Dear Sir,

AUDITED FINANCIAL RESULTS OF THE COMPANY FOR THE QUARTER & YEAR ENDED 31ST MARCH 2021

This has reference to the Audited Standalone and Consolidated Financial Results for the Quarter and Financial Year ended 31st March, 2021 approved by the Board of Directors and filed with the Stock exchanges on 30th June, 2021.

In this regard, we wish to inform you that in the Consolidated Financial Results for the quarter and year ended 31 March 2021, Dividend Income of Rs. 4,319(in thousands) relating to the Financial year ended 31.03.2021 was inadvertently repeated in the Dividend income for the quarter and financial year ended 31.03.2021. As a result figures appearing in total income, profit after tax, total comprehensive income and EPS have been impacted.

However there are no changes in figures for quarter ended 31 December, 2020; for the quarter ended 31 March 2020 and for the year ended 31 March 2020. Also there are changes in the Statement of Impact of Audit Qualification for Annual Standalone and Consolidated Financial Results.

Further, in the heading of the Audited Standalone Financial Result for the quarter and year ended 31.03.2021, the word "year ended" and above the financial result table "Rs. In thousands except per share data" is missing.

In the Standalone Statement of Asset and liabilities as at 31ST March, 2021 the word "Rs. in thousand" is missing.

In view of above, we are once again submitting the full set of Audited (Standalone & Consolidated) Financial Results for the quarter and year ended 31 March 2021 for your records.

We reiterate the error committed inadvertently is sincerely regretted.

Yours faithfully,
WILLIAMSON MAGOR & CO. LIMITED

- 1) The above results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 30th June, 2021.
- 2) The above results have been reviewed by the Statutory Auditors as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 3) The outbreak of Coronavirus (COVID-19) globally and in India has impacted business and economic activities in general and has caused serious threat to human lives and resulted in reduction in global demand and disruption in supply chain, forcing the businesses to restrict or close the operations in short term. In view of management's estimates, the ultimate impact of Covid - 19 pandemic including on carrying value of current and non-current assets is not expected to be material.
- 4)
 - a) During the year, the Company's financial performance has been adversely affected due to external factors beyond the control of the Company and a negative net worth due to the classification of loans and advances as Non-Performing Assets and diminution in the value of Investments. The Company has defaulted in payment of interest and repayment of principal amount of loans to the lenders and others and the liquidity issues faced by the Company are being discussed with them. The Management is confident that with the Lenders' support and various other measures taken/ to be taken regarding recovery/restructuring of loan - assets upon debt – resolution plans to be implemented by group companies, the Company will be able to generate sufficient cash inflows through profitable operations and improve its net working capital position to discharge its current and non-current financial obligations. Accordingly, the Board of Directors have decided to prepare the Standalone Financial Results on a going concern basis.
 - b) Interest of Rs. 4,50,431 Thousands on inter - corporate borrowings for the year for the 31st March, 2021 (Rs. 3,97,050 Thousand for the quarter ended 31st March, 2021) has not been recognised in the above financial results.

5)

- a) During the quarter ended 31st March, 2021 Securities given by the Company on its own behalf and that of the group companies and itself to IL&FS by way of pledge of 1,07,395 Equity shares of Eveready Industries India Limited for credit facility availed by group companies have been invoked. The company has sent written communication to the lender requesting detail statement. Necessary adjustment will be made upon receipt of information from the lender. The value of such shares has been shown as 'Other Receivables' by the Company.
- b) Certain balances including trade and other receivables /payables, loans and advances, other current assets and certain other liabilities including those relating to loan creditors are subject to reconciliation and confirmations thereof. Adjustment/impact is not ascertainable.

6)

- a) In earlier year IL&FS Financial Services Limited ("the Investor") had invested in one of the promoter group company namely McNally Bharat Engineering Company Limited by subscribing to 1,61,29,000 Compulsorily Convertible Preference Shares (CCPSs) @ Rs 62/- per share aggregating to Rs. 9,99,998 thousands. The said Investor had exercised put option to sell the said CCPSs to the Company. Without prejudice to Company's right to oppose the investor's action the Company as a prudential measure had recognised the said sum as Contingencies for Probable Obligations and a corresponding Financial Asset recognised in the Standalone Financial Statements.
- b) In respect of the debentures issued to IL&FS in earlier year, the first instalment of redemption thereof of Rs. 15,625 thousands was due on 31st December, 2020 and the second instalment of Rs. 1,09,375 thousands on 31st March, 2021. However, IL&FS had unilaterally called for premature redemption on 10th June, 2019. Aggrieved by this the Company has stopped recognising the interest expense from August 2019 onwards. The Company has also disputed their arbitrary action and is negotiating with them for proper resolution. In the meantime the shares, fixed deposits and immovable property pledged/ mortgaged by the Company including that of its group companies were invoked by IL&FS from time to time, details whereof are as under:-

