- 2) In view of continuing social distancing norms due to the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its General Circular Nos. 14/2020, 17/2020, 20/2020 and 02/2022 dated April 8, 2020, April 13, 2020, May 5, 2020 and May 5, 2022 respectively allowed companies whose AGMs were due to be held in the year 2022 or become due in the year 2022, to conduct their AGMs on or before December 31, 2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 (collectively referred to as "MCA Circulars") and Circular No. SEBI/HO/DDHS/P/CIR/2022/62 dated May 13, 2022 issued by the Securities and Exchange Board of India ("SEBI") (referred to as "SEBI Circular") (together MCA Circulars and SEBI Circulars referred to as "Circulars") have permitted convening the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the members at a common venue. In compliance with these Circulars, provisions of the Act and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ("Listing Regulations"), the AGM of the Company is being held through VC / OAVM, which does not require physical presence of members at a common venue. Pursuant to these circulars, this Annual Report is being sent by email only.

NATIONAL STANDARD (INDIA) LIMITED

- 3) In terms of the MCA Circulars since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting. The resolution authorising for the aforesaid shall be sent to the Company at Investors.nsil@lodhagroup.com with a copy marked to cs.shravangupta@gmail.com, scrutiniser appointed for the meeting and to NSDL at evoting@nsdl.co.in.
- 4) The Members can join the AGM in the VC/OAVM mode 15 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation through VC/OAVM provided by NSDL through their platform.
- 5) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- 6) Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
- 7) In line with the MCA Circulars, the Notice calling the AGM has been uploaded on the website of the Company at www.nsil.net.in. The Notice may also be accessed from the websites of the Stock Exchange i.e. BSE Limited and also on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. <https://www.evoting.nsd.com/>
- 8) The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM.
- 9) All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to investors.nsil@lodhagroup.com.
- 10) In terms of Rule 18 of the Companies (Management and Administration) Rules, 2014, the Company may give notice through electronic mode addressing to the person entitled to receive such e-mail as per the records of the Company or as provided by the depository, provided that the Company shall provide an advance opportunity atleast once in a financial year, to the member to register his e-mail address and changes therein and such request may be made by only those members who have not got their email ID recorded or to update a fresh email ID and not from the members whose e-mail IDs are already registered. In view of the above, the Company hereby requests the members who have not updated their email IDs to update the same with their respective Depository Participant(s) or the C B Management Services Private Limited, the Registrar and Transfer Agent of the Company ("R&T Agent"). Further, the members holding shares in electronic mode are requested to keep their email addresses updated with the Depository Participants. Members holding shares in the physical mode are also requested to update their email addresses by writing to the Registrar and Transfer Agent of the Company quoting their folio number(s).
- 11) Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS) and Electronic Clearing Service (ECS) mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's record which will help the Company and the Company's R&T Agent to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes either to the Company or to the Company's R&T Agent.
- 12) The Securities and Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to R&T Agent of the Company.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 TO THE ACCOMPANYING NOTICE

Item No 3: Approve appointment of Ms Ritika Bhalla (DIN: 09668373) as an Independent Director for a first term of 5 years

Ms Ritika Bhalla (DIN: 09668373), was appointed as an Additional Director by the Board with effect from July 12, 2022, pursuant to Section 161 of the Companies Act, 2013, read with the Articles of Association of the Company. Pursuant to the provisions of Section 161 of the Companies Act, 2013, Ms Ritika Bhalla will hold office upto the date of the ensuing Annual General Meeting. The Company has received a Notice in writing under the provisions of Section 160 of the Act, from a Member proposing the candidature of Ms Ritika Bhalla for the office of Independent Director, to be appointed as such under the provisions of Section 149 of the Companies Act, 2013. In terms of the provisions of Section 149 of the Act, an independent director shall hold office for a term of up to five consecutive years on the Board and may hold office for up to two consecutive terms. Section 149 of the Act and the provisions of the Listing Regulations inter alia prescribes that an independent director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. The Company has received a declaration from Ms Ritika Bhalla that she meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Listing Regulations. Ms Ritika Bhalla is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as Director.

