Dear Sir/ Madam,

Subject: Outcome of the Board Meeting of Nexus Select Mall Management Private Limited, Manager to Nexus Select Trust held on May 09, 2024.

We wish to inform you that the Board of Directors of Nexus Select Mall Management Private Limited (“NSMMPL”) (*previously known as Nexus India Retail Management Services Private Limited*), Manager to Nexus Select Trust (“Trust”), at its Meeting held on **Thursday, May 09, 2024**, has *inter-alia*:

- (i) Approved the Audited Condensed Standalone Financial Statements and Audited Condensed Consolidated Financial Statements of the Trust for the quarter, half year and financial year ended March 31, 2024, and has noted the Auditor’s Report thereon (together referred to as “**Audited Financial Statements**”);
- (ii) Declared distributions of ₹3167.87 million (Indian Rupees Three Thousand One Hundred Sixty Seven point Eight Seven million only) / ₹2.091 (Indian Rupees Two point Zero Nine One only) per Unit for the quarter ended March 31, 2024. The distribution comprises ₹760.53 million (Indian Rupees Seven Hundred Sixty point Five Three million only) / ₹0.502 (Indian Rupees Zero point Five Zero Two only) per Unit in the form of interest (less applicable taxes, if any), ₹1,625.60 million (Indian Rupees One Thousand Six Hundred Twenty Five point Six Zero million only) / ₹1.073 (Indian Rupees One point Zero Seven Three only) per Unit in the form of dividend, ₹15.15 million (Indian Rupees Fifteen point One Five million only) / ₹0.010 (Indian Rupees Zero point Zero One Zero only), per unit in the form of other income and ₹766.59 million (Indian Rupees Seven Hundred Sixty Six point Five Nine million only) / ₹0.506 (Indian Rupees Zero point Five Zero Six only) per unit in the form of repayment of SPV level debt, to those who are the Unitholders of the Trust as on Friday, May 17, 2024 (“**Record Date**”); and
- (iii) Declared Net Asset Value of ₹144.61 (Indian Rupees One Hundred Forty Four point Six One only) per Unit for the Trust as at March 31, 2024 as per Regulation 10(22) of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, based on the Gross Asset Value derived in the Valuation Report dated May 9, 2024, issued by iVAS Partners, Valuer represented by Mr. Vijay Arvindkumar C, Partner.

A copy of the Audited Financial Statements along with the reports of the Statutory Auditors thereon and Security Cover Certificate in compliance with SEBI Circular bearing reference no. SEBI/HO/MIRSD/MIRSD_CRADT/CIR/P/2022/6 dated May 19, 2022, read with Regulation 54 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are enclosed as **Annexure I and II** respectively.

Please note that in accordance with the paragraph 4.9 of SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/116 dated July 06, 2023, the summary of audited financial statements of NSMMPL for the financial year ended March 31, 2024, is included in **Annexure I**.

In terms of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, a declaration regarding unmodified opinion in the Audit Reports of the Trust for the financial year ended March 31, 2024, is enclosed as **Annexure III**

Pursuant to SEBI Circular SEBI/HO/DDHS/DDHS/CIR/P/2018/71 dated April 13, 2018, read with paragraph 4.18 of SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/116 dated July 06, 2023, there is no material deviations, in the use of proceeds of issue of debt securities by the Trust and has been adequately disclosed in the Financial Results.

The documents referred to above shall also be uploaded on the Website of the Trust at <https://www.nexusselecttrust.com/>

Further, pursuant to BSE Circular bearing reference no. 20230315-41 dated March 15, 2023, and NSE Circular bearing reference no. NSE/CML/2023/20, dated March 15, 2023, only the Audited Financial Statements and Auditor's Reports of the Trust for the quarter, half year and financial year ended March 31, 2024, have been enclosed with this outcome.

The Press release, Earnings Presentation and Summary Valuation Report will be uploaded separately.

We also wish to inform you that the record date for the distributions to Unitholders for the quarter ended March 31, 2024, will be **Friday, May 17, 2024**, and the payment of distribution will be made on or before **Friday, May 24, 2024**.

The meeting commenced at 02:30 Hrs IST and concluded at 04:25 Hrs IST.

You are requested to take the same on record.

Thanking you,

For and on behalf of **Nexus Select Trust** acting through its Manager, **Nexus Select Mall Management Private Limited** (Previously known as "Nexus India Retail Management Services Private Limited")

Independent Auditor's Report on Condensed Standalone Ind AS Financial Statements of Nexus Select Trust

To

The Board of Directors of

Nexus Select Mall Management Private Limited

(formerly known as Nexus India Retail Management Services Private Limited) (the "Manager")

in its capacity as Manager of Nexus Select Trust (the "Trust"),

501 B Wing, Embassy 247,

LBS Marg, Vikhroli West,

Mumbai 400083.

Opinion

We have audited the accompanying condensed standalone Ind AS financial statements of Nexus Select Trust (the "Trust"), which comprise the condensed standalone Balance sheet as at March 31, 2024, the condensed standalone Statement of Profit and Loss, including Other Comprehensive Income, the condensed standalone Cash Flow Statement for the quarter, half year and year ended March 31, 2024, the condensed standalone Statement of Changes in Unitholder's Equity for the year ended March 31, 2024, the Statement of Net Assets at Fair Value as at March 31, 2024, the Statement of Total Returns at Fair Value for the year ended March 31, 2024, the Standalone Statement of Net Distributable Cash Flows ('NDCFs') of the Trust for the quarter, half year and year ended March 31, 2024 and notes to the condensed standalone Ind AS financial statements, including a summary of material accounting policies and other explanatory information (together hereinafter referred to as the "Condensed Standalone Ind AS Financial Statements") being prepared by the Manager pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended including any guidelines and circulars issued thereunder ("REIT Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Condensed Standalone Ind AS Financial Statements:

- i. is presented in accordance with the requirements of the REIT Regulations in this regard; and
- ii. gives a true and fair view in conformity with the Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations, of the state of affairs of the Trust as at March 31, 2024, its profit including other comprehensive income and its cash flows for the quarter, half year and year ended March 31, 2024, the changes in unitholder's equity for the year ended March 31, 2024, its net assets at fair value as at March 31, 2024, its total returns at fair value for the year ended March 31, 2024 and the NDCFs of the Trust for the quarter, half year and year ended March 31, 2024.

Basis for Opinion

We conducted our audit of the Condensed Standalone Ind AS Financial Statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the "ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Condensed Standalone Ind AS Financial Statements' section of our report. We are independent of the Trust in accordance with the 'Code of Ethics' issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Condensed Standalone Ind AS Financial Statements.

Nexus Select Trust
Page 2 of 4

Emphasis of Matter

We draw attention to Note 2.1 which describes the Basis of preparation of the Condensed Standalone Ind AS Financial Statements and Note 14 which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our opinion is not modified in respect of this matter.