As the shares pledged belonged to the Company and its Group Companies against the borrowings of the company and other group companies and no confirmations/intimation have been received from IL&FS as to how the adjustments have been made by them against the Company's and the group companies' borrowings with the sale proceeds of the shares and property pledged with them in a common pool.

In the absence of segregation of the invoked securities held by Vistra ITCL (India) Ltd and ILFS it is not clear as to how much value is ascribed to the Non-Convertible Debentures issued by the company to ILFS-IDF. On the basis of pro-rata loan principal outstanding as on date, the value of invoked common securities is more than that of repayment obligation of 31st Dec 2020 and 31st March 2021. Hence there has been no default on the company's part as to its redemption obligation of the Non-Convertible Debentures.

- 7) During the year the Lender Company SREI Equipment Finance Limited (Formerly known as SREI Infrastructure Finance Ltd) has invoked the Letter of Comfort given by Eveready Industries India Limited for the settlement of total outstanding amount of Rs. 6,00,000 thousands. Accordingly, the Company has squared off the amount due to SREI Infrastructure Finance Ltd and recognized the liability to Eveready Industries India Limited of Rs. 4,79,108.81 thousands and the loan settlement income of Rs. 1,20,891.19 thousands shown as other income in the Statement of Profit and Loss.
- 8) In earlier year loan of Rs 10,00,000/- thousands due to KKR Financial Services Limited (KKR) could not be repaid by the company. The matter has been reported to arbitration and the parties are in the process of appointing their arbitrator(s).
- 9) In earlier year the Company had entered into a Put Option Agreement with Kotak Mahindra Bank ("the Investor") and the Investor had invested in one of the promoter group entity company namely McNally Bharat Engineering Company Limited in the form of 24,00,000 Compulsorily Convertible Preference Shares (CCPSs) @ Rs 62/- per share aggregating to Rs. 1,48,800 thousands. As per the terms of agreement the said Investor exercised put option to sell the said shares to the Company. On failure to recover the amount, the investor filed an application under section 9 of Arbitration & Conciliation Act before the Bombay High Court. An order of injunction was passed upon the Company restraining it from transferring, disposing of or alienating its assets and an undertaking was taken from the company that Rs. 5000 thousands would be paid by it upfront. Accordingly, the Company has paid Rs. 5,000 thousand to the investor. Consequently, the Company has recognised the said sum of Rs. 1,48,800 thousands as Contingencies for Probable Obligations and Rs. 5,000 thousand there against has been recognised as advance in the Standalone Financial Statements.

- 10) In earlier year pursuant to an agreement entered into by the Company with Aditya Birla Finance Limited ("the Investor") the Investor had invested in one of the promoter group company namely McNally Bharat Engineering Company Limited by subscribing to 1,12,90,000 Compulsorily Convertible Preference Shares (CCPSs) @ Rs 62/- per share aggregating to Rs. 6,99,980 thousands. On the Investor's failure to realize the amount on invocation of the above CCPs, it initiated arbitration proceedings and the Arbitral Tribunal passed an interim award upon the group companies and the Company declaring it to be jointly and severally liable to pay a sum of Rs. 8,10,000 thousands. - 11) During the year HDFC Ltd. the lender of the Company sold the pledged security of immovable property (building) for a consideration of Rs. 6,80,000 thousands and adjusted the same against the outstanding dues of the Company and a Group Company. Report on the Audit of the Standalone Financial Results

Qualified Opinion

We have audited the accompanying Standalone Financial Results ("the Statement") of Williamson Magor & Co. Limited ("the Company") for the quarter and year ended on 31st March, 2021, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated 19th July, 2019 ("the Circular")

In our opinion and to the best of our information and according to the explanations given to us, except for the matters described in the Basis for Qualified Opinion section of our Report, the Statement:

- a. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard, and
- b. gives a true and fair view, in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit, total comprehensive profit and other financial information for the quarter and the year ended on 31st March, 2021.

Basis for Qualified Opinion

a. Going Concern Assumption in preparation of the Statement

The Company has defaulted in repayment of borrowings to its financial institutions lenders and others. In view of the Management, the Company would be able to improve its net working capital position to discharge its current and non-current financial obligations as described in Note 4(a) to the Statement. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".

b. Non-recognition of Interest Expense

We draw attention to Note 4(b) of the Statement relating to non-recognition of interest expense of Rs. 4,50,431 Thousands on inter - corporate borrowings for the year ended 31st March, 2021 (Rs. 3,97,050 Thousand for the quarter ended 31st March, 2021) and Interest expense of Rs. 2,95,000 Thousands on borrowings from financial institution for the year ended 31st March, 2021 (Rs. 73,750 Thousands for the quarter ended 31st March, 2021 and Rs.1,96,986 Thousands for the year ended 31st March, 2020). As a result, finance cost, liability on account of interest and total comprehensive profit for the quarter and year ended 31st March, 2021 are understated to that extent.

c. Recognition of Deferred Tax Assets

We draw attention to Note 15 of the Statement relating to recognition of Deferred Tax Assets amounting to Rs. 9,96,770 thousand as at 31st March, 2021. Considering the management's assessment of going concern assumption in the Statement, the threshold of reasonable certainty for recognizing the deferred tax assets as per Indian Accounting Standard 12 "Income Taxes" has not been met. Consequently, deferred tax assets is overstated and total comprehensive profit for the year ended 31st March, 2021 is understated by that extent.

d. Balances with secured loan creditor and balance confirmation.

We draw attention to Note No. 5 a) and b) with respect to certain balances, including non-reconciliation of balances with secured loan creditor and balance confirmation thereof. Adjustments/impacts in this respect are currently not ascertainable and as such cannot be commented upon by us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Management's Responsibilities for the Standalone Financial Results

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared on the basis of the related annual Standalone Financial Statements of the Company. The Company's Board of Directors are responsible for the preparation and presentation of these Standalone Financial Results that give a true and fair view of the profit and other comprehensive profit and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purposes of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to the Statement of Consolidated Audited Financial Results for the quarter and financial year ended 31st March, 2021

- 1) The above results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 30th June, 2021.
- 2) The above results have been reviewed by the Statutory Auditors as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 3) The outbreak of Coronavirus (COVID-19) globally and in India has impacted business and economic activities in general and has caused serious threat to human lives and resulted in reduction in global demand and disruption in supply chain, forcing the businesses to restrict or close the operations in short term. In view of management's estimates, the ultimate impact of Covid - 19 pandemic including on carrying value of current and non-current assets is not expected to be material.
- 4)
 - a) During the year, the Investment Company's financial performance has been adversely affected due to external factors beyond the control of the Investment Company and a negative net worth due to the classification of loans and advances as Non-Performing Assets and diminution in the value of Investments. The Investment Company has defaulted in payment of interest and repayment of principal amount of loans to the lenders and others and the liquidity issues faced by the Investment Company are being discussed with them. The Management is confident that with the Lenders' support and various other measures taken/ to be taken regarding recovery/restructuring of loan - assets upon debt – resolution plans to be implemented by group companies, the Investment Company will be able to generate sufficient cash inflows through profitable operations and improve its net working capital position to discharge its current and non-current financial obligations. Accordingly, the Board of Directors have decided to prepare the Consolidated Financial Results on a going concern basis.
 - b) Interest of Rs. 4,50,431 Thousands on inter - corporate borrowings for the year for the 31st March, 2021 (Rs. 3,97,050 Thousand for the quarter ended 31st March, 2021) has not been recognised in the above financial results.

As the shares pledged belonged to the Investment Company and its Group Companies against the borrowings of the Investment Company and other group companies and no confirmations/intimation have been received from IL&FS as to how the adjustments have been made by them against the Investment Company's and the group companies' borrowings with the sale proceeds of the shares and property pledged with them in a common pool.

In the absence of segregation of the invoked securities held by Vistra ITCL (India) Ltd and ILFS it is not clear as to how much value is ascribed to the Non-Convertible Debentures issued by the Investment Company to ILFS-IDF. On the basis of pro-rata loan principal outstanding as on date, the value of invoked common securities is more than that of repayment obligation of 31st Dec 2020 and 31st March 2021. Hence there has been no default on the Investment Company's part as to its redemption obligation of the Non-Convertible Debenture.

