NOTES

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item Nos. 4 to 8 of the Notice, is annexed hereto. Further, the relevant details with respect to Item No. 3 pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM are also annexed.
2. Pursuant to the General Circular numbers 20/2020 dated May 5, 2020 read with General Circular nos. 14/2020 dated April 8, 2020; 17/2020 dated April 13, 2020; 02/2021 dated January 13, 2021; 19/2021 dated December 08, 2021; 21/2021 dated December 14, 2021 and 2/2022 dated May 05, 2022 issued by the Ministry of Corporate Affairs (MCA) and Circular number SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and SEBI/HO/CFD/CMD 2/CIR/P/2022/62 dated May 13, 2022 issued by the Securities and Exchange Board of India (SEBI) (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold Annual General Meeting ("AGM") through video conferencing (VC) or other audio visual means (OAVM), without the physical presence of members at a common venue and dispatch of Annual Report only in electronic mode. In compliance with the said Circulars, the AGM of the Company is being held through VC/OAVM.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Institutional/Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to bhattvirendra1945@yahoo.co.in with a copy marked to cosec@ashapura.com.
5. Pursuant to Section 91, Company's Transfer Books will remain closed from 23rd September, 2022 (Friday) to 29th September, 2022 (Thursday) (both days inclusive).

Dividend, as may be declared by the members at the meeting, will be paid to those members on the basis of particulars of beneficial ownership furnished on 22nd September, 2022 (Thursday) i.e. in respect of shares held in dematerialised form.

6. A dividend of 0.50 paise per equity share (@25%) has been recommended by the Board of Directors for the F.Y. 2021-22, subject to TDS and to the approval of Members at the 41st AGM. If the dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend, subject to deduction of tax at source ("TDS"), will be made on or after 30th September, 2022 as under:
 - i. To all Beneficial Owners in respect of shares held in Dematerialized Form as per the data as may be made available by National Security Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL") (both collectively referred to as "Depositories") as of the close of business hours on 22nd September, 2022 (Thursday) ("Record Date").
 - ii. To all Members in respect of shares held in Physical Form after giving effect to valid transmission and transposition requests lodged with the Company on or before the close of business hours on 22nd September, 2022 (Thursday) ("Record Date").

7. Members are requested to note and give attention to the following with respect to dividend to be declared :

- a. Pursuant to the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after April 01, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend. In general, to enable compliance with TDS requirements, Members are requested to complete and/or update their Residential Status, Permanent Account Number ("PAN"), Category as per the IT Act with their Depository Participants ("DPs"), or in case shares are held in Physical Form, with the Company by sending documents on e-mail id cosec@ashapura.com.
- b. For all Members (i.e. holding shares either in Dematerialized Form and/or Physical Form): The forms for tax exemption can be downloaded from Link Intime's website. 2. Folio / DP-Client ID
3. PAN
4. Financial year (Dropdown)
5. Form selection
6. Document attachment – 1 (PAN)
7. Document attachment – 2 (Forms)
8. Document attachment – 3 (Any other supporting document)

Ashapura Minechem Limited

Please Note that the upload of documents (duly completed and signed) on the website of Link Intime India Private Ltd. should be done on or before Record date for the dividend, in order to enable the Company to determine and deduct appropriate TDS / Withholding Tax. Incomplete and/or unsigned forms and declarations will not be considered by the Company.

- c. No communication on the tax determination/deduction shall be considered after Record date for the dividend, i.e. 22nd September, 2022 (Thursday). Members may note that in case the tax on final dividend is deducted at a higher rate in absence of receipt of the aforementioned details/ documents, an option is available to Members to file the return of income as per Income Tax Act, 1961 and claim an appropriate refund, if eligible.
- d. All communications/ queries in this respect should be addressed to our RTA, Link Intime India Private Limited at its email address rnt.helpdesk@linkintime.co.in.
- e. Further, in order to receive the dividend in a timely manner, Members holding shares in Physical Form, who have not updated their mandate for receiving dividends directly in their bank accounts through Electronic Clearing Service ("ECS") or any other means, are requested to send hard copies of the following details / documents to the Company's Registrar and Share Transfer Agent ("RTA"), Link Intime India Pvt. Ltd. ("LIPL") at C 101, 247 Park, LBS Marg, Vikhroli (West), Mumbai 400 083 on or before Record Date:
 - a signed request letter mentioning your Name, Folio Number, complete address and following details relating to the Bank Account in which the dividend is to be received;
 - Name and Branch of Bank and Bank Account type;
 - Bank Account Number and type allotted by your bank after implementation of Core Banking Solutions and 11 digit IFSC Code;
 - Self-attested copy of cancelled cheque bearing the name of the Member or first holder (in case shares are held jointly)
 - Self-attested copy of the PAN Card; and
 - Self-attested copy of any document (such as Aadhaar Card, Driving License, Election Identity Card, Passport) in support of the address of the Member as registered with the STA.

Online Registration of Bank Details for Members holding shares in Physical Form:

- i. Members of the Company holding Equity Shares of the Company in Physical Form and who have not registered their Bank details can get the same registered with Link Intime India Pvt. Ltd., by clicking the link: https://linkintime.co.in/emailreg/email_register.html on their web site www.linkintime.co.in at the Investor Services tab by choosing the E mail/ Bank Registration heading and follow the registration process as guided therein.
- ii. Members are requested to provide details such as Name, Folio Number, Certificate number, PAN, e-mail id along with the copy of the cheque leaf with the first named Members name imprinted in the face of the cheque leaf containing the bank name and branch, type of account, bank account number, MICR details and IFSC code in PDF or JPEG format.

It is very important for the Member to submit the request letter duly signed. Link Intime will verify the documents uploaded and will only take on record all valid cases.

On submission of details by a Member as stated above, an OTP will be received by a Member which needs to be entered in the link for verification.

- f. Members holding shares in Dematerialized Form may please note that their bank details as furnished by the respective Depositories to the Company will be considered for remittance of dividend as per the applicable regulations of the Depositories and the Company will not entertain any direct request from such Members for change / deletion in such bank details. Further, instructions, if any, already given by them in respect of shares held in Physical Form, will not be automatically applicable to the dividend paid on shares held in Dematerialized Form. Members may, therefore, give instructions to their DP regarding bank accounts in which they wish to receive dividend.
- g. For Members who are unable to receive the dividend directly in their bank accounts through ECS or any other means, due to non-registration of the Electronic Bank Mandate, the Company shall dispatch the dividend warrant / Bankers' cheque / demand draft to such Members upon normalization of the postal services.
- h. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in Dematerialized Form. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in Physical Form are requested to consider converting their holdings to Dematerialized Form.
- i. Un-encashed dividend amounts are now to be directly credited into the Investor's bank account only. Investors holding shares in Physical Form are requested to submit a duly signed request letter of the Member with original cancelled cheque leaf having their name printed on it along with copy of a recent utility bill for address verification and PAN.
- j. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, registering of nomination and power of attorney, Bank Mandate details such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DP in case the shares are held in Dematerialized Form, and to the RTA in case the shares are held in Physical Form.
- k. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.

- i. Members are requested to note that dividends, if not encashed by them, may contact the Company's Share Transfer Agent immediately to encash the same. In case dividends are un-encashed for a consecutive period of 7 years from the date of transfer to the Unpaid Dividend Account of the Company, such amounts are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, the shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members / Claimants are requested to claim their dividends from the Company within the stipulated timeline.

ELECTRONIC DISPATCH OF ANNUAL REPORT AND PROCESS FOR REGISTRATION OF EMAIL ID FOR OBTAINING COPY OF ANNUAL REPORT

8. In compliance with the said requirements of the MCA Circulars, electronic copy of the Notice along with the Annual Report for the Financial Year ended 31st March, 2022 have been sent only to those members whose e- mail ids are registered with the Company or the Registrar and Share Transfer Agent or the Depository Participants(s) through electronic means and no physical copy of the Notice has been sent by the Company to any member.
9. Those shareholders who have not yet registered / updated their email address / contact details are requested to get them registered / updated by following the procedure given below:

Physical Holding	Please Send a request to the Registrar and Share Transfer Agents of the Company, at rnt_helpdesk@linkintimecoin along with Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card).
Demat Holding	Please contact your Depository Participant (DP) and register your email address and bank account details in your demat account, as per the process advised by your DP.