A brief profile of Ms Ritika Bhalla in terms of Regulation 36(3) of the Listing Regulations is detailed in the Annexure to this notice. Considering the rich experience of Ms Ritika Bhalla, your Board considers that her appointment as a Director of the Company will be in its best interest of the Company. In the opinion of the Board, Ms Ritika Bhalla fulfills the conditions for appointment as an independent Director as specified in the Act and the Listing Regulations. She is also independent of the management. A copy of the letter of appointment of Ms Ritika Bhalla setting out the terms and conditions of her appointment is available for inspection by the members at the registered office of the Company. None of the Directors or Key Managerial Personnel of the Company or their relatives, other than Ms Ritika Bhalla is concerned or interested financially or otherwise in the resolution.

The Board of Directors recommend the Special Resolution set out at Item no. 3 of the Notice for approval by the members

Item No 4: Approve re-appointment of Mr Prakash Vaghela (DIN: 07768595) as an Independent Director for a second consecutive term of 5 years

Mr. Prakash Vaghela was appointed as an Independent Director pursuant to Section 149 of the Companies Act 2013 ("Act") read with the Companies (Appointment & Qualification of Directors) Rules 2014, by the shareholders at the Annual General Meeting held on September 24, 2018, to hold office up to February 8, 2023 ("first term" as per the explanation to Section 149 (10) & (11) of the Act).

Based on recommendation of Nomination and Remuneration Committee, the Board of Directors has proposed re-appointment of Mr. Prakash Vaghela as Independent Director (not liable to retire by rotation), for a second consecutive term of five years from February 9, 2023 to February 8, 2028.

The Board, based on the performance evaluation and recommendation of Nomination and Remuneration Committee, considers that given his background, experience and contribution, the continued association with Mr. Prakash Vaghela would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director.

Pursuant to the provisions of the Act and the Listing Regulations, the Board has carried out the annual performance evaluation of the directors individually. The performance of individual directors including the independent directors was evaluated on parameters such as level of engagement and contribution to the affairs of the Company including by way of attendance in Board and committee meetings, ability to discharge their duties and obligations diligently in the best interest of the Company, ability to provide effective leadership and checks and balances towards sustaining the highest levels of corporate governance, exercising duty of care and skill in the discharge of their functions, level of independence of judgment and safeguarding the interest of the Company and its minority shareholders. Considering the value delivered by the Director, in the opinion of the Board, he fulfils the conditions specified in the Act and Listing Regulations for reappointment as an Independent Director and is independent of the management of the Company.

NATIONAL STANDARD (INDIA) LIMITED

A brief profile of Mr. Prakash Vaghela in terms of Regulation 36(3) of the Listing Regulations is detailed in the Annexure to this notice.

The Board recommends the Special Resolution set out at Item No. 4 of the Notice for approval by the members.

Except Mr. Prakash Vaghela and his relatives, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the Notice.

Item 5: Approval of material Related Party Transactions

Pursuant to the provisions of Section 188 of the Companies Act, 2013 ("the Act"), read with the Companies (Meetings of Board and its Powers) Rules, 2014 ('Rules'), the Company is required to obtain consent of the Board of Directors and prior approval of the members by way of ordinary resolution for approval / ratification of related party transactions entered into the Company with related parties, in case certain transactions with related parties exceeds such sum as is specified in the said Rules. The aforesaid provisions are not applicable in respect of transactions which are in the ordinary course of business and on arm's length basis.

Pursuant to Regulation 23 of the Listing Regulations, approval of the members through ordinary resolution is required for approval / ratification of material related party transactions entered into between the Company with related parties, even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material, if the transaction/transactions to be entered into individually or taken together with previous transactions during a Financial Year exceed 10% of the annual consolidated turnover as per the last audited financial statements of the Company or Rs 1,000 crore whichever is lower. All the Related Party Transactions entered into by the Company will be on arm's length basis and in the ordinary course of business and approval of the Audit Committee / Board shall be obtained, wherever required.

