Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of V2 Retail Limited

Qualified Opinion

1. We have audited the accompanying standalone annual financial results ('the Statement') of V2 Retail Limited ('the Company') for the quarter and year ended 31 March 2022, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - (i) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, except for the possible effects of the matters described in paragraph 3, 4 and 5 below; and
 - (ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net loss after tax and other comprehensive loss and other financial information of the Company for the quarter and year ended 31 March 2022 except for the possible effects of the matters described in paragraph 3, 4 and 5 below.

Basis for Qualified Opinion

3. As stated in Note 4 to the accompanying standalone financial results, the Company's other equity as at 31 March 2022 includes an amount of ₹ 365.36 lakhs in the nature of capital reserve arising out of business restructuring carried out in earlier years, for which the Company's management has not been able to provide necessary reconciliation and information. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid balance, and the consequential impact, if any, on the financial results. Our opinion on the standalone financial results for the previous year ended 31 March 2021 was also modified in respect of this matter.

4. As stated in Note 5 to the accompanying standalone financial results, the Company's contingent liabilities as at 31 March 2022 include certain contingent liabilities aggregating to Rs. 747.26 lakhs pertaining to litigations pending with various authorities, for which the Company's management has not been able to provide necessary evidence in relation to probability of outflow of resources embodying economic benefits. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2022 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the accompanying statements. Our opinion on the standalone financial results for the year ended 31 March 2021 was also qualified in respect of this matter.
5. As described in Note 10 to the accompanying standalone financial statements, the Company has performed physical verification of property, plant and equipment during the year ended 31 March 2022 in accordance with the phased program of conducting such verification over a period of 3 years. However, the Company is in process of performing related reconciliation of such physical verification with the underlying fixed asset register maintained by the Company in respect of property, plant and equipment with aggregate gross block of Rs 17,792.30 lakhs and net block of Rs 9,162.77 lakhs as at 31 March 2022. Pending completion of the said reconciliation, we are unable to comment on any adjustment that may be required to the carrying value of such Property, Plant and Equipment as at 31 March 2022.
6. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

7. We draw attention to Note 6 of the accompanying Statement, which describes the uncertainties relating to the effect of COVID-19 pandemic outbreak and the management's evaluation of the impact on the standalone financial results of the Company as at the balance sheet date. The extent of the impact of these uncertainties on the Company's operations is significantly dependent on future developments.
8. We draw attention to Note 9 of the accompanying standalone financial results, which describes that an advance amounting to Rs. 1,557.65 lacs (31 March 2021: Rs. 1,557.65 lacs) outstanding since April 2019, as included in Non-current assets as at March 31, 2022 has been considered good basis management's assessment of expected renewal of the underlying contract with Bennett, Coleman and Co. Limited ('BCCL') which will be valid till July 7, 2022, basis past experience and ongoing discussion with the BCCL for such renewal. Further, the management is confident of the utilisation of such advance against future advertisement services to be provided by BCCL within the extended period of the contract and hence, has considered the aforesaid balance as fully recoverable as on date.

Our opinion is not modified in respect of these matters.

Responsibilities of Management and Those Charged with Governance for the Statement

9. This Statement has been prepared on the basis of the standalone annual financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive income and other financial information of the Company in accordance with the Ind AS specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for

Walker Chandiook & Co LLP

ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

10. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

12. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
13. As part of an audit in accordance with the Standards on Auditing, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Walker Chandiook & Co LLP

1. The audited standalone Financial Results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on 30 May 2022. The statutory auditors have carried out the audit for the quarter and year ended 31 March 2022, in accordance with Regulation 33 of the Securities and Exchange Board of India (Listing and other Disclosure Requirements) Regulation, 2015 and have issued a modified report.

2. The above standalone financial results have been prepared in accordance with the recognition and measurement principles of the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (as amended).

3. The Company's primary business segment is reflected based on principal business activities carried on by the Company. As per Ind AS 108, Operating Segments, the Company operates in one reportable business segment i.e., retail trade through chain of stores and is primarily operating in India and hence, considered as single geographical segment.

