Comment from Audit Committee and Board of the Company: As stated in Prospectus that the Company may have to revise its funding requirements and deployment from time to time in accordance with various factors such as change in cost, financial and market conditions, business and strategy and interest/ exchange rate fluctuations or other external factors, which may not be within the control of Management. This may entail rescheduling and revising the planned expenditure and funding requirement and increasing or decreasing the expenditure for a particular purpose from the planned expenditure at the discretion of Management. Due to resurgence of second wave COVID 19 pandemic and general awareness about healthcare in masses, there is an increase in demand of the home health care and wellness products. To cope up with the increased demand, the IPO proceeds have been utilised for the stated object more than the amount stated to be utilised in FY 2020-21 and FY 2021-22, as set out in the Prospectus.

The proceeds raised by the Company have been fully utilized for the objects as stated in the Prospectus.