The Company has existing arrangements with Macrotech Developers Limited, Holding Company and its subsidiary companies, which are in the ordinary course of business and at arm's length basis. However, the value of transaction (existing and proposed) shall exceed 10% of the annual consolidated turnover of the Company which qualifies the materiality threshold as prescribed under Regulation 23 of the Listing Regulations. Thus, the below transactions would require the approval/ratification of the Members by way of Ordinary Resolution to utilise the resources of the group companies inter-se for the next three financial years i.e. FY 2023-24, FY 2024-25 and FY 2025-26:

MANAGEMENT DISCUSSION AND ANALYSIS

Cautionary Statement

Statements in this report on Management Discussion and Analysis may be forward looking statements within the meaning of applicable laws or regulations. These statements are based on certain assumptions and reasonable expectation of future events. Actual results could however differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic developments within India and other incidental factors. The Company assumes no responsibility in respect of the forward-looking statements herein, which may undergo changes in future on the basis of subsequent development.

Indian Economic Overview

Despite a highly transmissible third wave of Covid-19, India is charting a course of recovery different from the rest of the world. After a slow start, vaccination in India picked up in FY22 with nearly 2 billion vaccine doses covering more than 90% of the eligible population by May 2022. Administration of precautionary doses or booster doses to the eligible population has also commenced. Achieving this gargantuan task could not have been possible without the support of policy makers, health workers and citizens.

On the back of a coordinated policy response from both fiscal and monetary sides, India is poised to grow at the fastest pace year-on-year among all major economies. Due to the strong rebound in economic activity, despite a significant impact of the second and third waves of the pandemic, the National Statistical Office (NSO) pegged India's real gross domestic product (GDP) growth for FY22 at a robust 8.7%. (Source: Ministry of Statistics and Programme Implementation)

Economic uncertainties on account of covid-led supply disruptions and geopolitical tensions have impacted India as well. The country, being a major oil importing country, is grappling with elevated inflation which led the Reserve Bank of India (RBI) to hike the repo rate by 90 basis points (bps) in May and June 2022. It is predicted that this upward trajectory will continue in this financial year leading to interest rate hardening by 150-200 bps cumulatively by end of FY23.

RBI nonetheless predicts the Indian economy to grow at ~7.2% due to its inherent strength and reforms such as Government led public capital expenditure and a focus on enhancing manufacturing capabilities through Production Linked Incentive (PLI) schemes, and so on.

Indian real estate industry overview

India's real estate sector in general and the housing segment in particular, has shown quick recovery from the Covid-induced crisis.

There are some critical differences between the global housing market boom and the recovery in the housing market in India. Globally the housing boom has been accompanied by a sharp rise in housing prices, resulting in fears of a housing bubble. However, in India, the housing sales surge has not been accompanied by a material rise in prices, leading to a more sustainable recovery.

Healthy capital markets have enabled real estate companies to access equity capital, helping them de-leverage quickly. In the last few years, slowdown in the sector resulted in survival of only few players with better financial health and strong brand identity. Structural reforms like Real Estate Regulatory Authority (RERA) and Goods and Service Tax (GST) in recent years, have led to consolidation and formalisation of the sector. While the commercial real estate segment largely formalised over the past decade or so, formalisation of the residential housing segment began only in 2016-17. This healthy trend will substantially lower the cyclical nature of the industry in future as organised industry players are likely to be more measured and rational in their approach vis-a-vis supply.

Easing of Covid-related restrictions are leading to stabilisation of the commercial segment. Most of the offices have started moving towards 'mixed work arrangements', with a combination of work from office and 'work from home'. WFH has been seen

to lead to substantial benefits to the workforce including savings in transportation time and cost and better 'work life' balance. With the home increasing becoming a 'place to live' rather than a 'place to sleep', the need for better quality and larger housing is likely to be a long-term trend supporting home demand.

