Concept

Our vision was to provide a landmark for contemporary living with aspects of sustainability and a green and colourful vibe. The towers will be an identity giving a great standing position in the urban context for this upcoming socio-economic quarter and the bespoke apartments will cater to the needs of the cosmopolitan inhabitants. What is most important for us is that the spaces will be not only highly functional and efficient but also happy, open, well-lit and take advantage of the amazing views that the location has to offer.

Architecture

The development is a composition of 2 towers measuring 117m connected by 6 bridges. The vertical green which is integrated in the façade adds a positive vibe not only in the urban context to the building as a strong standing landmark, but also to the user with direct usage not only of the amazing views but also the greens which are wrapping this building. In each of the towers the ground and first floor are for common spaces and amenities, and floors above this are a mix of 1, 2 and 3 bedroom apartments for a vivid combination of singles, couples, and everyone can find something according to their needs.

The bridges between the buildings and the whole roof top terraces are valuable additional green spill out spaces made accessible to all users. The area of the green bridges will connect the two towers like a green joint thus providing a visual delight to the passers-by.

A colour was added to give a vibrancy in the dialogue between the elegant horizontal white lines and the natural greens growing and hanging over. This also gives a sense of recognition and visual connection to the users. The horizontal bands give a strong structure to the building with an elegant feel where planters are added and balconies pop out which also gives an additional advantage of shading of the outer wall of the apartments

MANAGEMENT DISCUSSION AND ANALYSIS

THE ECONOMIC SCENARIO:

As the world enters the third year of the COVID-19 crisis, economic developments have been both encouraging and troubling, clouded by many risks and considerable uncertainty. The good news is that output in many countries rebounded in 2021 after a sharp decline in 2020. Advanced economies and many middle-income countries reached substantial vaccination rates. International trade had picked up, and high commodity prices were benefiting many developing countries. Domestic financial crises and foreign debt restructurings have been less frequent than might have been expected in a time of severe global shocks. Yet, for many developing countries, progress toward recovery has been hampered by daunting challenges.

Government spending, deficits, and debt in several advanced economies have reached record highs relative to GDP. Central banks have absorbed unprecedented amounts of long-term assets financed by bank reserves, resulting in an inequitable allocation of capital. Spending in developing countries surged to support economic activity during the crisis, but many countries are now facing record levels of external and domestic debt. The COVID-19 crisis wiped out years of progress in poverty reduction. As government's fiscal space has narrowed, many households in developing countries have suffered severe employment and earning losses—with women, the unskilled, and informal workers hit the hardest. School closures and sustained disruptions to healthcare services can do lasting damage to human capital, especially among children and the most vulnerable. At the other end of the income scale, booming asset prices were boosting the wealth of richer segments of the population, adding to inflation.

As per World Economic Outlook April 2022, global growth is projected to slow from an estimated 6.1 per cent in 2021 to 3.6 per cent in 2022 and 2023. The post-COVID-19 pandemic recovery is being hit by a potentially huge global supply shock that is expected to reduce growth prospects and push up inflation. Additionally, the global economic prospects have been severely set back, largely because of Russia's invasion of Ukraine. This crisis unfolds even as the global economy has not yet fully recovered from the pandemic. Even before the war, inflation in many countries had been rising due to supply-demand imbalances and policy support during the pandemic, prompting a tightening of monetary policy. The latest lockdowns in China could cause new bottlenecks in global supply chains. The Russia's invasion of Ukraine worsened the global geopolitical uncertainty. Additionally, it shook the commodity and financial markets— and this amid a global pandemic. Fortunately, COVID-19's Omicron variant has had a milder impact than other variants and progress on vaccination has allowed economies across the world to remain more open than in previous COVID-19 waves. However, these escalating geopolitical tensions could impede trade and production, and stoke inflationary pressures. Aggressive monetary policy tightening in the US may lead to financial instability. Rising energy prices and supply disruptions have resulted in higher and more broad-based inflation than anticipated, notably in the US and many emerging market and developing economies. The ongoing retrenchment of China's real estate sector and slower-than-expected recovery of private consumption also have limited growth prospects. Risks to the global baseline are tilted to the downside. As advanced economies lift policy rates, risks to financial stability and emerging market and developing economies' capital flows, currencies, and fiscal positions especially with debt levels having increased significantly in the past two years may emerge. Monetary policy in many countries will need to continue a tightening path to curb inflation pressures, while fiscal policy—operating with more limited space than earlier in the pandemic—will need to prioritize health and social spending while focusing support on the worst affected. In this context, international co-operation will be essential to preserve access to liquidity and expedite orderly debt restructurings where needed. Investing in climate policies remains imperative to reduce the risk of catastrophic climate change.

The Ministry of Statistics and Programme Implementation projects India's real GDP growth by 8.7 per cent in FY2022 i.e. ₹ 1,47,36,000 crore/USD 1.90 trillion or nominal GDP of ₹ 2,36,65,000 crore/USD 3.05 trillion at current prices, subsequent to a contraction of 6.6 per cent in FY2021; and an 8-8.5 per cent growth in FY2023. These projections are comparable with World Bank and ADB's latest forecasts of real GDP growth of 8.7 per cent and 7.5 per cent respectively for FY2023. According to FICCI's Economic Outlook Survey, India is expected to grow at 7.4 per cent in FY2023, with a minimum and maximum growth estimate of 6.0 per cent and 7.8 per cent respectively. As per IMF's latest World Economic Outlook projections, India's real GDP is projected to grow at 9 per cent in FY2022 and FY2023 and at 7.1 per cent in FY2024, which would make India the fastest growing major economy in the world for all three years. Combination of high foreign exchange reserves (₹ 46,38,067 crore/USD 59,751 crore at March 20, 2022), highest ever FDI (USD 8,357 crore during FY2022), and rising export earnings will provide adequate buffer against possible global liquidity tapering in FY2023.

Going ahead, the existing external situation can be a dampener and impede domestic prospects. It remains important that the massive capex plan laid out by the government in the Union Budget for FY2023 continues. Despite the challenges, India has the potential to remain among fastest growing major economies in the world and remains well

placed over the medium term. The results of growth-enhancing policies and schemes (such as production-linked incentives and government's push toward self-reliance) and increased infrastructure spending will start kicking in from FY2023, leading to a stronger multiplier effect on jobs and income, higher productivity, and more efficiency—all leading to accelerated economic growth. Furthermore, the emphasis on manufacturing in India, various government incentives such as lower taxes, and rising services exports on the back of stronger digitization and technology transformation drive across the world will aid in growth. Also, several spill-over effects of geopolitical conflicts could enhance India's status as a preferred alternate investment destination. Global in-house centres and multinationals, for instance, may prefer India over Eastern European markets (especially those that border Ukraine) to shift their current operations or open new facilities.

THE INDUSTRY SCENARIO:

The real estate sector is one of the most globally recognized sectors. Real estate sector comprises four sub sectors - housing, retail, hospitality, and commercial. The real estate market in India is highly fragmented in nature, with multiple players operating in the market. Higher competition among market players is impacting selling prices and land prices, further leading to oversupply in the market. Furthermore, the market is dominated by a few pan-India branded players and multiple local players. The real estate is the second largest sector in the country after agriculture in terms of providing employment opportunities. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy. Real estate sector in India is expected to reach a market size of ₹ 65,000 crore by 2040 from ₹ 12,000 crore in 2019. Retail, hospitality, and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs. The growth of the real estate market in the country is supported by increasing industrial activities, rapid urbanization, and improved income levels. This is further contributing to the economy of the country. The recent key policy initiatives e.g. the Real Estate Regulatory Act (RERA) and the Benami Transactions Act are contributing to the development of the real estate sector. The government is also providing a boost to affordable housing construction, interest subsidy for home buyers, service tax exemption, Dividend Distribution Tax (DDT) exemption, PR for foreign investors, etc.

The Real Estate sector was in a very peculiar situation in FY2021 and FY2022. In light of the situation, which was created by COVID-19, the persisting liquidity crunch of sector had worsened and various restrictions imposed by the Indian Government to curb the pandemic had led to a temporary halt in ongoing real estate projects. This had a domino effect w.r.t. the large scale reverse migration of labourers and disruption in supply chain of materials. While one would assume the pandemic has brought about a standstill in buying of houses on the contrary with companies declaring "Work From Home" or a blended work from home situation, had led to homebuyers buying their own space or a bigger space. Demand for townships with a range of amenities has accelerated after COVID-19 emphasised the importance of having amenities within your project. This may include amenities ranging from a swimming pool to an office center. Availing of cheap home Loans, lucrative payment plans, attractive prices coupled favorable government reforms the sector has seen an increase in home buying activity especially in places where buyers are able to avail taxation benefits. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. It is also expected that this sector will incur more non-resident Indian (NRI) investments in both the short term and the long term. Bengaluru is expected to be the most favoured property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi and Dehradun.

