NOTES:

- a) In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 05, 2020 read with circulars dated April 08, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
- b) A statement giving additional details of Director seeking appointment / reappointment as set out in Item No.3 is annexed herewith as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

- c) Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- d) Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to ragini.c@rediffmail.com with a copy marked to evoting@nsdl.co.in.
- e) The Company has fixed Friday, July 31, 2020 as the 'Record Date' for determining entitlement of members to final dividend for the financial year ended March 31, 2020, if approved at the AGM.
- f) If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend subject to deduction of tax at source will be made on Monday, September 7, 2020 as under:
 - To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories", as of the close of business hours on Friday, July 31, 2020.
 - To all Members in respect of shares held in physical form after giving effect to valid transfer, transmission or

- transposition requests lodged with the Company as of the close of business hours on Friday, July 31, 2020.
- g) Members holding shares in Dematerialized Form are requested to intimate immediately any change in their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to M/s. TSR Darashaw Consultants Private Limited ("TCPL") in case the shares are held by them in physical form.
- h) As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 01, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, TSR Darashaw Consultants Private Limited ("TCPL") for assistance in this regard.
- In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to yote at the AGM.
- j) Members who have not encashed their dividend warrants for the financial years ended March 31, 2013 and thereafter, may immediately approach the Company for revalidation of unclaimed warrants as the amount of dividend remaining unpaid for a period of 7 years shall be transferred to Investors Education & Protection Fund as per the provisions of Section 124 of the Companies Act, 2013. The shares in

respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, members are requested to claim their dividends from the company within the stipulated timeline. The members, whose unclaimed dividends/ shares have been transferred to the Investors Education and Protection Fund (IEPF), may claim the same by making an online application to the IEPF authority in Form No. IEPF - 5 available on www.iepf.gov.in.

- k) Pursuant to the provisions of Investor Education and Protection Fund (Uploading of information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012, the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on August 05, 2019 (date of last Annual General Meeting) on the website of the Company (www.bcma.in).
- The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in dematerialized form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their Demat Accounts. Members holding shares in physical form can submit their PAN to the Company / RTA.
- m) In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company's website www.bcma.in, websites of the stock exchange i.e. BSE Limited at www.bseindia.com and on the website of NSDL https://www.evoting.nsdl.com.

- n) The Company has engaged the services of National Securities Depository Limited (NSDL) as the authorized agency for conducting of the e-AGM and providing e-voting facility.
- The attendance of the Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 01, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/ TCPL (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to Csg-exemptforms@tsrdarashaw.com by 11:59 p.m on August 05, 2020. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to Csg-exemptforms@tsrdarashaw.com. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 p.m. on August 05, 2020.

- q) Members holding shares in physical form are requested to register / update their postal address, email address, telephone / mobile numbers, PAN, mandates, nominations, power of attorney, bank details such as name of the Bank and branch details, Bank account number, MICR Code, IFSC code, etc. with the Registrar, TSR Darashaw Consultants Private Limited / the Company, duly quoting their Folio number at the earliest, so as to enable the Company to send the said documents in electronic form, thereby supporting the green initiative of the MCA.
- r) Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to the Registrar and Share Transfer Agent of the Company for consolidation of the folios.
- s) Relevant documents referred to in the accompanying Notice calling the AGM are available for inspection through electronic mode up to the date of the AGM. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, upon request will be available electronically for inspection by the members during the AGM. Members seeking to inspect such documents can send an email to investors@bcma.in.
- t) Members desiring any information with regard to the annual accounts of the Company or any other matter to be placed at the AGM are requested to write to the Management at least 10 (Ten) days before the meeting i.e. on or before August 02, 2020 through email on investors@bcma.in. The same will be replied by the Company suitably.
- u) Mr. Chakor L. Doshi (DIN: 00210949)
 Director of the Company retire by rotation at the 101st Annual General Meeting and being eligible offer himself for re-appointment.

The brief resume, nature of his expertise in specific functional areas, disclosure of relationships between Directors interse, Directorships and Memberships of Committees of the Board of Listed entities and shareholding of Non-Executive Directors, as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is set out in this Notice as **Annexure**

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRIAL STRUCTURE AND DEVELOPMENT

The Automobile and Hospitality industries are an integral constituent of growing Indian Economy in the long term basis. It is one of the diversified sectors. Over the generations automobiles and Hospitality sector have influenced every aspect of society in many ways and have changed to keep up with the times.

