FMCG business may help prop up ITC's fortunes

CLSA estimates segment's operating profit to double in 3 yrs; sees stock at ₹265 in a yr

New Delhi, 7 September

TC, the fast-moving consumer goods (FMCG) giant, whose stock has been relatively comatose even as peers and the broader markets delivered healthy returns, may be at an inflection point due to its FMCG (non-cigarette business), suggests CLSA.

In a report on Tuesday, Chirag Shah and Nitin Gupta of CLSA said they believe the firm's FMCG business is firmly on a profitable path and expect it to deliver over 26 per cent compound annual growth rate (CAGR) in earnings before interest, taxes, depreciation, and amortisation (Ebitda) over financial year 2020-21 (FY21)-24 on the back of industry tailwinds, margin levers, and improving asset utilisation.

Over the past four years, Ebitda margin has risen 640 basis points (bps) to 8.9 per cent in FY21, which according to CLSA, is likely to improve to 12.5 per cent by FY24.

"ITC's FMCG business is shaping up well for a K-shape acceleration with scale driving margin expansion even as capital intensity falls. We expect another 362 bps of margin expansion for the FMCG business. This should drive a doubling of its Ebitda to ₹2,700 crore (FY21: ₹1,300 crore) and RoCE to 20 per cent over FY21-24," note Shah and Gupta.

As a result, the share of FMCG in ITC's operating profit is also expected to rise. Between FY15 and FY17, its Ebitda share was under two per cent. In FY18 it stood at 3 per cent and has risen rapidly since to 8.7 per cent in FY21. By FY24, CLSA estimates this to rise to 12.5 per cent. The brokerage has a 'buy' on ITC with a 12-month target price of ₹265.

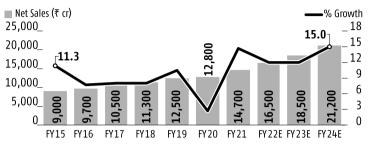

ITC has big aspirations for the FMCG business, which has clocked average sales growth of 9 per cent in the past four years, and analysts expect this to improve to 13-14 per cent during FY21-24.

strong brands (Aashirvaad, Sunfeast, aspires to increase revenues to ₹1 trillion by 2030 through organic and inorganic growth opportunities."

Much of the FMCG growth in the past decade came through the organic and also addresses value-added adjaroute, but ITC has also been open to acquisitions. It acquired Savlon (2015), Nimyle (2018), and Sunrise (2020). In a recent report, Edelweiss said, Savlon has grown 13x and Nimyle nearly 4x.

Within the existing portfolio, ITC In a report last month, analysts at has also been quick to expand into break-even. Focus on value-added

growth. Edelweiss said, ITC will also Bingo, Yippee, Fiama, Vivel) and it extend its brands such as Aashirvaad and Sunfeast to tap into market opportunities

Aashirvaad, for example, provides a platform for a larger play in staples cencies such as organic atta and pulses, gluten free and sugar release control atta, as well as vermicelli and instant meal.

Given its scale, ITC can do it with limited incubation costs and faster Julius Baer said: "ITC has established adjacent segments to accelerate categories is another way of grow-

ing top line and margins. Yet, achieving the ₹1-trillion top line will be tough as it would require 30 per cent CAGR in sales.

Meanwhile, the stock which has been a laggard on the bourses (see chart), could also see some action.

28 of 38 analysts polled by Bloomberg have a 'buy' (1 'sell'; rest 'hold'), with average target price of ₹255. CLSA finds the valuation compelling with a record-high P/E discount to the FMCG average (57 per cent) and a 6 per cent dividend yield.

"Falling capex, the asset-light model for its

hotel business ITC has big and a sharp aspirations for the increase in its FMCG business, dividend pay- which has clocked out (102 per average sales cent for FY21) growth of 9 per cent in four years, should progressively and analysts expect address inves- this to improve to

tor concern 13-14 per cent over capital during FY21-24 allocation. The FMCG business trades at 2.5x FY23 EV/sales (38x implied PE). Valuations are attractive for ITC to

consider buyback (\$3.7 billion of liquid assets)," CLSA said. Edelweiss says, ESG (environmental, social and governance) investing is assuming significance, and ITC is consciously striving to climb up the

ESG ladder.