4. The Company restructured its business in the financial year 2010-11 resulting in creation of Capital Reserve amounting to Rs. 60,523.24 lakhs. The aforementioned reserve has been reconciled to amount recognised in the books of accounts except for Rs. 365.36 lakhs which the Company is in the process of reconciling. However, the management believes that there is no impact of the same on statement of profit and loss.

5. Out of contingent liabilities existing as at 31 March 2022, certain liabilities aggregating to Rs. 747.26 lakhs are under appeal with different authorities at different levels for which the Company does not have all underlying orders/notices. Whilst the impact of contingent liabilities on these standalone results can only be ascertained on the settlement of such cases/disputes, management basis available information / documents has assessed that based on the merits of such cases, the Company has reasonably good chances on succeeding and accordingly, no provision has been recognised in these standalone financial results.

6. World Health Organization (WHO) declared outbreak of Corona virus disease (COVID-19) a global pandemic in month of February 2020. Consequent to this, Government of India had declared lockdown i.e. 24 March 2020 which caused significant economic slowdown and disruptions of business operations. Subsequently, the second wave and third wave of COVID-19 has emerged in India, due to which various State Governments have also imposed lockdown in respective states. This had also temporarily impacted the business activities of the Company such as closure of stores and warehouse, disruption of supply chain, etc. The Company has prepared cash flow projections to assess the cash flow requirements and funds available from various sources including bank borrowings etc. consequent to uncertainty caused by COVID-19 for next 12 months. The management has also considered the possible effects of the pandemic on the carrying values of assets and the business forecasts. In developing the assumptions relating to the possible impacts of this pandemic and cash flow projections, the Company has used internal and external information up to the date of approval of these financial results and current indicators of future economic conditions. The Company expects to recover the carrying amount of these assets and have sufficient liquidity for business operations for at least another twelve months. Further, the Company has re-assessed valuation and recoverability of inventory. In its assessment the management has considered projected sales, purchase, discounts, promotion schemes, other logistic costs, etc. It has carried out sensitivity analysis and based on the same it is of the view that provision for markdown and shrink is sufficient and appropriate to cover any loss that may arise due to various uncertainties involved. The impact of the pandemic on the Company's financial results may differ from that estimated as at the date of approval of these financial results and the management will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

7. The Company had elected to apply the practical expedient of not assessing the rent concessions as a lease modification, as per MCA notification dated 24 July 2020 and 18 June 2021 on Ind AS 116 for rent concessions which are granted due to COVID-19 pandemic. Accordingly, it has accounted for Rs. 64.66 lakhs and Rs. 856.05 lakhs in quarter and year ended 31 March 2022 respectively, (Rs. 100.69 lakhs and Rs.1,072.19 lakhs in quarter and year ended 31 March 2021 respectively) under head other income with respect to unconditional rent concessions confirmed by the landlord.

c.	<p>For audit qualification(s) where the impact is quantified by the auditor, Management's Views:</p> <p>Management's view: not applicable</p>

d. For audit qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification:

Not quantified

(ii) If management is unable to estimate the impact, reasons for the same:

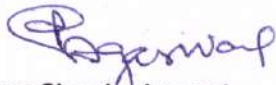

- a) The Company restructured its business in the financial year 2010-11 resulting in creation of capital reserve amounting to Rs. 60,523.24 lakh. The aforementioned reserve has been reconciled except for Rs. 365.36 lakh which the Company is in the process of reconciling. However, the management believes that there is no impact of the same on standalone statement of profit and loss.
- b) Out of contingent liabilities existing as at 31 March 2022, certain liabilities aggregating to Rs. 747.26 lakh are under appeal with different authorities at different levels. Whilst the impact of contingent liabilities on these results can only be ascertained on the settlement of such cases/disputes, management has broadly assessed based on available information/documents that based on the merits of such cases, the Company has reasonably good chances on succeeding and accordingly, no provision has been recognised in these standalone financial results.
- c) The Company has performed physical verification of property, plant and equipment during the year ended 31 March 2022 in accordance with the phased program of conducting such verification over a period of 3 years. However, the Company is in process of performing related reconciliation of such physical verification with the underlying fixed asset register maintained by the Company in respect of property, plant and equipment with aggregate gross block of Rs. 17,792.30 lakhs and net block of Rs. 9,162.77 lakhs as at 31 March 2022. However the management does not impact resultant adjustments to be material to the financial statements.

