ECONOMIC OVERVIEW

Global Economy

In view of the COVID-19 pandemic, there remains considerable uncertainty around the global economic forecast for 2020. According to the International Monetary Fund ('IMF'), global economy is projected to contract sharply by 4.9% in 2020, surpassing the decline seen during the global financial crisis a decade ago. Stark differences will be observed between impact of the pandemic on advanced economies, and emerging markets and developing economies owing to differences in governance capacity, health care systems, strength of financial institutions, and currency strength.

Advanced economies registered slower growth in CY 2018 at 2.2% as compared to 2.4% in CY 2017. Growth is projected to further slow down to 1.8% in CY 2019 and 1.7% in CY 2020, led by the negative effects of tariff increases in US and China. The new fuel emission policy in Germany, sovereign and financial risk in Italy, contraction in Turkey and an overall weak financial market sentiment will further add to subdued performance in the coming years.

Growth in emerging markets is also expected to slow from 4.5% in CY 2018 to 4.4% in CY 2019 but is seen slowly picking up to 4.8% in CY 2020. Factors such as slowing external demand, rising borrowing costs and persistent policy uncertainties are expected to weigh down growth in CY 2018 and CY 2019. Trade tensions with US will negatively impact China's economy, in addition to the needed financial regulatory tightening. India's economic growth is expected to pick up in FY 2020, benefiting from lower oil prices and a slower pace of monetary tightening, as inflation pressures ease.

In CY 2019, world economic growth is expected to further decelerate to 3.3%, before recovering a bit to 3.6% in CY 2020. Negative effects of tariff increases enacted in US and China will be the primary reason for slow output. Growth rate for the emerging market and developing economies is also likely to witness a slowdown in CY 2019, further impacting output.

Growth is expected to be slower in most advanced economies. Countries in the emerging market and developing economies will also witness a slump in growth due to external demand shock, tightening in global financial conditions, and a plunge in commodity prices. In China, where recovery from the sharp contraction in the first quarter is underway, growth is projected at 1% in 2020, supported in part by policy stimulus. The IMF projects a partial recovery in 2021; however, the level of GDP growth is expected to remain below the pre-COVID-19 trend, with uncertainty about strength of the rebound. India's economy in the Financial Year 2020-21 is projected to grow at a slower pace following a longer period of lockdown and slower rate of recovery than

anticipated. Effective policies and fiscal measures by the Government will be essential to forestall contraction of growth.

Indian Economy

While the global economy is battling headwinds, India's economy continues to be one of the fastest growing major economies in the world. India became the world's sixth-largest economy in FY 2019. The second advanced estimates of Central Statistics Office (CSO) show that India's gross domestic product (GDP) is likely to grow by 7% in FY 2019, slower than 7.2% growth witnessed in FY 2018. However as per International Monetary Fund (IMF) India's GDP is estimated to grow by 7.5 per cent in FY 2020 and is expected to grow 7.7 per cent in FY 2021.

INDUSTRY OVERVIEW

Domestic Automobile Industry

India is considered to be the world's 4th largest automobile industry, beating Germany. Indian automotive industry (including component manufacturing) is expected to reach Rs 16.16-18.18 trillion (US\$ 251.4-282.8 billion) by 2026. Domestic automobile production increased at 2.36 per cent CAGR between FY16-FY20 with 26.36 million vehicles being manufactured in the country in FY20. Overall, domestic automobiles sales increased at 1.29 per cent CAGR between FY16-FY20 with 21.55 million vehicles being sold in FY20. However, the automotive industry continued to witness strong headwinds with sharp decline across all segments especially in steel-intensive passenger vehicle and commercial vehicle segments. The overall export numbers of the Indian automobile industry witnessed a decline of 24.51 per cent to 2,86,032 units in March 2020. A total of 3,78,914 units were exported in the year-ago month.

The Government aims to develop India as a global manufacturing as well as a research and development (R&D) hub. It has set up National Automotive Testing and R&D Infrastructure Project (NATRiP) centers as well as a National Automotive Board to act as facilitator between the government and the industry. Taking forward Government's Make in India initiative, the players in the industry invested in technology infusion from across the globe and contributed towards making India a manufacturing hub. The automotive after-market in India too is on a higher growth trajectory. The opportunities generated by the disruptions are changing the competitive game for players willing to step beyond their traditional roles and engage with customers in a new and digital environment.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these Ind As financial statements in terms of requirements of the Act that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS Accounting Standards (Ind AS)(specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of the preparation of the Ind AS financial statements by the Directors of the Company, as aforesaid.

In preparing the Ind AS financial statements, the Board of Directors of the company is responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process of the Company.

Other Information, such as "Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosure in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and the content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Ind AS financial statements.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of the identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph under “Report on Other Legal and Regulatory Requirements” section of our report to the members of the Jainex Aamcol Ltd. of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

=====

1. We have audited the internal financial controls over financial reporting of Jainex Aamcol Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the stand alone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
