Dear Partner,

At the outset, we would like to gratefully acknowledge our continued and valuable relationship. It now gives us great pleasure to announce the launch of our new brand identity.

A pioneering brand in the industry, IFGL has continuously evolved and set new benchmarks over the past four decades. Today, as we embark on a fresh journey, we are happy to present our newly minted brand identity as part of our ongoing progression.

While the main icon of the new logo retains the previous shape, it now depicts refractory bricks for more visible brand identity. This, along with the modernized typescript, is a symbiosis of the present and future.

While it represents the position, purpose and the people here, at IFGL, it also depicts our vision to position ourselves as a cutting-edge global player.

Furthermore, our new website which embodies our refreshed philosophy will be launched soon. We hope you like our new look.

Regards,

James McIntosh
Managing Director
