reporting" prescribed under section 133 of the companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles and generally accepted in India, read with the circular is the responsibility of the company's management and has been approved by the Board of Director of the Company. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results prepared in accordance with applicable Indian Accounting Standards (Ind-AS) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) including the manner in which it is to be disclosed, or that it contains any material misstatement.

EXPLANATION (RECONCILIATION) OF TRANSITION TO INDIAN ACCOUNTING STANDARDS (IND AS)

- a) Under Ind AS, a single lessee accounting model is prescribed and requires a lessee to recognize assets and liabilities for all leases with a lease term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognize a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payment. Right-of-use asset is depreciated in the statement of profit and loss over the lease term. Interest expenditure on lease liabilities is recorded using effective interest rate method.
- b) Under Ind AS, corporate / financial guarantee is treated as financial liability and recognised at fair value on initial and subsequent recognition. The fair value of the guarantee recoverable from the subsidiary is treated as receivable from subsidiary. The fair value of the guarantee not recoverable from the subsidiary is written off as expenditure. Finance expense is recognised over the term of the guarantee using effective interest method and the deferred income is recognised in the statement of profit and loss on straight line basis.
- c) Under Ind AS, transaction costs on borrowings are included in the initial recognition of financial liability and recognised in the statement of profit or loss using the effective interest method.
- d) Under Ind AS, interest free unsecured borrowings are fair valued and the difference between the fair value and the transaction value is recognised as additional contribution by the shareholders. Interest expense on interest free unsecured borrowings is recorded in the statement of profit and loss using effective interest rate method.
- e) Under Ind AS, material prior period items are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented by restating the opening balance sheet.
- f) Under Ind AS, deferred taxes are recognised using balance sheet approach i.e. reflecting the tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes using the income tax rates enacted or substantively enacted at reporting date. Also, deferred taxes are recognised on account of the above mentioned changes explained in notes (a) to (g), wherever applicable.
- g) Under Ind AS, Investments in mutual funds are fair valued and the difference between the fair value and the transaction value is recognised in profit and loss account.

- Under Ind AS, transaction costs on borrowings are included in the initial recognition of financial liability and recognised in the statement of profit or loss using the effective interest method.
- Under Ind AS, interest free unsecured borrowings are fair valued and the difference between the fair value and the transaction value is recognised as additional contribution by the shareholders. Interest expense on interest free unsecured borrowings is recorded in the statement of profit and loss using effective interest rate method.
- Under Ind AS, material prior period items are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented by restating the opening balance
- Under Ind AS, associates are accounted using equity method accounting.
- Under Ind AS, transaction costs incurred for increasing the authorised share capital and for issue of bonus issue are recognised in securities premium.