Responsibilities of Management for the Condensed Standalone Ind AS Financial Statements

The Management of the Manager (the "Management") is responsible for the preparation of these Condensed Standalone Ind AS Financial Statements that give a true and fair view of the financial position as at March 31, 2024, financial performance including other comprehensive income and cash flows for the quarter, half year and year ended March 31, 2024, changes in unitholder's equity for the year ended March 31, 2024, its net assets at fair value as at March 31, 2024, its total returns at fair value for the year ended March 31, 2024 and net distributable cash flows of the Trust for the quarter, half year and year ended March 31, 2024, in accordance with the requirements of the REIT Regulations, Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations. This responsibility also includes maintenance of adequate accounting records for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Condensed Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Condensed Standalone Ind AS Financial Statements, the Management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Condensed Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Condensed Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Condensed Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Nexus Select Trust

Page 3 of 4

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Condensed Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Condensed Standalone Ind AS Financial Statements, including the disclosures, and whether the Condensed Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- (i) The Condensed Standalone Ind AS Financial Statements includes the figures for the quarter ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us.
- (ii) The Condensed Standalone Ind AS Financial Statements includes the figures for the half year ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the second quarter of the current financial year, which were subjected to a limited review by us.

Our opinion on the Condensed Standalone Ind AS Financial Statements is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

Based on audit and as required by the REIT Regulations, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

A) Standalone statement of Net Assets at Fair Value (NAV)

Particular	As at March 31, 2024 (Audited)		As at March 31, 2023 (Audited)	
	Book value	Fair value	Book value	Fair value
(A) Total Assets	174,725.33	241,497.05	451.06	451.06
(B) Total Liabilities	22,416.19	22,416.19	480.47	480.47
(C) Net Assets	<u>152,309.14</u>	<u>219,080.86</u>	<u>(29.41)</u>	<u>(29.41)</u>
(D) No. of Units NAV [(C)/(D)]	1,515,000,000 100.53	1,515,000,000 144.61	Refer note 1	Refer note 1

Notes :

Measurement of fair values

The fair value of investments in SPVs are computed basis the fair value of the underlying investment properties, investment properties under development, property, plant and equipment and capital work-in-progress as at March 31, 2024 along with values of other assets and liabilities accounted in the respective SPV financial statements as at March 31, 2024. The fair value have been determined by independent external property valuers, having appropriately recognized professional qualifications and recent experience in the location and category of the property being valued.

Valuation technique

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (primary vs secondary), tenant credit quality and lease terms.

Notes:

1. The Trust has issued units post March 31, 2023 and acquisition of SPVs / joint venture completed on May 12, 2023, hence the disclosures in respect of Net Asset Value (NAV) per Unit have not been disclosed as at March 31, 2023.

2) Break up of Net Asset Value

Particulars	As at	As at
	March 31, 2024	March 31, 2023
Fair value of investments in SPVs/Investments	238,042.71	-
Other Assets	3,454.34	451.06
Less : Liabilities	22,416.19	480.47
Net Assets	219,080.86	(29.41)

3) The Trust holds investment in SPVs/Investment Entity which in turn hold the properties. Hence, the breakup of property wise fair values has been disclosed in the Condensed Consolidated Financial Statements.

B) Standalone statement of Total Returns at fair value

Particulars	For the half year ended	For the half year ended	For the half year ended	For the year ended	For the period
	March 31, 2024	September 30, 2023	March 31, 2023	March 31, 2024	August 10, 2022 to March 31, 2023
(A) Total comprehensive income / (loss)	5,092.32	3,846.78	(29.51)	8,939.10	(29.51)
(B) Add : Changes in fair value not recognised	7,833.08	3,876.04	-	11,709.12	-
Total Returns C = (A+B)	12,925.40	7,722.82	(29.51)	20,648.22	(29.51)

In the above statement, changes in fair value have been computed based on the difference in fair values of Investment Property, Investment property under development, Property, Plant & Equipment, Capital Work-in-progress from May 13, 2023 (May 12, 2023 being the date of acquisition for SPVs/Joint venture) to March 31, 2024 adjusted for other assets / liabilities of the respective SPVs/Investment Entity. The fair values of the aforementioned assets as at March 31, 2024 and September 30, 2023 are solely based on the valuation report of the independent valuer appointed under the REIT Regulations.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

1. Trust Information

Nexus Select Trust (“the Trust”) has been set up by Wynford Investments Limited (the ‘Sponsor’) on August 10, 2022 as an irrevocable trust under the provisions of the Indian Trusts Act, 1882 pursuant to a Trust Deed dated August 10, 2022 (“Trust Deed”). The registered office of the Trust is situated at Embassy 247, Unit no. 501, B Wing, LBS Marg, Vikhroli (West), Mumbai 400083, Maharashtra.

The Trust was registered with SEBI on September 15, 2022, as a Real Estate Investment Trust (‘REIT’) under Regulation 3(1) of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, having registration number IN/REIT/22-23/0004. The Trustee to the Trust is Axis Trustee Services Limited (the ‘Trustee’) and the Manager for the Trust is Nexus Select Mall Management Private Limited (the ‘Manager’). The objectives of the Trust are to undertake activities in accordance with the provisions of the REIT Regulations and the Trust Deed. The principal activity of the Trust is to own and invest in rent or income generating real estate and related assets in India.

The Trust has acquired the SPVs and investment entity by acquiring all the equity interest, Compulsory Convertible Debentures (CCDs), Redeemable Preference Shares (RPS) held by the Sponsor, Sponsor Group and certain other shareholders on May 12, 2023. In exchange for these, the above holders have been allotted Units of the Trust. Units were subsequently listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) on May 19, 2023.

The condensed standalone financial statements were approved for issue in accordance with a resolution passed by Board of Directors of the Manager on behalf the Trust on May 9, 2024.

Shareholding pattern of Special Purpose Vehicles (SPVs)/Subsidiaries/ Investment Entity of the Trust are as follows:

S. No	Name of the SPV/Subsidiary	Description of asset	Shareholding

17.	Nexus Management Limited (merged with MSPL w.e.f. April 1, 2023)	South Private ('NSMMPL')	Mall Mall management service	100%
18.	Indore Private Limited ('ITIPL')	Treasure Island	Treasure Island Mall	50%

Note: As a part of formation transaction of the Trust, the Sponsor group entity has transferred 99.45% equity to the Trust. For the remaining 0.55%, the Sponsor group entity has agreed to sell its stake to the Trust at a fixed consideration of Rs. 100 million in accordance with the applicable law. As per the arrangement between the Trust and Sponsor group entity, the Trust have present access of ownership on the entire 100% equity of EDPL. Accordingly, investment in EDPL has been disclosed at 100% and consideration payable against the call option has been recognized as liability.

2. Basis of Preparation and Material Accounting Policies

2.1 Basis of Preparation and Statement of Compliance

The Condensed Standalone Financial Statements (hereinafter referred to as the 'Financial Statements' or 'SFS') has been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 (the "REIT Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations.

