Independent Auditor's Limited Review Report on the Quarterly and Year to Date Unaudited Financial Results of M/s GG Engineering Limited pursuant to the Regulations 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015, as amended

**Limited Review Report
To The Board of Directors
M/s GG Engineering Limited**

1. We have reviewed the accompanying statement of unaudited financial results of GG Engineering Limited for the quarter ended 31st December, 2023 and for the year to date results for the period from 01st April 2023 to 31st December 2023, ("the statement") being submitted by the company pursuant to requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Ind AS 34 and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Information on Segment Reporting pursuant to Ind AS 108 - Operating Segments

Operating segments:

Trading Division - Infrastructure
Engineering Based Services
Marketing Based Services
Dealing In Shares/Securities

Identification of segments:

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in these financial statements. Operating segments have been identified on the basis of the nature of products.

Segment revenue and results

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

Segment assets and liabilities:

Assets used by the operating segments mainly consist of property, plant and equipment, trade receivables, cash and cash equivalents and inventories. Segment liabilities include trade payables and other liabilities. Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets/liabilities.

The measurement principles of segments are consistent with those used in preparation of these financial statements. There are no inter-segment transfers
