LIMITED REVIEW REPORT

Review Report to
The Board of Directors
Coromandel Engineering Company Limited

We have reviewed the accompanying statement of unaudited financial results of COROMANDEL ENGINEERING COMPANY LIMITED for the Quarter year ended 30 June 2021 being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with Circular No. CIR/CFD/CMBI/80/2019 dated 19 July, 2019.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance, than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

We draw attention to Note 2 of the Statement which describes the impact of Covid-19 pandemic, and its possible consequential implications on the Company's operations. Our opinion is not modified in respect of this matter.

The Company has significant accumulated losses as at 30 June 2021. These events or conditions, along with other matters indicate potential going concern uncertainty. However considering the fact that promoters have infused preference capital in earlier years and based on the management's plan, the company is confident of meeting its obligation and continue as a going concern.