10. If there is any change in the e-mail ID already registered with the Company, members are requested to immediately notify such change to the Company or its RTA in respect of shares held in physical form and to DPs in respect of shares held in electronic form.
11. The Notice has also been hosted on the website of the Company www.ashapura.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com.
12. In compliance with the said Circulars, the Company has also published a public notice by way of an advertisement made dated 27th August, 2022 in Free Press Journal and Navashakti both having a wide circulation in Mumbai, inter alia, advising the members whose e-mail ids and bank Account details are not registered with the Company, its Registrar and Share Transfer Agent (RTA) or Depository Participant(s) (DPs), as the case may be, to register their e-mail ids with them.

GENERAL INSTRUCTIONS AND PROCEDURE FOR JOINING THE AGM THROUGH VC / OAVM

13. The Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting and Annual General Meeting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
14. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned hereafter. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
15. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA). In continuation of this Ministry's General Circular No. 20/2020 dated 05th May, 2020 and General Circular Nos 02/2021 dated 13.01.2021, 19/2021 dated 8th December, 2021, 21/2021 dated 14th December, 2021 and 02/2022 dated 5th May, 2022, it has been decided to allow companies whose AGMs are due in the year 2022 to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 dated 05th May, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
- (ii) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 and May 05, 2022 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

Ashapura Minechem Limited

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on 26th September, 2022 (Monday) at 9.00 a.m. and ends on 28th September, 2022 (Wednesday) at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date/ record date i.e 22nd September, 2022 (Thursday) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Item No. 4.

M/s. P A R K & Co., Chartered Accountants (Registration No - 116825W), were appointed as Statutory Auditors of the Company at the 36th Annual General Meeting (AGM) held on 21st September, 2017 for a period of 5 years, to hold office from the conclusion of the 36th AGM until the conclusion of the 41st AGM of the Company.

M/s. P A R K & Co. are eligible for re-appointment as Statutory Auditors of the Company for a further period of 5 years and have given their consent for the same. They have confirmed that their re-appointment, if made, will be within the limits prescribed under the provisions of Section 139 of the Companies Act, 2013 (the Act) and the rules made thereunder. M/s. P A R K & Co. have confirmed that they are eligible for the proposed appointment under Section 139 of the Act and are not disqualified for appointment under Section 141 and other relevant provisions of the Act, the Chartered Accountants Act, 1949 and the rules or regulations made thereunder. As confirmed to Audit Committee and stated in their report on financial statements, the Auditors have reported their independence from the Company according to the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) and the ethical requirements relevant to audit.

The Board of Directors of the Company (the Board), on the recommendation of the Audit Committee (the Committee), has recommended for the approval of the Members, the reappointment of M/s. P A R K & Co., Chartered Accountants, as the Statutory Auditors of the Company for a second term of five consecutive years, to hold office from the conclusion of the 41st AGM till the conclusion of the 46th AGM of the Company to be held in the year 2027.

The Committee considered various parameters like quality of the audit delivered by them for the last 5 years, experience of the audit partners and the team responsible for the audit of the Company, market standing of the Audit firm, technical knowledge etc., and found P A R K & CO. to be best suited to handle the scale, diversity and complexity associated with the audit of the financial statements of the Company. The firm holds the 'Peer Review' certificate as issued by ICAI.

M/s P A R K & Co., Chartered Accountants, established in the year 1997 as a Proprietary concern was later converted into a Partnership Firm, having its offices at Bhavnagar, Rajkot and Mumbai. The firm and its partners have rich and collective experience across various sectors/fields viz. Statutory/ Tax Audits, Company Law matters, Consultancy services as also they are skilled in asset leveraging, business process re-engineering, business health identification and total cost management.

The remuneration proposed to be paid to the Statutory Auditors during their second and final term to be mutually agreed between the Board of Directors of the Company and the Statutory Auditors based on the recommendation of the Audit Committee. The Board of Directors in consultation with the Audit Committee may alter and vary the other terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested financially or otherwise in the resolution set out at Item No. 4 of the Notice.

Your Directors recommend the resolution as at Item No.4 for the approval of the members to be passed as an Ordinary Resolution..

Item No 5:

The Board, on the recommendation of the Audit Committee, has approved the re-appointment of M/s. S. K. Rajani & Co., Cost Accountants as Cost Auditors, of the Company for the Financial Year ending on 31st March, 2022, to conduct audit of cost accounting records of the Company as may be required for cost audit under the Companies Act, 2013, and Rules made thereunder, at a remuneration of Rs. 1,62,565/- (Rupees One Lakh Sixty Two Thousand Five Hundred Sixty Five only) per annum plus Goods and Service Tax (GST) and out of pocket expenses, if any.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration proposed to be paid to the Cost Auditor is required to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out in the Notice for ratification of the remuneration payable to the Cost Auditors.

None of the Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution.

The Board recommends the resolution set out at Item No. 5 for the approval of members to be passed as an Ordinary Resolution.

Item No 6:

Members of the Company had through Resolution dated 27th December, 2019, had re-appointed/re-designated Shri. Chetan Shah as an Executive Chairman of the Company for a tenure of 3 years effective from 24th October, 2019. Accordingly his term ends on 23rd October, 2022.

The Nomination and Remuneration Committee, looking at the current business scenario and his exposure; experience and expertise in dynamic mining industry and business development, recommended the re-appointment of Shri Chetan Shah. Consequently, the Board of Directors had proposed to re-appoint him for a further period of 3 years on such terms and conditions that forms part of the agreement. The key excerpts of same are reproduced below and which are subject matter of Member's approval.

Ashapura Minechem Limited

Accordingly, the approval of the Members through Special Resolution pursuant to Sections 196, 197, 198, 203 read with Schedule V of the Companies Act, 2013 as amended from time to time is now sought for the re-appointment of Shri Chetan Shah as an Executive Chairman of the Company for another term of 3 years i.e the period starting from 24th October, 2022.

Profit/(Loss) for the year	(1,565.42)	5,563.10	8,653.24	8,748.37

a) Performance of the company:

At Consolidated level, the Income from Operations and other income stood at Rs. 1,37,344 Lakhs as against Rs.1,20,890 Lakhs for the previous financial year ended 31st March, 2021 and that total expenses stood at Rs. 1,29,203 Lakhs which resulted into Net Profit. It was informed that as compared to the previous Financial Year, on a consolidated basis, the Company's total revenue in FY 2021-22 increased by 14%, whereas the Profit After Tax for FY 2021-22 was Rs. 8,653 Lakhs versus a profit Rs. 8,748 Lakhs in the total financial year.

Company's performance throughout FY 2021-22 was impacted by the acute & persistent rise in the global freight bulks and container rates. The second half of the Financial Year fourth quarter was particularly affected by logistical bottlenecks such as availability of ships, barges and ancillary equipment at viable rates along the Company's supply routes. The continuing Covid lockdowns in followed by docile real estate demand in China since January 2022 have since lead to a softening of global commodity prices in ores and minerals.

The Company has emerged as the largest manufacturer of Kaolin and value-added Kaolin products in India. Company has leveraged its in-house expertise and decades of experience to become a preferred supplier of coating and filler solutions to paint, paper, fibre glass & ceramic companies in India and the middle-east.

b) Business outlook:

After the second wave of COVID that peaked in May, 2021, the market recovery gained momentum, India's GDP grew at 8.7% in FY 2021-22. The recovery was accompanied by a sharp uptick in domestic and export freight costs, especially shipping freights. A combination of supply side bottlenecks, resurgence of demand and geopolitical events lead to higher energy and commodity costs which eventually crept into higher input posts and inflation. Central banks world over have tightened the liquidity spigot with most economies having to walk the tightrope between growth and debilitating inflation. While domestic markets remain relatively buoyant, the world's second largest economy is still grappling with Covid lockdowns and insipid real estate demand.

Financial markets remain fairly volatile and the deprecating currencies versus the US Dollar generally bode well for exporters.

Company looks forward to consolidate its ore export portfolio from Guinea in FY 2022-23 and seeks capitalise on opportunities offered by global geopolitical events. The Company continues to place reliance on long-term supply contacts with global majors for the supply of Bauxite.

