# 'Below normal' rainfall in August, predicts IMD

'Moderate' El Nino conditions can impact monsoon

SANDIP DAS  
New Delhi, July 31

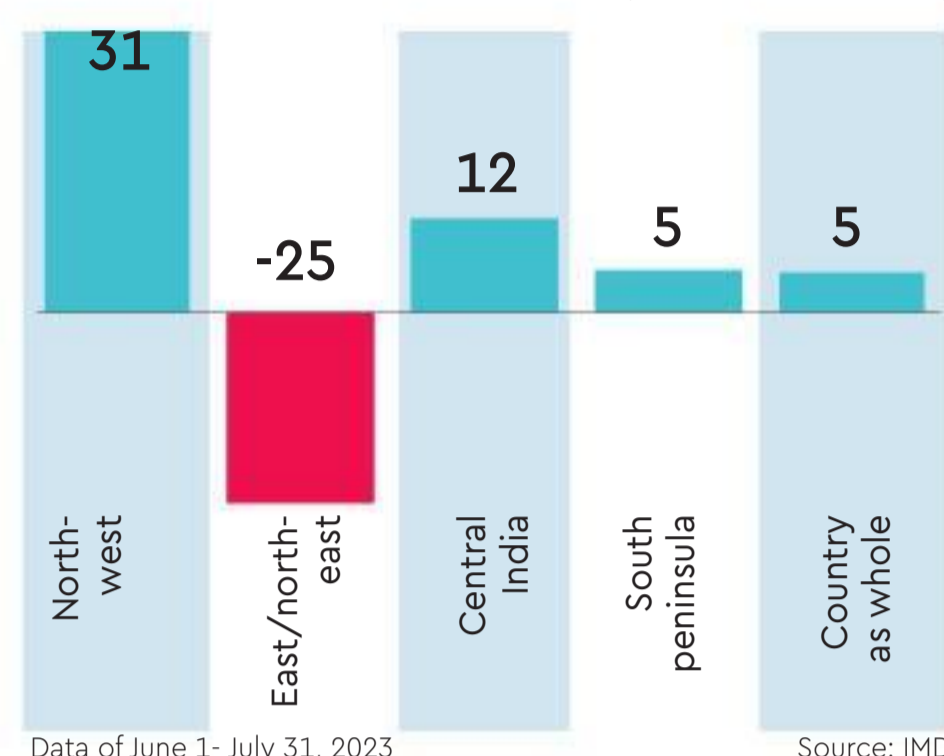

AFTERAN 'EXCESS' rainfall of 13% above the benchmark in July, a crucial month for kharif crops sowing, India Meteorological Department (IMD) on Monday predicted 'below normal' rainfall at 92% of the long-period average (LPA) for the next month which may hit crops yield.

However the met department's forecast predicted 'normal' rainfall in the second part of the monsoon months (August-September) between 94-106% of LPA although 'with a probability on the negative side of the normal benchmark'. Mrutyunjay Mohapatra, director general, IMD said rice growing states in eastern India could receive surplus rainfall in August, while precipitation in rice, cotton and sugar cane growing southern states could be below normal. Rains during August-September which has a share of around 40% in total monsoon precipitation is crucial for the vegetative growth of kharif crops - paddy, pulses, oilseeds, cotton and sugarcane. Ruling out any impact of El

Nino conditions on the monsoon so far, Mohapatra said there is an increasing chance of 'moderate' El Nino conditions adversely impacting the monsoon in the next two months. "At present neutral Indian Ocean Dipole (IOD), which helps monsoon, is likely to develop into positive IOD in

the next two thus negating the impact of El Nino conditions to an extent," he said. The met department in its forecast has said 'normal to above normal' rainfall is expected over most parts of divisions adjacent to the Himalayas, east central Indian and parts of east and northeast

India while below normal rainfall is likely over southern India, northwest and central India next month.

In the first two months of monsoon months the overall rainfall has been at 'above normal' range of 5% above LPA till Monday. The surplus rainfall of 13% in July had wiped 9% deficiency in rain for June.