The Financial Statements of the Trust comprises the Standalone balance sheet and Standalone statement of Net Assets at Fair Value as at March 31, 2024, the standalone Statement of Profit and Loss, including other comprehensive income, the Standalone Statement of Cash Flow, the Statement of Net Distributable Cashflows and a summary of material accounting policies and other explanatory information for the quarter, half year and year ended March 31, 2024, the Standalone Statement of Changes in Unitholders' Equity for the year ended March 31, 2024 and the Standalone statement of Total Returns at Fair Value for the half year and year ended March 31, 2024.

The Financial Statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the Financial Statements have been prepared on the historical cost basis except for the accounting policies below. The accounting policies have been applied consistently over all the period presented in these Financial Statements.

All amounts disclosed in the Financial Statements and notes have been rounded off to the nearest million as per the requirement of Schedule III, unless otherwise stated.

2.2 Operating cycle and basis of classification of assets and liabilities

Current versus non-current classification

The Trust presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Trust classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Trust has identified twelve months as its operating cycle.

2.3 Use of judgements and estimates

The preparation of the Financial Statements in conformity with generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimated and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the Financial Statements is included in the following notes:

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

- Presentation of “Unit Capital” as “Equity” in accordance with the REIT Regulations
- Valuation of financial instruments
- Estimation of useful life of property, plant and equipment and investment property
- Impairment and fair valuation of Investment Property, Investment property under construction, Property, plant and equipment and Capital work-in-progress of the SPVs/Joint Venture

Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

2.4 Foreign currencies

The Financial Statements are presented in INR, which is also the Trust’s functional currency and the currency of the primary economic environment in which the Trust operates.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Trust at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Trust uses average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Trust initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Trust determines the transaction date for each payment or receipt of advance consideration.

(All amounts in Rs. million unless otherwise stated)

2.5 Fair value measurement

The Trust measures certain financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Trust.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Trust uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Trust determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for sale in discontinued operations.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Trust's accounting policies.

For the purpose of fair value disclosures, the Trust has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.6 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

Recognition of dividend and interest income

Dividend income is recognised in the statement of profit and loss on the date on which Trust's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset.

2.7 Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Trust shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Trust offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

2.8 Provisions

Provisions are recognised when the Trust has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Trust expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.9 Operating segments

The objective of the Trust is to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of the Trust is to own and invest in rent or income generating real estate and related assets in India.

The Board of Directors of the Investment Manager allocate the resources and assess the performance of the Trust, thus are the Chief Operating Decision Maker (CODM). In accordance with the requirements of Ind AS 108 - "Segment Reporting", the CODM monitors the operating results of the business. as a single segment, hence no separate segment needs to be disclosed. As the Trust operates only in India, no separate geographical segment is disclosed.

2.10 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Trust or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in the books of accounts but its existence is disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

2.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Trust's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Trust has applied the practical expedient, the Trust initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Trust has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Trust's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Trust commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at amortised cost (debt instruments)
- Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses (debt instruments)
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- Financial assets at fair value through profit or loss

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

Financial assets at amortised cost (debt instruments)

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Financial assets at fair value through OCI (FVTOCI) (debt instruments)

A 'financial asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. For debt instruments, at fair value through OCI, interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the profit or loss and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value changes recognised in OCI is reclassified from the equity to profit or loss.

Financial assets designated at fair value through OCI (equity instruments)

Upon initial recognition, the Trust can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the Trust benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

This category includes derivative instruments and listed equity investments which the Trust had not irrevocably elected to classify at fair value through OCI. Dividends on listed equity investments are recognised in the statement of profit and loss when the right of payment has been established.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Trust's standalone balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Trust has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Trust has transferred substantially all the risks and rewards of the asset, or (b) the Trust has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Trust has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Trust continues to recognise the transferred asset to the extent of the Trust's continuing involvement. In that case, the Trust also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Trust has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Trust could be required to repay.

Impairment of financial assets

The Trust recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Trust expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and contract assets, the Trust applies a simplified approach in calculating ECLs. Therefore, the Trust does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Trust has established a provision matrix that is based on its historical credit loss experience,

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

adjusted for forward-looking factors specific to the debtors and the economic environment.

For debt instruments at fair value through OCI, the Trust applies the low credit risk simplification. At every reporting date, the Trust evaluates whether the debt instrument is considered to have low credit risk using all reasonable and supportable information that is available without undue cost or effort.

It is the Trust's policy to measure ECLs on such instruments on a 12-month basis. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Trust that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Trust may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Trust has not designated any financial liability as at fair value through profit or loss.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Trust are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Reclassification of financial assets

The Trust determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The senior management determines change in the business model as a result of external or internal changes which are significant to the Trust's operations. Such changes are evident to external parties. A change in the business model occurs when the Trust either begins or ceases to perform an activity that is significant to its operations. If the Trust reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Trust does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in profit or loss.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss the reclassification date.

2.12 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.13 Investment in SPVs

The Trust has elected to recognize its investments in SPVs at cost in accordance with Ind AS 27, 'Separate Financial Statements'. Investments in SPVs are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable.

2.14 Unit Capital

Units issued by the Trust are classified as equity. Incremental costs directly attributable to the issuance of units are recognized as a deduction from equity, net of any tax effects.

2.15 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

2.16 Distribution Policy

Under the provisions of the REIT Regulations, the Trust is required to distribute to the unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of the Trust ("REIT Distributions"). The NDCF is calculated in accordance with the REIT Regulations and in the manner defined by the Manager. REIT Distributions shall be declared and made not less than once every six months in every financial year and shall be made not later than fifteen days from the date of such declaration.

In terms of the REIT Regulations and NDCF framework prescribes the following minimum amount of NDCF to be distributed to the Trust:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Trust, in proportion to its shareholding in the SPVs, subject to applicable provisions of the Companies Act, 2013.

- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Trust, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Trust, subject to applicable provisions of the Companies Act, 2013.

The aforesaid net distributable cash flows are made available to Trust in the form of (i) interest paid on Shareholder Debt, (ii) Repayment of Shareholder Debt, (iii) dividends (net of applicable taxes), (iv) Proceeds from buy-backs / capital reduction (net of applicable taxes) and (v) Redemption proceeds of preference shares or other similar instruments or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

2.17 Cash distribution to Unitholders

The Trust recognizes a liability to make cash distributions to Unitholders when the distribution is authorized. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

2.18 Statement of net assets at fair value

The disclosure of statement of Net Assets at Fair value comprises of the fair values of the properties held by SPVs/Investment Entity and the Holding Company as well as book values of the total liabilities and other assets of the Trust. The fair value of the property held by SPVs/Investment Entity and Holding Company are reviewed semi-annually taking into consideration market conditions existing at the reporting date, and other generally accepted market practices.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts in Rs. million unless otherwise stated)

2.19 Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Trust are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash at banks and on hand, cheques on hand and short-term deposits, as defined above, net of outstanding bank/book overdrafts as they are considered an integral part of the Trust's cash management.

2.20 Earnings per unit

Basic earnings per unit is calculated by dividing the net profit or loss attributable to unit holders of the Trust by the weighted average number of units outstanding during the period.