9. DISCLOSURES RELATING TO SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES:

a. Business Performance & overview of principal Subsidiaries & Joint Venture Companies:

Ashapura International Limited (AIL):

The Company's revenue increased by 43% to Rs. 558.80 crores in FY 2021-22 as compared to the previous year, whereas the Profit after Tax increased to Rs. 34.97 crores in FY 2021-22, i.e. nearly 3.5 times that of the previous financial year.

The increase in revenue and profit were largely attributable to the increase in Bentonite volumes and onward sales of ore to export into markets.

Bombay Minerals Limited (BML):

The Company's revenue in FY 2021-22 was Rs. 90.46 crores, substantially lower than the Rs. 308.94 crores in FY 2020-21. A combination of factors such as paucity of raw material for calcination and lower export trading volumes lead to the lower scale of operation; consequently in FY 2021-22, the Company incurred a loss after tax of Rs.10.03 crores versus a profit after tax of Rs. 9.91 crores in the previous financial year.

The Company is actively evaluating alternate sources of raw material via imports.

Ashapura Perfoclay Ltd. (APL):

The Company's revenue in FY 2021-22 increased by about 5% to Rs. 347.44 crores as compared to the previous financial year, whereas the profit after tax was Rs. 26.18 crores i.e. 34% less than the previous financial year on account of higher input costs and freight rates.

Other Overseas Subsidiaries:

The other overseas subsidiaries and joint ventures of the Company exhibited modest increases in revenues. The Company's step-down subsidiary in Guinea has shown remarkable resilience despite the volatility in freight costs.

b. Companies which have become and ceased to be subsidiary, associate and/or joint venture:

During the year under review, Ashapura Midgulf NV and Ashapura Fareast SDN BHD became an overseas step down subsidiary of the company. Further Orient Advanced Material Pvt Ltd and Shantilal Multiport Infrastructure Private Limited became associate of the company through direct and/or indirect acquisition/transfer of shares by the Company/its subsidiary/associate Company.

Further, Sohar Ashapura Chemicals LLC company Ceased to be an overseas joint venture company during the year under review.

c. Material Subsidiaries:

As required under Regulations 16(1)(c) and 46 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 (Listing Regulations), the Board of Directors have approved the Policy for determining Material Subsidiaries. The details of the Policy are available on the Company's website at www.ashapura.com/investor-corner.php

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.: 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Ashapura Minechem Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Ashapura Minechem Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's statutory registers, minute books, forms and returns filed with the Registrar of Companies ('the ROC'), soft copy of the various records sent over mail as provided by the Company and other relevant records maintained by the Company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2022 ("audit period"), prima facie complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the statutory registers, minute books, forms and returns filed with the ROC and other relevant records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment - applicable only to the extent of Foreign Direct Investments and Overseas Direct Investment;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, the same were not applicable to the Company for the financial year ended 31st March, 2022 :

- (a) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021-;
- (b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- (c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008, the Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013 and the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) I further report that, based on the Compliance Report of various Laws submitted by Department Heads of the Company, I am of the opinion that the Company has prima facie proper system to comply with the applicable laws.
- (vii) I have also examined compliance with the applicable clauses of the following and I am of the opinion that the Company has prima facie complied with the applicable provisions:
 - (a) Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India.
 - (b) The Listing agreements entered into by the Company with the Stock Exchanges read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the audit period, I am of the opinion that the Company has prima facie complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above except the following:

- i)** During the audit period, the Company converted the Warrants into Equity Shares on 12th August, 2021 and the Company has filed the Shareholding Pattern under Regulation 31(1)(c) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 within Ten working days.
- ii)** During the audit period, some of the Designated Persons of the Company has traded in the small number of securities of the Company during the closure of trading window and the Audit Committee has decided to issue the warning letters to them.

I further report that:

1. I have not examined the Financial Statements, Financial books and related financial Act like Income Tax, Sales Tax, Value Added Tax, Goods and Services Tax, ESIC, Provident Fund, Professional Tax, Foreign Currency Transactions, Related Party Transactions, including reconciliation of Bank Statements etc. For these matters, I rely on the report of statutory auditor's and their observations, if any, and notes on accounts in Financial Statements for the year ended 31st March, 2022.
2. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were prima facie carried out in compliance with the provisions of the Act.
3. As per the information provided, the company has prima facie given adequate notice to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on agenda items before the Meeting and for meaningful participation at the Meeting.
4. I was informed and I observed from the minutes of the Board and Committee Meetings that all the decisions at the Meetings were prima facie carried out unanimously.
5. There are prima facie adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines subject to observations and qualifications, if any made by the Statutory Auditors in their report.
6. The management is responsible for compliances of all business laws. This responsibility includes maintenance of statutory registers/files required by the concerned authorities and internal control of the concerned department.
7. During the audit period, the Company has issued 45,00,000 equity shares of Rs. 2/- each at an issue price of Rs. 31.95/- per share to Ashapura Industrial Finance Limited pursuant to conversion of warrants.
8. The National Stock Exchange of India Limited has vide its letter dated 15th February, 2021 has imposed penalty of Rs. 2,41,000/- on the Company due to non-appointment of Women Independent Director for the quarter ended 31st December, 2020. The National Stock Exchange of India Limited has vide its letter dated 10th January, 2022 waived off the fine imposed on the Company.
9. I further report that during the audit period, there were no instances of:
 - i. Public/ Rights/debentures/ sweat equity etc.;
 - ii. Issue of equity shares under Employee Stock Option Scheme;
 - iii. Redemption / Buy- back of securities;
 - iv. Major decisions taken by the Members in pursuance to Section 180 of the Companies Act, 2013 which would have major bearing on the Company's affairs;
 - v. Merger / Amalgamation / Reconstruction etc.;
 - vi. Foreign Technical Collaborations.

I further report that:

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. My responsibility is to express an opinion on these Secretarial Records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. Where ever required, I have obtained the Management representation about the compliance of Laws, Rules and Regulations and happening of events etc.
4. I have not verified the correctness and appropriateness of financial records and Books of Accounts of Company.
5. The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor the efficacy or effectiveness with which the management has conducted the affairs of the company.
7. Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Standards.
8. I have conducted online verification and examination of records, as facilitated by the Company due to Covid-19 and subsequent lockdown situation for the purpose of issuing this Report.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

A. CONSERVATION OF ENERGY:

a. Energy Conservation measures taken:

1. Use of Turbo/Natural Fans and Transparent sheets installation for Sunlight, Dust Ventilation and temperature reduction reduces power consumption at hot sections.
2. Improved Power Factor from 88 to 91 - by introduction of Capacitor – 50 KVA, reduces energy bill cost by 2-4% on day/night basis.
3. Total power assessments, awareness through presentations – among staff for correct usages of electricity reduces the power consumption by 10-12% of total power consumption.
4. Installation of VFD in all newly installed equipment's i.e. Induced draft fan, Roller Mill, Extruder, Blunger, Agitator and Air Blowers.
5. Modified/installed the machinery/equipment of required capacities i.e. Granulator, Pulverizer, Ball Mill, Jaw Crusher, Filter Press and grinding mills.
6. Use of pyrometers/temperature control system integration in PLC- SCADA System along VFD use in Dryer/Kiln.
7. Introduction of different types of vibro-sieves, trommel, Silo to feed material avoiding manual feeding practices.
8. Installation of triple deck vibro-screen for screening of material, so that we got 4 types of separated material in one cycle.
9. Introduction of fans to minimize the use of Air condition and replacement of LED/CFL Bulbs/light in premises buildings/offices saves electricity and reduce power consumption by 50%.
10. Replaced the starter and switches by MCB to prevent damages to electrical circuit because of excess current and also protect against electrical faults, short circuit and equipment failure.
11. Preventive maintenance of transformer and electrical lines for proper functioning.
12. Reduced energy consumption by Optimized the AC usage which in all over the IKC premises.
13. New, 20 kl - water filtration setup for Iron removal working on gravity i.e. without electricity use (work on gravity system) during purification of water which conserve energy.
14. Assessment and Implementation of preventive maintenance plan and workout troubleshooting record reduces energy consumption and breakdown maintenance cost too.
15. Introduce the appropriate equipment's such as hammer crusher and ultra-fine mill achieve required fineness for hard materials sizing - save time and energy.

b. Impact of above measures:

The effect of above measures is imminent as despite the unit power cost going up from the grid, the overall power cost is within control.