(iii) Auditor's comments on (i) and (ii) above:

Since management could not ascertain the impact, the auditors have given qualifications in their auditor's report.

For V2 Retail Limited

2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditor on separate audited financial results of the subsidiary, as referred to in paragraph 17 below, the Statement:
 - (i) includes the annual financial results of the following entity;
 - a) V2 Smart Manufacturing Private Limited
 - (ii) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, except for the possible effects of the matters described in paragraph 3, 4 and 5 below; and
 - (iii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the consolidated net loss after tax and other comprehensive loss and other financial information of the Group, for the quarter and year ended 31 March 2022 except for the possible effects of the matters described in paragraphs 3, 4 and 5 below.

Basis for Qualified Opinion

3. As stated in Note 4 to the accompanying consolidated financial results, the Holding Company's other equity as at 31 March 2022 includes an amount of ₹ 365.36 lakhs in the nature of capital reserve arising out of business restructuring carried out in earlier years, for which the Holding Company's management has not been able to provide necessary reconciliation and information. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid balance, and the consequential impact, if any, on the financial statements. Our opinion on the consolidated financial results for the previous year ended 31 March 2021 was also modified in respect of this matter.

Walker Chandiook & Co LLP

4. As stated in Note 5 to the accompanying consolidated financial results, the Holding Company's contingent liabilities as at 31 March 2022 include certain contingent liabilities aggregating to ₹ 747.26 lakhs pertaining to litigations pending with various authorities, for which the Holding Company's management has not been able to provide necessary evidence in relation to probability of outflow of resources embodying economic benefits. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2022 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the accompanying statements. Our opinion on the consolidated financial results for the year ended 31 March 2021 was also qualified in respect of this matter.
5. As described in Note 10 to the accompanying consolidated financial statements, the Parent Company has performed physical verification of property, plant and equipment during the year ended 31 March 2022 in accordance with the phased program of conducting such verification over a period of 3 years. However, the Parent Company is in process of performing related reconciliation of such physical verification with the underlying fixed asset register maintained by the Parent Company in respect of property, plant and equipment with aggregate gross block of Rs 17,792.30 lakhs and net block of Rs 9,162.77 lakhs as at 31 March 2022. Pending completion of the said reconciliation, we are unable to comment on any adjustment that may be required to the carrying value of such Property, Plant and Equipment as at 31 March 2022.
6. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matter section below, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

7. We draw attention to Note 6 of the accompanying Statement, which describes the uncertainties relating to the effect of COVID-19 pandemic outbreak and the management's evaluation of the impact on the consolidated financial results of the Group as at the balance sheet date. The extent of the impact of these uncertainties on the Group's operations is significantly dependent on future developments.
8. We draw attention to Note 9 of the accompanying consolidated financial results, which describes that an advance amounting to Rs. 1,557.65 lacs (31 March 2021: Rs. 1,557.65 lacs) outstanding since April 2019, as included in Non-current assets as at March 31, 2022 has been considered good basis management's assessment of expected renewal of the underlying contract with Bennett, Coleman and Co. Limited ('BCCL') which will be valid till July 7, 2022, basis past experience and ongoing discussion with the BCCL for such renewal. Further, the management is confident of the utilisation of such advance against future advertisement services to be provided by BCCL within the extended period of the contract and hence, has considered the aforesaid balance as fully recoverable as on date.

Our opinion is not modified in respect of these matters.