For the purpose of calculating diluted earnings per unit, the net profit or loss for the period attributable to unitholders of the Trust and the weighted average number of units outstanding during the period are adjusted for the effects of all dilutive potential units.

2.21 Earnings before finance costs, depreciation, amortisation, share of net profits / (losses) of investments accounted for using equity method, exceptional items and tax (EBITDA)

The Trust has elected to present EBITDA as a separate line item on the face of the Standalone Statement of Profit and Loss. In its measurement, the Trust does not include finance costs, depreciation, amortisation, exceptional items and tax.

Less : Units issue expenses (refer note below)		(549.79)
Balance as at March 31, 2024	1,515,000,000	150,950.21

Note : Issue expenses pertaining to the Initial Public Offering have been reduced from the unit capital in accordance with Ind- AS-32 Financial Instruments: Presentation .

(a) Terms / rights attached to Units

(i) The Trust has only one class of Unit. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Board of Directors of the Manager approves distribution. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distribution in Indian Rupees.

Under the provisions of the REIT Regulations, the Trust is required to distribute to Unitholders not less than 90% of the net distributable cash flows of the Trust at least once in every six months in each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Trust to pay to its Unitholders. Hence, the Unit Capital is a compound financial instrument which contain both equity and liability components in accordance with Ind AS 32-Financial Instruments: Presentation. However, in accordance with SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/116 dated July 06, 2023 issued under the REIT Regulations, the unit capital have been classified as equity in order to comply with the mandatory requirements of Section H of Chapter 3 to the SEBI master circular dated July 06, 2023 dealing with the minimum disclosures for key financial statements. Consistent with Unit Capital being classified as equity, the distributions to Unitholders is presented in Other Equity and not as finance cost. In line with the above, the distribution payable to unit holders is recognised as liability when the same is approved by the Manager.

(ii) The Trust has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units from the date of incorporation till the balance sheet date. Further the Trust has not issued any units for consideration other than cash from the date of incorporation till the balance sheet date, except as disclosed above.

Nexus Select Trust (the 'Trust') is a business trust registered under SEBI REIT Regulations, 2014. Hence, the interest and dividend received or receivable by the Trust is exempt from tax under section 10(23FC) of the Income Tax Act, 1961 (the 'Act') and the rental income received or receivable is exempt from tax under section 10(23FCA) of the Act. Further, any expenditure incurred in relation to earning the exempt income is not tax deductible in view of the provisions of section 14A of the Act. The income of the Trust, other than exempt income, is chargeable to tax at the maximum marginal rates in force.

27 Earning per unit (EPU)

Basic EPU is calculated by dividing the profits for the period/year attributable to unitholders of the Trust by the weighted average number of units outstanding during the period/year. Diluted EPU is calculated by dividing the profits attributable to unit holders of the Trust by the weighted average number of units outstanding during the period plus the weighted average number of units that would be issued on conversion of all the dilutive potential units into unit capital.

28 Investment Management fee

REIT Management fee

Pursuant to the Investment Management Agreement dated August 10, 2022, Investment Manager is entitled to fees @ 1% of distributions (Refer note 31). The fees has been determined for undertaking management of the Trust and its investments. REIT management fees recognised during the quarter and year ended March 31, 2024 amounts to Rs. 31.68 million and Rs. 107.19 million respectively.

29 Secondment Fees

Pursuant to the Secondment agreement dated April 27, 2023 the Manager is entitled to fees of Rs. 0.10 million per month in respect certain employees of the Manager being deployed to the Trust in connection with the operation and management of the assets of the Trust. The fees shall be subject to an escalation of five per cent every financial year for a period of five years. Secondment fees for the quarter and year ended March 31, 2024 amounts to Rs.0.30 million and Rs.1.06 million respectively. There are no changes during the year ended March 31, 2024 in the methodology for computation of secondment fees paid to the Manager.

Borrowings including interest accrued	12,385.44	12,385.44	-	-
Non-convertible debentures	9,929.14	9,929.14	-	-
Trade payables	8.55	8.55	0.05	0.05
Other financial liabilities (current and non-current)	2.27	2.27	480.42	480.42
Total	22,405.82	22,405.82	480.47	480.47

The management has assessed that the fair value of cash and cash equivalents, other bank balances, trade receivables, current borrowings, trade payables, current lease deposits and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

B Measurement of fair values

The level of fair values are defined below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the year ended March 31, 2024

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2024

Particulars	Total	Level 1	Level 2	Level 3
Financial assets measured at FVTPL				
As at March 31, 2024				
Investment in compulsory convertible debentures	9,746.00	-	-	9,746.00
Investment in mutual fund	1,933.08	-	1,933.08	-
Financial liabilities measured at FVTPL				
As at March 31, 2024				
Call option over Non-controlling interest	80.42	-	-	80.42

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

i) The fair value of mutual funds are based on NAV at reporting date and fair value of compulsory convertible debentures is based on the terms and condition specific to compulsory convertible debentures

ii) The fair values of other financial assets and liabilities are considered to be equivalent to their carrying values.

The following definitions have been considered for the purpose of computation of ratios and other information

- (a) Debt Equity Ratio = Total borrowings¹ / Unitholders' Equity²
- (b) Debt Service Coverage Ratio = Earnings before Finance costs, Depreciation, Amortisation and Tax / [Finance cost (net of capitalisation and excluding interest on lease deposit and interest on lease liability) + Scheduled principal repayments made during the year to the extent not refinanced excluding repayment made of overdraft facility]
- (c) Interest Service Coverage Ratio = Earnings before Finance costs, Depreciation, Amortisation and Tax / Finance cost (net of capitalisation and excluding interest on lease deposit and interest on lease liability)
- (d) Net worth = Unitholder's Equity²
- (e) Current ratio = Current assets/ Current liabilities
- (f) Long term debt to working capital ratio = Long term debt³ / working capital⁴
- (g) Current liability ratio = Current liabilities/ Total liabilities
- (h) Total debt to total assets = Total debt⁵ / Total assets
- (i) Debtors Turnover = Revenue from operations/ Average trade receivable
- (j) Bad debts to account receivable ratio = Bad debts (including provision for doubtful debts) / Average trade receivable
- (k) Operating margin = (Profit before tax and exceptional item + Interest expense - Other Income) / (Interest Income + Dividend Income)
- (l) Net profit margin = Profit after exceptional items and tax/ Total Income
- (m) Asset cover ratio = Net asset value of the SPVs and Joint venture of the Trust as per Independent Valuer/ Total borrowings¹ (excluding processing fees)

Notes

1 Total borrowings = Long-term borrowings + Short-term borrowings + Accrued interest

2 Unitholder's equity = Unit Capital + Other equity + Corpus

3 Long term debt = Long term borrowings (excluding current maturities of long term debt) + Interest accrued on debts (Non-current)

4 Working capital = Current asset - Current liabilities

5 Total Debt = Long term borrowings (including current maturities of long term borrowings), + short term borrowings and interest accrued on these debts