B. TECHNOLOGY ABSORPTION:

	2021-22	2020-21
1. Efforts made towards technology absorption	<p>1) Specialty Mineral Products</p> <p>a. **Business Responsibility Statement
[Pursuant to Regulation 34(2) (f) of SEBI Listing Regulations]**

About Ashapura

Ashapura means “Fulfilling Aspirations”; we believe that sustainable growth occurs only when we fulfill aspirations of all our stakeholders such as customers, employees, shareholders, the environment and the society as a whole. With a legacy of more than 60 years, Ashapura is a leading multi-mineral solutions provider Company with a global footprint, having a wide network of operations pan-India and in 8 other countries. Our captive mineral resources, state-of-the-art manufacturing base, cutting edge research capabilities, logistical prowess and dynamic, progressive, result oriented employees accord us global leadership in several segments. Our consistent quality and our ability to customize mineral solutions make us a preferred supplier to multi-nationals in more than 70 countries across the continents.

From soaps to steel, energy to edible oils, metal to medicine and cement to ceramics, we offer multi-mineral solutions across several industries. We firmly believe in enriching nature’s mineral bounties in harmony with society. Ashapura has always sought to minimize the environmental impact of its activities and to continually seek to explore environment friendly ways of mining and mineral processing.

In conformance to the requirements of the clause (f) of sub-regulation (2) of regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI Listing Regulations’), the Business Responsibility Report of Ashapura Minechem Limited for Financial Year 2021-2022 is aligned with the nine principles of the National Voluntary Guidelines on Social, Environmental and Economic Responsibilities of Business (NVG-SEE) notified by the Ministry of Corporate Affairs, Government of India.

Principles

- ✓ **Principle 1:** Businesses should conduct and govern themselves with Ethics, Transparency and Accountability
- ✓ **Principle 2:** Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle
- ✓ **Principle 3:** Businesses should promote the wellbeing of all employees
- ✓ **Principle 4:** Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized.

Section C: Other Details

1. Does the Company have any Subsidiary Company/Companies?

Following are the subsidiary companies:

- I. Ashapura International Ltd.
- II. Bombay Minerals Ltd.
- III. Ashapura Claytech Ltd.
- IV. Prashansha Ceramics Ltd.
- V. Peninsula Property Developers Pvt. Ltd.
- VI. Sharda Consultancy Pvt. Ltd.
- VII. Ashapura Consultancy Services Pvt. Ltd.
- VIII. Ashapura Aluminium Ltd.
- IX. Ashapura Resources Pvt. Ltd.
- X. Ashapura Minechem (UAE) FZE

2. Do the Company/Companies participate in the BR initiatives of the parent Company? If yes, then indicate the number of such subsidiary Company(s) –

The Company encourages its subsidiaries to adopt Business Responsibility (BR) initiatives. All the Company's subsidiaries are expected to conduct their business in an ethical, transparent and accountable manner.

3. Do any other entity/entities (e.g. suppliers, distributors etc.) that the Company does business with, participate in the BR initiatives of the Company? If yes, then indicate the percentage of such entity/entities? [Less than 30%, 30-60%, More than 60%] - No

Section D: BR Information

Section E: Principle wise Performance

PRINCIPLE 1

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Company has Code of Conduct and Whistle Blower Policy relating to ethics, bribery and corruption. Code of Conduct which is applicable to all the employees of the Company. It does not extend to the suppliers/contractors/NGOs etc. Whistle Blower Policy is applicable to the Directors of the Company or a person who is in direct or indirect employment with the company who makes a protected disclosure under this policy. This Policy provides a platform to these stakeholders for making any communication made in good faith that discloses or demonstrates evidence of any fraud or unethical activity within the company and had provisions to ensure protection of the whistleblower against victimization for the disclosures made by him/her. Aforesaid policies are applicable to the group companies wherever mandated by law.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

Our Stakeholders include Investors, Customers, Employees, Clients, Statutory Authorities and Vendors. During the reporting period no complaint was received except investor related queries which were resolved by the company from time to time.

PRINCIPLE 2

1. List upto 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities:

The Company is principally involved in mining and mineral processing, the character and design of our products is primarily natural. The Company has long since been mindful of the social and environmental dimensions of all the three aspects of its operations i.e. mining, mineral processing and logistics and has accordingly aligned its processes.

Social impact: The Company continues to involve and engage local communities throughout the chain of its operations and activities. Preference is given to local contractors, labourers, trainees and employees to participate in the Company's mining, processing and logistical operations. In addition to direct socio-economic development of the adjacent communities, these practices foster vocational training, skill development and entrepreneurship in the human assets in the community.

Furthermore, the company has promulgated several institutions that promote healthcare, education and culture via its extensive CSR activities to bring about an ameliorative social impact.

Environmental impact: The Company adheres to all the requisite regulations and guidelines to minimise its environmental footprint and carry out sustainable operations.

Products: The Company at group level has also pioneered several value- added products that have a positive socio-environmental impact.

Geosynthetic Clay Liners: Geosynthetic Clay liners (GCLs) are carpet like barriers consisting of a layer of Bentonite supported by geotextiles held together by needling and stitching. GCLs used for lining landfills, industrial ponds, canals etc. to prevent seepage into the surrounding soil.

Ceramic & Silica Proppants: A proppant is a solid material, used during hydraulic fracturing (i.e. fracking) – a globally acclaimed process for extracting natural gas from deposits. Natural gas is a relatively cleaner fuel and preferred world over as compared to petrol, diesel or coal.

2. Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

The primary activities of the Company involve mining, mineral processing, logistics. A better part of the Company's inputs are minerals that are mined in open cast mines. The Company adheres to all the requisite regulations and guidelines both in letter and in spirit to carry out responsible and sustainable mining. The Company also engages in responsible sourcing practises from local accredited mine owners.

3. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Yes, the Company sources packing materials and has awarded contracts like security, housekeeping and other repairs and maintenance through local sources. As we deal in Mining, our purchases are mostly from organized sector. However, we do buy some engineering items from small producers. We also hire contractors from the areas neighboring our plant and improve their capability by imparting training in various fields like safety, hazard handling, compliances etc.

4. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5 - 10%, >10%). Also, provide details thereof, in about 50 words or so.

Nearly all of the Company's products are natural ores or additives that form a part of the end-product obviating the need to recycle. Even though certain specific applications of our customers could generate a mineral residue, transporting the same for any recycling processing is both environmentally and economically unsustainable.

PRINCIPLE 3

1. Please indicate the total number of employees:- 396
2. Please indicate the total number of employees fired on temporary/contractual/casual Basis:- NIL
3. Please indicate the number of permanent women employees:- 32
4. Please indicate the Number of permanent employees with disabilities:- NIL
5. Do you have an employee association that is recognized by management:- No
6. What percentage of your permanent employees is members of this recognized employee association? NIL
7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last Financial Year and pending, as on the end of the financial year.

Sr. No.	Category	No of complaints filed during the financial year	No of complaints pending as on end of the Financial Year
1.	Child labour/forced labour/involuntary labour	0	0
2.	Sexual harassment	0	0
3.	Discriminatory employment	0	0

8. What percentage of your under mentioned employees were given safety & skill up gradation training in the last year?
 - a) Permanent Employees : 46%
 - b) Permanent Women Employees : 22%
 - c) Casual/Temporary/Contractual Employees : 77%
 - d) Employees with Disabilities : Nil

Ashapura Minechem Limited

PRINCIPLE 4

1. Has the company mapped its internal and external stakeholders?

Yes. The Company has mapped its internal and external stakeholders. It uses both formal and informal mechanisms to engage with various stakeholders to understand their concerns and expectations. Individual departments within the organization have roles and responsibilities identified and defined to engage with various stakeholders:

- (1) Employees and their families
- (2) Local community and society
- (3) Environment and regulatory authorities
- (4) Customers and their families
- (5) Shareholders and investors

I report the following OBSERVATION during the Audit:

The Company has complied with provisions of Section 185 and 186 of the Act in respect of loans, Investment, guarantees and security, to the extent applicable, except that no interest is charged on unsecured loans granted to a fellow subsidiary company.

I further report that prima facie adequate notice is given to all Directors in respect of the Board Meetings, agenda & detailed notes on agenda were sent in advance. Further as per the information provided, majority decisions are carried through while the dissenting members' views, if any, are captured & recorded as part of the minutes.

