Notes

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 14, 2024.
- As informed earlier, the subsidiary Company at Singapore viz. Readymade Steel Singapore Pte. Ltd., is under liquidation process and hence due to non-availability of its financial information, the same have not been considered in the above consolidated financial results. The Company in its standalone financials has already impaired its investments and loans outstanding in the said subsidiary. In view of the same, there will be no material impact of the said liquidation on the financials of the Company.
- The Company operates in a single business segment but there are two geographical segments. However since the figures for Singapore subsidiaries are not available as mentioned above, the segment reporting is not submitted.
- Unaudited provisional financial information of the Associate Company viz. Vijay Nirman Company Private Limited have been considered in the above consolidated financial results. Since the Company has already impaired its investments and loans outstanding in the said Associate Company viz. Vijay Nirman Company Private Limited, in its consolidated financials, there is not impact in the current consolidated financials.
- Exceptional Items are on account of Reversals of earlier provisions for trade receivables, provisions for Loans & Advances and Provision for Corporate Guarantee Invoked.
- As informed earlier, the company has successfully completed the One Time Settlement in respect of the debt due to one of its lenders, the same required payment of certain amounts by the company over a period of time, which has been paid off in the current quarter. Post payments, and final approval of the lender the amount of corresponding Liability has been derecognised in the above results for Q2 & H1 FY 2024-25.
- The Company has accumulated losses incurred in the past years which have resulted in erosion of Company's Net worth. However, the management is of the view that its One Time Settlement with the lender and other cost reduction measures adopted by the Company will be able to support the Company's continued operations and enable it to continue as a going concern. Accordingly, the financial results are prepared on going concern basis.
- The Figures have been regrouped & re-arranged where necessary to conform to current period's classification. All figures of financial results has been rounded off to nearest lakhs rupees.