Providing loans to the SPVs for repaying their debts, refurbishment expenses, working capital requirements and for general corporate requirements.	10,000.00	10,000.00	-
Total	10,000.00	10,000.00	-

36 Compulsory Convertible Debentures (CCD)

- (i) The Board of Directors of the Manager in its meeting held on November 08, 2023, has approved the modification in the tenor of the compulsory convertible debentures (CCD) held by Trust in the SPVs as follows:

Name of the Asset SPV	Existing Tenor of the CCDs (unless converted earlier as per terms of the CCDs)	Revised Tenor of the CCDs (unless converted earlier as per terms of the CCDs)
Nexus Shantiniketan Retail Private Limited	October 30, 2030 (Tranche 1) and July 1, 2038 (Tranche 2)	November 7, 2038 (Tranche 1 and Tranche 2)
Nexus Mangalore Retail Private Limited	November 09, 2029	November 07, 2038
Nexus Mysore Retail Private Limited	Class A: September 15, 2030 Class B: October 30, 2039	Class A: November 7, 2038 Class B: November 7, 2038
CSJ Infrastructure Private Limited	July 16, 2037	November 07, 2038
Select Infrastructure Private Limited	May 12, 2023	November 07, 2038

- (ii) Pursuant to the terms of the compulsorily convertible debentures ("CCD"), the Board of Directors of Nexus Hyderabad Retail Private Limited and Nexus Shantiniketan Retail Private Limited have approved the conversion of the CCDs held by the Trust in the SPVs. Accordingly, SPVs has allotted following equity shares having face value of Rs. 10 to the Trust upon conversion of such CCDs:

Name of SPV	No of CCDs held	No of CCDs converted	Number of equity shares issued on conversion
Nexus Hyderabad Retail Private Limited	34,461,206	34,461,206	116,215
Nexus Shantiniketan Retail Private Limited	167,066,482	67,066,482	550,176

There is no impact on the Condensed Standalone Financial Statements on account of such conversion.

37 Segment reporting

The Trust has only one operating segment. Hence, disclosure under Ind AS 108, "Operating Segments" is not applicable.

- 38 In accordance with section 233 of the Companies Act, 2013 and rules made thereunder, following schemes of amalgamation (the "Scheme") was filed for amalgamation, on fast track basis, between wholly owned subsidiary company and their respective Holding company :
- Merger of NSMMPL, holding company with MSPL, subsidiary company - The appointed date as per the Scheme is April 1, 2023, which was approved by Regional Director on July 28, 2023.
 - Merger of WRPL, subsidiary company with SIPL, holding company - The appointed date as per the Scheme is May 15, 2023, which was approved by Regional Director on October 12, 2023.
- 39 (i) NHRPL had filed petition under Section 66 and other applicable provisions of the Companies Act, 2013 to obtain approval of National Company Law Tribunal for reduction of share capital. The said scheme was approved on August 11, 2023. Accordingly, NHRPL has adjusted Rs.258.93 millions (out of balance available in securities premium account) against the debit balance in Profit & Loss Account.
- (ii) The following SPVs have filed petitions for capital reduction under Section 66 read with section 52 and other applicable provisions of the Companies Act, 2013 to obtain approval of National Company Law Tribunal (NCLT):
- CSJIPL
 - NURPL
 - NWPL
 - CPPL
- NCLT has passed an adverse order for CSJIPL. However, this will not have any impact on CSJIPL financial statements. Out of the remaining above, subsequent to March 31, 2024, capital reduction scheme for CPPL & NURPL have been approved by the NCLT. Accordingly, CPPL & NURPL has adjusted Rs.625.03 million and Rs. 271.36 million respectively (out of balance available in securities premium account) against the debit balance in Profit & Loss Account during the year ended March 31, 2024. NWPL petition is pending with NCLT for approval.
- 40 The Trust was incorporated on August 10, 2022. Accordingly, the comparative figures have been disclosed from the date of incorporation. Further, the Trust acquired the SPVs/Investment Entity by issuing units on May 12, 2023. Accordingly, the previous year numbers are not comparable. The figures for the comparative period from August 10, 2022 to March 31, 2023 and quarter and half year ended March 31, 2023, as reported in these condensed standalone financial statements have been compiled by the management.
- 41 The financial information for the quarter and half year ended March 31 are the balancing figures between audited figures in respect of year ended March 31 and the unaudited figures upto December 31 and September 30 respectively.
- 42 The figures of previous year have been reclassified/ regrouped for better presentation in the financial statements and to conform to the current year's classifications / disclosures. This does not have any impact on the profits / (loss) of previous year.

Independent Auditor's Report on the Condensed Consolidated Ind AS Financial Statements of Nexus Select Trust

To

The Board of Directors of
Nexus Select Mall Management Private Limited
(formerly known as Nexus India Retail Management Services Private Limited) (the "Manager")
in its capacity as Manager of Nexus Select Trust (the "Trust"),
501 B Wing, Embassy 247,
LBS Marg, Vikhroli West,
Mumbai 400083.

Opinion

We have audited the accompanying condensed consolidated Ind AS financial statements of Nexus Select Trust (hereinafter referred to as the "Trust"), its subsidiaries (the Trust and its subsidiaries together referred to as the "Group") and its joint venture comprising of the condensed consolidated Balance sheet as at March 31, 2024, the condensed consolidated Statement of Profit and Loss, including other comprehensive income, the condensed consolidated Cash Flow Statement for the quarter, half year and year ended March 31, 2024, the condensed consolidated Statement of Changes in Unitholder's Equity for the year ended March 31, 2024, the consolidated Statement of Net Assets at Fair Value as at March 31, 2024, the consolidated Statement of Total Returns at Fair Value for the year ended March 31, 2024 and the Statement of Net Distributable Cash Flows ('NDCFs') of the Trust and each of its subsidiaries for the quarter, half year and year ended March 31, 2024 and notes to the condensed consolidated Ind AS financial statements, including a summary of a material accounting policies and other explanatory information (hereinafter referred to as "the Condensed Consolidated Ind AS Financial Statements") being prepared by the Manager pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended including any guidelines and circulars issued thereunder ("REIT Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate audited condensed Ind AS financial statements and on the other financial information of the subsidiaries, the Condensed Consolidated Ind AS Financial Statements:

- (i) includes the financial information of the entities mentioned in Annexure 1 to this Report;
- (ii) are presented in accordance with the requirements of the REIT Regulations in this regard; and
- (iii) give a true and fair view in conformity with the Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations, of the consolidated state of affairs of the Group and its joint venture as at March 31, 2024, their consolidated profit including other comprehensive income and their consolidated cash flows for the quarter, half year and year ended March 31, 2024, their consolidated statement of changes in Unitholder's equity for the year ended March 31, 2024, their consolidated statement of net asset at fair value as at March 31, 2024, their consolidated total returns at fair value for the year ended March 31, 2024 and the NDCFs of the Trust and each of its subsidiaries for the quarter, half year and year ended March 31, 2024.