I further report that the Company's Management and Board of Directors are also responsible for establishing and maintaining adequate systems and process, commensurate with the size and operations of the Company to identify, monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

I further report that the Management is responsible for compliances of all business laws. This responsibility includes maintenance of statutory registers/ records required by the concerned authorities and internal control of the concerned department.

I further report that during the audit period the Company had no specific events like Public/Right/Preferential issue of shares/debentures/sweat equity, etc.

I further report that:-

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. My responsibility is to express an opinion on these Secretarial Records based on the audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of the financial records and Books of Accounts of the Company.
4. Where ever required, I have obtained the Management representation about the compliance of Laws, Rules and Regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW:

This report is an integral part of the Board's Report and covers management perspective on economic environment, industrial scenario, business performance, opportunities, threats, risks & concern, internal control etc. during the Financial Year 2021-2022. This should be read in conjunction with the Company's Financial Statements, the schedules and notes thereto and other information included elsewhere in the Annual Report.

ECONOMIC ENVIRONMENT:

Covid-19 lockdowns restrictions and guidelines gradually eased world over in FY 2021-22, wherein countries learnt to live with an uneasy truce with the stubborn pandemic. There remain some major pockets in China and Southeast Asia where the virus continues to cause disruptions and lockdowns. The supply chain disruptions are still not behind us and have slowly crept into the inflation numbers of countries big and small; this year saw commodity prices gyrate from their peak at the beginning of the year to worrisome troughs towards the middle. To tame inflation on the demand side, Central Banks world over have begun tightening their belts which has led to capital outflows from developing countries, depreciating their currencies rapidly against the US Dollar. The disturbance amongst Russia and Ukraine lead to a sustained spike in energy and food prices which disproportionately affected import reliant economies.

As the spigot of easy liquidity turns into a miserly trickle, the IMF expects global growth to moderate from 5.9 in 2021 to 4.4 percent in 2022. Rising costs in addition to rapidly rising interest rates are likely to tame whatever post-Covid animal spirits the world manage to garner.

The Indian economy did reasonably well to grow at 8.7 per cent (as per the NSO) in FY 2021-22, although this was sub-par to the expected 9 per cent plus. With that, India has now overtaken UK, to become the 5th largest economy in the world at USD 3.53 trillion. Consumer centric manufacturing including the auto sector grew admirably for a better part of the year. However, supply shortages and higher input prices weighed-in on output in the mining, construction and manufacturing sector, even as credit growth has picked up and states are spending more. The pass-through of this inflationary pressure could eventually hit private consumption which is one of the key drivers of the Indian economy.

The Production Linked Incentive (PLI) Schemes which were introduced by the Government of India in November 2020 across 14 key sectors, to create national manufacturing champions are slowly taking shape. Several global majors in the electronics and telecom hardware sectors have set-up large manufacturing bases in the country.

INDUSTRY SCENARIO:

Globally, the non-energy related mining & mineral processing industry experienced a sharp upswing both in activity and in prices during the first quarter of FY 2021-22, however persistently high logistic costs and erratic delivery schedules were a dampener. The second half of the financial year was peppered by Covid lockdowns in China, followed by a demand scare on account of the Chinese housing sector turmoil.

From a resource acquisition perspective, there is a marked increase amongst countries in building strategic sources and reserve bases for green energy minerals such as cobalt and lithium. Aluminium is a preferred lightweight metal used in machines and automobiles in the green energy revolution; this bodes well for your Company, given its adequate reserves in Bauxite which is the principal ore for making Aluminium.

In India although the mineral production in India recorded a growth of 13.2 per cent, the growth was largely on account of a sharp increase in lignite & natural gas production.

All in all, the restoration of the scale and vigour in the global mining and mineral processing industry to its pre-Covid levels have been a heartening feature.

OPPORTUNITIES:

Although global demand and growth are expected to be relatively tempered on account of rising interest rates and prices, there has been a structural reorientation in the flow of goods and services amongst the world's major economies. If these geopolitical headwinds persist, there could be sustainable opportunities for your Company both in the export market as well as in India. For example, Ukraine has been a large global exporter of white performance minerals to India and to other countries in South Asia. The supply disruptions on account of the conflict in the region has translated into significant opportunities for the Company's multi-mineral portfolio.

The recent developments in the South China Sea have resulted in a stoppage of export of construction minerals to Taiwan, which offers an opportunity for other global majors to step in.

THREATS:

Global economies are no less fragile than those were a couple of years ago during the pandemic, although the reasons thereof are entirely different. Although, each country has its own set of unique challenges, a global demand squeeze caused by a liquidity crunch or turbulence in the housing market in the US or China could have wide ramifications. Deepening of geopolitical fissures could easily undo the post-Covid recovery that the world has witnessed over the last few months.

FINANCIAL PERFORMANCE:

The Financial Statements for the year ended 31st March, 2022, have been prepared in accordance with the Companies (Indian Accounting Standards) Rule, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

Income from operations at standalone level increased by 41% and stood at Rs. 625 Crores as against Rs. 443 Crores for the previous financial year ended 31st March, 2021 and that the total expenses stood at Rs. 641 Crores which resulted into loss of Rs. 16 Crores before exceptional items and tax.

At Consolidated level, the total income from operations increased by 14% and stood at Rs. 1,373 Crores as against Rs. 1,209 Crores for the previous financial year ended 31st March, 2021 and that total expenses stood at Rs. 1,292 Crores which resulted into profit of Rs. 81 Crores before exceptional items and tax, an increase of 4% over the previous financial year.

Notwithstanding the disruptions caused by lockdowns in its major Asian markets in addition to the challenges caused by the unavailability of barges and ships for loading and affreightment, the Company managed to increase its revenue and profit over the previous year on a consolidated level.

In FY 2021-22, the Company has emerged as the largest manufacturer of Kaolin and value-added Kaolin products in India. Ashapura has leveraged its in-house expertise and decades of experience to become a preferred supplier of coating and filler solutions to paint, paper, fibre glass and ceramic companies in India and the Middle East.

OUTLOOK:

The outlook for FY 2022-23 is set to be positive on account of firm domestic demand in India and a structural reorientation of global mineral supply chains in the export market.

The Company is well placed to cater to Asia's largest economy in light of its tendency to increase ore imports from Africa versus Australia; furthermore, its white performance mineral portfolio is poised to replace exports from Ukraine that have been disrupted by the turmoil in the region.

The Company has garnered a large resource base of Bauxite, which is the primary ore for Aluminium metal. Aluminium which is already a widely used metal is finding increased usage in e-vehicles and electronics. FY 2022-23, the Company looks forward to consolidating its dominance in the Indian white fillers market.

RISK & CONCERNS:

Traditionally, the mining industry is fraught with several challenges such as commodity cycles, environmental risks, regulatory & compliance change risks. In the recent past, the Company has grappled with freight market and logistical risks which have continued to disturb business in the post-Covid economy.

Continuing shutdowns in large global manufacturing economies in Europe and Asia whether on account of energy shortages or on account of the continuing pandemic pose a genuine risk to global mineral demand apart from hawkish monetary policies of Central Banks.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY:

In keeping with the size and nature of its business and complexity of its operations, commensurate internal control procedures are implemented by the Company. The guidelines are set by the Audit Committee Members and Board of Directors who are responsible for the internal control system. They carry out periodic reviews of the internal audit plan, verify the adequacy of the control system, marks its audit observations, and monitors the sustainability of the remedial measures.

On the recommendation of the Audit Committee, the Company appointed M/s Atul HMV & Associates LLP as the Internal Auditors of the Company for the financial year 2021-2022. Observations made in internal audit reports on business processes, systems, procedures and internal controls and implementation status of recommended remedial measures by the Internal Auditors, are presented quarterly to the Audit Committee.

The Company's internal control system is designed to ensure management efficiency, measurability and verifiability, reliability of accounting and management information, compliance with all applicable laws and regulations, and the protection of the Company's assets. This is to timely identify and manage the Company's operational, compliance-related, economic and financial risks.

RESEARCH & DEVELOPMENT:

Company's Research and Development (R&D) capabilities are playing an important role towards furthering your company's vision and goals. Company's Knowledge & Innovation Center at Bhuj, Gujarat, carries out extensive research on product and process development over the years. It has been operated by a very competent team which focuses on expanding its mineral portfolio and solutions for sustainable future growth of business through new Process & Product development, process improvements for Maximisation of quality, cost and energy optimisation, waste utilisation etc.

