Revolt Motors Launches Limited Edition Stealth Black RV400 Electric Motorcycle on Its 6th Anniversary

New Delhi, 23rd August 2023: Revolt Motors, India's largest electric motorcycle company, is pleased to announce the introduction of the Limited Edition Stealth RV400 Electric Motorcycle. This highly anticipated release coincides with the company's 6th anniversary, marking a significant milestone in its journey towards reshaping the future of urban transportation.

The Limited Edition RV400, presented in the captivating Stealth Black colour, redefines aesthetic boundaries and intensifies the thrill of electric riding for enthusiasts across the nation. This bold addition to the RV400 lineup embodies a harmonious fusion of advanced technology and timeless elegance.

The Limited Edition RV400 in the stunning Stealth Black hue is a testament to Revolt Motors' unwavering commitment to harmonize innovation with style. The deep, lustrous black finish radiates sophistication, underscoring the meticulous craftsmanship behind each detail. Every contour of this motorcycle is a tribute to elegance, evoking a sense of awe at first glance.

In addition to inheriting the state-of-the-art features of the RV400, the Limited Edition comes adorned with eye-catching high end golden upside down front forks and complemented by a sporty yellow monoshock. This limited edition Stealth Black comes with matching all black

alloy wheels, swing arm, handlebars and rear grip. These distinctive elements contribute to the motorcycle's unparalleled visual allure, further reinforcing Revolt Motors' unwavering dedication to innovation and style.

The introduction of the Limited Edition RV400 in the striking Stealth Black shade echoes Revolt Motors' promise to sustainable mobility without compromising on style or performance. This motorcycle serves as a testament to the brand's vision of seamlessly merging environmental responsibility with cutting-edge aesthetics.

The Limited Edition RV400 is a collector's dream, designed for riders who demand more than mere transportation. It stands as a testament to individuality, innovation, and style. With production limited to a select number, owning this special edition motorcycle signifies membership in an exclusive group of trendsetters who are shaping the landscape of riding.

Enthusiasts and visionaries eager to experience the future of electric riding can secure their Limited Edition RV400 in Stealth Black by visiting the official Revolt Motors website or authorized dealerships. Given the anticipated high demand for this remarkable variant, prospective buyers are encouraged to secure their reservation promptly.

Revolt Motors' unwavering dedication to innovation, style, and sustainability continues to drive the evolution of electric mobility in India. The introduction of the Limited Edition RV400

in the captivating Stealth Black exemplifies a significant stride in this journey, inviting riders to embrace an elevated realm of elegance and performance.