With the exception of east and north-east regions where overall rainfall has been hugely deficient at 25% of LPA, other regions north-west (31%), central India (12%) and southern peninsula (5%) have received above normal to surplus rainfall in June-July.

So far 66% of the 717 districts in the country have so far received normal or excess rainfall. Rest of the 263 districts have received deficient and scanty rainfall. No change has, however, been made to the IMD's May 26 forecast that the precipitation this monsoon season (June-September) will be in the 'normal' range, at 96% of the LPA. Skymet had earlier said monsoon precipitation this year could be "below normal" at 94% of the LPA.

IMD classifies 'normal' rainfall between 96% and 104% of LPA. Rainfall between 90%-95% is considered 'below normal' and precipitation below 90% of LPA is termed 'deficient'.

# Mitra seeks GST meet over rising frauds, MSMEs

FE BUREAU  
New Delhi, July 31

A SPECIAL SESSION of the Goods and Services Tax (GST) Council should be convened to discuss measures needed to check rising fraud as well as to simplify regulations for small and medium enterprises (MSMEs), said Amit Mitra, West Bengal chief minister's principal chief advisor, in a letter to Union finance minister Nirmala Sitharaman.

"Humongous fraud taking place in the country today and the deep suffering of the MSME in the current GST system, both, require a total rethink by the Central government and the GST Council on the very structure and function of GST," Mitra wrote. "We have been helplessly watching massive fraud taking place in this porous GST system," Mitra said, citing the Centre's information to parliament that ₹1.15 trillion fraud has been detected from GST invoices between 2018-19 to 2022-23. He said it was also shocking that out of 69,426 GST identification numbers verified in the past two months, 20,893 were found to be simply non-existent with GST evasion detected to the tune of ₹19,638 crore. "May I point out that out of the 14 million businesses registered with

GST, only 0.42% of registered tax payers were verified, which yielded the shocking 30% non-existent and fraudulent registrations. Imagine if all of the 14 million businesses registered with GST were to be verified what unimaginable fraud would be detected," he said. Drawing attention to the complex web of GST that has been thrust upon the MSMEs, Mitra said till date GST authorities have issued 770 notifications, 178 prescribed forms, 191 circulars, and 75 amendments in the GST Act while the tax rate was changed in more than 400 items.

"How do you expect that a MSME company would be able to cope with this gargantuan regulatory structure!" he wrote. Though the intent of GST was to bring in the informal sector entrepreneurs into the formal arena through a simple and transparent GST system, the unfortunate fact today is that 90% of the GST is contributed by large taxpayers who can cope with this complex web of regulations, he said. "The saddest of all, instead of turning informal to formal entrepreneurs through GST, there are concerns that those who have registered from the MSME sector are deregistering or considering deregistering since they are unable to cope with the current structure," he added.

# 'Need to hike coal washery capacity to curb imports'

MANISH GUPTA  
New Delhi, July 31

COAL SECRETARY AMRIT Lal Meena highlighted the "urgent need" to enhance the capacity of washeries for coking and non-coking coal to cut down on coal imports at a seminar organised by the Indian National Committee of World Mining Congress.

"India can significantly reduce its reliance on coal imports and promote domestic coal beneficiation," Meena said,

according to a Union coal ministry statement on Monday.

The ministry expects to begin exporting coal to neighbouring countries from next year, it added. There is a need for incorporation of latest technologies and opening of new mines to boost coal production efficiently, Meena said.

Numerous railway projects are underway to overcome transportation constraints to support the coal industry's growth, he added.

# 'Want written proof': Mosquito breeding checkers go on strike over regularisation

**SAMAN HUSAIN**  
NEW DELHI, JULY 31

DOMESTIC BREEDING checkers (DBC) who work under the Municipal Corporation of Delhi declared an indefinite strike Monday, claiming the civic body refused to accept their demands for regularisation, safety, and better equipment.

The protest comes at a time when the city has reported 56 dengue cases in a week, taking the total cases in July to 121 — the highest for the month since 2018. According to a report by the MCD, 11 malaria cases have been reported in a week. This year, the city has seen 243 cases of dengue and 72 cases of malaria, of which 34 malaria

The workers declared the strike on Monday. Express

cases have been reported in July. The MCD had deployed approximately 3,000 DBCs for inspections, monitoring mosquito breeding, and raising awareness. According to the protesting workers, an office order was issued by the MCD on March 9, 2022, and November 9, 2022, to meet their demands of regularisation but it has not been implemented.

