MESSAGE FROM MANAGING DIRECTOR

Dear Shareholders,

It is my privilege to address, on behalf of the Board of Directors of DB (International) Stock Brokers Limited, the 31st Annual Report for the Financial Year 2022-23 to our valued shareholders. I hope this letter finds you safe and in good health.

We are a digital broking services platform, enabling millions to achieve their wealth creation aspirations. We provide a comprehensive suite of financial products and solutions, powered by a DB Investor platform, at attractive & competitive pricing.

Though the Past couple of years have been severely impacted by pandemic and uncertainties around the world continued due to prevailing geopolitical scenario. The resulting inflationary pressure is expected to continue. However, we at DB are confident of continuing our growth journey driven by our resilient business model and focus on innovation. I am glad and proud to showcase our achievement during the year.

Despite the shifting market conditions, we have been in business since 1992 and are still going strong with a sign of blossoming our vision and efforts towards the mission of financial inclusion for people who are yet to access the power of capital markets in the country by reaching and expanding our presence across TIER-3, TIER-4 and TIER-5 Cities. I wish to assure all our stakeholders that DB will continue to create new benchmarks for itself and would continue to create meaningful impact in the financial independence journey of our clients across the cities and towns of the Country.

I thank all our stakeholders for supporting our vision of growth and having trust on us. We will continue to build on this support to further strengthen our relationships by outperforming expectations. I further take this opportunity to specially thank all our team members and employees who are working with us from more than 25 years for their continued support & hard work even in the turbulent times of pandemic, this evolution was not possible without their dedication.

With best wishes,
Thanking You,

Sd/-

Item No. 4: To approve appointment of Mr. Himanshu Malhotra (DIN: 06732164) as Non-Executive Independent Director of the Company for a term of 5 consecutive years

The Board of Directors had appointed Mr. Himanshu Malhotra (DIN: 06732164) as an Additional Director in the capacity of Non-Executive Independent Director of the Company pursuant to the provisions of the Companies Act, 2013 read with Articles of Association of the Company and in Compliance with applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with effect from 28th July, 2023 upto the date of ensuing Annual General Meeting.

In pursuance of the provisions of Section 149, 152, Schedule IV and any other applicable provisions of the Companies Act, 2013 and the rules made thereunder, Mr. Himanshu Malhora (DIN: 06732164) being eligible and offering his appointment as an Independent Director for a period upto 36th Annual General Meeting of the Company, not liable to retire by rotation. The Company has received a notice in writing from a member signifying its intention to propose the candidature of Mr. Himanshu Malhotra for the office of Independent Director of the Company under the provisions of Section 160 of the Companies Act, 2013.

Further the Nomination and Remuneration Committee has recommended his name to the Board of Directors of the Company and in the opinion of the Board also Mr. Himanshu Malhotra fulfills the condition specified for his appointment as an Independent Director of the Company as per the

Companies Act, 2013, and the rules made thereunder, moreover Mr. Himanshu Malhotra is also Independent to the management of the Company.

In terms of Section 164 of the Act, Mr. Himanshu Malhotra is not disqualified from being appointed as a Non-Executive Independent Director and has given his consent to act as a Director of the Company. He is not debarred from holding the office of a Director by virtue of any order issued by the Securities and Exchange Board of India or any other such authority.

In terms of the Companies Amendment Act, 2017 (relevant provisions notified on February 09, 2018), the requirement to deposit ₹ 1,00,000 towards the proposal of the candidature of the directorship as aforementioned is not required due to the following provision of Section 160 of the Companies Act, 2013;

“Provided that the requirements of deposit of amount shall not apply in case of appointment of an Independent Director or a Director recommended by the Nomination and Remuneration Committee, if any constituted under sub-section (1) of section 178 or a director recommended by the Board of Directors of the Company, in the case of a Company not required to constitute Nomination and Remuneration Committee.”

Hence the proposal by the member in the name of Mr. Himanshu Malhotra for his appointment is made without deposit of any amount.

Mr. Himanshu Malhotra has more than 14 years of experience in Corporate world. He is a Chartered Accountant and a Company Secretary.

Based on the aforesaid, the Board and Nomination and Remuneration Committee finds him suitable as he fulfills the condition specified in the law to be appointed as Independent Director of the Company.

Also, a copy of the draft letter for his appointment as an Independent Director setting out the terms and conditions is available for inspection without any fee by the members, at the Company's Corporate Office during normal business hours on any working day up to the date of the AGM.

Having regard to his qualifications, knowledge and experience his appointment as an Independent director will be in the interest of the Company.

The Board of Directors accordingly recommends the resolution set out at Item No. 4 of the accompanying Notice for the approval of the Members. None of the Directors, Key Managerial Personnel, and /or their relatives, except Mr. Himanshu Malhotra is, in any way, concerned or interested in the said resolution.

Item No. 5: To approve appointment of Mr. Harak Chand Sogani (DIN: 10236862) as Non-Executive Independent Director of the Company for a term of 5 consecutive years

The Board of Directors had appointed Mr. Harak Chand Sogani (DIN: 10236862) as an Additional Director in the capacity of Non-Executive Independent Director of the Company pursuant to the provisions of the Companies Act, 2013 read with Articles of Association of the Company and in Compliance with applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with effect from 28th July, 2023 upto the date of ensuing Annual General Meeting.

In pursuance of the provisions of Section 149, 152, Schedule IV and any other applicable provisions of the Companies Act, 2013 and the rules made thereunder, Mr. Harak Chand Sogani (DIN: 10236862) being eligible and offering his appointment as an Independent Director for a period upto 36th Annual General Meeting of the Company, not liable to retire by rotation. The Company has received a notice in writing from a member signifying its intention to propose the candidature of Mr. Harak Chand

Sogani for the office of Independent Director of the Company under the provisions of Section 160 of the Companies Act, 2013.

Further the Nomination and Remuneration Committee has recommended his name to the Board of Directors of the Company and in the opinion of the Board also Mr. Harak Chand Sogani fulfills the condition specified for his appointment as an Independent Director of the Company as per the Companies Act, 2013, and the rules made thereunder, moreover Mr. Harak Chand Sogani is also Independent to the management of the Company.