Major developers are focusing on affordable and mid-range housing units to meet increasing demand in the country. Moreover, the growth is driven by various factors such as rapid urbanization, a rise in the number of nuclear families, easy availability of home loans, etc.

Government of India along with the governments of respective States has taken several initiatives to encourage development in the sector. The Smart City Project, with a plan to build 100 smart cities, is a prime opportunity for real estate companies. Below are some of the other major Government initiatives:

- Under Union Budget 2022-23, tax deduction up to ₹ 1.5 lakh on interest on housing loan, and tax holiday for affordable housing projects have been extended until the end of fiscal 2022-23.
- In order to revive around 1,600 stalled housing projects across top cities in the country, the Union Cabinet has approved the setting up of ₹ 25,000 crore alternative investment fund (AIF).

- Government has created an Affordable Housing Fund in the National Housing Bank with an initial corpus of ₹ 10,000 crore using priority sector lending short fall of banks/financial institutions for micro financing of the HFCs.

The Securities and Exchange Board of India (SEBI) has given its approval for the Real Estate Investment Trust (REIT) platform, which has allowed all kind of investors to invest in the Indian real estate market. India currently has three REITs listed with SEBI viz. : Embassy REIT (started in 2017), Brookfield REIT (commenced in 2019), and Mindspace REIT (began in 2020). All three of them are listed and traded on both the BSE and the NSE. It would create an opportunity worth ₹ 1,25,000 crore in the Indian market in the coming years. First REIT launched by global investment firm Blackstone and realty firm Embassy group successfully rose ₹ 4,750 crore. Responding to an increasingly well-informed consumer base and bearing in mind the aspect of globalisation, Indian real estate developers have shifted gears and accepted fresh challenges. The most marked change has been the shift from family owned businesses to that of professionally managed ones. Real estate developers, in meeting the growing need for managing multiple projects across cities, are also investing in centralised processes to source material and organise manpower and hiring qualified professionals in areas like project management, architecture and engineering.

THE COMPANY:

Business Strategy of your Company is to partake in the opportunities available in developing real estate. The main growth drivers are considered as:

- Huge demand-supply gap in housing per-se at GIFT City, Ahmedabad.
- Huge demand-supply gap in housing per-se (e.g. Affordable Housing).
- The size and scale of government's initiatives - "Housing for All", and "Smart cities".
- Existing society Redevelopment opportunities.

BUSINESS ENDEAVOUR EVALUATION:

Your Company's comprehensive evaluation of opportunities includes the following parameters:

- Market: Local economic conditions, demand-supply outlook, interest/inflation rate scenario, etc.
- Pre-development: Financing flexibility to fund the early design work, community/political participation/opposition, government stability over the life of the project, environmental problems, site selection and regulatory approval delays, land acquisition, etc.
- Finance: Commercial viability of the project, capacity of the lender to evaluate and speed in providing the credit lines, repayment mechanism, credit availability on viable terms, etc.
- Construction: Viability of the design/technology, availability of labour and raw-material, outlook of raw-material cost, contractor failure, developer's access to funds on a timely basis for construction, etc.

Throughout this process, your Company has to identify and mitigate inherent risks that can adversely affect the project. It is broadly evaluated in three parts: 1) preliminary considerations, market analysis, financial analysis, and strategic marketing; 2) site selection and due diligence, land acquisition, deal structure, entitlements, permissions, etc.; and 3) planning and design, construction management, operations and property management. Hence, with sufficient due-diligence the project is selected and execution is carried-out accordingly by your Company.

FINANCIAL RESOURCES:

The foremost source of finance of your Company has traditionally been internal accruals and borrowings from banks. However, at present your Company is totally debt-free. Your Company deems it sufficient to address the ongoing business endeavours.

JOINT VENTURES:

In order to share risk and cost, experience and expertise your Company develops certain projects in association with other renowned corporates and has formed associates and joint ventures. This provides a larger scale to your Company

to work on specific operations. In such a scenario, the construction work is invariably carried-out by your Company. Your Company looks upon them as partners in its progress and shares with them the rewards of growth. It is your Company's endeavour to build and nurture strong links with the trade based on mutuality of benefits, respect for and cooperation with each other, consistent with consumer interests.

SEGEMENT WISE AND FINANCIAL PERFORMANCE OF OPERATIONS:

The entire operations of the Company constitute a single segment i.e. "Construction and Development of Building for sale and other Real Estate activities" as per Ind AS 108 "Operating Segments" specified under Section 133 of the Companies Act 2013. The financial performance of the operations thereof may please be referred in the Director's Report section under the head "Review of Operations and Financial Performance".

KEY FINANCIAL RATIOS:

The detailed discussion on financial performance is captured in the Directors' Report section of this Annual Report, while analysis of key ratios is furnished further.

(₹ in lakhs)

| Ratio | FY 2022 | FY 2021 | Detailed explanation |
|--------------------------------------|---------------|-------------|---|
| Debtor Turnover <i>In Days</i> | 11.07 33 | 100.12 4 | The credit policies and collection process of your Company are satisfactory and commensurate to the industry and/or the segment it operates into. Your Company mainly deals with retail/individual buyers, who in turn would approach a bank/ FI for sanction of their home-loan. Your Company had tied-up with three (3) first-rung banks/NBFCs, while the project was approved by certain banks/NBFCs. The Collection process of your Company is well established. While, the debtors at 31 March 2022 have increased marginally as compared to 31 March 2021, the holding period has increased due to fairly less revenue as compared to previous FY. Hence, this movement in debtor turnover. |
| Inventory Turnover <i>In Days</i> | 0.08 4,499 | 0.67 542 | The overall inventory at 31 March 2022 has increase as compared to 31 March 2021, the holding period has increased due to fairly less revenue as compared to previous FY. Hence, this movement in inventory turnover. |
| Interest Coverage Ratio | 10.09 | 1.84 | At 31 March 2022 your Company has become debt-free. For FY2022, the interest coverage has fairly increased as compared to FY2021 mainly owing to considerable reduction in Finance Cost consequent to reduction in Borrowings to zero at 31 March 2022. |
| Current Ratio | 50.42 | 5.74 | With reduction in operations your Company has modest current liabilities as compared to the current assets at 31 March 2022. It could also indicate that your Company has significant ability to pay short-term obligations or those due within one year. |
| Debt Equity Ratio | 0.00 | 0.08 | During FY2022, your Company has paid financial liabilities on Anant Sky project from the sales consideration. Hence, your Company has successfully reduced its overall liabilities and there is no formal debt. |
| Operating Profit Margin | 19.73% | 15.26% | During FY2022, the operational expense reduced drastically subsequent to completion of the projects of your Company. Hence, this movement in margin. |
| Net Profit Margin | 24.22% | 0.65% | During FY2022, the overall reduction in expense subsequent to completion of the projects of your Company has increased the profitability. Hence, this movement in margin. |
| Return on Network | 1.02% | 0.00 | This has marginally improved due to enhanced profit after tax, while the network has remained relatively stable. |

OUTLOOK, OPPORTUNITIES, AND THREATS:

Right to adequate housing is a basic human right as shelter is a basic human need. Provision of adequate housing is emerging as a major thrust area for Government and the government accords a very high priority to this task. With all round increase in the cost of land, building materials, labour and infrastructure, affordable housing has become a distant dream for the economically weaker, low income groups, and middle income groups. Hence, the role and intervention of the Government has become all the more important. Sustainable human development cannot be achieved without adequate & affordable housing. Affordable shelter for the masses or creation of productive and responsive housing for all is not a simple technological issue or a mere problem of finance. It is a complex amalgam of a host of factors, which need to be tackled at all levels and in a synchronised manner. Due to rapid pace of urbanisation, increasing rural to urban migration and the gap between demand and supply, there is a growing requirement for shelter and related infrastructure in urban areas of the country.