"We received a month's salary on July 22 after a three-month delay... The salary of two months is still pending and the MCD has not responded on when we will receive that pending salary," said Indraj Kaushik, who has been a part of the DBC workforce for the last 26 years. "Today is the first day of the strike... in which a meeting was held... that remained inconclusive... top officials remained adamant on their obstinate attitude," the DBC workers said in their statement.

"We had a meeting with the Additional Commissioner and Mayor Shelly Oberoi... the Mayor verbally assured us our demands will be met and requested to pause our strike. But when we asked her to provide a written assurance, she refused to do so... We will continue the strike until some written proof is given," said Devendra Sharma, president of the Anti-Malaria Ekta Employees Union. A senior MCD official said, "Not all DBCs have joined the strike and some are still doing their job to tackle the issue of mosquito-breeding. Other officials of the public health department have been put to work on the ground... we are hopeful that the protesting employees will fulfil their duties and come back to work soon."

Meanwhile, Leader of Opposition in the MCD, BJP's Raja Iqbal Singh, said the party is in support of the workers and the MCD should not take their issues "casually, especially during a time when mosquito-borne diseases are on the rise."

## Control room, teams to monitor work on PWD roads for G-20

**GAYATHRI MANI**  
NEW DELHI, JULY 31

AN EXCLUSIVE G-20 control room, quick response teams — the Public Works Department (PWD) has issued a slew of directions to expedite all road re-development projects ahead of the Summit.

More than 22 busy stretches under the PWD are being revamped as these roads are expected to be used mostly by foreign delegates, ministers and political leaders in September.

Last week, L-G VK Saxena in a meeting had directed all departments to complete the work by July 31. Following this, the PWD set a new deadline and directed the superintendent engineer (SE) and executive engineers (EE) from all divisions concerned to complete the work by August 10.

All SEs and EEs will make a report on updates regarding 30 points, which will encompass whether the road surface is smooth, has no potholes, if there are proper footpaths and non-motor vehicle (NMV) lanes, ensuring kerbstones on roads are in place and eliminating waterlogging.

Other tasks include painting road markings, installing reflectors on the median, proper signage, aesthetic lighting, regular mechanical sweeping by the MCD, functional drains, and keeping the stretches free of debris and garbage. Officials have also been directed to strictly ensure spaces below flyovers are free from encroachment. Further, the QRTs will supervise work on roads leading to Summit venues and other important places of interest throughout Delhi. Meanwhile, Saxena Monday reviewed the progress of ongoing civic infrastructure work and preparations for the G-20 Summit.

The revamp and upkeep of 61 roads, the Pragati Maidan ITPO complex, and 23 hotels spread across seven districts — New Delhi, South, Southeast, Southwest, Central, Shahdara, and East — are being monitored by the L-G. Thirty six roads and 17 hotels are located in the New Delhi district.

## Ruckus in MCD House: AAP, BJP spar over Manipur, flood

**SAMAN HUSAIN**  
NEW DELHI, JULY 31

ON MONDAY, councillors from the AAP and the BJP locked horns over the Delhi floods and Manipur violence during a meeting of the Municipal Corporation Delhi House.

MCD Leader of the House and AAP councillor, Mukesh Goel, opened the session by mentioning the two issues. While Goel was speaking, he said a BJP councillor "snatched" his microphone and gave it to Leader of Opposition, Raja Iqbal Singh. Within 10 minutes, BJP and AAP leaders began sloganeering. While the AAP hit out at the BJP over the alleged sexual harassment case against BJP MP and outgoing WFI chief Brij Bhushan Sharan Singh, the BJP targeted the former over landfills in the city.

"AAP leaders ran away from discussion on sensitive issues,

AAP and BJP councillors at MCD House, Monday. Amit Mehra

the mayor adjourned the House for 15 minutes and when the House resumed, the Mayor, without any discussion in the middle of the protest, got the agenda passed directly... BJP councillors weren't provided with mics..." Singh claimed.