During the year, the team carried out research & development activities in the field of Specialty Mineral Products, Industrial Functional & White Mineral etc. During the year under review, the team also put their efforts in Water Treatment and Catalysis development.

INDEPENDENT AUDITORS' REPORT

To
The Members of
ASHAPURA MINECHEM LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Ashapura Minechem Limited ("the Company") which comprise the balance sheet as at 31st March 2022, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, of its loss including other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>Revenue Recognition</p> <p>Revenue is one of the key profit drivers and is, therefore, susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since inappropriate cut-off can result in material misstatement of results for the year.</p>	<p>We carried out testing controls around dispatches and deliveries, inventory reconciliation and substantive testing for cut-offs and analytical review procedures.</p>
<p>Assessment of litigations and related disclosure of contingent liabilities</p> <p>The Company is subject to large number of various ongoing legal and tax related claims as stated under note no. 34 – Contingent Liabilities.</p> <p>Significant judgment is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognized or a disclosure should be made. The management judgment is also supported with legal advice in certain cases as considered appropriate.</p> <p>As the ultimate outcomes of the matters are uncertain and material in nature, it is considered to be a Key Audit Matter.</p>	<p>We understood, assessed and tested the operating effectiveness of key controls surrounding assessment of litigations and discussed with the management the recent developments and the status of the material litigations;</p> <p>We evaluated management's assessment by understanding precedents set in similar cases and assessed the reliability of the management's past estimates and judgments;</p> <p>We reviewed the disclosures made by the Company in the financial statements in this regard and obtained representation letter from the management on the assessment of these matters.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance Report, Shareholder's Information, but does not include the standalone financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Ashapura Minechem Limited

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosure, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
 - e) On the basis of written representations received from the directors as on 31st March 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022, from being appointed as a director in terms section 164(2) of the Act;
 - f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure – B may be referred;
 - g) In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read schedule V of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
 - v. The dividend declared or paid during the year by the Company is in accordance with section 123 of the Act.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

- 1 In respect of property, plant and equipment:
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
 - b. The Company has maintained proper records showing full particulars of intangible assets.
 - c. Property, plant and equipment were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No material discrepancies were noticed on such verification.
 - d. The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under property, plant and equipment are held in the name of the Company.
 - e. The Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets during the year.
 - f. There are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and Rules made thereunder.
- 2
 - a. The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
 - b. The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. The requirement to report under clause 3(ii)(b) of the Order is, therefore, not applicable.
- 3 In respect of investments, guarantees or securities provided or loans or advances in the nature of loans granted by the Company:
 - a. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year except:

Particulars	Loans (₹ in lacs)
Aggregate amount of loans granted during the year – subsidiaries	3,700.00
Aggregate amount of loans granted during the year - others	14.85
Balances outstanding as on balance sheet date – subsidiaries	5,097.66
Balances outstanding as on balance sheet date – others	9.61
 - b. The terms and conditions of the grant of these loans and investment made during the year are not prejudicial to the interest of the Company.
 - c. In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest have not been stipulated and the repayments are regular. However, receipts of interest on loans of ₹ 1,369.91 lacs granted to one of the subsidiaries are not regular.
 - d. There is no overdue amount in respect of loans granted.
 - e. No loans or advances in the nature of loans granted by the Company that have fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - f. The Company has not granted any loans or advances in the nature of loans that are either repayable on demand or without specifying any terms or period of repayment.
- 4 The Company has complied with provisions of Section 185 and 186 of the Act in respect of loans, investments, guarantees and securities, to the extent applicable.
- 5 The Company has not accepted any deposits from public or any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and rules made thereunder, to the extent applicable, except for advances from customers aggregating to ₹ 1,967.65 lacs,

which, in the opinion of the management, are accepted in the ordinary course of business. No order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal.

6 We have broadly reviewed the cost records maintained by the Company pursuant to Section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

7 In respect of statutory and other dues:

- a. The Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees state insurance, income tax, cess, goods & service tax and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
- b. There are no statutory dues, which have not been deposited on account of dispute except for the followings:

Nature of Dues	Statute	₹ in lacs	Relevant Year	Forum where dispute is pending
Service Tax	Service Tax Act	231.68	Various Years	The Commissioner of Goods & Service Tax
Value Added Tax	Andhra Pradesh Value Added Tax Act	16.12	2006-07 to 2009-10	The Commercial Tax Officer
Value Added Tax	Gujarat Value Added Tax Act	30.57	2009-10 to 2013-14	The Assistant Commissioner of VAT
Income Tax	Income Tax Act	2,701.63	2018-19	The Commissioner of Income Tax (Appeals)

8 The Company has not surrendered or disclosed any transactions, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

- 9
- a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - b. The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - c. The term loans have been applied for the purposes for which they were obtained.
 - d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used for long-term purposes by the Company.
 - e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associate or joint venture companies.
 - f. The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.

- 10
- a. The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments).
 - b. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review except for conversion of preferential share warrants to the promoter group in accordance with the relevant provisions of the Act.

- 11
- a. No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
 - b. No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - c. The Company has not received any whistle blower complaint during the year and up to the date of this report.

12 The Company is not a Nidhi Company as per the provisions of the Act. The requirement to report under clause 3 (xii) of the Order is, therefore, not applicable.

13 Transactions with the related parties are in compliance with Section 177 and 188 of the Act, wherever applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.

Ashapura Minechem Limited

- 14
- a. The Company has an internal audit system commensurate with the size and nature of its business.
 - b. We have considered the internal audit reports of the Company issued till date for the period under audit.
- 15 The Company has not entered into any non-cash transactions with its directors or persons connected with its directors.
- 16
- a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
 - b. The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid certificate of registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
 - d. There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly the requirement to report under clause 3(xvi)(d) of the Order is not applicable.
- 17 The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- 18 There has been no resignation by the statutory auditors of the Company during the year.
- 19 According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20 There are no unspent Corporate Social Responsibility (CSR) amounts required to be transferred under sub-section (5) or (6) of Section 135 of the Act.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We have audited the internal financial controls over financial reporting of **Ashapura Minechem Limited** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes forming part of the financial statements for the year ended 31st March 2022

COMPANY INFORMATION

Ashapura Minechem Limited ("the Company") is a public limited company domiciled in India and incorporated on 19th February, 1982 under the provisions of the Companies Act applicable in India. The Company is engaged in the mining, manufacturing and trading of various minerals and its derivative products. The registered office of the Company is located at Jeevan Udyog Building, 3rd Floor, D N Road, Fort, Mumbai – 400 001. The equity shares of the Company are listed on Bombay Stock Exchange (BSE) as well as National Stock Exchange (NSE).

The standalone financial statements ("the financial statements") were authorized for issue in accordance with the resolution of the Board of Directors on 30th May, 2022.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013 ("the Act"), read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. The Company considers 12 months as normal operating cycle.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Significant accounting policies:

a. Current and Non Current Classification

The Company presents assets and liabilities in the balance sheet based on current and non-current classification. Any asset or liability is classified as current if it satisfies any of the following conditions:

- It is expected to be settled in the Company's normal operating cycle;
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- It is held primarily for the purpose of being traded;
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.

- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Company depreciates property, plant and equipment on written down value method except for building, plant & machinery, laboratory equipment and excavators where depreciation is provided on straight line method over the estimated useful life prescribed in Schedule II of the Act from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.

d. Investments properties

- a) Property which is held for long-term rental or for capital appreciation or both is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.
- b) Investment properties currently comprise of plots of land and buildings.
- c) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period in which the property is derecognised.

e. Investments and financial assets

- (i) Investments in subsidiary, joint venture and associate companies

Investments in subsidiary, joint venture and associate companies are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there is any indication that the said investments may be impaired. If so, the Company estimates the recoverable value of the investments and provides for impairment, if any, i.e. the deficit in the recoverable value over cost.