The latest mission of the MHUPA i.e. “Pradhan Mantri Awas Yojana – HFA” offers a considerable opportunity. It aims to build about 200 lakh houses across the length and breadth of the country for EWS, ST, SC, and women (irrespective of caste and religion). HFA alongwith the “100 Smart Cities” is a major game changer for the industry. While, the most coveted “Infrastructure” tag to AH has already initiated change in the rules-of-the-game amongst even the established and branded real-estate players.

PMAY (U) is active in 572 cities of Gujarat and 669 cities of Rajasthan, wherein the latest progress of PMAY (U) – HFA at May 2022 is furnished below:

| State | Project Proposal Considered | Physical Progress (Nos.) | | | Financial Progress (₹ in crores) | | |
|------------------|-----------------------------|--------------------------|-----------------------------------|-------------------|----------------------------------|--------------------|-----------------------------|
| | | Houses Sanctioned | Houses grounded* for construction | Houses Completed* | Investment in Projects | Central Assistance | |
| | | | | | | Sanctioned | Central Assistance Released |
| Gujarat | 1,717 | 10,54,790 | 8,99,631 | 7,31,934 | 1,06,172 | 21,060 | 15,256 |
| Rajasthan | 422 | 2,66,692 | 1,92,671 | 1,63,460 | 21,857 | 5,039 | 3,313 |
| Total | 2,139 | 13,21,482 | 10,92,302 | 8,95,934 | 1,28,029 | 26,099 | 18,569 |
| PAN India | 27,424 | 1,22,69,000 | 98,36,000 | 58,68,000 | 8,31,000 | 2,03,000 | 1,18,000 |

* Including incomplete houses of earlier NURM.

It can be gathered from the above table that your Company is already operating in states that offer about 11% in numbers and 15% amountwise opportunity. Also, about 71% Central assistance is already released in Gujarat (72%) and Rajasthan (66%) combined together, wherein it is 58% for Pan India. Out of the Houses Sanctioned, Gujarat has completed 69% and Rajasthan 61% that is superior to 48% for Pan India.

RISK AND CHALLENGES:

As is typical in expanding business activities your Company has become a subject to a variety of risks, challenges, and threats. It is recognised that risks are not only inherent to any business but are also dynamic in nature. Further, the Company is susceptible to certain risks arising out of various activities undertaken in the normal course of business.

There are many constraints affecting the smooth functioning of the industry in which your Company operates. The table below provides a brief overview of the most significant risks and your company's approach to managing them.

| Risk | Explanation | Mitigation approach |
|---------------|---|---|
| Pandemic risk | Any epidemic/pandemic can cause interruption/disruption in the execution and business | Your Company categorises Project sites into High, Medium and Low based on perception of such risk and the sites are mandated to be operated with strict adherence to the government/HSE guidelines. Your Company focuses to ensure the health and safety of all employees, labourers, suppliers and channel partners, while initiating stringent measures to control costs and strengthen cash flows. |

| Risk | Explanation | Mitigation approach |
|--|---|---|
| Health and Safety at projects | Any employee, labour, worker is hurt or killed by an accident at work. | Apart from the QMS, project execution policy/processes, loss prevention programmes, insurance, etc. your Company ensures to initiate development and construction of the Project, only post identifying, defining and addressing all such risk propositions and dynamics. Your Company also ensure to share sufficient knowledge about such risks and imparts adequate training to all the employees, labourers, workers, so as to tackle such risks. Zero accident programs supported by proactive near miss reporting aims at the avoidance of all workplace accidents. |
| Health and Safety related to your Company's construction | Person or persons are hurt or injured as a result of your Company's construction failure or defect. Stability/sturdiness of the structure is compromised. | Your Company follows strict design and validation rules for all projects, and fully adheres to stipulated requirements for safety and structural sturdiness. Your Company ensures implementation of detailed instructions of the client, Architect, Structural Engineer, PMC, etc. to ensure the fulfilment of requirements and your Company's quality standards. Your Company's overall approach to quality management assures conformance and performance to the highest level. |
| Interest rate risk | Your Company's interest costs are impacted by market rates. | Your Company's liquidity and borrowing are managed by professional at Senior management level. The interest rate exposure of your Company is reduced by matching the duration of investments and borrowings. |
| Credit risk | The flat-buyer's ability to pay can have an impact on the financial result. | As per your Company's policy only the flat-buyer's that get loan from bank/FI/NBFC/HFC and/or who can establish sufficient assets/investments/liquidity are entertained. Receipt plan is drawn per prospective flat-buyer, and is continuously monitored. |
| Liquidity risk | Acceptable liquidity levels are required in order to achieve desired financial results. | Based on the networth alongwith the relevant financial-matrix, your Company is favourably placed, while in addition it has developed sufficient creditworthiness to seek financial assistance from banks. |
| Market risk | Your Company's competitors find ways to sell at dramatically lower cost or with better amenities. | Your Company aims to be the cost and value leader, meaning striving to innovate and bring new and increased value through the innovation to our customers while at the same time working to assure that your Company's operations are world class in terms of efficiency, cost and waste avoidance. Your Company has developed proprietary knowledge with different technologies, while the management provides highest importance to the Quality perspective to ensure long-term sustainable growth. |
| | Your Company's customers could be impacted by a major economic downturn. | The demand-supply gap for the subject flats at the project site is positive for short-to-long term. Your Company had done internal assessment as well as through an international property consultant of very high repute. Your Company uses market data intelligence to follow and anticipate developments – allowing proactive management of changing market conditions. |

Your Company is operating in a business which is cyclic in nature and in which; the price is mainly driven by the demand and supply factors. It is not largely based on the cost of the product. Timely supply of raw material like cement, steel, bricks are essential for timely completion of the projects. Shortage of labour and raw material may delay the execution of projects of the Company. The real estate projects are capital intensive in nature. The Company's business requires long-term commitment of capital to meet the financial requirement of long-term projects. Further, timely availability of skilled and technical personnel is also one of the key challenges. Real-estate projects are mainly dependent on the economic scenarios and any adverse events affecting the whole economy may deteriorate the industry as well. Any significant change in government policy in promoting Affordable Housing could pose a threat. Further, the approval process and time for projects are generally uncertain which may delay the execution and thereby affect financials.

Your Company has in place an effective risk management mechanism to identify potential risk and its timely mitigation.

Please refer the **COVID-19** section, part of this Report, for detailed comments on the affects, response, and future-readiness of your Company.

INTERNAL CONTROL SYSTEM:

The Corporate Governance Policy guides the conduct of affairs of your Company and clearly delineates the roles, responsibilities and authorities at each level of its three-tiered governance structure and key functionaries involved in governance. The Code of Conduct commits management to financial and accounting policies, systems and processes. The Corporate Governance Policy and the Code of Conduct stand widely communicated across the Company at all times, and, together with the 'Strategy of Organisation', Planning & Review Processes and the Risk Management Framework provide the foundation for Internal Financial Controls with reference to your Company's Financial Statements. Such Financial Statements are prepared on the basis of the Significant Accounting Policies that are carefully selected by management and approved by the Audit Committee and the Board. These Policies are supported by the Corporate Accounting and Systems Policies that apply to the entity as a whole to implement the tenets of Corporate Governance and the Significant Accounting Policies uniformly across the Company. The Accounting Policies are reviewed and updated from time to time. These, in turn are supported by a set of divisional policies and SOPs that have been established for individual businesses. Your Company uses ERP System as a business enabler and also to maintain its Books of Account.

The SOPs in tandem with transactional controls built into the ERP Systems ensure appropriate segregation of duties, tiered approval mechanisms and maintenance of supporting records. The Information Management Policy reinforces the control environment. The systems, SOPs and controls are reviewed by divisional management and audited by Internal Audit whose findings and recommendations are reviewed by the Audit Committee and tracked through to implementation. Your Company has in place adequate internal financial controls with reference to the Financial Statements. Such controls have been tested during the year and no reportable material weakness in the design or operation was observed. Nonetheless your Company recognises that any internal financial control framework, no matter how well designed, has inherent limitations and accordingly, regular audit and review processes ensure that such systems are reinforced on an on-going basis. Your Company has also put in place comprehensive systems and procedural guidelines concerning other areas of business, too, like budgeting, execution, material management, quality, safety, procurement, asset management, human resources etc., which are adequate and necessary considering the size and level of operations of the Company. The management has been making constant efforts to review and upgrade existing systems and processes to gear up and meet the changing needs of the business.