According to Singh, the BJP was planning to discuss "the delay in elections of standing and ward committees, a loan of Rs 850 crore to the MCD for landfill elimination, the 1% increase in trans-

fer duty, increase in property tax, vector-borne disease and strike by domestic breeding checkers".

AAP's Goel said all relevant issues, including the floods and vector-borne diseases, had been listed for discussion but that couldn't be carried out due to the chaos. "They didn't let me complete my condolence message for the Manipur victims and snatched my mic. They should be ashamed of their behaviour," he added.

## Plan in place to deal with bomb threats, hoax calls: Cops to HC

**EXPRESS NEWS SERVICE**  
NEW DELHI, JULY 31

THE DELHI Police has informed the Delhi High Court that it has drafted a "circular" highlighting the procedure followed by them after a bomb threat call is declared as a "hoax".

The submission was made in a status report filed by the police in a plea moved by a parent seeking direction for a "detailed action plan" to deal with bomb threats in the city's schools.

On May 22, the HC directed police to file a status report on bomb threats reported to them and had implemented the Action Committee Unaided Recognised Private Schools, a body which represents schools, before the HC.

On Monday, advocate Arun Panwar, appearing for police, submitted before a single judge

bench of Justice Subramonium Prasad that a status report had been filed. The HC, however, noted that police's report is not on record of the court and asked for it to be done. Advocate Kamal Gupta, appearing for the committee, said he would like to file some suggestions.

"Let suggestions be placed on record before next... hearing... All parties are at item that this petition is not an adversarial petition but to give constructive suggestions, to have an action plan for if and when there is a bomb scare in schools," Justice Prasad said, listing the matter on September 6.

The police's status report states an action plan has been prepared highlighting steps to be taken by different stakeholders when a bomb threat call is received. The circular, filed with the report, entails legal action pursued by police in case of a hoax call.

## Give up Smoking, and give up friends who smoke!!

Tobacco smoking is a significant health risk that affects not only active smokers but also those exposed to passive smoke. Passive smoking, also known as secondhand smoke, can cause a wide range of health problems, including lung cancer, heart disease, respiratory problems, and sudden infant death syndrome. It is essential to take steps to prevent passive smoking to protect ourselves and the people around us.

severe health problems for both smokers and non-smokers. Smoke-free environments, education about the risks of smoke exposure, keeping children away from smoke, and quitting smoking are all essential steps in preventing passive smoking. Creating smoke-free environments is one of the most effective ways to prevent passive smoking. Smoke-free policies in public places, including restaurants, bars, workplaces, and public transportation, protect non-smokers from smoke exposure and encourage smokers to quit smoking. These policies can also reduce the amount of smoke inside homes and other private spaces.

**ADVERTORIAL**

In addition to creating smoke-free environments, educating people about the dangers of smoke exposure can also help prevent passive smoking. Public health campaigns, school programs, and community outreach initiatives can help raise awareness about the harmful effects of passive smoking. When people are aware of the risks of smoke exposure, they are more likely to take steps to protect themselves and their families from smoke exposure.

Parents play a crucial role in protecting their children from smoke exposure. Not smoking around children, avoiding places where smoking is allowed, and ensuring that their children's daycare centers and schools have smoke-free policies. Children exposed to smoke are at a higher risk of developing respiratory infections, asthma, and sudden infant death syndrome.

Individuals who live with smokers can also take steps to reduce their exposure to smoke. Asking smokers to smoke outside the home or in designated smoking areas can reduce the amount of smoke inside the home. Keeping the home well-ventilated, using air purifiers to remove smoke particles from the air, and washing clothes and other fabrics exposed to smoke can also help reduce exposure to smoke.

Finally, quitting smoking is the best way for smokers to protect themselves and the people around them from the harmful effects of smoke exposure. Nicotine replacement therapy, prescription medications, and counseling are all effective methods for quitting smoking. By quitting smoking, smokers not only reduce their risk of developing smoking-related health problems but also protect the people around them from the harmful effects of smoke exposure.