In terms of Section 164 of the Act, Mr. Harak Chand Sogani is not disqualified from being appointed as a Non-Executive Independent Director and has given his consent to act as a Director of the Company. He is not debarred from holding the office of a Director by virtue of any order issued by the Securities and Exchange Board of India or any other such authority.

Further, pursuant to Regulation 17 (1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Harak Chand Sogani will attain the age of 75 years on July 03, 2024, hence the Board considers the appointment and continuation of Mr. Harak Chand Sogani to be beneficial to the interests of the Company, considering his long experience commends the Special Resolution set out at Item No. 5 of the Notice for approval by the members, so that he can continue as director for the remaining period of his tenure after attaining the age of 75 years.

In terms of the Companies Amendment Act, 2017 (relevant provisions notified on February 09, 2018), the requirement to deposit ₹ 1,00,000 towards the proposal of the candidature of the directorship as aforementioned is not required due to the following provision of Section 160 of the Companies Act, 2013;

“Provided that the requirements of deposit of amount shall not apply in case of appointment of an Independent Director or a Director recommended by the Nomination and Remuneration Committee, if any constituted under sub-section (1) of section 178 or a director recommended by the Board of Directors of the Company, in the case of a Company not required to constitute Nomination and Remuneration Committee.”

Hence the proposal by the member in the name of Mr. Harak Chand Sogani for his appointment is made without deposit of any amount.

Mr. Harak Chand Sogani has more than 49 years of experience in corporate world. He is a Chartered Accountant in Practice.

Based on the aforesaid, the Board and Nomination and Remuneration Committee finds him suitable as he fulfills the condition specified in the law to be appointed as Independent Director of the Company.

Also, a copy of the draft letter for his appointment as an Independent Director setting out the terms and conditions is available for inspection without any fee by the members, at the Company's Corporate Office during normal business hours on any working day up to the date of the AGM.

Having regard to his qualifications, knowledge and experience his appointment as an Independent Director will be in the interest of the Company.

The Board of Directors accordingly recommends the resolution set out at Item No. 5 of the accompanying Notice for the approval of the Members.

None of the Directors, Key Managerial Personnel, and /or their relatives, except Mr. Harak Chand Sogani is, in any way, concerned or interested in the said resolution.

Item No. 6: To approve appointment of Mr. Tarun Kansal (DIN: 00574554) as Non-Executive Independent Director of the Company for a term of 5 consecutive years

The Board of Directors had appointed Mr. Tarun Kansal (DIN: 00574554) as an Additional Director in the capacity of Non-Executive Independent Director of the Company pursuant to the provisions of the Companies Act, 2013 read with Articles of Association of the Company and in Compliance with applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with effect from 28th July, 2023 upto the date of ensuing Annual General Meeting.

In pursuance of the provisions of Section 149, 152, Schedule IV and any other applicable provisions of the Companies Act, 2013 and the rules made thereunder, Mr. Tarun Kansal (DIN: 00574554) being eligible and offering his appointment as an Independent Director for a period upto 36th Annual General Meeting of the Company, not liable to retire by rotation. The Company has received a notice in writing from a member signifying its intention to propose the candidature of Mr. Tarun Kansal for the office of Independent Director of the Company under the provisions of Section 160 of the Companies Act, 2013.

Further the Nomination and Remuneration Committee has recommended his name to the Board of Directors of the Company and in the opinion of the Board also Mr. Tarun Kansal fulfills the condition specified for his appointment as an Independent Director of the Company as per the Companies Act, 2013, and the rules made thereunder, moreover Mr. Tarun Kansal is also Independent to the management of the Company.

In terms of Section 164 of the Act, Mr. **Tarun Kansal** is not disqualified from being appointed as a Non-Executive Independent Director and has given his consent to act as a Director of the Company. He is not debarred from holding the office of a Director by virtue of any order issued by the Securities and Exchange Board of India or any other such authority.

In terms of the Companies Amendment Act, 2017 (relevant provisions notified on February 09, 2018), the requirement to deposit ₹ 1,00,000 towards the proposal of the candidature of the directorship as aforementioned is not required due to the following provision of Section 160 of the Companies Act, 2013;

“Provided that the requirements of deposit of amount shall not apply in case of appointment of an Independent Director or a Director recommended by the Nomination and Remuneration Committee, if any constituted under sub-section (1) of section 178 or a director recommended by the Board of Directors of the Company, in the case of a Company not required to constitute Nomination and Remuneration Committee.”

Hence the proposal by the member in the name of Mr. Tarun Kansal for his appointment is made without deposit of any amount.

Mr. Tarun Kansal has more than 14 years of experience in corporate world. He is a Practicing Chartered Accountant.

Based on the aforesaid, the Board and Nomination and Remuneration Committee finds him suitable as he fulfills the condition specified in the law to be appointed as Independent Director of the Company.

Also, a copy of the draft letter for his appointment as an Independent Director setting out the terms and conditions is available for inspection without any fee by the members, at the Company's Corporate Office during normal business hours on any working day up to the date of the AGM.

Having regard to his qualifications, knowledge and experience his appointment as an Independent director will be in the interest of the Company.

The Board of Directors accordingly recommends the resolution set out at Item No. 6 of the accompanying Notice for the approval of the Members.

None of the Directors, Key Managerial Personnel, and /or their relatives, except Mr. Tarun Kansal is, in any way, concerned or interested in the said resolution.

Item No. 7: To continue the appointment of Mr. Shiv Narayan Daga (DIN: 00072264) as Managing Director, after attaining the age of 70 years.

Since Mr. Shiv Narayan Daga (DIN: 00072264), was appointed as a Managing Director for a term of 5 years with effect from September 5, 2020 by the members at the 28th Annual General Meeting held September 14, 2020.

Pursuant to Section 196(3)(a) of the Companies Act, 2013, "No company shall appoint or continue the employment of any person as managing director, whole-time director or manager who – is below the age of twenty-one years or has attained the age of seventy years:

Provided that appointment of a person who has attained the age of seventy years may be made by passing a special resolution in which case the explanatory statement annexed to the notice for such motion shall indicate the justification for appointing such person;"

The Board considers the continuation of Mr. Shiv Narayan Daga on same terms and conditions to be beneficial to the interests of the Company, considering his long experience and the services being rendered by him and commends the Special Resolution set out at Item No. 7 of the Notice for approval by the members.