- (ii) Other investments and financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss (“ECL”) model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

f. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company

g. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

h. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured net of any expected credit losses.

i. Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs.

j. Financial liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

k. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased in the normal course of business. These amounts represent liabilities for goods provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

l. Revenue recognition

- (i) Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognised as per the terms of relevant contractual agreements/arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of discounts.
- (iii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.
- (iv) Export sales are recognised on the date of the mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sales and initially recorded at the relevant exchange rates prevailing on the date of the transaction.
- (v) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (vi) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

m. Indirect taxes

Purchases of goods and fixed assets are accounted for net of Goods and Service Tax (GST) input credits. Custom duty paid on import of materials is dealt with in respective material accounts.

n. Mining expenses

Expenses incurred on mining including removal of overburden of mines are charged to the statement of profit & loss as mining cost on the basis of quantity of minerals mined during the year, overburden of removal and mining being carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

o. Research and development expenses and receipts

Revenue expenditure on research and development is charged against the profit for the year in which it is incurred. Capital expenditure on research and development is shown as an addition to the fixed assets and is depreciated on the same basis as other fixed assets. Receipts of research & development centre of the Company are accounted for as revenue receipts.

p. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

q. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further obligations beyond the monthly contributions.
- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Company. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the statement of profit and loss.

r. Leases

Company as lessee

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

s. Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

t. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

u. Taxes on income

Income tax expense comprises current tax expense and the deferred tax during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. In case of uncertainty of reversal of the deferred tax assets or when it is no longer probable that sufficient taxable profits will be available in the foreseeable future, deferred tax assets, as a matter of prudence, are not recognised.

The carrying amount of deferred tax is reviewed at each reporting date and measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

v. Provisions and contingent liabilities

The Company creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

w. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

x. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

y. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed

z. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the operating decision makers. The decision makers regularly monitor and review the operating result of the whole Company. The activities of the Company, in the opinion of the management, primarily falls under a single segment of "Minerals and its derivative products" in accordance with the Ind AS 108 "Operating Segments".

ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the following three levels prescribed under Ind AS -113 "Fair Value Measurements".

Financial assets measured at fair value - recurring fair value measurements at 31st March 2022

(Indian ₹ in lacs)

Particulars	Level 1	Level 2	Level 3	Total
Financial investment at FVOCI				
Investment in equity shares (unquoted)	-	-	-	-
Total	-	-	-	-

Financial assets measured at fair value - recurring fair value measurements at 31st March 2021

(Indian ₹ in lacs)

Particulars	Level 1	Level 2	Level 3	Total
Financial investment at FVOCI				
Investment in equity shares (unquoted)	-	-	516.46	516.46
Total	-	-	516.46	516.46

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in active markets. Quotes would includes rates/values/ valuation references published periodically by stock exchanges on basis of which trades take place in a linked or unlinked active market. This includes traded bonds and mutual funds, as the case may be.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data (either directly as prices or indirectly derived from prices) and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indetermination asset included in level 3.

Note 31

Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings, Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity risk	Borrowings, trade payables and other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies and others.

In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company. The Company regularly reviews trade receivables and necessary provisions, whenever required, are made in the financial statements.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Company, to the best extent possible, attempts to manage liquidity risk by maintaining adequate liquid assets and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company has several balances in foreign currency and consequently, the Company is exposed to foreign exchange risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies, to the extent possible.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings, wherever possible.

Company's exposure to foreign currency risk at the end of each reporting period is as under:

b) a) Exposure in foreign currency -Hedged The Company has no hedged foreign currency exposure at the end of the relevant period.

c) Exposure in foreign currency - unhedged

Note 32

Capital management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The Company's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company attempts to ensure optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The following table summarises the capital of the Company:

The Members of
ASHAPURA MINECHEM LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Ashapura Minechem Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which includes Group's share of profit in its associates and joint ventures, comprising the consolidated balance sheet as at 31st March 2022, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and consolidated cash flow statement for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements of the subsidiaries, associates and joint ventures referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2022 and their consolidated profit, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

Attention is invited to the fact that one of the overseas joint venture, Ashapura Dhofar Resources LLC has accumulated loss of Rs. 1,952.03 lacs as on March 31, 2022. This condition indicates the existence of material uncertainty that may cast significant doubts over this joint venture's ability to continue as a going concern. However, since the management is hopeful of providing necessary financial support and resuming activities in near future, these financial statements have been prepared on a going concern basis. Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>Revenue Recognition Revenue is one of the key profit drivers and is, therefore, susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since inappropriate cut-off can result in material misstatement of results for the year.</p>	<p>We carried out testing controls around dispatches and deliveries, inventory reconciliation and substantive testing for cut-offs and analytical review procedures.</p>
<p>Assessment of litigations and related disclosure of contingent liabilities The Holding Company is subject to large number of various ongoing legal and tax related claims as stated under note no. 36 – Contingent Liabilities.</p>	<p>We understood, assessed and tested the operating effectiveness of key controls surrounding assessment of litigations and discussed with the management the recent developments and the status of the material litigations;</p>
<p>Significant judgment is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognized or a disclosure should be made. The management judgment is also supported with legal advice in certain cases as considered appropriate.</p>	<p>We evaluated management's assessment by understanding precedents set in similar cases and assessed the reliability of the management's past estimates and judgments;</p>
<p>As the ultimate outcomes of the matters are uncertain and material in nature, it is considered to be a Key Audit Matter.</p>	<p>We reviewed the disclosures made by the Holding Company in the financial statements in this regard and obtained representation letter from the management on the assessment of these matters.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance Report, Shareholder's Information, but does not include the consolidated financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates and joint ventures in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates and joint ventures for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for assessing the ability of the Group and of its associates and joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for overseeing the financial reporting process of the Group and of its associates and joint ventures.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates & joint ventures to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosure, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates & joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of twenty-two subsidiaries, whose financial statements reflect total assets of ₹ 2,64,396.43 lacs as at 31st March 2022 and Gross revenues of ₹ 1,37,777.08 lacs and net profit after tax (including other comprehensive loss) ₹ 12,115.63 lacs for the year then ended, and of six associates and three joint ventures, whose financial statements reflect the Holding Company's share of net loss of ₹ 196.60 lacs as considered in the consolidated financial statements. These financial statements are audited by other auditors whose reports have been furnished to us by the management and our opinion on consolidated

Ashapura Minechem Limited

financial statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint ventures and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to aforesaid subsidiaries, associates and joint ventures is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements above and our report on other Legal and Regulatory Requirements below is not modified in respect of these matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/"the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of the respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Holding Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said respective companies included in the consolidated financial statements except following:

ANNEXURE – A TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Ashapura Minechem Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and associates and joint ventures which are incorporated in India as of 31st March, 2022 In conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries, associates and joint ventures which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting of the Group, its associates and joint ventures incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

Ashapura Minechem Limited

assets of the Company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, its associates and joint ventures which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal controls over financial reporting in so far as it relates to subsidiaries, associates and joint ventures incorporated in India which have been audited by other auditors, is based solely on the corresponding reports of the auditors of such companies. Our opinion is not modified in respect of this matter.

Ashapura Minechem Limited

Notes forming part of the financial statements for the year ended 31st March 2022

COMPANY INFORMATION

Ashapura Minechem Limited (the 'Holding Company') is a public limited company domiciled in India and incorporated on 19th February, 1982 under the provisions of the Companies Act applicable in India. The Group is engaged in the mining, manufacturing and trading of various minerals and its derivative products. The registered office of the Company is located at Jeevan Udyog Building, 3rd Floor, D N Road, Fort, Mumbai – 400 001. The equity shares of the Holding Company are listed on Bombay Stock Exchange (BSE) as well as National Stock Exchange (NSE).

The consolidated financial statements were authorized for issue in accordance with the resolution of the Board of Directors on 30th May, 2022.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ("the Act") read together with Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The consolidated financial statements have been prepared and presented under historical cost convention, on accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair value at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these consolidated the financial statements.

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. The Group considers 12 months as normal operating cycle.

Consolidated Financial Statements are presented in Indian Rupees (INR) which is the Holding Company's functional currency, and all the values are rounded to the nearest lacs except otherwise indicated.

1.2 Basis for consolidation

- a. The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.
- b. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Holding Company. Where the end of the reporting period of the other group companies is different from that of the Holding Company, those companies prepare, for consolidation purpose, additional financial information as of the same date as the financial statements of the Holding Company to enable the Holding Company to consolidate the financial information of those companies, unless it is impracticable to do so.
- c. The consolidated financial statements present the consolidated accounts of the Holding Company, Ashapura Minechem Limited with its following subsidiaries, associates and joint ventures:

- d. Financial statements of all the entities have been drawn up to the year ended 31st March 2022 except for two overseas subsidiaries, Ashapura Fareast MPA Sdn Bhd – Malaysia and Ashapura Fareast Acticlay Sdn Bhd - Malaysia where the accounts are last drawn up to 31st December, 2021.