- 7) During the year the Lender Company SREI Equipment Finance Limited (Formerly known as SREI Infrastructure Finance Ltd) has invoked the Letter of Comfort given by Eveready Industries India Limited for the settlement of total outstanding amount of Rs. 6,00,000 thousands. Accordingly, the Investment Company has squared off the amount due to SREI Infrastructure Finance Ltd and recognized the liability to Eveready Industries India Limited of Rs. 4,79,108.81 thousands and the loan settlement income of Rs. 1,20,891.19 thousands shown as other income in the Statement of Profit and Loss.
- 8) In earlier year loan of Rs 10,00,000/- thousands due to KKR Financial Services Limited (KKR) could not be repaid by the Investment Company. The matter has been reported to arbitration and the parties are in the process of appointing their arbitrator(s).
- 9) In earlier year the Investment Company had entered into a Put Option Agreement with Kotak Mahindra Bank ("the Investor") and the Investor had invested in one of the promoter group entity company namely McNally Bharat Engineering Company Limited in the form of 24,00,000 Compulsorily Convertible Preference Shares (CCPSs) @ Rs 62/- per share aggregating to Rs. 1,48,800 thousands. On failure to recover the amount, the investor filed an application under section 9 of Arbitration & Conciliation Act before the Bombay High Court. An order of injunction was passed upon the Investment Company restraining it from transferring, disposing of or alienating its assets and an undertaking was taken from the Investment Company that Rs. 5000 thousands would be paid by it upfront. Accordingly, the Investment Company has paid Rs. 5,000 thousand to the investor. Consequently, the Investment Company has recognised the said sum of Rs. 1,48,800 thousands as Contingencies for Probable Obligations and Rs. 5,000 thousand there against has been recognised as advance in the Consolidated Financial Statements.

Basis for Qualified Opinion

a. Going Concern Assumption in preparation of the Statement

The Investment Company has defaulted in repayment of borrowings to its financial institutions lenders and others. In view of the Management, the Investment Company would be able to improve its net working capital position to discharge its current and non-current financial obligations as described in Note 4(a) to the Statement. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Investment Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".

b. Non-recognition of Interest Expense

We draw attention to Note 4(b) of the Statement relating to non-recognition of interest expense of Rs. 4,50,431 Thousands on inter - corporate borrowings for the year ended 31st March, 2021 (Rs. 3,97,050 Thousand for the quarter ended 31st March, 2021) and interest expense of Rs. 2,95,000 Thousands on borrowings from financial institution for the year ended 31st March, 2021 (Rs. 73,750 Thousands for the quarter ended 31st March, 2021 and Rs.1,96,986 Thousands for the year ended 31st March, 2020). As a result, finance cost, liability on account of interest and total comprehensive profit for the quarter and year ended 31st March, 2021 are understated to that extent.

c. Recognition of Deferred Tax Assets

We draw attention to Note 15 of the Statement relating to recognition of Deferred Tax Assets by the Investment Company amounting to Rs. 9,96,770 thousand as at 31st March, 2021. Considering the management's assessment of going concern assumption in the Statement, the threshold of reasonable certainty for recognizing the deferred tax assets as per Indian Accounting Standard 12 "Income Taxes" has not been met. Consequently, deferred tax asset is overstated and total comprehensive profit for the year ended 31st March, 2021 is understated to that extent.

d. Balances with secured loan creditor and balance confirmation.

We draw attention to Note No. 5 a) and b) with respect to certain balances, including non-reconciliation of balances with secured loan creditor and balance confirmation thereof. Adjustments/impacts in this respect are currently not ascertainable and as such cannot be commented upon by us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Investment Company in accordance with the Code of Ethics Issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Management's Responsibilities for the Consolidated Financial Results

This Statement, which is the responsibility of the Investment Company's Management and approved by the Investment Company's Board of Directors, has been prepared on the basis of the related annual Consolidated Financial Statements of the Company. The Investment Company's Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Results that give a true and fair view of the profit and other comprehensive profit and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Consolidated Financial Results are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Results by the Directors of the Investment Company, as aforesaid.

In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Consolidated Financial Results are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Investment Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Consolidated Financial Results are responsible for overseeing the financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purposes of expressing an opinion on the effectiveness of the Investment Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the Investment Company.
- Conclude on the appropriateness of the Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Investment Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Investment Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities to express an opinion on the Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Consolidated Financial Results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.