None of the Directors, Key Managerial Personnel, and /or their relatives, except Mr. Shiv Narayan Daga is, in any way, concerned or interested in the said resolution.

Item No. 8: To approve revision of the remuneration payable to Mr. Shiv Narayan Daga, Managing Director of the Company.

The Members at the 28th AGM held on September 14, 2020 approved remuneration of ₹ 24,00,000/- (Rupees Twenty Four Lakh Only) per annum payable to Mr. Shiv Narayan Daga in his capacity as Managing Director.

Based on his performance and growth of the company under his leadership, the Board of Directors on the recommendation of the Nomination and Remuneration Committee, at their meeting held on 28th July, 2023, approved increase in the remuneration payable to Mr. Shiv Narayan Daga, as Managing Director of the Company higher than the table defined under Part II of the Schedule V being the "managerial person", therefore, the Company commends as proposed in the resolution in Item No. 8 of the Notice, and hereby recommend it for your approval as Special Resolution.

The revised remuneration of ₹ 60,00,000/- (Rupees Sixty Lakhs Only) per annum which includes performance-based pay, and excludes allowances, and perquisites as may be drawn, with the authority to the Board of Directors to fix the salary within the said maximum limit from time to time including the various components of such salary."

2. Industry trend and business analysis:

The trend in the stock market is flourishing again and the retail investors have started again participating in the secondary market. Your Company endeavored to mobilize high net worth investors for secondary market and accordingly Company was able to be in profits.

3. Opportunities and threats:

With the globalization and electronic age, Indian stock market has changed over the past decade. The developments of high-tech and transparent markets with an increasingly wide geographic footprint have increased the number of trading avenues offering diverse pools of liquidity.

The opportunities for the Company are people with high purchasing power, people looking for more investment opportunities, growing rural market, high earning urban youth, educating people about the benefits of investments to increase target audience, more penetration into the growing cities.

The threats are stringent economic measures by Government and RBI, entry of foreign finance firms in Indian market, increased competition to keep market share and margins under pressure, increased regulatory compliances affecting margins and functioning.

For fiscal 2024, we will continue to execute our strategy along the same dimensions. The retail market segments we serve are faced with challenges and opportunities arising from the fast changing world economy, war threats and their resulting impact on the economy. In our strategy, we will enable ourselves to advice and help our clients as they tackle these market conditions. Especially in the areas of digitization of processes, migration to cloud based technologies, workplace transformation, and business model transformation.

4. Future prospects and outlook:

The Company's present business operations are Stock Broking and Depository Participant services of CDSL which forms part of financial services and there is no other segment apart from the main one. The management is optimistic about the future outlook of the Company.

The industry witnessed testing times with global economic slowdown and weakening profitability and tightening of financial conditions, still the Company has demonstrated its ability to with stand the challenges posed by the current environment.

5. Risks and concerns:

Company's business largely depend on the SEBI norms/ policies, thus, Company's revenue

growth depends upon SEBI's policy of implementing broking services. However, your Company has a well laid down Risk Management System (RMS). Risk management is part of our culture across the Company. Effectively managing risk is the responsibility of all employees. Managers are accountable for allocating required resources to successfully manage the risks they own. Ensuring that we have an efficient risk management system in place is key-to developing our business and achieving our objectives

6. Internal Control System and their adequacy:

The Company has proper and adequate system of Internal Controls to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition of assets and that the transactions are properly recorded.

The Company ensures adherence to all Internal Controls policies and procedures as well as compliance with all regulatory guidelines. Besides, the Audit Committee reviews the Internal Controls at periodic intervals

7. Human resources:

The company has adequate human resources, which is in commensurate with the current volume of activity. Company's management had always contributed to the promotion of the employees by enhancing their skills and efficiency by arranging regular training to the new and existing employees.

8. Cautionary statement:

REPORT ON CORPORATE GOVERNANCE**Pursuant to Regulation 4 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015****Company's Philosophy on Code of Governance**

Corporate Governance represents the value framework rules, practices by which a Company conducts its business activities and evaluates the performance and working of the Company. Corporate governance essentially involves balancing the interest of many stakeholders in a Company which includes its shareholders, management, customers, banks, vendors and the Regulators.

The Company's core philosophy on the code of Corporate Governance is to ensure:

- ⌘ Fair and transparent business practices.
- ⌘ Accountability for performance.
- ⌘ Compliance of applicable Statute.
- ⌘ Transparent and timely disclosure of financial and management information.
- ⌘ Effective management control and monitoring of executive performance by the Board.
- ⌘ Adequate representation of promoter, executive and independent directors on the Board.

Our Corporate Governance framework ensures that we make timely disclosures and share accurate information regarding our financials and performance, as well as to disclosures related to the leadership and governance of the Company.

The Company complies with the requirements stipulated under Regulations 34(3) read with Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations'), as applicable, concerning corporate governance.

Board of Directors

The effectiveness of the Board of Directors of a Company leads to a better performance of the Company from the Corporate Governance point of view. The Board of Directors of the Company, along with its Committees, believes that keeping the Corporate Governance on priority results into the ultimate success of the Business.

The Board is entrusted with the ultimate responsibility of the Management, directions and performance of the Company. As its primary role is fiduciary in nature, the Board provides leadership, strategic guidance, objective and independent view to the Company's management while discharging its responsibilities, thus ensuring that the management adheres to ethics, transparency and disclosures.

The Board with its dynamic approach is always prepared to use multiple levels of analysis to understand what is going on within the sector and to adopt best practices to ensure long-term success.