## ACB to probe panic buttons in public transport

**EXPRESS NEWS SERVICE**  
NEW DELHI, JULY 31

THE ANTI Corruption Branch (ACB) has started an investigation into panic buttons in public transport services, including DTC and cluster buses.

A senior ACB official said the anti-graft unit was conducting a formal investigation into multiple complaints related to panic buttons installed on public service vehicles such as autos, buses and cabs. In addition to these buttons allegedly malfunctioning or being faulty, the officer said, the ACB was also investigating their "non-existent connection" with the Delhi Transport's Command and Control Centre (CCC) as mandated.

The Delhi government said it "is not aware of any formal audit being carried out by the ACB, including whether appropriate technical protocols were being followed while conducting the audit or if the persons carrying the audit were technically qualified to do so. Further, no reactions or inputs from Delhi government officials were sought regarding any findings of the audit, which they are bound to do before submitting any report to higher authorities".

It said, "We would like to reiterate that safety of passengers has always been of utmost priority for the Delhi government. All necessary security measures are in place and functioning effectively. The CCC at Kashmere Gate has played an important role in ensuring safety of passengers, especially women, traveling in DTC and cluster buses."

"The command centre is integrated with 112 and feed is also going to Delhi Police... All Delhi buses are equipped with IP-based CCTV surveillance cameras, panic buttons, and GPS systems. The live feed of the CCTV inside the bus is regularly being watched at the control centres in real-time and appropriate action is taken in case of any incidents. The CCC, through live feed, responds to any issues such as overspeeding, disputes among passengers and drivers, etc," said a Delhi government spokesperson.

# बदरपुर में मोटरसाइकिल छू जाने पर दो पक्षों में खूनी संघर्ष, चार लोग घायल

जनसत्ता संवाददाता  
नई दिल्ली, 31 जुलाई।

बदरपुर थाना क्षेत्र के गौतमपुरी इलाके में रविवार देर रात मोटरसाइकिल छू जाने पर दो पक्षों में खूनी संघर्ष हुआ। दोनों पक्षों के बीच पत्थर, शीशे की बोतलें, धारदार हथियार और चाकू से हमला किया गया। इस घटना में दो महिलाओं समेत चार लोग घायल हो गए। घटना की सूचना पुलिस को पहली बार रविवार रात करीब 10:45 बजे मिली थी। सूचना मिलने पर पुलिस की टीम मौके पर पहुंची और बवाल कर रहे लोगों को शांत कराया। उसके बाद सोमवार सुबह भी दोनों पक्षों में संघर्ष हुआ।

दक्षिणी पूर्वी जिला पुलिस उपायुक्त राजेश देव ने सोमवार को बताया कि घायलों की पहचान राहुल (24) रंजीत (22), श्यामकली और उर्मिला के तौर पर की गई है।

घटना के बाद घायलों को एम्स ट्रामा सेंटर में इलाज करवाने के लिए भर्ती कराया गया था। उपायुक्त ने बताया कि पीड़ित परिवार को शिकायत पर मामला दर्ज कर लिया है। फिलहाल इलाके में स्थिति शांतिपूर्ण है। एहतियातन पुलिस बल तैनात है। घटनास्थल के आसपास लगे सीसीटीवी कैमरों की फुटेज खंगालने के अलावा प्रचारित वीडियो की मदद से भी आरोपियों की पहचान की जा रही है।

राजेश देव ने बताया कि गौतमपुरी निवासी रंजीत की 14 साल की भतीजी रविशाराम शम 7:00 बजे लापता हो गई थी। उन्होंने उसे काफी तलाशा, मगर उसका कुछ पता नहीं चला। रंजीत अपनी दुकान पर बैठकर अपनी भतीजी की गुमशुदगी के बारे में चर्चा कर रहा था। इसी दौरान मोटरसाइकिल सवार दो युवक तेज से वहां से गुजरे, तभी उनकी बाइक का हैंडल रंजीत के बेटे के हाथ में लग गया था। इसी बात को लेकर उनके बीच झगड़ा हो