Basis for Opinion

We conducted our audit of the Condensed Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the "ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Condensed Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group and joint venture in accordance with the 'Code of Ethics' issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Condensed Consolidated Ind AS Financial Statements.

Nexus Select Trust

Page 2 of 6

Emphasis of Matter

We draw attention to Note 2.1 which describes the Basis of preparation of the Condensed Consolidated Ind AS Financial Statements and Note 23 which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our opinion is not modified in respect of this matter.

Responsibilities of Management for the Condensed Consolidated Ind AS Financial Statements

The Management of the Manager (the "Management") is responsible for the preparation and presentation of these Condensed Consolidated Ind AS Financial Statements that give a true and fair view of the consolidated financial position as at March 31, 2024, consolidated financial performance including other comprehensive income and consolidated cash flows for the quarter, half year and year ended March 31, 2024, consolidated statement of changes in unitholder's equity for the year ended March 31, 2024, consolidated net assets at fair value as at March 31, 2024, consolidated total returns at fair value for the year ended March 31, 2024 and net distributable cash flows of the Trust and each of its subsidiaries for the quarter, half year and year ended March 31, 2024, in accordance with requirement of the REIT Regulations, Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records for safeguarding of the assets of their respective company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Condensed Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Condensed Consolidated Ind AS Financial Statements by the Management, as aforesaid.

In preparing the Condensed Consolidated Ind AS Financial Statements, the Board of Directors of the Manager and the respective Board of Directors of the companies included in the Group and of its joint venture are responsible for assessing the ability of the Trust and their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Manager and companies included in the Group and of its joint venture are also responsible for overseeing the financial reporting process of the Trust and their respective companies.

Auditor's Responsibilities for the Audit of the Condensed Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Condensed Consolidated Ind AS Financial Statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Condensed Consolidated Ind AS Financial Statements.

S R B C & CO LLP

Chartered Accountants

Nexus Select Trust

Page 3 of 6

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Condensed Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Condensed Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Condensed Consolidated Ind AS Financial Statements, including the disclosures, and whether the Condensed Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its joint venture of which we are the independent auditors, to express an opinion on the Condensed Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of the condensed Ind AS financial statements of such entities included in the Condensed Consolidated Ind AS Financial Statements of which we are the independent auditors. For the other entities included in the Condensed Consolidated Ind AS Financial Statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Trust and such other entities included in the Condensed Consolidated Ind AS Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

1. The Condensed Consolidated Ind AS Financial Statements includes the condensed Ind AS financial statements of 2 subsidiaries, whose financial statements reflect total assets of Rs. 5,272.32 million as at March 31, 2024 and total revenues of Rs. 291.22 million, Rs. 610.97 million and Rs. 1,084.20 million, total net profit after tax of Rs. 56.44 million, Rs. 99.24 million and Rs. 182.18 million, total comprehensive income of Rs. 56.90 million, Rs. 99.69 million and Rs. 182.63 million, net cash inflow / (outflow) of Rs. 28.24 million, Rs. 10.70 million and Rs. (231.28) million and Net Distributable Cash Flows of Rs. 210.82 million, Rs. 444.69 million and Rs. 680.46 million for the quarter, half year and year ended March 31, 2024, as considered in Condensed Consolidated Ind AS Financial Statements which have been audited by their respective independent auditor.

The independent auditor's report on the condensed Ind AS financial statements of these entities have been furnished to us by the Management and our opinion on the Condensed Consolidated Ind AS Financial Statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of such auditor and the procedures performed by us as stated in paragraph above.

2. (i) The Condensed Consolidated Ind AS Financial Statements includes the figures for the quarter ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us.

(ii) The Condensed Consolidated Ind AS Financial Statements includes the figures for the half year ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the end of the second quarter of the current financial year, which were subjected to a limited review by us.

Our opinion on the Condensed Consolidated Ind AS Financial Statements is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

Based on our audit and as required by the REIT Regulations and on the consideration of reports of the other auditor on separate condensed Ind AS financial statements and the other financial information of subsidiaries, as noted in the 'Other Matter' paragraph we report that:

- (a) We / the other auditor whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Condensed Consolidated Ind AS Financial Statements;
- (b) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Unitholder's Equity, the Consolidated Statement of Net Assets at Fair Value, the Statement of Total Returns at Fair Value and the Statement of Net Distributable Cash Flows of the Trust and each of its subsidiaries dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Condensed Consolidated Ind AS Financial Statements;

S R B C & CO LLP

Chartered Accountants

Nexus Select Trust

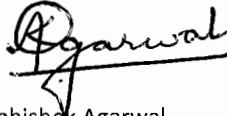

Page 5 of 6

- (c) In our opinion, the aforesaid Condensed Consolidated Ind AS Financial Statements comply with the Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of Companies (Indian Accounting Standards) Rules, 2015 (as amended), to the extent not inconsistent with the REIT Regulations.

I Statement of Net Assets at Fair Value (NAV)

Particulars	As at March 31, 2024 (Audited)		As at March 31, 2023 (Refer note 1 below)	
	Book value	Fair value	Book value	Fair value
(A) Total Assets	201,104.60	270,836.93	451.06	451.06
(B) Total Liabilities	51,756.10	51,756.10	480.47	480.47
(C) Net Assets	149,348.50	219,080.83	(29.41)	(29.41)
(D) No. of Units (millions)	1,515.00	1,515.00	Refer note 1	Refer note 1
NAV (C) / (D)	98.58	144.61		

Measurement of fair values:

The fair value of Investment Property, Property, Plant and Equipment, Investment Property under development and Capital work-in-progress have been determined by independent external property valuer, having appropriately recognized professional qualifications and recent experience in the location and category of the property being valued.

Valuation technique:

The valuer has followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account existing lease arrangements, expected rental growth rate, vacancy period, occupancy rate, average room rent and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms.

Notes:

1. Nexus Select Trust issued units post March 31, 2023 and acquisition of SPVs / joint venture completed on May 12, 2023, hence the disclosures in respect of Net Asset Value (NAV) per Unit have not been disclosed as at March 31, 2023.

2. Project wise break up of Fair value of Assets as at March 31, 2024:

Name of the Entity	Property Name	Fair value of Assets
Select Infrastructure Private Limited	Nexus Select Citywalk	49,791.92
CSJ Infrastructure Private Limited	Nexus Elante Complex	52,100.49
Select Infrastructure Private Limited (Refer note 59)	Nexus Seawoods	26,076.66
Euthoria Developers Private Limited	Nexus Ahmedabad One	20,249.35
Nexus Hyderabad Retail Private Limited	Nexus Hyderabad	18,978.45
Nexus Hyderabad Retail Private Limited	Nexus Koramangala	9,834.47
Vijaya Productions Private Limited	Nexus Vijaya Complex	16,200.64
Chitrali Properties Private Limited	Nexus Westend Complex	13,239.85
Safari Retreats Private Limited	Nexus Esplanade	10,376.13
Euthoria Developers Private Limited	Nexus Amritsar	7,838.64
Nexus Shantiniketan Retail Private Limited	Nexus Shantiniketan	7,675.86
Nexusmalls Whitefield Private Limited	Nexus Whitefield Complex	7,256.01
Nexus Udaipur Retail Private Limited	Nexus Celebration	3,825.10
Nexus Mangalore Retail Private Limited	Fiza by Nexus	5,298.19
Nexus Mysore Retail Private Limited	Nexus Centre city	3,310.87
Naman Mall Management Company Private	Nexus Indore Central	2,099.66
Daksha Infrastructure Private Limited	Nexus Westend Complex	8,880.44
Mamadapur Solar Private Limited	Karnataka Solar	2,237.29
Indore Treasure Island Private Limited	Treasure Island	2,190.40
Nexus Select Trust	Nexus Select Trust	3,376.51
	Total	270,836.93

Fair values of investment property, investment property under development, property, plant and equipment, capital work in progress and investment in ITIPL as at March 31, 2024 are solely based on the fair valuation report of the independent valuer appointed under the REIT Regulations.