Subsidiaries

- A subsidiary is an entity over which the Holding Company has control. The Company controls an entity when the Holding Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Holding Company.
- The Holding Company combines the financial statements of the Holding Company and its subsidiary companies on a line by line basis, adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealized gains on transactions among the Group are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are consistent with the policies adopted by the Holding Company.
- A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction. If the Holding Company loses control over a subsidiary, it derecognizes the assets, liabilities, carrying amount of any non-controlling interests and the cumulative translation differences recorded in equity.

Joint Venture Companies

- A joint venture is a joint arrangement whereby parties that have joint control of the arrangement have rights to the net assets of the arrangement. Interests in joint ventures are initially recognized at cost and thereafter accounted for using the equity method.
- Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses and other comprehensive income of the investee in the Statement of Profit and Loss and Other Comprehensive Income of the Group. Distributions received or receivable from joint ventures are recognized as a reduction in the carrying amount of the investment.
- Unrealized gains on transactions between the Group and its joint ventures are eliminated to the extent of the Group's interest in the joint ventures.
- After application of the equity method, at each reporting date, the Group determines whether there is objective evidence that the investment in the joint venture is impaired. If there exists such evidences, the Group determines extent of impairment and then recognizes the loss in the statement of profit & loss.
- Upon loss of significant joint control over the joint venture, the Group measures and recognizes any retained investment at its fair value. Any difference between the carrying amount of the joint venture and the fair value of the retained investment and proceeds from the disposal is recognized in profit and loss.
- When the Group's share of losses exceeds the carrying value of the joint venture, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Group has incurred obligation in respect of the joint venture.

Associates

- An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

Ashapura Minechem Limited

- b) The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.
- c) The Group's investments in its associate are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognised changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investments and is not tested for impairment individually.
- d) The statement of profit & loss reflects the Group's share of the results of the operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group in the associate are eliminated to the extent of the interest in the associate.
- e) If Group share of losses of an associate exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Groups net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the Group resumes recognising its share of those profits only after its share of the profits equals the share of the losses not recognised.
- f) After application of the equity method, the Group determines whether it is necessary to recognise in impairment loss on its investment in its associate. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Group calculates the amounts of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as 'share of profit of an associate' in the consolidated statement of profit & loss.
- g) Upon loss of significant influence over the associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence or joint control and the fair value retained investments and proceeds from its disposal is recognised in profit or loss.
- h) When the Group's share of losses exceeds the carrying value of the associate, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Group has incurred obligation in respect of the associate.

1.3 Significant accounting policies:

a. System of accounting

The Group follows mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties. These financial statements are prepared under the historical cost convention unless otherwise indicated.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

c. Current and Non Current Classification

The Group presents assets and liabilities in the balance sheet based on current and non-current classification. Any asset or liability is classified as current if it satisfies any of the following conditions:

- It is expected to be settled in the Group's normal operating cycle;
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- It is held primarily for the purpose of being traded;
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only.

d. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.

- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Group depreciates property, plant and equipment over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.

e. Investments properties

- a) Property which is held for long-term rental or for capital appreciation or both is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.
- b) Investment properties currently comprise of building.
- c) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period in which the property is derecognised.

f. Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognised. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS -103 Business Combination.

Goodwill is considered to have indefinite useful life and hence is not subject to amortisation but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

g. Investments and financial assets

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Group changes its business model for managing financial assets.

Financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Group applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition.

h. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Group.

Ashapura Minechem Limited

i. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

j. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured net of any expected credit losses.

k. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs.

l. Financial liabilities

- a. Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- b. Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- c. Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

m. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased in the normal course of business. These amounts represent liabilities for goods provided to the Group prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

n. Revenue recognition

- i. Revenue from contract with customers is recognised when the Group satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognised as per the terms of relevant contractual agreements/arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.
- ii. Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of discounts.
- iii. Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.
- iv. Export sales are recognised on the date of the mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sales and initially recorded at the relevant exchange rates prevailing on the date of the transaction.
- v. Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- vi. Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

o. Indirect taxes

Purchased of goods and fixed assets are accounted for net of GST input credits. Custom duty paid on import of materials is dealt with in respective material accounts.

p. Mining expenses

Expenses incurred on mining including removal of overburden of mines are charged to the profit & loss statement as mining cost on the basis of quantity of minerals mined during the year, overburden of removal and mining being carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

q. Research and development expenses and receipts

Revenue expenditure on research and development is charged against the profit for the year in which it is incurred. Capital expenditure on research and development is shown as an addition to the fixed assets and is depreciated on the same basis as other fixed assets. Receipts of research & development centre of the Group are accounted for as revenue receipts.

r. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the Group operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the Holding Company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

s. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Group has no further obligations beyond the monthly contributions.
- (ii) The Group provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Group. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the statement of profit and loss.

**t. Leases
Group as Lessee**

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred.

The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Group as lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

u. Borrowing costs

Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

v. Impairment of non financial assets

As at each reporting date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

Ashapura Minechem Limited

w. Taxes on income

Income tax expense comprises current tax expense and the deferred tax during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. In case of uncertainty of reversal of the deferred tax assets or when it is no longer probable that sufficient taxable profits will be available in the foreseeable future, deferred tax assets, as a matter of prudence, are not recognised.

The carrying amount of deferred tax is reviewed at each reporting date and measured at the tax rates that are expected to be applied to settled temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

x. Provisions and contingent liabilities

The Group creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

y. Earnings per share

- a. Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- b. For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

z. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

aa. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

bb. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the operating decision makers. The decision makers regularly monitor and review the operating result of the Group. The activities of the Group, in the opinion of the management, primarily falls under a single segment of "Minerals and its derivative products" in accordance with the Ind AS 108 "Operating Segments".

ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in the financial statements. To provide an indication about the realisability of the inputs used in determining fair value, the group has classified its financial instruments into the following three levels prescribed under Ind AS -113 "Fair Value Measurements".

Financial assets measured at fair value - recurring fair value measurements at 31st March 2022

(Indian ₹ in lacs)

Particulars	Level 1	Level 2	Level 3	Total
Financial investment at FVOCI				
Investment in equity shares (unquoted)	-	-	-	-
Total	-	-	-	-

Financial assets measured at fair value - recurring fair value measurements at 31st March 2021

(Indian ₹ in lacs)

Particulars	Level 1	Level 2	Level 3	Total
Financial investment at FVOCI				
Investment in equity shares (unquoted)	-	-	516.46	516.46
Total	-	-	516.46	516.46

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in active markets. Quotes would includes rates/values/ valuation references published periodically by stock exchanges on basis of which trades take place in a linked or unlinked active market. This includes traded bonds and mutual funds, as the case may be.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data (either directly as prices or indirectly derived from prices) and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and in determination asset included in level 3.

Note 33

Financial risk management

The Group's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings, Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity risk	Borrowings, trade payables and other liabilities	Maturity analysis	Maintaining sufficient cash/ cash equivalents and marketable securities
Market risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Group. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables.

In respect of trade receivables, the Group uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Group. The Group regularly reviews trade receivables and necessary provisions, whenever required, are made in the financial statements.

B. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in raising funds to meet its commitments associated with financial instruments.

Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Group, to the best extent possible, attempts to manage liquidity risk by maintaining adequate liquid assets and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Group has several balances in foreign currency and consequently, the Group is exposed to foreign exchange risk. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies, to the extent possible.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings, wherever possible.

b) Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	(Indian ₹ in lacs)	
	Increase/decrease in basis points	Effect of profit before tax
31st March, 2022	+100	636.27
	-100	(636.27)
31st March, 2021	+100	663.24
	-100	(663.24)

Group's exposure to foreign currency risk at the end of each reporting period is as under:

c) Exposure in foreign currency - unhedged

Note 34

Capital management

For the purpose of the Group's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Group. The primary objective of the Group when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The Group's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Group attempts to ensure optimal credit risk profile to maintain/enhance credit rating.

The Group determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Group monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Group. The following table summarises the capital of the Group:
