**Additional Disclosures relating to unaudited financial statements
for the period ended 30.09.2023**

Reference is invited to note no. 6 of unaudited Standalone Financial Statements for the period ended 30.09.2023. Since the Liability is provided for Rs. 2,67,915 lakhs only during the quarter, there is unprovided liability amounting to Rs.9,28,037 Lakhs. As mentioned in the note, the Corporation is seeking approval for amortization of the same.

Had this liability of Rs. 9,28,037 Lakhs also been provided in the Financial Statements for the period ended 30.09.2023, the Corporation's Expenses of Management ratio would increase by about 4.5% for the period ended 30.09.2023. However this additional provision would not have material impact on Profit after Tax of the Corporation for the period ended 30.09.2023.

For and on behalf of Board of Directors