## गांधीनगर में भी हुई पत्थरबाजी, फेंकी गई कांच की बोतलें

गांधी नगर थाना क्षेत्र में दो पक्षों के बीच हुए झगड़े में जमकर पत्थरबाजी व कांच की बोतलें फेंकी गई। घटना की जानकारी पुलिस को शनिवार करीब रात 9:30 बजे मिली थी। मौके पर पहुंची पुलिस टीम को सड़क पर पत्थर व कांचकी बोतले बिखरी मिली। पुलिस ने दोनों ही पक्षों की शिकायत पर एक-दूसरे के खिलाफ मुकदमा दर्ज किया है। शिकायत में दोनों पक्षों ने एक-दूसरे पर चोरी, महिला से बदसलूकी और दंगे समेत कई संगीन आरोप लगाए हैं। फिलहाल पुलिस मौके पर लगे सीसीटीवी फुटेज के आधार पर आगे की कार्रवाई कर रही है। एक पक्ष का कहना है कि शनिवार रात करीब 9:30 बजे अपनी दुकान पर काम कर रहा था। इसी दौरान दूसरे पक्ष के लोग आए और उसे धरने लगे। उसका दावा है कि एक लड़के ने गल्ले से 8500 रुपए निकाले और दूसरे को दे दिए।

# निगम में हंगामे के बीच पारित हुआ मणिपुर पर शोक प्रस्ताव

जनसत्ता संवाददाता  
नई दिल्ली, 31 जुलाई।

सोमवार को दिल्ली नगर निगम की स्थायी समिति की बैठक काफी हंगामेदार रही। आप व भाजपा पार्षदों के हंगामे के बीच सदन में प्रस्ताव पारित कर दिया गया। मामला उस समय अधिक बढ़ गया जब नेता सदन मुकेश गोयल ने मणिपुर हिंसा पर शोक प्रस्ताव पढ़ना शुरू किया और नेता प्रतिपक्ष राजा इकबाल सिंह को शोक प्रस्ताव पढ़ने नहीं दिया गया। बता दें कि नेता सदन के आगे रखा माइक, स्थायी समिति के सदस्य पंकज लुथरा ने हटाकर नेता प्रतिपक्ष के सामने रख दिया। इसके बाद आप व भाजपा पार्षदों के बीच जमकर पोस्टरवार व नारेबाजी चली। जहां आप पार्षदों ने केंद्र सरकार के खिलाफ नारेबाजी की।

वहीं भाजपा पार्षदों ने मुख्यमंत्री केजरीवाल को बाढ़ मामले पर झूठा करार देते हुए पोस्टर लहराए और नारेबाजी की। इसी बीच महापौर ने दो मिनट का मौन रखने को कहा, लेकिन पार्षद आपस में नारेबाजी करते रहे। जिस पर

महापौर ने पंद्रह मिनट के लिए सदन को स्थगित कर दिया, लेकिन स्थगन के बाद भी माहौल हंगामेदार रहा और हंगामे के बीच सदन में प्रस्ताव को पारित कर अनिश्चितकाल के लिए सदन स्थगित कर महापौर सदन से चली गईं।

पूर्व योजना के तहत किया भाजपा पार्षदों ने हंगामा : महापौर शैली ओबराय ने कहा कि भाजपा पार्षदों की तरफ से सदन में पूर्व योजना के तहत हंगामा किया गया। सदन में सभी प्रस्तावों को बहुमत के साथ पास किया गया है। भाजपा को अब यह समझना पड़ेगा कि वह सत्ता में नहीं हैं बल्कि आम आदमी पार्टी की दिल्ली की जनता ने बहुमत दिया है।

मणिपुर हिंसा पर बोलने से रोकने के लिए छीना माइक : नेता सदन मुकेश गोयल ने कहा कि मणिपुर हिंसा पर बोलने से रोकने के लिए भाजपा के पार्षदों ने सैवधानिक मर्यादा के खिलाफ जाकर मुझसे माइक छीनने का प्रयास किया है। वहीं न्यायालय के फैसले के खिलाफ जाकर केंद्र सरकार दिल्ली की सर्विसज को लेकर अध्यादेश लेकर आई है, जिसपर सदन में निंदा प्रस्ताव लाया गया है।