The automobile industry is expected to emerge as the world's third largest passenger vehicle market in long term driven by the underlying economic growth, increasing consumption demand and mass urbanization.

The Hospitality industry is evolving with the advent of new technology and concepts. Technology plays a significant role as a differentiator in the industry. The key trend that is re-shaping the Industry is food ordering platforms. The technology that delivers great food right to your doorstep is starting to gain popularity.

OPPURTUNITIES AND THREATS

Since the automobile industry is expected to emerge as the world's third largest passenger vehicle market in long term, this growth is expected to be driven by new launches in premium segment passenger Vehicles over a period of time. Further with the increasing Restaurant trends, opportunity in Hospitality division looks good in long term. Further Food and beverage (F&B) and banquets is expected to grow as the same will be required for Corporate Meetings, pre wedding events, Birthday events etc.

As both the Segments - Auto Division and Hospitality falls in the category of Luxury segment and not basic necessities, any reduction in the disposable income of the customers will be considered as a threat in the future. Further for the Hospitality Division the dependence on several technology platforms

and Systems would pose a threat to the revenue from food orders.

However, due to COVID-19 both Businesses were under lockdown as per the guidelines of the Government and adversely impacted the business of both divisions in term of revenues and profits and will continue to be so at least in the first half year of F.Y. 2020-21.

SEGMENT WISE PERFORMANCE & FINANCIAL PERFORMANCE

The Company has two reportable segments: Auto Division and Hospitality Division.

During the year under review 2019- 20, revenue from auto division was at ₹ 386 Lakhs compared to ₹ 417 Lakhs in previous year 2018–19. Revenue from the Hospitality Division stood at ₹ 462 Lakhs Compared to ₹ 412 Lakhs in previous Year 2018-19.

Profit before Interest and Tax from Auto Division stood at ₹ 294 Lakhs and from Hospitality division stood at ₹ 76 Lakhs.

The total Revenue of the Company comprising of Automobile and Hospitality Divisions was ₹ 849 Lakhs as compared to ₹ 829 Lakhs in the previous year. Further the Profit after tax for F. Y. 2019-20 stood at ₹ 281 Lakhs as compared to ₹ 246 Lakhs in previous year 2018-19.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has sound and adequate internal control commensurate with its size and nature of business. We constantly upgrade our systems for incremental improvements, because we firmly believe that change is the only permanent thing, and without change we cannot progress. We periodically review the systems. These systems ensure protection of assets and proper recording of transactions and timely reporting.

RISKS. CONCERNS AND THREATS

The Automobile and Hospitality industry is prone to impact due to fluctuations in the economy, change in market conditions, competition in the

industry, regulations and other factors.

Motor Services (Auto Division) & running Restaurant (Hospitality Division) has huge staff turnover. Rising staff & utility costs, staff retention & customer / guests satisfaction are the major concerns for both these Industries. Profitability will continue to be a concern with high operational costs. To meet this situation, both Auto Division and Hospitality division have to add new customers and additional attention has to be provided towards talent search, training and development of human resources on a long term basis.

MATERIAL DEVELOPMENT IN HUMAN RESOURCE /INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company believes that its intrinsic strength is its people. The Company has always paid special attention to recruitment and development of all categories of staff. The Company is committed to adhere to the highest standards

of ethical and moral conduct of business operations. To maintain these standards, the Company encourages its employees to come forward and express these concerns without fear of punishment or unfair treatment. Industrial Relations remained stable throughout the year. There were 46 permanent employees on the rolls of Company as on March 31, 2020.

CAUTIONARY STATEMENT

This management discussion and analysis may contain Forward looking statements within the meaning of the applicable laws, rules and judicial pronouncements, relating to the business strategies, prospects, financial performance etc. The actual results may vary significantly or materially than those contemplated / implied in the analysis for various reasons including but not limited to the Government policy, macro economic situation, Business cycles, Financial & liquidity situation, demand slowdown, service risks, material costs, etc. The Company does not undertake to make any declarations / pronouncements of any such eventuality.