There are downside risks, however, especially given the high share of the cigarettes business—48 per cent in revenue, over 80 per cent in profit. An increase in illicit cigarettes, anti-smoking regulations, sharp GST/cess hikes, and aggressive diversification in the healthcare sector are potential risks.

"Slowdown in the macroeconomic environment is a major threat to the hotels business. SUUTI stake sale is a likely overhang on the stock," say Edelweiss' Abneesh Roy and Tushar Sundrani in a note. This is a view echoed by Julius Baer as well.

Senior citizens above 75 can avoid filing ITR from next yr

Instead, they will just have to make a declaration in Form 12BBA to their bank, which will deduct TDS

The Finance Act, 2021, has inserted Section 194P in the Income-Tax Act, 1961, exempting senior citizens of 75 years or above from filing income-tax return (ITR), provided they fulfil certain conditions. The Central Board of Direct Taxes this week issued Income-Tax (I-T) Rule 26D, which specifies the procedures that banks and senior citizens must follow for the latter to claim exemption from tax filing.

Conditions apply

To avail of this benefit, the senior citizen must be 75 years of age or more. He/she should also have been a resident of India for tax purposes in the previous year.

The senior citizen should have only pension income and interest income.

According to Gopal Bohra, partner, N.A. Shah Associates, "The senior citizen who wishes to avail of the benefit of not filing tax return must maintain a bank account with only one bank in which he receives his pension." Interest income should accrue to the senior citizen only from the branch in which he/she receives his/her pension income.

benefit must also maintain an account with a 'specified bank', as notified by the central government.

Senior citizens who wish to avail of this

The assessee must make a declaration in the newly introduced Form 12BBA. Says Pratyush Miglani, managing partner,

Miglani Varma & Co. (Advocates, Solicitors, and Consultants): "Once the senior citizen has made the declaration, the bank will calculate the entire income. It will also apply all deductions available under Sections 80C to 80U and the rebate under Section 87A of the I-T Act. It will then deduct I-T from the total income, based on applicable rates.'

The senior citizen's bank will also have to maintain both the declaration and other supporting evidence on his/her behalf and produce it before the Principal Chief Commissioner of I-T, or the Chief Commissioner of I-T, as and when required.

"After deducting tax deducted at source, the bank will issue Form 16 to the senior citizen, which will provide details of the tax deducted," says Miglani.

Benefit available from next year

Senior citizens must fulfil all conditions, so that the onus of paying tax gets transferred

KEY CONCESSIONS AVAILABLE

- Those senior citizens who don't have any income from business or profession are exempted from paying advance tax
- They can avail of tax deduction up to ₹50,000 under Section 80TTB on interest earned from deposits (both fixed and savings) with banks, cooperative banks, and post office
- Senior citizens can avail of deduction up to ₹50,000 in a financial year on health insurance premium
- They can get a deduction of up to ₹1 lakh in a financial year under Section 80DDB, if they undertake treatment for specified diseases or critical illnesses
- Income received from reverse mortgage scheme is not taxed
- Senior citizens are also allowed a standard deduction of ₹50,000 on their pension income

from them to their bank. They must, however, keep in mind that the benefit of not filing ITR will only be available from next year.

Says Suresh Surana, founder, RSM India: "Relaxation under Section 194P will not be available for filing ITR for 2020-21. Senior cit-

> izens will have to file their tax returns themselves this year. This benefit will only become available from next year, that is, when filing returns for 2021-22.

While senior citizens do not have to file their tax returns, they still have to fill out Form 12BBA.

Says Miglani: "While some may argue that Form 12BBA is as exhaustive as an ITR form, this is still a major compliance relief for senior taxpayers, and they should make full use of it."

Finally, the I-T department offers a number of other concessions to senior citizens. For instance, the statutory tax exemption limit is higher for senior citizens.

Says Sameer Jain, managing partner, PSL Advocates & Solicitors: "It is ₹3 lakh for senior citizens (those aged between 60 and 80 years) and ₹5 lakh for very senior citizens (those aged above 80)." Availing of all the other tax concessions will help them minimise their tax burden.
