An independent Director may be removed from the Board by a majority decision by its members for sufficient reasons which may include a conflict of interest, lack of attendance at meetings of the Board and its Committees and inadequate performance at such meetings as evaluated by the Board annually or otherwise.

Whole-time Director

Selection, appointment and removal of KMP and Senior Management personnel is the responsibility of the Managing Director.

However, NRC in consultation with the Managing Director considers and recommends to the Board the appointment of a whole-time director from amongst the KMP and Senior Management.

Criteria for such selection and appointment as a director principally are:

- the need felt by the Board for expertise and experience of the individual to be available for Board deliberations as a member.
- as a reward/promotion for specially good performance and contribution to the Company's business.

Remuneration of a whole time director is determined by the Board on recommendation of NRC and approved by Shareholders and / or Central Government as required by law. While recommending remuneration payable, NRC considers the remuneration structure for senior management and additional responsibilities as a member of the Board.

Performance evaluation of a whole time director is made by the Managing Director in respect of his executive/operational responsibilities and by NRC on his performance at the Board on criteria similar to that set out for NED.

Evaluation of KMP and Senior Management is made annually by the Managing Director, principally based on both quantitative and qualitative performance in their specific area of executive responsibility, financial and other objectives as set in annual business plans, effectiveness of their leadership, management of people reporting to them, implementation of systems and controls in their operations, their contribution in the deliberations of executive and management groups and positive interaction with other executives and employees.

The remuneration of these personnel is determined by the Managing Director in consonance with the Company's policy to give fair managerial compensation taking account of their performance and contribution to the Company's overall performance.

The Company's compensation policy provides for variable content related to performance in remuneration package for all managerial personnel.

NRC develops its process and forms/matrices for performance evaluation from time to time as it deems appropriate.

MANAGEMENT DISCUSSION AND ANALYSIS

I) INDUSTRY STRUCTURE & DEVELOPMENT:

India's gems and jewellery sector is one of the largest in the world contributing 29 per cent to the global jewellery consumption. The market size of the sector is about US\$ 75 billion as of 2018 and is estimated to reach US\$ 100 billion by 2025. The sector is home to more than 300,000 gems and jewellery players, contributes about 7 per cent to India's Gross Domestic Product (GDP) and employs over 4.64 million employees.

(II) OPPORTUNITIES, THREATS AND RISKS:

In the coming years, growth in Gems and Jewellery sector would be largely contributed by the development of large retailers/brands. Established brands are guiding the organised market and are opening opportunities to grow. Increasing penetration of organised players provides variety in terms of products and designs. Online sales are expected to account for 1-2 per cent of the fine jewellery segment by 2021-22. Also, the relaxation of restrictions of gold import is likely to provide a fillip to the industry. The improvement in availability along with the reintroduction of low cost gold metal loans and likely stabilisation of gold prices at lower levels is expected to drive volume growth for jewellers over short to medium term. The demand for jewellery is expected to be significantly supported by the recent positive developments in the industry.

But of lately there are few policies which have been introduced by the government because of which this sector was felt some unrest. Besides this, the rise in inflation has shrunk the purchasing power of the consumer. The political uncertainty has also shown its adverse impact on the industry.

III) OUTLOOK:

India is the largest consumer of gold in the world. Rising middle class population and increasing income levels are the key drivers for the demand of gold and other jewellery in India. Gold demand in India rose 11 per cent year-on-year to 760.40 tonnes during January-December 2018. Also, the Government of India has permitted 100 per cent Foreign Direct Investment (FDI) in the sector under the automatic route. The Bureau of Indian Standards (BIS) has revised the standard on gold hallmarking in India from January 2018, to include a BIS mark, purity in carat and fitness as well as the unit's identification and the jeweller's identification mark on gold jewellery. The move is aimed at ensuring a quality check on gold jewellery.

(V) INTERNAL CONTROL SYSTEM:

The company has effective and adequate internal control system. All the assets of the Company are properly safeguarded and used to their optimum capacity. The system is reviewed and updated by the management periodically. The finding and suggestions of internal control are reviewed by the Board of Directors & Audit Committee and they make sure that internal controls are properly complied with.