Independent Auditors' Report

To the Members of Nila Spaces Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Nila Spaces Limited ("the Company"), which comprises of the balance sheet as at 31 March 2022, the statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its Profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA" s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to the Note 32 of the standalone statement that describes the search operation carried out by the Income Tax department at the Company's business premises and residential premises of the promoter and certain key management personal of the company. As the company has not received any communication on the findings of the Investigation by the Income Tax department till date, the impact of this matter on the financial statement, is not ascertainable.

Our conclusion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the circumstances and facts of the audit and entity, there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The balance sheet, the statement of profit and loss including other comprehensive income, the cash flow statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, read with matter stated in the Emphasis of Matter paragraph above, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.
- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its financial statements – Refer Note 31 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared or paid dividend during the year covered by our audit.
2. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nila Spaces Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - B to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2022, we report that:

- (i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) As the company does not have any intangible assets, reporting under paragraph 3 clause (i) (a) (B) is not applicable.
- b) Property, Plant and Equipment were physically verified during the year by the Management. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties (other than immovable properties where the Company is lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment and Investment Properties are held in the name of the Company as at the balance sheet date.
- d) The Company has not revalued any of its Property, Plant and Equipment (including Right of use assets) and intangible assets during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) a) The inventories were physically verified by the management during the year at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with the books of account. The Company's inventory also includes construction work in progress and entitlement to Land Development Rights, to which the requirements under paragraph 3(ii) of the Order are not applicable.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the monthly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.
- (iii) a) The Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or other parties during the year and hence reporting under paragraph 3(iii)(a) of the Order is not applicable to the Company.
- b) In our opinion, and according to the information and explanations given to us, the company has not made any investments, provided any guarantees, granted any new loans during the year. Further, loans granted during the earlier years are, prima facie, not prejudicial to the interest of the Company.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of unsecured loans given, in our opinion the repayment of principal and payment of interest has not been stipulated which is repayable on demand. As informed to us, the Company has not demanded repayment of the loan during the year. Thus, there has been no default on the part of the party to whom the money has been lent. Further, the Company has not given any advance in the nature of loan to any party during the year.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.

- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdue of existing loans given to the same party.
- f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has given loans, details as below, either repayable on demand or without specifying any terms or period of repayment.

(Amount in Lakhs)

| Particulars | All Parties | Promoters | Related Parties |
|--|----------------|-----------|-----------------|
| Aggregate amount of loans/ advances in nature of loans | | | |
| - Repayable on demand (A) | 2251.31 | - | - |
| - Agreement does not specify any terms or period of repayment (B) | - | - | - |
| Total (A+B) | 2251.31 | - | - |
| Percentage of loans/ advances in nature of loans to the total loans | 100.00% | - | - |

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits (including deemed deposits) from the public within the meaning of provisions of sections 73 to 76 of the Act and the rules framed there under and hence reporting under clause (v) of paragraph 3 of the Order is not applicable. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) The Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities.
- According to the information and explanations given to us and basis our audit procedures to check the outstanding statutory dues, in our opinion no undisputed amounts payable in respect of statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales tax, Value Added Tax, Service Tax, Custom Duty, Excise Duty, Cess, Goods and Service Tax and other statutory dues applicable to it were in arrears as at the balance sheet date for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us and records of the company examined by us, there is no statutory dues under disputes for the Income Tax, Goods and Service Tax, Value Added Tax, Excise Duty and Service Tax and other material statutory dues as at 31 March 2022.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

- b) The Company has not been declared as wilful defaulter by any bank or financial institution or other lender.
 - c) To the best of our knowledge and belief and as per the information and explanations given to us by the management, the company has not obtained any term loan from Bank or Financial Institutes. Hence, reporting under clause (ix) (c) of Paragraph 3 is not applicable.
 - d) On an overall examination of the financial statements of the Company, the company has not raised any funds raised on short-term basis, hence reporting under clause (ix) (d) of Paragraph 3 is not applicable.
 - e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures.
- (x) a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x) (a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally) and hence reporting under clause (x) (b) of the Order is not applicable to the Company.
- (xi) a) According to the information and explanations given to us, no fraud by the company or on the company has been noticed or reported during the year.
- b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) a) In our opinion the Company has an adequate Internal Audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) According to the information and explanations given to us and based on our examination of the records, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3 clause (xv) of the Order is not applicable.
- (xvi) a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.
- b) The Company has not conducted any Non-Banking Financial or Housing Finance activities and is not required to obtain CoR for such activities from the RBI.
- c) In our opinion, the Company is not core investment company (as defined in the regulations made by the RBI) and accordingly reporting under clause 3 (xvi)(d) of the Order is not applicable.

- d) The Company is not part of any group as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016, as amended. Accordingly, the requirements of Paragraph 3 clause (xvi) (d) are not applicable
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, paragraph 3 clause (xviii) of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to further viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) The Company was not having net profit of Rs. 5.00 crore or more during the immediately preceding financial year and hence, provisions of section 135 of the Companies Act, 2013 are not applicable to the Company during the year. Accordingly, reporting under paragraph 3 clause (xx) of the Order is not applicable for the year.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

1. Corporate Information

Nila Spaces Limited is a Company based in Ahmedabad, Gujarat with its Registered Office situated at 1st Floor, Sambhav House, Opp. Chief Justice Bungalow, Bodakdev, Ahmedabad - 380015. Nila Spaces Limited is a public company incorporated on 03 May 2000 and listed on BSE (Bombay Stock Exchange of India Limited) and NSE (National Stock Exchange of India Limited). The Company is engaged in the development of real estate comprising of residential and commercial projects.

2. Basis of preparation and measurement

2.1. Statement of compliance

These standalone financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

The standalone financial statements for the year ended 31 March 2022 have been reviewed by audit committee and subsequently approved by Board of Directors at its meetings held on 18 May 2022

Details of the Company's significant accounting policies are included in note 3.

2.2. Functional and presentation currency

These standalone financial statements are presented in Indian Rupees, which is also the Company's functional currency. All the amounts have been rounded-off to the nearest lakhs, unless otherwise stated.

2.3. Basis of Measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

| Items | Measurement basis |
|---------------------------|--|
| Net defined benefit plans | Fair value of plan assets less present value of defined benefit obligation using key actuarial assumptions |

2.4. Use of estimates and judgments

In preparing this standalone financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and the assumptions that have most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

Note 3(g) – Evaluation of percentage completion for the purpose of revenue recognition

Note 3(d) - Identification of the building as an investment property

Note 3(b) – Useful life used for the purpose of depreciation on property, plant and equipment and investment properties and amortisation of intangible assets

Note 3(e), (i) – Impairment of financial and non-financial assets

Note 3(f) – Recognition and measurement of defined benefit obligations, key actuarial assumptions

Note 3(i) – Fair value measurement of financial instruments

Note 3(j) – Current / deferred tax expense and recognition and evaluation of recoverability of deferred tax assets

Note 3(l) – Provisions and contingencies

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

2.5. Measurement of fair values

The Company's accounting policies and disclosures requires the measurement of fair values for financial instruments.

The Company has established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entity in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between the levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

Note 5 - Investment property

Note 33 - Financial instruments

3. Significant Accounting Policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Operating cycle for project related assets and liabilities is the time start of the project to their realization in cash or cash equivalents. Operating cycle for all other assets and liabilities has been considered as twelve months.

b) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in Statement of Profit and Loss.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

Subsequent measurement

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation is being provided on a pro-rata basis on the 'Straight Line Method' over the estimated useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as other non-current assets.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The consequential gain or loss is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss.

c) Intangible assets and amortisation

Intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of an intangible asset comprises of its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use.

Subsequent Expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits associated with the expenditure will flow to the Company. All other expenditure is recognized in the Statement of Profit and Loss as incurred

Amortisation

Intangible assets are amortized on a straight - line basis (pro-rata from the date of additions) over estimated useful life of four years.