The Board of Directors of the Company comprises of an optimum combination of Executive and Non-Executive Directors including Women Director, which is in conformity with the Companies Act, 2013 ('the Act') and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') as amended from time to time. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DB (INTERNATIONAL) STOCK BROKERS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of DB (INTERNATIONAL) STOCK BROKERS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these

matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor's Response
1	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (revenue accounting standard)</p> <p>The application of the revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, revenue accounting standard contains disclosures which involve collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p>Refer note 2(J) to the Standalone Financial Statements</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company's process to identify the impact of adoption of the revenue accounting standard.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to implementation of the revenue accounting standard. • Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls. • Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the revenue accounting standard. • Selected a sample of continuing and new contracts and performed the following procedures: <ul style="list-style-type: none"> • Read, analyzed and identified the distinct performance obligations in these contracts. • Compared these performance obligations with that identified and recorded by the Company. • Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

		<ul style="list-style-type: none"> • Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes. • In respect of samples relating to fixed price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and change management controls relating to these systems. • Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts. • Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings. • We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.
2	<p>Accuracy of revenues and onerous obligations in respect of fixed price contracts involves critical estimates</p> <p>Estimated effort is a critical estimate to determine revenues and liability for onerous obligations. This estimate has a high inherent uncertainty as it requires consideration of progress of the contract, efforts incurred till date and efforts required to complete the remaining contract performance obligations.</p>	<p>Principal Audit Procedures</p> <p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations. • Tested the access and application controls pertaining to time recording, allocation and budgeting

		<p>systems which prevents unauthorized changes to recording of efforts incurred.</p> <ul style="list-style-type: none"> • Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to efforts incurred and estimated. • Selected a sample of contracts and performed a retrospective review of efforts incurred with estimated efforts to identify significant variations and verify whether those variations have been considered in estimating the remaining efforts to complete the contract. • Reviewed a sample of contracts with unbilled revenues to identify possible delays in achieving milestones, which require change in estimated efforts to complete the remaining performance obligations. • Performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Financial Controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. Based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
3. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 27 to the Standalone Financial Statements, has disclosed the impact of pending litigation(s) on its Financial Position as at 31-March-2023;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2023;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31-March-2023.
 - iv. a) The management has represented that, to the best of its knowledge and belief, on the date of this Audit Report, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or

invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended 31-March-2023.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirement's section of our report to the Members of DB (International) Stock Brokers Limited of even date)

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i. In respect of the Company's property, plant and equipment:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of verification to cover all the items of property, plant and equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) The title deed of the immovable property held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Financial Statements is held in the name of the Company.
 - (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2023.

- ii. (a) The Company is a service company. Accordingly, reporting under clause 3(ii) of the Order is not applicable to the Company.

(b) The Company has working capital limits in excess of Rs 5 crore during the year, sanctioned by banks against security of fixed deposits held by the Company. However, pursuant to terms of the sanction letter(s), the Company is not required to file any quarterly return or statement with such banks or financial institutions.
- iii. The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company.

- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of investments, as applicable. Further, the Company has not entered into any transaction covered under section 185 and section 186 of the Act in respect of loans, guarantees and security. Accordingly, to that extent reporting under clause 3(iv) of the Order is not applicable to the Company.
- v. In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3(vi) of the Order is not applicable.
- vii. According to the information and explanations given to us, in respect of statutory dues:
- a) In our opinion, and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the Statute	Nature of the Dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Income Tax Act, 1961	Income Tax Demand	11,78,862/-	AY-2015-16	Commissioner Income Tax (Appeals), Delhi	
Income Tax Act, 1961	Income Tax Demand	25,72,180	AY-2016-17	Commissioner Income Tax (Appeals), Delhi	

- viii. According to the information and explanations given to us, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, reporting under clause 3(viii) of the Order is not applicable.

- ix. (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender. The Company has not issued any Debentures.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not have any term loans outstanding during the year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have not been utilized for long term purposes.
- (e) In our opinion and according to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The Company does not have any associate or joint venture.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries. The Company does not have joint-ventures or associate companies.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
- (b) No report under section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party

transactions have been disclosed in the Standalone Financial Statements as required by the applicable Accounting Standards.

- xiv. (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company as a part of the Group. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current year and preceding financial year.
- xviii. There has been no resignation of the Statutory Auditors during the year and accordingly, requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios disclosed in notes to the Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. According to the information and explanations given to us, the Company fulfilled the criteria as specified under section 135(1) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014. However, there is no unspent amount as at end of the current financial year. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of DB (INTERNATIONAL) STOCK BROKERS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Standalone Financial Statements of DB (International) Stock Brokers Limited (“the Company”) as at and for the year ended March 31, 2023, we have audited the Internal Financial Controls with reference to Financial Statements of the Company as at that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Internal Financial Controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's Internal Financial Control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

n. Description of risk exposures:

- i) Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follow:
 - a) Salary increases- actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
 - b) Investment risk – as the plan is not funded, there is no investment risk
 - c) Discount rate : reduction in discount rate in subsequent valuations can increase the plan's liability.
 - d) Mortality & disability – actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
 - e) Withdrawals – actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.
- ii) During the year the Company has recorded an expense of ₹ 9,068.15 (previous year ₹ 5,861.01) towards provident fund, a defined contribution plan.
- iii) Leaves are encased at the end of the year and not carried forwarded.
- iv) Post employment benefits are determined by an Independent Actuary on overall basis and hence have not been separately provided for key management personnel.

28(a) Leases

Information about leases

- The Company has taken office premises at certain locations on operating lease. The agreements are executed for a period ranging from 11 months to 36 months.

- The aggregate depreciation expenses on right of use assets is included under depreciation and amortisation expenses in the statement of Profit and Loss.

- The movement in lease liabilities has been disclosed in Note 14(ii)

29 Financial risk management objective and policies

The Company is exposed to various financial risks. These risks are categorised into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long-term and short-term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises following types of risks: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As at each reporting date, the Company does not have exposure in interest rate risk. Therefore, it is not exposed to interest rate risk

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As at each reporting date, the Company does not have exposure in foreign currency. Therefore, it is not exposed to currency risk

(B) Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligation. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties, and by monitoring exposures in relation to such limits.

The maximum exposures to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented in the financial statements. The Company's major classes of financial assets are cash and cash equivalents, loans, term deposits, trade receivables and security deposits.

Cash and cash equivalents and term deposits with banks are considered to have negligible risk or nil risk, as they are maintained with high rated banks financial institutions as approved by the Board of directors. Security deposits are kept with stock exchange for meeting minimum base capital requirements. These deposits do not have any credit risk.

The management has established accounts receivable policy under which customer accounts are regularly monitored. The Company has a dedicated risk management team, which monitors the positions, exposures and margins on a continuous basis.