Thus, the sector is currently very favorable for the well-known branded developers.

(a) Opportunities and Threats

We are very optimistic about the affordable and mid-income segment of the housing market over the longer term. We believe that as India moves from a low-income economy to a mid-income economy, this segment of the market will grow faster. Residential real estate is consolidating in favour of organised and branded developers at an accelerated pace.

Though the industry is in the early stages of a multi-year upcycle, we continue to keep a watchful eye for challenges like any further pandemic, cost increase due to geopolitical tensions, increase in interest rates, constant regulatory changes, recession in economies etc., which, if they fructify, will impact this upward trajectory. Further, the lending to real estate developers by the NBFCs and HFCs was already limited after the crisis in real estate sector and the pandemic has further deteriorated the liquidity situation for many developers who had to resort to alternative funding in absence of long term loans from banks.

The Company's real estate project is complete. The Company has no business operations at present.

(b) Segment-wise or product-wise performance

The Company operates in single segment of real estate development. The Company's project at Hyderabad is almost fully sold out. The Company is evaluating various other business opportunities in the real estate space.

(c) Outlook

The real estate sector is one of the most globally recognized sectors. In India, real estate is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade. The real estate sector comprises four sub sectors - housing, retail, hospitality, and commercial.

As the sector slowly trends on the path to recovery, it has to realign to face new realities and meet greater expectations. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy. It is also expected that this sector will incur more non-resident Indian (NRI) investments in both the short term and the long term.

(d) Risks and concerns

The real estate sector is heavily dependent on manpower. During the pandemic, the sector was badly hit due to reverse migration of construction workers which affected the construction activity severely, leading to delayed timelines for project completion. Hence, there is a need for development of technologically less labour intensive alternative methods of construction. Further, the increase in land prices, inputs costs have also been constantly increasing. Higher interest cost would dent margins and may have a direct effect on the customer's cash flow as well. Increase in end product prices coupled with tight liquidity may impact demand. The various taxes and levies would add to the costs and this is likely to squeeze margins as end product prices may not go up correspondingly. The company has a Risk Management Policy, which is being periodically reviewed.

(e) Internal control systems and their adequacy.

The internal control commensurate with the activities is supplemented by continuous review by the management. The internal control system is designed to ensure that every aspect of the company's activity is properly monitored.

(i) Disclosure of Accounting Treatment:

In preparation of these financial statements, the Company has followed the prescribed Indian Accounting Standards and no different treatment had been followed.

INDEPENDENT AUDITOR'S REPORT

To the Members of National Standard (India) Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of National Standard (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

NATIONAL STANDARD (INDIA) LIMITED

judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standard specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30(b) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

NATIONAL STANDARD (INDIA) LIMITED

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE FINANCIAL STATEMENTS OF NATIONAL STANDARD (INDIA) LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the current period and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF NATIONAL STANDARD (INDIA) LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of National Standard (India) Limited on the Financial Statements for the year ended March 31, 2022]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of National Standard (India) Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NATIONAL STANDARD (INDIA) LIMITED

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

1 SIGNIFICANT ACCOUNTING POLICIES

A Company's Background

National Standard (India) Limited (the Company) is a public limited company domiciled and incorporated in India under the Companies Act, 1956 vide CIN - L27109MH1962PLC265959. The Company's registered office is located at 412, Floor - 4, 17 G Vardhaman Chamber, Cawasji Patel Road, Horniman Circle, Fort, Mumbai - 400001. The Company is primarily engaged in the business of real estate development.

The Financial Statements are approved by the Company's Board of Directors at its meeting held on 14-April-22.

B Significant Accounting Policies

I Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and amendment if any.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakhs except when otherwise indicated.

II Summary of Significant Accounting Policies

1 Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The operating cycle of the Company's real estate operations varies from project to project depending on the size of the project, type of development, project complexities and related approvals. Accordingly, project related assets and liabilities are classified into current and non-current based on the operating cycle of the project. All other assets and liabilities have been classified into current and non-current based on a period of twelve months.