II Statement of Total Returns at Fair Value

Particulars	For the half year ended March 31, 2024	For the half year ended September 30, 2023	For the half year ended March 31, 2023	For the year ended March 31, 2024	For the period August 10, 2022 to March 31, 2023
Total comprehensive income / (loss) - (A)	2,525.07	3,453.40	(29.51)	5,978.46	(29.51)
Add : Changes in fair value not recognised - (B)	10,400.30	4,269.42	-	14,669.72	-
Total Returns C = (A+B)	12,925.37	7,722.82	(29.51)	20,648.18	(29.51)

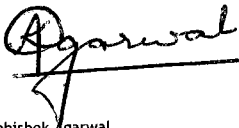

In the above statement, changes in fair value have been computed based on the difference in fair values of Investment Property, Investment property under development, Property, Plant & Equipment, Capital Work-in-progress from May 13, 2023 (May 12, 2023 being the date of acquisition for SPVs/Joint venture) to March 31, 2024 adjusted for other assets / liabilities. The fair values of the aforementioned assets as at September 30, 2023 and March 31, 2024 are solely based on the valuation report of the independent valuer appointed under the REIT Regulations.

Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

1. Trust Information

The condensed consolidated financial statements (hereinafter referred to as the 'consolidated financial statements' or 'CFS') comprise financial statements of Nexus Select Trust ("the Trust") and its subsidiaries / Special Purpose Vehicles ('SPVs') (collectively, the "Group" or "Nexus Select Group") and joint venture (also referred to as the Investment Entity). The subsidiaries and joint venture are companies domiciled in India.

Nexus Select Trust has been set up by Wynford Investments Limited (the 'Sponsor') on August 10, 2022 as an irrevocable trust under the provisions of the Indian Trusts Act, 1882 pursuant to a Trust Deed dated August 10, 2022 ("Trust Deed"). The registered office of the Trust is situated at Embassy 247, Unit no. 501, B Wing, LBS Marg, Vikhroli (West), Mumbai 400083, Maharashtra.

The Trust was registered with SEBI on September 15, 2022, as a Real Estate Investment Trust ('REIT') under Regulation 3(1) of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, having registration number IN/REIT/22-23/0004. The Trustee to the Trust is Axis Trustee Services Limited (the 'Trustee') and the Manager for the Trust is Nexus Select Mall Management Private Limited (the 'Manager'). The objectives of the Trust are to undertake activities in accordance with the provisions of the REIT Regulations and the Trust Deed. The principal activity of the Trust is to own and invest in rent or income generating real estate and related assets in India.

The Trust has acquired the SPVs and investment entity by acquiring all the equity interest, Compulsory Convertible Debentures (CCDs), Redeemable Preference Shares (RPS) held by the Sponsor, Sponsor Group and certain other shareholders on May 12, 2023. In exchange for these, the above holders have been allotted Units of the Trust. Units were subsequently listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) on May 19, 2023.

The consolidated financial statements were approved for issue in accordance with a resolution passed by Board of Directors of the Manager on behalf the Trust on May 09, 2024.

Details of the subsidiaries / Special Purpose Vehicles ('SPVs')/ Investment Entity considered in the preparation of the consolidated financial statements are as follows:

S. No	Name of the SPV/Subsidiary	Description of asset	Shareholding
1.	Select Infrastructure Private Limited ('SIPL')	Nexus Select Citywalk located at Delhi	100%
2.	CSJ Infrastructure Private Limited ('CSJIPL')	Nexus Elante, Hyatt Regency, Chandigarh and Elante Office, located at Chandigarh	100%

Note: As a part of formation transaction of the Trust, the Sponsor group has transferred 99.45% equity to the Trust. For the remaining 0.55%, the Sponsor group entity has agreed to sell its stake to the Trust at a fixed consideration of Rs. 100 million in accordance with the applicable law. As per the arrangement between the Trust and Sponsor group entity, the Trust have present access of ownership on the entire 100% equity of EDPL. Accordingly, investment in EDPL has been disclosed at 100% and consideration payable against the call option has been recognized as liability.

2. Basis of Preparation and Material Accounting Policies

2.1 Basis of preparation and Statement of Compliance

The CFS has been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 (the "REIT Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

and Loss, including other comprehensive income, the Condensed Consolidated Statement of Cash Flow, the Statement of Net Distributable Cashflows of Nexus Select Trust and each of the SPVs, and a summary of material accounting policies and other explanatory information for the quarter, half year and year ended March 31, 2024 and the Consolidated Statement of Changes in Unitholders' Equity for the year ended March 31, 2024 and the consolidated Statement of Total Returns at Fair Value for the half year and year ended March 31, 2024.

The CFS have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the CFS have been prepared on the historical cost basis except for the accounting policies below. The accounting policies have been applied consistently over all the period presented in these CFS.

All amounts disclosed in the CFS and notes have been rounded off to the nearest million as per the requirement of Schedule III, unless otherwise stated.

2.2 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Group and Investment Entity. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns
- Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:
 - The contractual arrangement with the other vote holders of the investee
 - Rights arising from other contractual arrangements
 - The Group's voting rights and potential voting rights
 - The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

CFS are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiaries are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost

Nexus Select Trust

RN: IN/REIT/22-23/0004

Condensed Consolidated Financial Statements

Notes to the Condensed Consolidated Financial Statements

(All amounts in Rs. million unless otherwise stated)

- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners

Reclassifies the parent's share of components previously recognised in OCI to profit or loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities.

2.3 Summary of material accounting policies

2.3.1 Business combination

At the time of acquisition of assets and liabilities assumed, the Group evaluates whether the acquisition is a business combination or asset acquisition.

The Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs.

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

The Group has an option to apply a 'concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The optional concentration test is met if substantially all of the fair value of the gross assets acquired (net of cash and cash equivalents, deferred tax assets and goodwill from deferred tax liabilities) in a transaction is concentrated in a single identifiable asset or Group of similar identifiable assets.