Responsibilities of Management and Those Charged with Governance for the Statement

9. The Statement, which is the responsibility of the Holding Company's management and has been approved by the Holding Company's Board of Directors, has been prepared on the basis of the consolidated annual financial statements. These financial results have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

10. In preparing the Statement, the respective Board of Directors of the companies included in the Group, are responsible for assessing the ability of the Group, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the respective Board of Directors/ management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Statement

12. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
13. As part of an audit in accordance with the Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors. Walker Chandiook & Co LLP

14. We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. We also performed procedures in accordance with SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019, issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Other Matters

Notes to consolidated audited financial results for the quarter and year ended 31 March 2022

1. The audited Consolidated Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 30 May 2022. The statutory auditors have carried out audit for the quarter and year ended 31 March 2022, in accordance with Regulation 33 of the Securities and Exchange Board of India (Listing and other Disclosure Requirements) Regulation, 2015 and have issued a modified report.

2. The above consolidated financial results have been prepared in accordance with the recognition and measurement principles of the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (as amended).

3. The Group's primary business segment is reflected based on principal business activities carried on by the Group. As per Ind AS 108, Operating Segments, the Group operates in one reportable business segment i.e., retail trade through chain of stores and is primarily operating in India and hence, considered as single geographical segment.

4. The Holding Company restructured its business in the financial year 2010-11 resulting in creation of Capital Reserve amounting to ₹ 60,523.24 lakhs. The aforementioned reserve has been reconciled to amount recognised in the books of accounts except for ₹ 365.36 lakhs which the Holding Company is in the process of reconciling. However, the management believes that there is no impact of same on Consolidated statement of profit and loss.

5. Out of contingent liabilities existing as at 31 March 2022, certain liabilities aggregating to Rs. 747.26 lakhs are under appeal with different authorities at different levels for which the Holding Company does not have all underlying orders/notices. Whilst the impact of contingent liabilities on these consolidated financial statements can only be ascertained on the settlement of such cases/disputes, management basis available information / documents has assessed that based on the merits of such cases, the Holding Company has reasonably good chances on succeeding and accordingly, no provision has been recognised in these consolidated financial statements.

6. World Health Organization (WHO) declared outbreak of Corona virus disease (COVID-19) a global pandemic in month of February 2020. Consequent to this, Government of India had declared lockdown i.e. 24 March 2020 which caused significant economic slowdown and disruptions of business operations. Subsequently, the second wave and third wave of COVID-19 had emerged in India, due to which various State Governments have also imposed lockdown in respective states. This had also temporarily impacted the business activities of the Group such as closure of stores and warehouse, disruption of supply chain, etc. consequent to uncertainties caused by COVID-19. The Group has prepared cash flow projections to assess the cash flow requirements and funds available from various sources including bank borrowings etc. for next 12 months. The management has also considered the possible effects of the pandemic on the carrying values of assets and the business forecasts. In developing the assumptions relating to the possible impacts of this pandemic and cash flow projections, the Group has used internal and external information up to the date of approval of these financial results and current indicators of future economic conditions. The Group expects to recover the carrying amount of these assets and have sufficient liquidity for business operations for at least another twelve months. Further, the Group has re-assessed valuation and recoverability of inventory. In its assessment the management has considered projected sales, purchase, discounts, promotion schemes, other logistic costs, etc. It has carried out sensitivity analysis and based on the same it is of the view that provision for markdown and shrink is sufficient and appropriate to cover any loss that may arise due to various uncertainties involved. The impact of the pandemic on the Group's financial results may differ from that estimated as at the date of approval of these Consolidated financial results and the management will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

7. The Group had elected to apply the practical expedient of not assessing the rent concessions as a lease modification, as per MCA notification dated 24 July 2020 and 18 June 2021 on Ind AS 116 for rent concessions which are granted due to COVID-19 pandemic. Accordingly, it has accounted for Rs. 66.21 lakhs and Rs. 865.98 lakhs in quarter and year ended 31 March 2022 respectively, (Rs. 101.20 lakhs and Rs. 1101.48 lakhs in quarter and year ended 31 March 2021 respectively) under head other income with respect to unconditional rent concessions confirmed by the landlord.

The aforesaid agreement was further extended twice for a term of one year each and the management is confident of its renewal beyond July 7, 2022 basis its ongoing discussion with BCCL and past practice. The parent Company has paid Rs. 1,557.65 lakhs till year ended 31 March 2021 (outstanding since April, 2019) pursuant to this contract and disclosed this amount under "other non-current assets" as at 31 March 2022.