Expected credit loss

(a) Trade receivables

The Company applies the Ind AS 109 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance(ECL) for all trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics as follows:

- Receivable from Brokerage (Secured by collaterals mainly in form of Securities of listed Company)
- Receivable from Exchange (Unsecured)
- Receivable from Depository (Secured by collaterals mainly in form of Securities of listed Company)

Receivable from Exchange(Unsecured): There are no historical loss incurred in respect of Receivable from exchange. Entire exposure/receivables as at each reporting period is received and settled within 7 days from reporting period. Therefore, no ECL is recognised in respect of receivable from exchange.

Receivable from Brokerage and depository: Company has large number of customer base with shared credit risk characteristics. As per policy of Company, trade receivable to the extent not covered by collateral(i.e. unsecured trade receivable) is considered as default and are fully written off as bad debt against respective trade receivables and the amount of loss is recognised in the Statement of Profit and Loss. Subsequent recoveries of amounts previously written off are credited to the income statement as bad debts recovered. Trade receivable of the Company are of short duration with credit period ranging up to maximum 30 days. In case of delay in collection, the Company has right to charges interest (commonly referred as delayed payment charges)on overdue amount for the overdue period. However, in case of receivable from depository, the Company doesn't have right to charge interest. Though credit period given to customer in respect of receivable from depository is very short. Incremental borrowing rate is considered as effective interest rate on these trade receivable for the purpose of computing time value loss.

B Fair value hierarchy:

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

For instruments measured at amortised costs, carrying value represents best estimate of the fair value. These instruments are level 3 instruments.

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Derivatives [call & put options, un-hedged] are valued using valuation techniques with market observable inputs and these are marked to market based on prevailing quoted rates, as applicable.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year. [Though, presently the Company does not have any Level 1 financial instruments.]

Financial risk management objectives and policies

The Company's principal financial liabilities comprises trade and other payables, security deposits, employee liabilities. The Company's principal financial assets include trade and other receivables, cash and short-term deposits/ loan that derive directly from its operations.

- 36(a) **Credit risk:** Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Company's trade receivables does not have any expected credit loss as these are secured by a collateral.
- 36(b) **Fair value:** The Company has made investment in quoted security (level 1 investment) for which discrete financial information is not available with the Company and hence, the Company has used adjusted net assets value method to arrive at fair value.
- 36(c) **Price risk:** The Company has open positions in derivatives [call & put options, un-hedged] and these are open to volatility in market.
- 36(d) **Liquidity risk:** Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. All current the financial liabilities of the Company are current in nature as disclosed in the financial statements.

DB (International) Stock Brokers Limited

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

1. Background of the Reporting entity

DB (International) Stock Brokers Limited (the 'Company'), a Public Limited Listed Company is engaged in Stock Broking and Depository Participant services of CDSL. The Company is domiciled in India and its registered office is situated at Unit No. 210, 211 & 211A, 2nd Floor Dalal Street Commercial Co-operative Society Limited, Block-53, Road 5E, Zone-5, GIFT City Gandhinagar, Gujarat - 382355. The Company was incorporated in India on February 28, 1992.

2. Significant Accounting Policies

A) Basis of preparation

i) Statement of compliance

These Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (IND - AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The Financial Statements for the year ended March 31, 2023 were authorized and approved for issue by the Board of Directors on April 28, 2023.

ii) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle of the Company
- Held primarily for the purposes of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period all other assets are classified as non-current.

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle of the Company
- It is held primarily for the purposes of trading
- It is due to be settled within twelve months from the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

iii) Basis of measurement

These Standalone Financial Statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of defined benefit obligations and plan assets

iv) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised prospectively.

Judgments:

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the standalone financial statements is included in the following notes:

Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended March 31, 2023 is included in the following notes:

- Note 5- recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;
- Note 28- measurement of defined benefit obligations: key actuarial assumptions;

B) Financial instruments

Initial recognition and measurement:

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Derivatives and hedge accounting

Derivatives are initially recognised at fair value and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gains / losses is recognised in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of recognition in profit or loss / inclusion in the initial cost of non-financial asset depends on the nature of the hedging relationship and the nature of the hedged item.

The Company complies with the principles of hedge accounting where derivative contracts are designated as hedge instruments. At the inception of the hedge relationship, the Company documents the relationship between the hedge instrument and the hedged item, along with the risk management objectives and its strategy for undertaking hedge transaction, which can be a fair value hedge or a cash flow hedge.

(i) Fair value hedges:

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in fair value of the hedged item attributable to the hedged risk are recognised in Statement of Profit and Loss in the line item relating to the hedged item. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

(ii) Cash flow hedges:

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in the other comprehensive income and accumulated as 'Cash Flow Hedging Reserve'. The gains / losses relating to the ineffective portion are recognised in the Statement of Profit and Loss. Amounts previously recognised and accumulated in other comprehensive income are reclassified to profit or loss when the hedged item affects the Statement of Profit and Loss. However, when the hedged item results in the recognition of a non-financial asset, such gains/losses are transferred from equity (but not as reclassification adjustment) and included in the initial measurement cost of the non-financial asset. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gains/losses recognised in other comprehensive income and accumulated in equity at that time remains in equity and is reclassified when the underlying transaction is ultimately recognised. When an underlying transaction is no longer expected to occur, the gains / losses accumulated in equity is recognised immediately in the Statement of Profit and Loss.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Non-derivative financial assets

Subsequent measurement:

Financial assets carried at amortised cost – a financial asset is measured at the amortised cost, if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Investment in equity instruments of subsidiary

Investment in equity instruments of subsidiary is measured at cost in accordance with IND - AS 27 Separate Financial Statements.

De-recognition of financial assets:

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement:

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities:

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

C) Foreign currency translation or transaction

Functional and presentation currency:

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in Statement of Profit and Loss.

D) Property, plant and equipment

Recognition and measurement:

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

Subsequent expenditure:

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation:

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the written down value method and is generally recognised in the Statement of Profit and Loss. Freehold land is not depreciated.