2 Property, Plant and Equipment

i. Recognition and measurement

All property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisitions of the items. Cost includes freight, duties, taxes, borrowing cost and incidental expenses related to the acquisition and installation of the asset.

ii. Subsequent costs

Subsequent expenditure, including cost of the items which can be reliably estimated, is capitalised only when it is probable that the future economic benefits of the expenditure will flow to the Company. All other repairs and maintenance are charged to the Ind AS Statement of Profit and Loss during the reporting period in which they are incurred.

iii. Derecognition

The carrying amount of an item of Property, Plant and Equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of Property, Plant and Equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

iv. Depreciation

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as specified in Schedule II of Companies Act, 2013.

Sr. No.	Property, Plant and Equipment	Useful life (Years)
i)	Plant and Equipment	8 to 15
ii)	Furniture and Fixtures	10
iii)	Office Equipment	5

Depreciation on addition to Property, Plant and Equipment is provided on pro-rata basis from the date of acquisition. Depreciation on assets sold during the year is charged to the Statement of Profit and Loss up to the month preceding the month of sale.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

NATIONAL STANDARD (INDIA) LIMITED

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

3 Investment Properties

The Property that is held for long term rental yield or for capital appreciation or both, and that is not occupied by the Company is classified as an Investment Property.

Investment properties are measured initially at cost, including transaction and borrowing costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

The Company depreciates investment properties over the useful life of 60 years from the date of original purchase as prescribed under Schedule II to the Companies Act, 2013.

Investment Properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate.

4 Inventories

Stock of Building Materials and Traded Goods is valued at lower of cost and net realizable value. Cost is generally ascertained on weighted average basis.

Completed unsold inventory is valued at lower of Cost and Net Realizable Value.

Cost for this purpose includes cost of land, shares with occupancy rights, Transferrable Development Rights, premium for development rights, borrowing costs, construction / development cost and other overheads incidental to the projects undertaken.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and the estimated cost necessary to make the sale.

5 Provisions and Contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure of contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

6 Impairment of Non-Financial Assets (excluding Inventories and Deferred Tax Assets)

Non-financial assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

Where it is not possible to estimate the recoverable amount of an individual asset, the impairment test is carried out on the smallest Group of assets to which it belongs for which there are separately identifiable cash flows; its cash generating units ('CGUs').

7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

The Company classifies its financial assets in the following measurement categories.

- those to be measured subsequently at fair value (either through OCI, or through profit or loss)
- those measured at amortised cost

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i) Debt instruments at amortised cost
- ii) Debt instruments at fair value through other comprehensive income (FVTOCI)
- iii) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- iv) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment if any, are recognised in the Statement of Profit and Loss.

Debt instruments at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent solely payments of principal and interest.

NATIONAL STANDARD (INDIA) LIMITED

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company does not have any debt instruments which meets the criteria for measuring the debt instrument at FVTOCI.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'Accounting Mismatch'). The Company has not designated any debt instrument at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Equity investments

All equity investments, except investments in subsidiaries and associates are measured at FVTPL. The Company may make an irrevocable election on initial recognition to present in OCI any subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis.

Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

- i) The rights to receive cash flows from the asset have expired, or
- ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of Financial Assets

The Company assess on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debts instruments. The impairment methodology applied depends on whether there has been significant increase in credit risk. For trade receivables, the Company is not exposed to any credit risk as the possession of residential and commercial units is handed over to the buyer only after all the instalments are recovered.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

For financial assets carried at amortised cost, the carrying amount is reduced and the amount of the loss is recognised in the Statement of profit and loss. Interest income on such financial assets continues to be accrued on the reduced carrying amount and is accrued using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. The interest income is recorded as part of finance income. Financial asset together with the associated allowance are written off when there is no realistic prospect of future recovery and all collateral has been realised or has been transferred to the Company. If, in a subsequent year, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or decreased. If a write-off is later recovered, the recovery is credited to finance costs.