दिल्ली सरकार के पूर्व मुख्य सचिव (सेवा) आशीष मोरे का केंद्रीय गृह मंत्रालय (एमएचए) ने सोमवार को लद्दाख में तबादला कर दिया। अधिकारियों ने यह जानकारी दी। मोरे पहले वरिष्ठ अधिकारी थे, जिन्हें 11 मई को उच्चतम न्यायालय के फैसले के कुछ घंटों बाद पद से हटा दिया गया था। न्यायालय ने दिल्ली में आम आदमी पार्टी (आप) सरकार को सेवाओं से संबंधित मामलों पर नियंत्रण दिया था।

अरुणाचल प्रदेश गोवा मिजोरम और केंद्र शासित प्रदेश (एजीएमयूटी) कैडर के वर्ष 2005 बैच के भारतीय प्रशासनिक सेवा (आइएएस) के अधिकारी मोरे पर आप ने

आशीष मोरे ने 16 मई को मंत्री सौरभ भारद्वाज के खिलाफ मुख्य सचिव से शिकायत दर्ज कराई थी। जिसमें उन्होंने कहा था कि मंत्री भारद्वाज द्वारा उन्हें परेशान किया जा रहा है।

दिल्ली के सेवा मंत्री सौरभ भारद्वाज के आदेश का पालन नहीं करने का आरोप लगाया था, जिसके बाद विवाद खड़ा हो गया था। भारद्वाज ने 13 मई को मोरे को एक मेमो जारी किया था, जिसमें कथित तौर पर उनके तबादले के निर्देश का पालन नहीं करने और संपर्क में न रहने के लिए अनुशासनात्मक कार्रवाई की धमकी दी गई थी। हालांकि, मोरे के तबादले के आदेश को बाद में क्रियान्वित किया गया

और उनकी जगह एक अन्य आइएएस अधिकारी एके सिंह को नियुक्त किया गया। उल्लेखनीय है कि सेवा सचिव आशीष मोरे ने 16 मई को दिल्ली के मंत्री सौरभ भारद्वाज के खिलाफ मुख्य सचिव से शिकायत दर्ज कराई थी। उन्होंने अपनी शिकायत में कहा था कि मंत्री सौरभ भारद्वाज द्वारा लगातार उन्हें परेशान किया जा रहा है।

मोरे ने दिल्ली के मुख्य सचिव को एक चिट्ठी लिखकर कहा था कि उन्हें मंत्री भारद्वाज धमका रहे हैं। उन्होंने अपनी चिट्ठी में बताया था कि कैसे मंत्री ने उन्हें और कुछ अधिकारियों को बुलाकर बातचीत की। मोरे का आरोप है कि उन्हें गत 16 मई को एक घंटे तक मंत्री ने अपने कमरे में बंधक बनाकर रखा और वह कुछ फाइलों को लेकर उन पर चिल्ला रहे थे।

नई दिल्ली, 31 जुलाई।

दिल्ली के पीतमपुरा स्थित एक निजी स्कूल के प्रबंधन के खिलाफ उत्तर-पश्चिम जिला के सुभाष प्लेस थाने में मामला दर्ज किया गया है। आरोप है कि इस स्कूल के प्रबंधन ने सभी नियम कानून का उल्लंघन कर अपनी मनमानी की। शिक्षा विभाग के साथ ही पुलिस प्रशासन को भी झांसे में रखा।

पीड़ित कोई और नहीं बल्कि इसी स्कूल की एक शिक्षिका थी। जब उन्हें कहीं से भी अपने पक्ष में जवाब नहीं आते दिखा तो उन्होंने रोहिणी की अदालत में मामला दर्ज कर दिया। अदालत के आदेश पर नेताजी सुभाष प्लेस थाना पुलिस ने स्कूल प्रबंधन के खिलाफ धोखाधड़ी और जालसाजी की धारा 420, 34 के तहत मामला दर्ज कर जांच शुरू कर दी है। शिकायतकर्ता स्कूल की पूर्व उप प्रधानाचार्य सोनाली शर्मा हैं।