Depreciation on fixed assets is provided as per the guidance set out in the schedule II to the Companies Act, 2013. Depreciation is charged on written down value method based on estimated useful life of the asset after considering residual value as set out in schedule II to the Companies Act, 2013.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

Leasehold improvements are amortised over the lease period or the estimated useful life, whichever is shorter.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

E) Intangible assets

i) Initial recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

ii. Subsequent expenditure:

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the Statement of Profit and Loss as incurred.

iii. Others:

Intangible assets are amortised on a written down value basis over the estimated useful life not exceeding three years.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

F) Employee benefits

Short-term employee benefits:

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Long-term employee benefits:

i. Defined contribution plans:

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes monthly contributions to statutory provident fund (Government

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

administered provident fund scheme) in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 which is a defined contribution plan. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in Statement of Profit and Loss in the period(s) during which the related services are rendered by employees.

ii. Defined benefit plans:

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Gratuity is a post-employment benefit and is in the nature of a defined benefit plan.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income (OCI). The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

G) Exceptional items

Items of income or expense from ordinary activities which are of such size, nature or incidence that, their disclosure is relevant to explain the performance of the enterprise for the period, are disclosed separately in the Statement of Profit and Loss.

H) Measurement of fair values

A number of the accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

DB (International) Stock Brokers Limited

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Derivatives [call & put options, un-hedged] are valued using valuation techniques with market observable inputs and these are marked to market based on prevailing quoted rates, as applicable.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

I) Revenue

i. Rendering of services:

The company recognizes income on accrual basis. Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

ii. Brokerage and related income:

Brokerage Income, Income from depository participants is recognized as & when assured.

iii. Recognition of dividend income, interest income or expense:

Dividend income is recognised in Statement of Profit and Loss on the date on which the Company's right to receive payment is established.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- The gross carrying amount of the financial asset; or
- The amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

J) Leases

The Company's lease asset classes primarily consist of leases for Buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company has applied the exemption to not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application.

K) Income tax

Income tax comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences related to investments in subsidiary and associate to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity and in this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

L) Earnings per share

The basic earnings/(loss) per share is computed by dividing the net profit/(loss) before other comprehensive income attributable to owners of the Company for the year by the weighted average number of equity shares outstanding during reporting period.

The number of shares used in computing diluted earnings/(loss) per share comprises the weighted average shares considered for deriving basic earnings/(loss) per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

M) Provisions and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

The disclosure of contingent liability is made when, as a result of obligating events, there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

N) Impairment

Impairment of non-financial assets:

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If, at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the Statement of Profit and Loss.

Impairment of financial assets:

In accordance with IND AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets, Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables:

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets:

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-months expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Summary of Significant Accounting policies and other explanatory information to the Standalone Financial Statements for the Year Ended March 31, 2023

O) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

P) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

Q) Trade and other payables

These amounts represent liabilities for services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per the credit terms.

R) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment/allowance for credit loss.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
DB (INTERNATIONAL) STOCK BROKERS LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **DB (International) Stock Brokers Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the Significant Accounting Policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023, the consolidated profit (including comprehensive income, the consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have

obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Holding Company’s Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company’s Annual Report, but does not include the Consolidated Financial Statements and our Auditor’s report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is

materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Management and Board of the Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the Companies included in the Group, is responsible for assessing the each Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group is responsible for overseeing the each Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected

to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Financial Controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls System in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's and Board of Directors use of the going concern basis of accounting in preparation of the Consolidated Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating

the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance of the Holding Company and the Subsidiary Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. With respect to matters specified in paragraph 3 (xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order" or "CARO"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, according to the information and explanations given to us and based on the CARO reports issued by the respective Auditors of Companies included in the Consolidated Financial Statements, to which reporting under CARO is applicable, we report as under that there are no qualifications or adverse remarks by the respective auditors in the Companies (Auditors Report) Order (CARO) reports of the Companies included in the Consolidated Financial Statements except clause 3(vii)(b): .
2. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to the preparation of the consolidated financial statements have been kept so far as it appears from our examination of those books.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules.
- e) On the basis of the written representations received from the Directors of the Holding Company and the subsidiary company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company and the subsidiary company, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the holding Company and its Subsidiary Company over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company and the Subsidiary Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements.
 - ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company or the Subsidiary Company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, on the date of this audit report, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of

funds) by the Holding Company or the Subsidiary Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall;

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ('the Ultimate Beneficiaries') or its Subsidiary company or
 - provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Holding Company or its Subsidiary Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its Subsidiary company shall,
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- d) In our opinion the no dividend has been declared or paid during the year by the Holding Company and its subsidiary company incorporated in India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of DB (INTERNATIONAL) STOCK BROKERS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

In conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date. We have audited the Internal Financial Controls with reference to the Consolidated Financial Statements of DB (INTERNATIONAL) STOCK BROKERS LIMITED (“the Company” or “the Holding Company”) and DAGA BUSINESS (INTERNATIONAL) STOCK BROKERS (IFSC) PRIVATE LIMITED (“the Subsidiary”), [hereinafter collectively referred to as “the Group”] over the financial reporting as of and for the year ended March 31, 2023.

In our opinion, the Holding Company and the Subsidiary Company, have, in all material respects, adequate Internal Financial Controls with reference to the Consolidated Financial Statements and such Internal Financial Controls were operating effectively as at March 31, 2023, based on the Internal Financial Controls with reference to Consolidated Financial Statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The respective Company’s Management and the Board of Directors are responsible for establishing and maintaining Internal Financial Controls with reference to the Consolidated Financial Statements based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Internal Financial Controls with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Control System over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's Internal Financial Control with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal Financial Control with reference to the Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

n. Description of risk exposures:

- i) Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follow:
- a) Salary increases- actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
 - b) Investment risk – as the plan is not funded, there is no investment risk
 - c) Discount rate : reduction in discount rate in subsequent valuations can increase the plan's liability.
 - d) Mortality & disability – actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
 - e) Withdrawals – actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.
- ii) During the year the Company has recorded an expense of ₹ 9,068.15 (previous year ₹ 5,861.01) towards provident fund, a defined
- iii) Leaves are encashed at the end of the year and not carried forwarded.
- iv) Post employment benefits are determined by an Independent Actuary on overall basis and hence have not been separately provided for key management personnel.