INDEPENDENT AUDITOR'S REPORT

To the Members of Bombay Cycle & Motor Agency Limited

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Bombay Cycle & Motor Agency Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 26(2) of the accompanying financial statements, which describes the management's evaluation of impact of uncertainties related to COVID-I9 and its consequential effects on the operations of the Company.

Our opinion is not modified in respect of this matter.

Key Audit Matters:

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter. We have determined the matter described below to be the key audit matter to be communicated in our report.

Description of Key Audit Matter

| The key audit matter | How our audit addressed the matter | | | | |
|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--|
| Revenue from Contracts with Customers | | | | | |
| Revenue is one of the key profit drivers and therefore is considered to be a Key Audit Matter. | Our audit approach consisted testing of the design and operating effectiveness of the internal controls and the substantive testing as follows: | | | | |
| | We evaluated accounting policy for revenue recognition and evaluated changes in revenue recognition resulting from Ind AS 115. | | | | |
| | Evaluated design of internal controls relating to implementation of the revenue accounting standard. | | | | |
| | Selected a sample of continuing and new contracts and tested the operating effectiveness of the internal control relating to identification of the distinct performance obligations and determination of the transaction price. | | | | |
| | Tested management controls relating to contracts and related information used in recording and disclosing. | | | | |
| | Based on our work, we noted no significant issues on the accuracy of revenue recognised during the year | | | | |
| Information Other than the Financial | report in this regard | | | | |

Information Other than the Financial Statements and Auditor's Report Thereon

Company's Board of Directors is responsible for the other information. The other information comprises Board's Report, Report on Corporate governance but does not include standalone financial statements and auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to

report in this regard.

Management's Responsibilities for the Financial Statements

The Statement has been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act

for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial Statement, management are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement

represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors'

Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended March 31, 2020)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bombay Cycle & Motor Agency Ltd ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential

components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material

misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE: -26 - SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES

1. Corporate Information:

The Company was formed in 1919 with the main object to undertake business of sales and servicing of motor cars and at present its Automobile division situated at Churchgate is operational for serving of motor cars. The company diversified its operations in Restaurant and Banquets services at its Hospitality Division situated at Opera House.

2. Impact of global pandemic due to COVID 19:

In view of the lockdown across the country due to the COVID19 the operations of the restaurant, Banquets and automobile Service Centre have been affected temporarily in compliance with the directives/orders issued by the relevant authorities. The Company has made detailed assessments of its liquidity position for the next one year and of the recoverability and carrying values of its assets comprising property, plant and equipment, inventories, investments, receivables and other current assets as at the balance sheet date and on the basis of evaluation based on the current estimates has concluded that no material adjustments is required in the financial results. Due to the lockdown there is loss of operating revenue in the hospitality division during the month of March, 2020 approximately amounting to ₹17 Lakhs.

COVID-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian Financial Markets and a significant decrease in the overall economic activities. Covid-19 presented us an operational challenge and required recalibrating the management methodology for sales, collections, operations and customers servicing etc. The Company believes that it has taken into account all the possible impact of known events arising out of Covid-19 pandemic in the preparation of financial statements. However, the impact assessment of Covid-19 is a continuing process given its nature and duration. The Company continues to monitor for any material changes to future economic conditions.

3. Significant Accounting Policies:

I) Basis of Preparation of Financial Statements:

- a) The financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.
- b) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:
 - i) Financial instruments measured at fair value through profit and loss
 - ii) Defined benefit plans plan asset value through measured at fair value.

II) Critical accounting estimates and judgments:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

(a) Useful lives of property, plant and equipment and intangible assets:

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(b) Impairment testing:

Property, plant and equipment and Intangible assets that are subject to amortisation/ depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

(c) Fair value measurement of derivative and other financial instruments:

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgments in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

(d) Litigation:

From time-to-time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

(e) Defined benefit plans:

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

III) Borrowing Costs:

Borrowing costs are recognised in the Statement of Profit and Loss in the year in which they are incurred.

IV) Inventories:

i) Auto spare parts:- At lower of cost and net realisable value.

(Cost in relation to spare parts of Auto Division business includes purchase price net of rebates and incentives from suppliers, octroi and freight)

ii) Materials purchased for preparation of and sale of Food & Beverages, in case of Hospitality Division:- At cost or net realisable value whichever is lower. Cost is determined on the basis of Weighted Average Method and includes all costs incurred for bringing these materials at doorstep of the company.

V) Property, Plant and Equipment:

Items of property, plant and equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of property, plant and equipment and is recognised in profit or loss.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and Capital work-in-progress) less their residual values on straight-line method over their useful lives as indicated in Part C of Schedule II of the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives are as follows:

| Asset Category | No. of Years |
|---------------------------------|--------------|
| Buildings | 60 |
| Plant and equipment | 15 |
| Plant and equipment - Computers | 3 |
| Furniture and fixtures | 10 |
| Office Equipment | 5 |
| Vehicles | 6 |

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment ('PPE') recognised as of April 01, 2016 i.e. transition date, measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

VI) Income Taxes:

Income tax expense comprises current and deferred tax. It is recognised in profit and loss except to the extent that it relates to items recognised directly in equity or in OCI.

a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Current tax assets and liabilities are offset only if:

 there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority; and

ii) there is intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

b) Deferred tax

Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

VII) Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured based on the consideration specified in the contract with a customers. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. If the consideration promised in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

Income from operations:

Food and Beverage & Banquets: Revenue is recognised at the transaction price that is allocated to the performance obligation. Revenue includes food and beverage sale and banquet services which is recognised once the food and beverages are sold and banquet services have been provided as per the contract with the customer.

Service Income, which is primarily relates to revenue from servicing of cars, is recognized as and when the underlying services are performed.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend

Dividend income from investment is recognised when the right to receive payment has been established,

Provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

VIII) Lease:

Effective April 1, 2019, the Company adopted Ind AS 116, Leases, and applied the standard to all lease contracts existing on April 1, 2019. The Company elected to use the recognition exemption for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option ("short-term leases") and lease contracts for which the underlying asset is of low value ("low value assets"). The Company did not have any material impact on the financial statements on application & transition of the above standard.

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that in assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

IX) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income\
- Debt instruments and equity instruments at fair value through profit or loss
- Equity instruments measured at fair value through other comprehensive income

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met;

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortisation is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at fair value through other comprehensive income

A 'debt instrument' is measured as at fair value through other comprehensive income if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the fair value through other comprehensive income category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit or loss. On derecognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to profit or loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

Debt instrument at fair value through profit or loss

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as fair value through other comprehensive income, is classified as at fair value through profit or loss.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit or loss. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the fair value through profit or loss category are measured at fair value with all changes recognized in the profit or loss.

(b) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at fair value through profit or loss are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in profit or loss.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

X) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and balance with Bank.

XI) Earnings per Share:

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed

by dividing the net profit after tax by the weighted average number of equity shares as above and also the weighted average number of equity shares upon conversion of all dilutive potential equity shares.

XII) Cash Flow Statements:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of Company are segregated.

XIII) Employees benefits:

- Short term employee benefits are recognized as an expense at the undiscounted amount in the Profit and loss account of the year in which the related service is rendered. These benefits include compensated absences such as paid annual leave and performance incentives.
- ii) Post employment and other long term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using acturial valuation techniques. Acturial gains and losses are recognized in full in the Profit and Loss account for the period in which they occur.
 - Liability towards Gratuity is being discharged regularly in accordance with the terms of employment with the employees.
- iii) Provident Fund scheme: The Company makes specified monthly contributions towards Employee Provident Fund to Employees' Provident Fund Organisation. Interest is credited to respective employees on regular basis as per the interest rate notified by government on time to time by Employee Provident Fund to Employees' Provident Fund Organisation.

XIV)Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in a prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.

XV) Financial risk management:

The Company has exposure to the following risks arising from financial instruments:

- * Credit risk;
- * Liquidity risk; and
- * Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds & fixed deposits with good returns and within approved credit ratings.

ii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

iii) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related interest rate risk and the market value of its investments.

XVI) Recent Accounting pronouncements:

Standards issued but not yet effective;

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

4) Employee Benefits:

The disclosures required under Ind AS-19 "Employee Benefits" are given below:

Consequently, in accordance with Ind AS-33' Earning Per Share have been adjusted for the previous year (2019) to give effect to the aforesaid issue of Bonus Shares.

8. Provisions, Contingent Liabilities and Contingent Assets:

(i) Provisions:

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(ii) Contingent liabilities:

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

a) Claims against the Company not acknowledged as debt;