Derecognition

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of intangible assets and is recognized in the Statement of Profit and Loss.

d) Investment Property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Recognition and measurement

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

Depreciation

Depreciation is being provided on a pro-rata basis on the 'Straight Line Method' over the estimated useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of investment properties equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Fair value disclosure

The fair values of investment property is disclosed in the notes. Fair value is determined by an independent valuer who holds a recognized and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

Any gain or loss on disposal of an investment property is recognized in Statement of Profit and Loss.

e) Impairment of non-financial assets

Non-financial assets of the Company, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the Statement of Profit and Loss. Impairment loss recognized in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

f) Employee benefits

Short term employee benefits

Short term employee benefit obligations are measured on an undiscounted expenses and are expensed as the related services are provided. A liability is recognized for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered schemes. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in the Statement of Profit and Loss in the periods during which the services are rendered by the employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed periodically by an independent qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefits that employees have earned in return for their service in the current and prior periods; that benefits is discounted to determine its present value, and the fair value of any related assets is deducted. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method.

Remeasurement gains or losses are recognized in the Statement of Profit and Loss in the period in which they arise.

g) Revenue recognition

(i) Recognition of Revenue from Real Estate Development:

Revenue is recognised on satisfactory performance obligations in a contract with customers, allocation of transaction price to the performance obligations and recognition of revenue as the performance obligations are satisfied either at a point in time or over a period of time. While recognizing revenue, the cost of land has been allocated in proportion to the percentage of work completed. If the outcome of a construction contract can be estimated reliably, contract revenue is recognized in the Statement of Profit and Loss in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to surveys of work performed. Otherwise, contract revenue is recognized only to the extent of contract costs incurred that are likely to be recoverable. Contract costs are recognized as expenses as incurred unless they create an asset is related to future contract activity. An expected loss on a contract is recognized immediately in the Statement of Profit and Loss.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably

(ii) Land and transferrable development rights

Revenue from contracts for sale of land and transferrable development rights is recognised at a point in time when control is transferred to the customer and it is probable that consideration will be collected. This is usually deemed to be legal completion as this is the point at which the Company has an enforceable right to payment. Revenue from sale of land and transferrable development rights is measured at the transaction price specified in the contract with the customer.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

(iii) Contract balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer e.g. unbilled revenue. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset i.e. unbilled revenue is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Company performs under the contract.

(iv) Lease rental income

Lease income from operating leases shall be recognised in income on a straight line basis over the lease term, unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Income from leasing of commercial complex is recognised on an accrual basis in accordance with lease agreements. Refer note 3 (o) for accounting policy on leases.

h) Other income

Interest income and share of profit in LLP is recognized when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company and amount can be measured reliably.

i) Financial instrument

Financial assets

Classification

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Initial recognition and measurement

On initial recognition, a financial asset is recognized at fair value, in case of financial assets which are recognized at fair value through the Statement of Profit and Loss (FVTPL), its transaction cost are recognized in the Statement of Profit and Loss. In other case, the transaction costs are attributed to the acquisition value of the financial asset.

Subsequent measurement and gains and losses

Financial assets are subsequently classified as measured at

- Financial assets at amortized cost: These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

exchange gains and losses and impairment is recognized in the Statement of Profit and Loss. Any gain or loss on derecognition is recognized in the Statement of Profit and Loss.

- Fair value through profit and loss (FVTPL): These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in the Statement of Profit and Loss.
- Fair value through other comprehensive income (FVOCI): These assets are subsequently measured at fair value. Dividends are recognized as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains or losses are recognized in OCI and are not reclassified to the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade receivables and loans

Trade receivables and loans are initially recognized at fair value when they are originated. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity instrument

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognized as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value Changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of the financial asset) is primarily derecognized when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred substantially all the risks and rewards of the asset; or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognized in Statement of Profit and Loss.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

Financial liabilities

Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through Statement of Profit and Loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet date if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle them on net basis or to realize the assets and settle the liabilities simultaneously.

j) Income taxes

Income tax comprises of current and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes.

It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) credit is recognized as a deferred tax assets only when and to the extent there is a convincing evidence that the company will pay normal tax during the specified period. MAT credit is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

k) Inventories

Inventory comprises of land, Finished Goods of Residential project and land development rights. Land and land development rights are valued at lower of cost or net realizable value. Cost includes cost of land, land development rights, acquisition of tenancy rights, materials, services, borrowing cost and other related overhead as the case may be. In the case of acquisition of land for development and construction, the rights are acquired from the owners of the land and the conveyance and registration thereof will be executed between the original owners and the ultimate purchasers as per trade practice. As a result, in the immediate period, generally, the land is not registered in the name of the company.

Project inventories

Inventories of project materials are valued at cost or net realizable value whichever is less. Cost is arrived at on weighted average method (WAM) basis.

Work-in-progress

Construction and development of real estate project:

Cost incurred for the contract that relate to future activity of the contract, such contract cost are recognized as an asset provided it is probable that they will be recovered. Such costs represent an amount due from the customer and are often classified as Contract work in progress which is valued at cost or net realizable value whichever is less.

l) Provisions and contingencies

A provision is recognized if, as a result of past events, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed in the Notes to the Standalone Financial Statements. Contingent liabilities are disclosed for:

- i. possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- ii. Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

m) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

n) Investments in subsidiaries, joint venture and associates

The Company has elected to recognise its investments in subsidiary and associate and joint venture companies at cost in accordance with the option available in Ind AS 27, Separate Financial Statements.

o) Leases

The company's lease arrangement primarily consists of lease for office building. The Company assesses whether a contract contains a lease at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the company assesses whether: (i) the control involves the use of an identified assets (ii) the company has substantially all the economic benefits from use of the asset through the period of the lease and (iii) the company has right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases for with a term of 12 months or less (short term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on straight-line basis over the term of the lease.

p) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

q) Earnings per share

Basic earnings per share is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events such as bonus shares, other than conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

In a capitalization or bonus issue or share split, ordinary shares are issued to equity shareholders for no additional consideration. The number of ordinary shares outstanding before the event is adjusted for the proportionate change in the number of ordinary shares outstanding as if the event had occurred at the beginning of the earliest period presented.

r) Recent accounting pronouncement which are not yet effective

New Accounting standards, amendments and interpretations adopted by the Company effective from April 1, 2022:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23 March 2022 MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022, as below:

i) Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

ii) Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

iii) Ind AS 37 - Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

iv) Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

v) Ind AS 116 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements

S. New Amendments not yet adopted by the Company

Code on Social Security, 2020:

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on 13 November 2020 and invited suggestions from stakeholders which are under consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

| Withdrawal rate (1% movement) | 0.20 | 16.40 | (0.23) | 16.19 |

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

The sensitivity analyses presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be co-related. Further more, interpreting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years

The obligations are measured at the present value of estimated future cashflow by using a discount rate that is determined with reference to the market yields at the Balance Sheet date on Government Bonds which is consistent with the estimated terms of the obligation. The estimate of future salary increase, considered in the actuarial valuation, takes account of inflation, security, promotion and other relevant factors such as supply and demand in the employment market.

Expected future cash flow:

The expected future cash flow in respect of gratuity at balance sheet date will be as follows

(₹ in lakhs)

| Projected benefits payable in future years from the date of reporting | 31 March 2022 | 31 March 2021 |
|---|---------------|---------------|

* Fair value of financial assets and liabilities measured at amortised cost is not materially different from the amortised cost. Further, impact of time value of money is not significant for the financial instruments classified as current. Accordingly, the fair value has not been disclosed separately.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

Note 1: Investments in associate, joint ventures and subsidiary have been accounted at historical cost. Since these are scoped out of Ind AS 109 for the purposes of measurement, the same have not been disclosed in the tables above.

Fair value hierarchy

The fair value of financial instruments as referred above have been classified into three categories depending on the inputs used in valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level I measurements) and lowest priority to unobservable inputs (Level III measurements).

The categories used are as follows:-

Input Level I (Directly Observable) : which includes quoted prices in active markets for identical assets such as quoted price for an equity security on Security Exchanges.

Input Level II (Indirectly Observable) : which includes prices in active markets for similar assets such as quoted price for similar assets in active markets, valuation multiple derived from prices in observed transactions involving similar businesses, etc.

Input Level III (Unobservable): which includes management's own assumptions for arriving at a fair value such as projected cash flow used to value a business, etc.

B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs

The fair value of the investment in quoted investment in equity shares is based on the current bid price of investment at balance sheet date

ii) Transfer between Level I and II

There has been no transfer in between Level I and Level II

iii) Level III fair values

There are no items in Level III fair values.