28(a) Leases

Information about leases

- The Company has taken office premises at certain locations on operating lease. The agreements are executed for a period ranging from 11 months to 36 months.
- The aggregate depreciation expenses on right of use assets is included under depreciation and amortisation expenses in the statement of Profit and Loss.
- The movement in lease liabilities has been disclosed in Note 14(ii)

29 Financial risk management objective and policies

The Copmany is exposed to various financial risks. These risks are categorised into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long-term and short-term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises following types of risks: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As at each reporting date, the Company does not have exposure in interest rate risk. Therefore, it is not exposed to interest rate risk

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As at each reporting date, the Company does not have exposure in foreign currency. Therefore, it is not exposed to currency risk.

(B) Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligation. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties, and by monitoring exposures in relation to such limits.

The maximum exposures to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented in the financial statements. The Company's major classes of financial assets are cash and cash equivalents, loans, term deposits, trade receivables and security deposits.

Cash and cash equivalents and term deposits with banks are considered to have negligible risk or nil risk, as they are maintained with high rated banks financial institutions as approved by the Board of directors. Security deposits are kept with stock exchange for meeting minimum base capital requirements. These deposits do not have any credit risk.

The management has established accounts receivable policy under which customer accounts are regularly monitored. The Company has a dedicated risk management team, which monitors the positions, exposures and margins on a continuous basis.

Expected credit loss

(a) Trade receivables

The Company applies the Ind AS 109 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance(ECL) for all trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics as follows:

- Receivable from Brokerage (Secured by collaterals mainly in form of Securities of listed Company)
- Receivable from Exchange (Unsecured)
- Receivable from Depository (Secured by collaterals mainly in form of Securities of listed Company)

Receivable from Exchange(Unsecured): There are no historical loss incurred in respect of Receivable from exchange. Entire exposure/receivables as at each reporting period is received and settled within 7 days from reporting period. Therefore, no ECL is recognised in respect of receivable from exchange.

Receivable from Brokerage and depository: Company has large number of customer base with shared credit risk characteristics. As per policy of Company, trade receivable to the extent not covered by collateral(i.e. unsecured trade receivable) is considered as default and are fully written off as bad debt against respective trade receivables and the amount of loss is recognised in the Statement of Profit and Loss. Subsequent recoveries of amounts previously written off are credited to the income statement as bad debts recovered. Trade receivable of the Company are of short duration with credit period ranging up to maximum 30 days. In case of delay in collection, the Company has right to charges interest (commonly referred as delayed payment charges)on overdue amount for the overdue period. However, in case of receivable from depository, the Company doesn't have right to charge interest. Though credit period given to customer in respect of receivable from depository is very short. Incremental borrowing rate is considered as effective interest rate on these trade receivable for the purpose of computing time value loss.

For instruments measured at amortised costs, carrying value represents best estimate of the fair value. These instruments are level 3 instruments.

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Derivatives [call & put options, un-hedged] are valued using valuation techniques with market observable inputs and these are marked to market based on prevailing quoted rates, as applicable.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year. [Though, presently the Company does not have any Level 1 financial instruments.]

Financial risk management objectives and policies

The Company's principal financial liabilities comprises trade and other payables, security deposits, employee liabilities. The Company's principal financial assets include trade and other receivables, cash and short-term deposits/ loan that derive directly from its operations.

- 36(a) Credit risk:** Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Company's trade receivables does not have any expected credit loss as these are secured by a collateral.
- 36(b) Fair value:** The Company has made investment in quoted security (level I investment) for which discrete financial information is not available with the Company and hence, the Company has used adjusted net assets value method to arrive at fair value.
- 36(c) Price risk:** The Company has open positions in derivatives [call & put options, un-hedged] and these are open to volatility in market.
- 36(d) Liquidity risk:** Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. All current the financial liabilities of the Company are current in nature as disclosed in the financial statements.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

1. Background of the Reporting entity

DB (International) Stock Brokers Limited (the 'Holding Company'), a public limited listed Company, together with its subsidiary and associate (collectively referred to as the 'Group'), is engaged in stock broking and depository participant services of CDSL. The Group is also engaged as an intermediary as per the Securities and Exchange Board of India Guidelines, 2015 in an IFSC (International Financial Service Centre). The Holding Company is domiciled in India and its Registered Office is situated at Unit No.210, 211 & 211A, 2nd Floor Dalal Street Commercial Co-operative Society Limited, Block-53, Road 5E, Zone-5, GIFT City Gandhinagar, Gujarat - 382355. The Holding Company was incorporated in India on February 28, 1992.

2. Significant Accounting Policies

A) Overall Consideration

The Consolidated Financial Statements have been prepared using the Significant Accounting Policies and measurement bases summarised below. These were used throughout all periods presented in the Financial Statements, except where the Group has applied certain Accounting Policies and exemptions upon transition to IND-AS.

B) Basis of Consolidation

i) Subsidiary

Subsidiary is entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiary is fully consolidated from the date on which control is transferred to the Group. Statement of Profit and Loss (including Other Comprehensive Income ('OCI')) of Subsidiary acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the Financial Statements of the Holding Company and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group Companies are eliminated. Accounting Policies of Subsidiary have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a Subsidiary's Statement of Profit and Loss and net assets that is not held by the Group. Statement of Profit and Loss balance (including other comprehensive income ('OCI')) is attributed to the equity holders of the Holding Company and to the non-controlling interests basis the respective ownership interests and such balance is attributed even if this results in controlling interests having a deficit balance.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the Subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

ii) Associate

Investment in entity in which there exists Significant Influence but not a controlling interest are accounted for under the equity method i.e. the investment is initially recorded at cost, identifying any goodwill arising at the time of acquisition, as the case may be, which will be inherent in investment. The carrying amount of the investment is adjusted thereafter for the post acquisition changes in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The Consolidated Statement of Profit and Loss (including the Other Comprehensive Income) includes the Group's share of the results of the operations of the investee. The Group discontinues the use of equity method from the date when investment ceases to be an associate.

C) Basis of preparation

i) Statement of Compliance

These Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standards (IND - AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The Financial Statements for the Year ended March 31, 2023 were authorized and approved for issue by the Board of Directors on April 28, 2023.

ii) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle of the Group
- Held primarily for the purposes of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period all other assets are classified as non-current.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle of the Group
- Held primarily for the purposes of trading
- Due to be settled within twelve months from the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

iii) Basis of measurement

These Consolidated Financial Statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of defined benefit obligations and plan assets

iv) Use of estimates and judgements

In preparing these Financial Statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised prospectively.