Financial Liabilities**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings, or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of financial liability not recorded at fair value through Profit or Loss, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and loans and borrowings.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities measured at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Statement of Profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Reclassification of Financial Assets and Financial Liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Ind AS Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

8 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability, or-
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

9 Cash and Cash Equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

10 Revenue Recognition

The Company has applied five step model as set out in Ind AS 115 to recognise revenue in this Financial Statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
 - b. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
 - c. The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.
- For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period of time based on the conditions in the contracts with customers.

The specific revenue recognition criteria are described below:

(I) Income from Property Development

The Company has determined that the existing terms of the contract with customers does not meet the criteria to recognise revenue over a period of time. Revenue is recognized at point in time with respect to contracts for sale of residential and commercial units as and when the control is passed on to the customers which is linked to the application and receipt of occupancy certificate. The Company provides rebates to the customers. Rebates are adjusted against customer dues and the revenue to be recognized. To estimate the variable consideration for the expected future rebates the company uses the "most-likely amount" method or "expected value method".

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

(II) Contract Balances

Contract Assets

The Company is entitled to invoice customers for construction of residential and commercial properties based on achieving a series of construction-linked milestones. A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the company performs by transferring goods or services to a customer before the payment is due, a contract asset is recognized for the earned consideration that is conditional. Any receivable which represents the Company's right to the consideration that is unconditional is treated as a trade receivable.

Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under the contract.

ii) Interest Income

For all debt instruments measured at amortised cost. Interest income is recorded using the effective interest rate (EIR).

iii) Rental Income

Rental income arising from operating leases is accounted over the lease terms.

11 Current Income Tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profit for the period. The tax rates and tax laws used to compute the amount are those that are enacted by the reporting date and applicable for the period.

Deferred Tax

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible and taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of transaction.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax asset in respect of carry forward of unused tax credits and unused tax losses are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

Presentation of Current and Deferred Tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in OCI, in which case, the current and deferred tax income/ expense are recognized in OCI. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

12 Borrowing Costs

Borrowing costs that are directly attributable to long term project development activities are inventorised / capitalized as part of project cost.

All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

13 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable equity share holders to by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable equity share holders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

14 Leases

Company as a Lessor

In arrangements where the Company is the lessor, it determines at lease inception whether the lease is a finance lease or an operating lease. Leases that transfer substantially all of the risk and rewards incidental to ownership of the underlying asset to the counterparty (the lessee) are accounted for as finance leases. Leases that do not transfer substantially all of the risks and rewards of ownership are accounted for as operating leases. Lease payments received under operating leases are recognized as income in the statement of profit and loss on a straight-line basis over the lease term or another systematic basis. The Company applies another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished.

29 Significant Accounting Judgements, Estimates and Assumptions

Judgements, Estimates And Assumptions

The Company makes certain judgement, estimates and assumptions regarding the future. Actual experience may differ from these judgements, estimates and assumptions. The estimates and assumptions that have significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

(i) Useful Life Of Property, Plant And Equipments

The Company determines the estimated useful life of its Property, Plant and Equipments and Investment Property for calculating depreciation. The estimate is determined after considering the expected usage of the assets or physical wear and tear. The company periodically review the estimated useful life and the depreciation method to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from these assets.

(ii) Impairment of Non-Financial Assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. An assessment is carried to determine whether there is any indication of impairment in the carrying amount of the Company's assets. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

(iii) Income Taxes

Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

(iv) Estimation uncertainty due to coronavirus (COVID-19) pandemic

The Company has assessed the possible impact of COVID-19 pandemic on its financial statements based on internal and external information available up to the date of approval of these financial statements and has concluded that no adjustment is required in these financial statements. The eventual outcome of impact of the pandemic on the future operations may differ from the estimates as at the date of approval of these financial statements. The Company continues to monitor the future economic conditions.