C. Financial risk management

The Company has a well-defined risk management framework. The Board of Directors of the Company has adopted a Risk Management Policy. The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors evaluate and exercise independent control over the entire process of risk management. The board also recommends risk management objectives and policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

(i) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily trade receivables and other financial assets including deposits with banks. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Other Financial Assets

This comprises mainly of deposits with banks and retention money receivables. Credit risk arising from deposits with banks is limited as the counterparties are banks. Banks have high credit ratings assigned by the credit rating agencies. Credit risk arising from retention money is included in trade receivables.

Trade and other receivable

Customer credit risk is managed by each business unit subject to the Company's established policy and procedures. Credit limits are established for all customers based on flat booking terms. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit. The Company has no concentration of credit risk as the customer base is widely distributed economically.

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the receivables are categorised into groups based on types of receivables. Each group is then assessed for impairment using the Expected Credit Loss (ECL) model as per the provisions of Ind AS 109 -Financial instruments. The calculation is based on provision matrix which considers actual historical data adjusted appropriately for the future expectations and probabilities. Receivables from group companies and secured receivables are excluded for the purposes of this analysis since no credit risk is perceived on them. Proportion of expected credit loss provided for across the ageing buckets is summarised below:

Impairment

As at the end of the reporting periods, the ageing of trade and other receivables that were not impaired was as follows:

Ageing of Trade receivables

| 1-3 years | - | - |
| > 3 years | - | 33.20 |

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

Cash and bank balances

The Company is also exposed to credit risks arising on cash and cash equivalents and term deposits with banks. The Company believes that its credit risk in respect to cash and cash equivalents and term deposits is insignificant as funds are invested in term deposits at pre-determined interest rates for specified period of time. For cash and cash equivalents and other bank balances, only high rated banks are accepted.

Other financial assets

Other financial assets includes loan to employees and related parties, security deposits, etc. Credit risk arising from these financial assets is limited and there is no collateral held against these because the counterparties are group companies, banks. Banks have high credit ratings assigned by the international credit rating agencies.

(ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are proposed to be settled by delivering cash or other financial asset. The Company's financial planning has ensured, as far as possible, that there is sufficient liquidity to meet the liabilities whenever due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. In addition to the Company's own liquidity, it enjoys credit facilities with the reputed bank and financial institutions.

Management monitors the Company's liquidity position and cash and cash equivalents on the basis of expected cash flow. The Company's liquidity management policy involves periodic reviews of cash flow projections and considering the level of liquid assets necessary, monitoring balance sheet, liquidity ratios against internal and external regulatory requirements.

(iii) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and debt. The company does not have any transactions in foreign currency. Accordingly, company does not have currency risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. The Company's liquidity and borrowing are managed by professional at senior management level. The interest rate exposure of the Company is reduced by matching the duration of investments and borrowings. The interest rate profile of the Company's interest - bearing financial instrument as reported to management is as follows:

(₹ in lakhs)

| Particulars | As at 31 March 2022 | As at 31 March 2021 |
|---------------------------------|------------------------|------------------------|
| Fixed-rate instrument | | |
| Financial asset | - | - |
| Financial liability | - | - |
| Floating-rate instrument | | |
| Financial asset | - | - |
| Financial liability | - | 960.30 |

Interest rate sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates. The following table demonstrates the sensitivity of floating rate financial instruments to a reasonably possible change in interest rates. The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

| Particulars | Increase on profit/(loss) after tax |
|-----------------------------|---|
| 31 March 2022 | |
| Increase in 100 basis point | - |
| Decrease in 100 basis point | - |
| 31 March 2021 | |
| Increase in 100 basis point | (9.60) |
| Decrease in 100 basis point | 9.60 |

34 Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. The Company monitors capital using a ratio of 'Debt' to 'Equity'. For this purpose, 'Debt' is meant to include long-term borrowings, short-term borrowings and current maturities of long-term borrowings.

Notes to the Standalone Financial Statements

for the year ended 31 March 2022

'Equity' comprises all components of equity. The Company's debt to equity ratio as at the end of the reporting periods are as follows:

(₹ in lakhs)

| Particulars | As at 31 March 2022 | As at 31 March 2021 |
|-------------------------------|------------------------|------------------------|

- B In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of associate, and joint ventures as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate and joint ventures as at 31 March 2022, of its consolidated loss and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained and evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis Matter

We draw attention to the Note 32 of the standalone statement that describes the search operation carried out by the Income Tax department at the Company's business premises and residential premises of the promoter and certain key management personal of the company. As the company has not received any communication on the findings of the Investigation by the Income Tax department till date, the impact of this matter on the financial statement, is not ascertainable.

Our conclusion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the circumstances and facts of the audit and entity, there are no key audit matters to be communicated in our report.

5. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

- A The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- B In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate and joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company. and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group and of its associate and joint ventures are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate and joint ventures is responsible for overseeing the financial reporting process of each company.

7. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vi) Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associate and joint ventures to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

The Statement includes financial result of a joint venture and an associate company which reflects group's share of net profit / (loss) after tax of Rs. (3.85) lakhs and total comprehensive income of Rs. (3.85) lakhs for the year ended 31 March 2022, as considered in the consolidated audited financial results, in respect of one associate and one joint ventures, which have been audited by independent auditors. Our opinion on the statement, in so far it relates to the amount and disclosures in respect of joint venture and associate, is based on solely based on report of such independent auditors and procedure performed by us as stated in the paragraph above.

Our opinion on the consolidated financial results is not modified in respect to our reliance on the work done and report of the other auditors as referred in para above.

9. Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - A We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - B In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the management.
 - C The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - D In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - E On the basis of the written representations received from the directors of holding company as on 31 March 2022 taken on record by the Board of Directors of holding company and the reports of the statutory auditors of its, associate and joint ventures incorporated in India, none of the directors of the Group companies, its associate, and joint ventures incorporated in India is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act
 - F With respect to the adequacy of the internal financial controls with reference to financial statements of the holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - G With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- H With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the associate and joint ventures, as noted in the 'Other Matters' paragraph:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements. Refer Note No. 31 of Consolidated Financial Statement.
 - ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company or its associate and joint ventures during the year ended 31 March 2022.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of

the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Group has not declared or paid dividend during the year covered by our audit.

Annexure-A

Independent Auditors' report on the Consolidated financial statements of Nila Spaces Limited for the year ended 31 March 2022.

Report on the internal financial controls with reference to the aforesaid Consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (Referred to in paragraph I(A)(t) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to consolidated financial statements of Nila Spaces Limited (hereinafter referred to as "the Holding Company") and one joint venture company to which requirements of the Act are applicable, as of that date.

In our opinion, the Holding Company and one joint venture company to which requirements of the Act are applicable, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

2. Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

3. Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the joint venture company, to which requirements of the Act are applicable, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

4. Meaning of Internal Financial controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

5. Inherent Limitations of Internal Financial controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one joint venture company and one associates, to which requirements of the Act are applicable, is based on the corresponding reports of the auditors of such companies incorporated in India

Notes to the Consolidated financial statements

for the year ended 31 March 2022

1. Group overview

Nila Spaces Limited ('the Group') is based in Ahmedabad, Gujarat with its Registered Office situated at 1st Floor, Sambhav House, Opp. Chief Justice Bungalow, Bodakdev, Ahmedabad - 380015. Nila Spaces Limited is a public company incorporated on 03 May 2000 and listed on BSE (Bombay Stock Exchange of India Limited) and NSE (National Stock Exchange of India Limited). The Company, together with its joint ventures and associate, collectively referred to as ('the Group') is engaged in the development of real estate comprising of residential and commercial projects. These consolidated financial statements comprise the financial statements of the Company, joint ventures and the associate.

2. Basis of preparation and measurement

2.1 Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

The consolidated financial statements for the year ended 31 March 2022 have been reviewed by audit committee and subsequently approved by Board of Directors at its meetings held on 18 May 2022

Details of the Group's significant accounting policies are included in note 3.

2.2 Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees, which is also the Group's functional currency. All the amounts have been rounded-off to the nearest lakhs, unless otherwise stated.