Judgments:

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the Consolidated Financial Statements is included in the following notes:

Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended March 31, 2023 is included in the following notes:

- Note 5 – recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;
- Note 30 – measurement of defined benefit obligations: key actuarial assumptions;

D) Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. The notifications include Additional Disclosures in Financial Statements- Schedule III applicable from April 01, 2021 with the following details:

- Shareholding of promoters at the end of the year and changes during the year.

- Compliance with number of layers of Companies.
- Utilization of Borrowed funds and share premium for third party funding.
- Specified Accounting Ratios.
- Details of undisclosed income not recorded in the Books of Accounts.
- Details of CSR & Crypto Currency or Virtual Currency.

E) Financial Instruments

Initial recognition and measurement:

Financial Assets and Financial Liabilities are recognized when the Group becomes a party to the contractual provisions of the Financial Instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of Financial Assets and Financial Liabilities is described below:

Derivatives and hedge accounting

Derivatives are initially recognised at fair value and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gains / losses is recognised in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of recognition in profit or loss / inclusion in the initial cost of non-financial asset depends on the nature of the hedging relationship and the nature of the hedged item.

The Group complies with the principles of hedge accounting where derivative contracts are designated as Hedge Instruments. At the inception of the Hedge Relationship, the Group

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

documents the relationship between the hedge instrument and the hedged item, along with the risk management objectives and its strategy for undertaking hedge transaction, which can be a fair value hedge or a cash flow hedge.

(i) Fair value hedges:

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in fair value of the hedged item attributable to the hedged risk are recognised in Statement of Profit and Loss in the line item relating to the hedged item. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

(ii) Cash Flow Hedges:

The effective portion of changes in the fair value of derivatives that are designated and qualify as Cash Flow Hedges is recognised in the other Comprehensive Income and accumulated as 'Cash Flow Hedging Reserve'. The gains / losses relating to the ineffective portion are recognised in the Statement of Profit and Loss. Amounts previously recognised and accumulated in other comprehensive income are reclassified to profit or loss when the hedged item affects the Statement of Profit and Loss. However, when the hedged item results in the recognition of a non-financial asset, such gains/losses are transferred from equity (but not as reclassification adjustment) and included in the initial measurement cost of the non-financial asset. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gains/losses recognised in Other Comprehensive Income and accumulated in equity at that time remains in equity and is reclassified when the underlying transaction is ultimately recognised. When an underlying transaction is no longer expected to occur, the gains / losses accumulated in equity is recognised immediately in the Statement of Profit and Loss.

Non-derivative financial assets

Subsequent measurement:

Financial assets carried at amortised cost - a financial asset is measured at the amortised cost, if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Investments in equity instruments of subsidiary

Investment in equity instruments of subsidiary is measured at cost in accordance with IND-AS 27 Separate Financial Statements.

De-recognition of financial assets:

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement:

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities:

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

F) Foreign currency translation or transaction

Functional and presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in Statement of Profit and Loss.

G) Property, plant and equipment

Recognition and measurement:

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

Subsequent expenditure:

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation:

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the written down value method and is generally recognised in the Statement of Profit and Loss. Freehold land is not depreciated.

Depreciation on fixed assets is provided as per the guidance set out in the Schedule II to the Companies Act, 2013. Depreciation is charged on written down value method based on estimated useful life of the asset after considering residual value as set out in schedule II to the Companies Act, 2013.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed off).

Leasehold improvements are amortised over the lease period or the estimated useful life, whichever is shorter.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

H) Intangible assets

i) Initial recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

ii. Subsequent expenditure:

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the Statement of Profit and Loss as incurred.

iii. Others:

Intangible assets are amortised on a written down value basis over the estimated useful life not exceeding three years.

Gains or losses arising from de recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

I) Employee benefits

Short-term employee benefits:

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Long-term employee benefits:

i. Defined contribution plans:

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes monthly contributions to Statutory Provident Fund (Government administered Provident Fund Scheme) in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 which is a defined Contribution Plan. Obligations for

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

contributions to defined contribution plans are recognised as an employee benefit expense in Statement of Profit and Loss in the period(s) during which the related services are rendered by employees.

ii. Defined benefit plans:

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Gratuity is a post-employment benefit and is in the nature of a defined benefit plan.

The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income (OCI). The Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

J) Exceptional items

Items of income or expense from ordinary activities which are of such size, nature or incidence that, their disclosure is relevant to explain the performance of the enterprise for the period, are disclosed separately in the Statement of Profit and Loss.

K) Measurement of fair values

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

A number of the accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Derivatives [call & put options, un-hedged] are valued using valuation techniques with market observable inputs and these are marked to market based on prevailing quoted rates, as applicable.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Group has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

L) Revenue

i. Rendering of services:

The Group recognizes income on accrual basis. Revenue is recognised to the extent it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

ii. Brokerage and related income:

Brokerage Income, Income from depository participants is recognized as & when assured.

iii. Recognition of dividend income, interest income or expense:

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

Dividend income is recognised in Statement of Profit and Loss on the date on which the Group's right to receive payment is established.

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- The gross carrying amount of the financial asset; or
- The amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

M) Leases

The Company's lease asset classes primarily consist of leases for Buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company has applied the exemption to not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application.

N) Income tax

Income tax comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences related to investments in subsidiary and associate to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity and in this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

O) Earnings per share

The basic earnings/(loss) per share is computed by dividing the net profit/(loss) before other comprehensive income attributable to owner's of the Group for the year by the weighted average number of equity shares outstanding during reporting period.

The number of shares used in computing diluted earnings/(loss) per share comprises the weighted average shares considered for deriving basic earnings/(loss) per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

P) Provisions and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

The disclosure of contingent liability is made when, as a result of obligating events, there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

Q) Impairment

Impairment of non-financial assets:

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If, at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the Statement of Profit and Loss.

Impairment of financial assets:

In accordance with IND AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets, Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables:

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements for the year ended March 31, 2023

Other financial assets:

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-months expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

R) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

S) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

T) Trade and other payables

These amounts represent liabilities for services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per the credit terms.

U) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment/allowance for credit loss.