(v) Valuation of Inventories

The determination of net realisable value of inventory includes estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost.

30 Commitments and Contingencies

a. Leases

Operating lease commitments — Company as lessor

The Company had entered into non-cancellable operating leases on its commercial premises. These leases had terms of five years. All leases include a clause to enable upward revision of the rental charge on an annual basis according to prevailing market conditions. During the year these commercial premises have been sold.

The Company has received ₹21.41 lakhs (31- March-21: ₹133.54 lakhs) during the year towards minimum lease payment in respect of non - cancellable operating lease.

Future minimum rentals receivable under non-cancellable operating leases are, as follows:

	31-March-22 ₹ in Lakhs	31-March-21 ₹ in Lakhs
Within one year	-	47.47
After one year but not more than five years	-	68.78
	-	116.25

b. Contingent liabilities

Claims against the company not acknowledged as debts	31-March-22 ₹ in lakhs	31-March-21 ₹ in lakhs
Disputed Taxation Matters	391.20	221.43
Disputed Demand of customers excluding Amounts not ascertainable	-	18.48
Claims not acknowledge as debts- Others	-	126.19
	391.20	366.10

The Contingent Liabilities exclude undeterminable outcome of pending litigations.

The Company has assessed that it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

C. Terms and conditions of outstanding balances with related parties

a) Payable to Related Parties

The payables to related parties arise mainly from purchase transactions and services received and are paid as per agreed terms.

b) Loans to Related Parties

The loans to related parties are unsecured and receivable on demand bearing effective interest rate.

32 Segment information

For management purposes, the Company has only one reportable segments namely, Development of real estate property. The Board of Directors of the Company acts as the Chief Operating Decision Maker ("CODM"). The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators.

33 Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

34 Financial risk management objectives and policies

The Company's principal financial liabilities comprise mainly of trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans and advances, trade and other receivables, cash and cash equivalents and Bank Balances other than Cash and Cash Equivalents and Other Balances with Bank.

The Company is exposed through its operations to the following financial risks:

- Market risk
- Credit risk, and
- Liquidity risk.

The Company has evolved a risk mitigation framework to identify, assess and mitigate financial risk in order to minimize potential adverse effects on the company's financial performance. There have been no substantive changes in the company's exposure to financial instrument risks, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated herein.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables, loans and derivative financial instruments. There is no interest rate risk as the company does not have any interest bearing loan from any bank, financial institution or any other party. There is no currency risk on account of absence of foreign currency exposure.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Company's customer base, including the default risk of the industry and country, in which customers operate, has less influence on the credit risk.

The Company has entered into contracts for the sale of residential and commercial units on an installment basis. The installments are specified in the contracts. The Company is exposed to credit risk in respect of installments due. However, the legal ownership of residential and commercial units are transferred to the buyer only after all the installments are recovered. In addition, installment dues are monitored on an ongoing basis with the result that the Company's exposure to credit risk is not significant. The Company evaluates the concentration of risk with respect to trade receivables as low, as none of its customers constitutes significant portions of trade receivables as at the year end.

c) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

45 (i) Recent Development

On March 23, 2022, Ministry of Corporate Affairs amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below which are effective for the annual periods beginning on or after April 1, 2022. Ind AS 16 – Property Plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The Company has evaluated the amendment and the impact is not expected to be material.

Ind AS 109 – Financial Instruments – The amendment requires derecognition of a financial liability and recognition of a new financial liability when there is an exchange between an existing borrower and the lender of debt instruments with substantially different terms (including a substantial modification of the terms of an existing financial liability or part of it). The terms are substantially different if the discounted present value of the remaining cash flows under the new terms are at least 10% different from the discounted present value of the remaining cash flows of the original financial liability (‘10%’ test). The amendment in the Rules clarifies the nature of fees that an entity could include when it applies the ‘10%’ test in assessing whether to derecognise a financial liability. It states that an entity shall include only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other’s behalf. The Company has evaluated the amendment and the impact is not expected to be material.