2.3 Basis of Measurement

The consolidated financial statements have been prepared on the historical cost basis except for the following items:

| Items | Measurement basis |
|---------------------------|--|
| Net defined benefit plans | Fair value of plan assets less present value of defined benefit obligation using key actuarial assumptions |

2.4 Use of estimates and judgments

In preparing this consolidated financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and the assumptions that have most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- Note 3(h) – Evaluation of percentage completion for the purpose of revenue recognition
- Note 3(e) - Identification of the building as an investment property
- Note 3(c) – Useful life used for the purpose of depreciation on property, plant and equipment and investment properties and amortisation of intangible assets
- Note 3(j), (f) – Impairment of financial and non-financial assets
- Note 3(g) – Recognition and measurement of defined benefit obligations, key actuarial assumptions
- Note 3(j) – Fair value measurement of financial instruments

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Note 3(k) – Current / deferred tax expense and recognition and evaluation of recoverability of deferred tax assets

Note 3(m) – Provisions and contingencies

2.5 Measurement of fair values

The Group's accounting policies and disclosures requires the measurement of fair values for financial instruments.

The Group has established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entity in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement.

The group recognizes transfers between the levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

Note 5 - Investment property

Note 33 – Financial instruments

3. Significant Accounting Policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Operating cycle for project related assets and liabilities is the time start of the project to their realization in cash or cash equivalents. Operating cycle for all other assets and liabilities has been considered as twelve months.

b) Basis of consolidation

i) Joint ventures and associate

The Group's interest in equity accounted investees comprises interest in joint ventures and associate.

An associate is an entity in which the Group has significant influence but not control or joint control. A joint venture is an arrangement in which the Group has joint control and has the rights to the net assets of the arrangement, rather than rights to its assets and obligations for its liabilities.

Interests in joint ventures and associates are accounted for using the equity method. They are initially recognized at cost. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit and loss and other comprehensive income of equity accounted investees until the date on which the significant influence or joint control ceases.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

When the Group's share of losses in any equity accounted investments equals or exceeds its interest in an entity; the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of other entity.

ii) Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income.

When the Group's share of loss in equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Groups interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of assets transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

iii) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated in full while preparing these consolidated financial statements. Unrealised gains or losses arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Deferred tax asset or liability is created on any temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

These Consolidated Financial Statements have been prepared in accordance with the above principles. These comprise of the company and the following entities –

| Name of the Company | Country of Incorporation | Effective % of holding as at 31 March 2022 | Effective % of holding as at 31 March 2021 |
|---------------------------|--------------------------|--|--|
| Nila Projects LLP | India | 99.97% | 99.97% |
| Megacity Cinemall Pvt Ltd | India | 42.50% | 42.50% |

c) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

Subsequent measurement

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

Depreciation

Depreciation is being provided on a pro-rata basis on the 'Straight Line Method' over the estimated useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as other non-current assets.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The consequential gain or loss is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss.

d) Intangible assets and amortisation

Intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of an intangible asset comprises of its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use.

Subsequent Expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits associated with the expenditure will flow to the Group. All other expenditure is recognized in the Statement of Profit and Loss as incurred

Amortisation

Intangible assets are amortized on a straight - line basis (pro-rata from the date of additions) over estimated useful life of four years.

Derecognition

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of intangible assets and is recognized in the Statement of Profit and Loss account.

e) Investment Property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Recognition and measurement

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation

Depreciation is being provided on a pro-rata basis on the 'Straight Line Method' over the estimated useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of investment properties equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Fair value disclosure

The fair values of investment property is disclosed in the notes. Fair values is determined by an independent valuer who holds a recognized and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

Any gain or loss on disposal of an investment property is recognized in Statement of Profit and Loss.

f) Impairment of non-financial assets

Non-financial assets of the Group, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the Statement of Profit and Loss. Impairment loss recognized in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

g) Employee benefits

Short term employee benefits

Short term employee benefit obligations are measured on an undiscounted expenses and are expensed as the related services are provided. A liability is recognized for the amount expected to be paid, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards government administered schemes. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in the Statement of Profit and Loss in the periods during which the services are rendered by the employees.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed periodically by an independent qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Group recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Other long-term employee benefits

The Group's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefits that employees have earned in return for their service in the current and prior periods; that benefits is discounted to determine its present value, and the fair value of any related assets is deducted. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurements gains or losses are recognized in the Statement of Profit and Loss in the period in which they arise.

Share-based payments

Employees of the Group receive remuneration in the form of share based payments in consideration of the services rendered.

Under the equity settled share based payment, the fair value on the grant date of the awards given to employees is recognized as 'employee benefit expenses' with a corresponding increase in equity over the vesting period. The fair value of the options at the grant date is calculated by an independent valuer on the basis Black Scholes model. At the end of each reporting period, apart from the non-market vesting condition, the expense is reviewed and adjusted to reflect changes to the level of options expected to vest. When the options are exercised, the Group issues fresh equity shares.

Cancellation of Share based payment is accounted as an acceleration of vesting, and therefore recognize immediately the amount that otherwise would have been recognized for services received over the remainder vesting period. The amount that would have been recognized is based on an estimate on the date of cancellation – i.e. estimating how many instruments are expected to vest at the original vesting date.

h) Revenue recognition

(i) Recognition of Revenue from Real Estate Development:

Revenue is recognised on satisfactory performance obligations in a contract with customers, allocation of transaction price to the performance obligations and recognition of revenue as the performance

Notes to the Consolidated financial statements

for the year ended 31 March 2022

obligations are satisfied either at a point in time or over a period of time. While recognizing revenue, the cost of land has been allocated in proportion to the percentage of work completed. If the outcome of a construction contract can be estimated reliably, contract revenue is recognized in the Statement of Profit and Loss in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to surveys of work performed. Otherwise, contract revenue is recognized only to the extent of contract costs incurred that are likely to be recoverable. Contract costs are recognized as expenses as incurred unless they create an asset related to future contract activity. An expected loss on a contract is recognized immediately in the Statement of Profit and Loss.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Group and the revenue and costs, if applicable, can be measured reliably

(ii) Land and transferrable development rights

Revenue from contracts for sale of land and transferrable development rights is recognised at a point in time when control is transferred to the customer and it is probable that consideration will be collected. This is usually deemed to be legal completion as this is the point at which the Group has an enforceable right to payment. Revenue from sale of land and transferrable development rights is measured at the transaction price specified in the contract with the customer.

(iii) Contract balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer e.g. unbilled revenue. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset i.e. unbilled revenue is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Group performs under the contract.

iv) Lease rental income

Lease income from operating leases shall be recognised in income on a straight line basis over the lease term, unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Income from leasing of commercial complex is recognised on an accrual basis in accordance with lease agreements. Refer note 3 (q) for accounting policy on leases.

i) Other income

Interest income from financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Dividend income and share of profit in LLP is recognized when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Group and amount can be measured reliably.

j) Financial instrument

Financial assets

Classification

The Group classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Initial recognition and measurement

On initial recognition, a financial asset is recognized at fair value, in case of financial assets which are recognized at fair value through the Statement of Profit and Loss (FVTPL), its transaction cost is recognized in the Statement of Profit and Loss. In other case, the transaction costs are attributed to the acquisition value of the financial asset.

Subsequent measurement and gains and losses

Financial assets are subsequently classified as measured at

- Financial assets at amortized cost: These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment is recognized in the Statement of Profit and Loss. Any gain or loss on derecognition is recognized in the Statement of Profit and Loss.
- Fair value through profit and loss (FVTPL): These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in the Statement of Profit and Loss.
- Fair value through other comprehensive income (FVOCI): These assets are subsequently measured at fair value. Dividends are recognized as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains or losses are recognized in OCI and are not reclassified to the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

Trade receivables and loans

Trade receivables and loans are initially recognized at fair value when they are originated. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity instrument

All investments in equity instruments classified under financial assets are initially measured at fair value, the Group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument are recognized as other income in the Statement of Profit and Loss unless the Group has elected to measure such

Notes to the Consolidated financial statements

for the year ended 31 March 2022

instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of the financial asset) is primarily derecognized when:

- The right to receive cash flows from the asset have expired; or
- The Group has transferred substantially all the risks and rewards of the asset; or
- The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Group recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Group's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognized in Statement of Profit and Loss.

Financial liabilities

Initial recognition and measurement

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method. Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through Statement of Profit and Loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet date if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle them on net basis or to realize the assets and settle the liabilities simultaneously.

k) Income taxes

Income tax comprises of current and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in OCI.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes.

It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) credit is recognized as a deferred tax assets only when and to the extent there is a convincing evidence that the group will pay normal tax during the specified period. MAT credit is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

l) Inventories

Inventory comprises of land and transferable development rights. Land and transferable development rights are valued at lower of cost or net realizable value. Cost includes cost of land, land development rights, acquisition of tenancy rights, materials, services, borrowing cost and other related overhead as the case may be. In the case of acquisition of land for development and construction, the rights are acquired from the owners of the land and the conveyance and registration thereof will be executed between the original owners and the ultimate purchasers as per trade practice. As a result, in the immediate period, generally, the land is not registered in the name of the Group.