(VI) HUMAN RESOURCES AND INDUSTRIAL RELATION:

The company is maintaining very cordially relations with all concerned people. With the change in management, new faces have been inducted in the company. Recruitments have been done as per the requirement. The relations with banks and other statutory departments are also very cordial.

- (a) In the case of the Balance Sheet, of the State of Affairs of the Company as at 31st March, 2021;

- (c) In the case of the Cash Flow Statement, of the Cash Flows of the Company for the year ended on that date, and
- (d) In the case of Statement of Changes in Equity, changes in equity for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

In our opinion, there are no key audit matters to be reported.

4. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

5. Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain Professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that

may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure "B" to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have audited the internal financial controls over financial reporting of DEVINE IMPEX LIMITED ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets, that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedure may deteriorate

SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF ACCOUNTS

These financial statements have been prepared to comply with the Indian Accounting Standards (Ind AS). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Ind AS financial statements are prepared on accrual basis under the historical cost convention. The Ind As financial statements are presented in Indian rupees rounded off to the nearest thousand.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2 USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.3 PROPERTY, PLANT & EQUIPMENT

- i. Property, Plant & Equipment have been stated at original cost, inclusive of inward freight, incidental expenses related to acquisition, financing cost till commencement of commercial production and related pre-operative expenses, less depreciation, while arriving at original cost.
- ii. Depreciation is provided on straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

1.4 IMPAIRMENT OF ASSETS

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.5 ACCOUNTING FOR GOVERNMENT GRANTS

Government Grants related to specific fixed assets are accounted for on receipt basis. Grants received are deducted from the gross value of fixed assets concerned in arriving at their book value.

Grants related to specific expense are booked on accrual basis and deducted from the related expense.

1.6 BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of Profit and Loss.

1.7 FOREIGN CURRENCY TRANSACTIONS

i) Initial Recognition

Investments in foreign entities are recorded at the exchange rate prevailing on the date of making the investment. Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

ii) Conversion

Monetary assets and liabilities denominated in foreign currencies, as at the balance sheet date, not covered by forward exchange contracts, are translated at year end rates.

iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recognized as income or expense in the year in which they arise. The exchange difference on foreign currency denominated long term borrowings relating to the acquisition of depreciable capital assets are adjusted in the carrying cost of such assets for current year. The Company has opted for voluntary exemption given in Ind AS-101, which allows first time adopter to continue its Indian GAAP policy for accounting of exchange difference arising on translation of long term foreign currency monetary items recognized in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

1.8 INVENTORIES

Inventories are valued at cost or net realizable value whichever is lower, as certified by the management.

1.9 REVENUE RECOGNITION

Revenue is recognized to the extent that it can be reliably measured and is probable that the economic benefits will flow to the Company.

Dividend income is recognized as and when the right to receive is established.

1.10 INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other Investments are classified as Long term Investments. Current Investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are stated at cost, diminution in the value of long term investments is provided only when decline is other than temporary, in the opinion of the management.

1.11 ACCOUNTING FOR TAXES ON INCOME

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Minimum alternate tax (MAT) paid in accordance with the tax laws, which give rises to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the Balance Sheet.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. Deferred tax assets and liabilities are reviewed at each balance sheet date and are restated to reflect the amount that is reasonably certain to be released/ payable. Deferred tax assets and deferred tax liabilities have been set off wherever the company has a legally enforceable right to set off and the deferred tax assets and deferred tax liabilities levied by same taxation authority.

1.12 LEASES

In accordance with Ind AS 116, a contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

1.13 EMPLOYEE BENEFITS

Employee benefits payable fully within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

1.14 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

1.15 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period after tax before OCI attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period after tax before OCI attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.16 FINANCIAL INSTRUMENTS

A. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

B. Subsequent measurement

a. Non-derivative financial instruments

i. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

iv. Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

v. Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

b. Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

c. Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

d. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

1.17 MISCELLANEOUS EXPENDITURE

Preliminary expenses are written off over a period of 5 years.