Project inventories

Inventories of project materials are valued at cost or net realizable value whichever is less. Cost is arrived at on weighted average method (WAM) basis.

Work-in-progress

Construction and development of Infrastructure project:

Cost incurred for the contract that relate to future activity of the contract, such contract cost are recognized as an asset provided it is probable that they will be recovered. Such costs represent an amount due from the customer and are often classified as Contract work in progress which is valued at cost or net realizable value whichever is less.

m) Provisions and contingencies

A provision is recognized if, as a result of past events, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax that reflects current market assessments of the time value of money and the risks specific to the liability.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed in the Notes to the Consolidated Financial Statements. Contingent liabilities are disclosed for:

- possible obligations which will be confirmed only by future events not wholly within the control of the Group, or
- present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

n) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

o) Cash and cash equivalents

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid, which are subject to insignificant risk of changes in value

p) Investments in joint venture and associates

The group has elected to recognise its investments in associate and joint venture companies at cost in accordance with the option available in IND AS 27 Separate Financial Statements

q) Leases

The Group's lease arrangement primarily consists of lease for office building. The Group assesses whether a contract contains a lease at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Group assesses whether: (i) the control involves the use of an identified assets (ii) the Group has substantially all the economic benefits from use of the asset through the period of the lease and (iii) the Group has right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases for with a term of 12 months or less (short term leases) and low value leases. For these short-term and low-value leases, the Group recognizes the lease payments as an operating expense on straight-line basis over the term of the lease.

r) Earnings per share

Basic earnings per share is computed by dividing the net profit for the year attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events such as bonus shares, other than conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

In a capitalization or bonus issue or share split, ordinary shares are issued to equity shareholders for no additional consideration. The number of ordinary shares outstanding before the event is adjusted for the proportionate change in the number of ordinary shares outstanding as if the event had occurred at the beginning of the earliest period presented.

s) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Group. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Group.

t) Recent accounting pronouncement

New Accounting standards, amendments and interpretations adopted by the Company effective from 1 April 2022:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23 March 2022 MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1 April 2022, as below:

i) Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

ii) Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

iii) Ind AS 37 - Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

iv) Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

v) Ind AS 116 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements

u) New Amendments not yet adopted by the Company

Code on Social Security, 2020:

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on 13 November 2020 and invited suggestions from stakeholders which are under consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

| Withdrawal rate (1% movement) | 0.20 | 16.40 | (0.23) | 16.19 |

Notes to the Consolidated financial statements

for the year ended 31 March 2022

The sensitivity analyses presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be co-related. Further more, interpreting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years

The obligations are measured at the present value of estimated future cashflow by using a discount rate that is determined with reference to the market yields at the Balance Sheet date on Government Bonds which is consistent with the estimated terms of the obligation. The estimate of future salary increase, considered in the actuarial valuation, takes account of inflation, security, promotion and other relevant factors such as supply and demand in the employment market.

Expected future cash flow:

The expected future cash flow in respect of gratuity at balance sheet date will be as follows

(₹ in lakhs)

| Projected benefits payable in future years from the date of reporting | 31 March 2022 | 31 March 2021 |
|---|---------------|---------------|

* Fair value of financial assets and liabilities measured at amortised cost is not materially different from the amortised cost. Further, impact of time value of money is not significant for the financial instruments classified as current. Accordingly, the fair value has not been disclosed separately.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Note 1: Investments in associate, joint ventures and subsidiary have been accounted at historical cost. Since these are scoped out of Ind AS 109 for the purposes of measurement, the same have not been disclosed in the tables above.

Fair value hierarchy

The fair value of financial instruments as referred above have been classified into three categories depending on the inputs used in valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level I measurements) and lowest priority to unobservable inputs (Level III measurements).

The categories used are as follows:-

Input Level I (Directly Observable) : which includes quoted prices in active markets for identical assets such as quoted price for an equity security on Security Exchanges.

Input Level II (Indirectly Observable) : which includes prices in active markets for similar assets such as quoted price for similar assets in active markets, valuation multiple derived from prices in observed transactions involving similar businesses, etc.

Input Level III (Unobservable): which includes management's own assumptions for arriving at a fair value such as projected cash flow used to value a business, etc.

B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs

The fair value of the investment in quoted investment in equity shares is based on the current bid price of investment at balance sheet date

ii) Transfer between Level I and II

There has been no transfer in between Level I and Level II

iii) Level III fair values

There are no items in Level III fair values.

C. Financial risk management

The Company has a well-defined risk management framework. The Board of Directors of the Company has adopted a Risk Management Policy. The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors evaluate and exercise independent control over the entire process of risk management. The board also recommends risk management objectives and policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Notes to the Consolidated financial statements

for the year ended 31 March 2022

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

(i) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily trade receivables and other financial assets including deposits with banks. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Other Financial Assets

This comprises mainly of deposits with banks and retention money receivables. Credit risk arising from deposits with banks is limited as the counterparties are banks. Banks have high credit ratings assigned by the credit rating agencies. Credit risk arising from retention money is included in trade receivables.

Trade and other receivable

Customer credit risk is managed by each business unit subject to the Company's established policy and procedures. Credit limits are established for all customers based on flat booking terms. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit. The Company has no concentration of credit risk as the customer base is widely distributed economically.

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the receivables are categorised into groups based on types of receivables. Each group is then assessed for impairment using the Expected Credit Loss (ECL) model as per the provisions of Ind AS 109 -Financial instruments. The calculation is based on provision matrix which considers actual historical data adjusted appropriately for the future expectations and probabilities. Receivables from group companies and secured receivables are excluded for the purposes of this analysis since no credit risk is perceived on them. Proportion of expected credit loss provided for across the ageing buckets is summarised below:

Impairment

As at the end of the reporting periods, the ageing of trade and other receivables that were not impaired was as follows:

Ageing of Trade Receivables

Notes to the Consolidated financial statements

for the year ended 31 March 2022

Cash and bank balances

The Company is also exposed to credit risks arising on cash and cash equivalents and term deposits with banks. The Company believes that its credit risk in respect to cash and cash equivalents and term deposits is insignificant as funds are invested in term deposits at pre-determined interest rates for specified period of time. For cash and cash equivalents and other bank balances, only high rated banks are accepted.

Other financial assets

Other financial assets includes loan to employees and related parties, security deposits, etc. Credit risk arising from these financial assets is limited and there is no collateral held against these because the counterparties are group companies, banks. Banks have high credit ratings assigned by the international credit rating agencies.

(ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are proposed to be settled by delivering cash or other financial asset. The Company's financial planning has ensured, as far as possible, that there is sufficient liquidity to meet the liabilities whenever due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. In addition to the Company's own liquidity, it enjoys credit facilities with the reputed bank and financial institutions.

Management monitors the Company's liquidity position and cash and cash equivalents on the basis of expected cash flow. The Company's liquidity management policy involves periodic reviews of cash flow projections and considering the level of liquid assets necessary, monitoring balance sheet, liquidity ratios against internal and external regulatory requirements.

(iii) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and debt. The company does not have any transactions in foreign currency. Accordingly, company does not have currency risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. The Company's liquidity and borrowing are managed by professional at senior management level. The interest rate exposure of the Company is reduced by matching the duration of investments and borrowings. The interest rate profile of the Company's interest - bearing financial instrument as reported to management is as follows:

(₹ in lakhs)

| Particulars | As at 31 March 2022 | As at 31 March 2021 |
|---------------------------------|------------------------|------------------------|

| Financial asset | - | - |
| Financial liability | - | - |
| Floating-rate instrument | | |
| Financial asset | - | - |
| Financial liability | - | 960.30 |

Interest rate sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates. The following table demonstrates the sensitivity of floating rate financial instruments to a reasonably possible change in interest rates. The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

34 Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. The Company monitors capital using a ratio of 'Debt' to 'Equity'. For this purpose, 'Debt' is meant to include long-term borrowings, short-term borrowings and current maturities of long-term borrowings. 'Equity' comprises all components of equity. The Company's debt to equity ratio as at the end of the reporting periods are as follows:

(₹ in lakhs)