If the concentration test is met, the set of activities and assets is determined not to be a business and the Group identifies and recognizes the individual identifiable assets acquired and liabilities assumed by allocating the purchase price first to

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

financial assets/financial liabilities at the respective fair values, the remaining balance of the purchase price is then allocated to the other identifiable assets and liabilities on the basis of their relative fair values at the date of purchase. Such a transaction does not give rise to goodwill or bargain purchase gain.

2.3.2 Use of judgements and estimates

The preparation of the CFS in conformity with generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimated and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the CFS is included in the following notes:

- Presentation of “Unit Capital” as “Equity” in accordance with the REIT Regulations
- Valuation of financial instruments
- Estimation of useful life of property, plant and equipment and investment property
- Estimation of recognition of deferred tax assets, availability of future taxable profit against which tax losses carried forward can be used and provision for income taxes.
- Impairment and Fair valuation of Investment Property, Investment property under construction, Property, plant and equipment and Capital work-in-progress
- Recognition and measurement of provisions for contingencies and disclosure of contingent liabilities
- Assessment of acquisition as business combination vs asset acquisition and applying the concentration test.

Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the CFS.

2.3.3 Investment in associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

Interests in following joint venture are accounted for using the equity method.

Name of Company	Description of asset	Current shareholding
Indore Treasure Island Private Limited (IT IPL), [Padma Homes Private Limited (Padma) and Kalani Brothers (India) Limited (Kalani) are wholly-owned subsidiaries of IT IPL]	Treasure Island Mall, which includes an office space, located at Indore	Nexus Select Trust - 50% Mr. Karan Singh Chhabra - 50%

The Group's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date.

The statement of profit and loss reflects the Group's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss outside operating profit.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit and loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

2.3.4 Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

Foreign currencies

The CFS are presented in INR, which is also the parent company's functional currency. For each entity the Group determines the functional currency and items included in the financial statements of each entity are measured using that functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Group's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Group uses average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Group initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Group determines the transaction date for each payment or receipt of advance consideration.

2.3.5 Fair value measurement

The Group measures certain financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

RN: IN/REIT/22-23/0004

Condensed Consolidated Financial Statements

Notes to the Condensed Consolidated Financial Statements

(All amounts in Rs. million unless otherwise stated)

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Group's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for sale in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Group's accounting policies.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.3.6 Revenue from Operations

Revenue from lease rentals

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lock-in term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lock-in term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services and excludes amounts collected on behalf of third parties.

Revenue is recognised when recovery of the consideration is probable, and the amount of revenue can be measured reliably. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract and and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

- Revenue from contract with customers majorly include income from maintenance services, marketing and parking. Revenue is recognised as and when the services are rendered based on the terms of the contracts. The Group collects goods and service tax on behalf of the government and therefore, it is not an economic benefit flowing to the Group. Hence, it is excluded from revenue. The Group raises invoices as per the terms of the contract, upon which the payment is due to be made by the customers. If the consideration in a contract includes a variable amount (like volume rebates / incentives, cash discounts etc.), the Group estimates the amount of consideration to which it will be entitled in exchange for rendering the services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. The estimate of variable consideration for expected future volume rebates / incentives, cash discounts etc. are made on the most likely amount method. Revenue is disclosed net of such amounts.
- **Hospitality business** - Revenue comprises sale of rooms, food and beverages and allied services relating to hotel operations. Revenue is recognised upon rendering of services. Revenue recognised is net of indirect taxes, returns and discounts.

- **Sale of renewable energy** - Revenue from sale of power is recognised net of cash discount over time for each unit of electricity delivered at the contracted rate.

Contract balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If Group performs its obligation by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable (whether billed or unbilled) represents Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when Group performs its obligations under the contract.

2.3.7 Dividend income and Interest income

Dividend income is recognised in the statement of profit and loss on the date on which Group's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset.

2.3.8 Taxes

- **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

- **Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at that date, are recognised subsequently if new information about facts and circumstances change. Acquired deferred tax benefits recognised within the measurement period reduce goodwill related to that acquisition if they result from new information obtained about facts and circumstances existing at the acquisition date. If the carrying amount of goodwill is zero, any remaining deferred tax benefits are recognised in OCI/ capital reserve depending on the principle explained for bargain purchase gains. All other acquired tax benefits realised are recognised in profit or loss.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

2.3.9 Property, plant and equipment

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Type of asset	Estimated Useful Lives (In years)
Buildings	51-75
Furniture and fixtures	8-15
Office equipment	5-20

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
 (All amounts in Rs. million unless otherwise stated)

Vehicles	6-20
Computers	3-6
Plant and machinery	15
Electrical installations	10

The Group, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The Group reviews the estimated residual values and expected useful lives of assets at least annually.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.3.10 Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment properties are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Type of asset	Estimated Useful Lives (In years)
Buildings	Primary lease period of land or building or 75 years, whichever is lower
Leasehold land	Primary lease period
Plant and Machinery	3-20
Furniture and fixtures	10-15
Office Equipment	5-20
Computers	3-6
Electrical installations	10-20

The Group, based on technical assessment made by technical expert and management estimate, depreciates the building over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration from the derecognition of investment properties the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

Transfers are made to (or from) investment properties only when there is a change in use. Transfers between investment property, owner-occupied property and inventories do not change the carrying amount of the property transferred and they do not change the cost of that property for measurement or disclosure purposes.

2.3.11 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the intangible assets as follows:

Type of asset	Estimated Useful Lives (In years)
Software	3

Customer Contracts	10
--------------------	----

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

2.3.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.3.13 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i. Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Type of asset	Estimated Useful Lives (In years)
Plant and machinery	3 to 15 years
Building	3 to 5 years

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

ii. Lease liabilities

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii. Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

2.3.14 Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the Group operates, or for the market in which the asset is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

Goodwill is tested for impairment annually and when circumstances indicate that the carrying value may be impaired.

Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised. Impairment losses relating to goodwill cannot be reversed in future periods.

Intangible assets with indefinite useful lives are tested for impairment annually at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

2.3.15 Provisions and contingent liabilities

- **General**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some

or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- **Onerous contracts**

If the Group has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Group recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Group cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it. The cost of fulfilling a contract comprises the costs that relate directly to the contract (i.e., both incremental costs and an allocation of costs directly related to contract activities).

- **Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in the books of accounts but its existence is disclosed in the CFS by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

2.3.16 Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and Net interest expense or income

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The group recognizes expected cost of short-term employee benefit as an expense, when an employee renders the related service.

The Group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer the settlement for at least twelve months after the reporting date.

2.3.17 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

Nexus Select Trust

RN: IN/REIT/22-23/0004

Condensed Consolidated Financial Statements

Notes to the Condensed Consolidated Financial Statements

(All amounts in Rs. million unless otherwise stated)

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (f) Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at amortised cost (debt instruments)
- Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses (debt instruments)
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- Financial assets at fair value through profit or loss (FVTPL)

Financial assets at amortised cost (debt instruments)

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Financial assets at fair value through OCI (FVTOCI) (debt instruments)

A 'financial asset' is classified as at the FVTOCI if both of the following criteria are met:

- i. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii. The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. For debt instruments, at fair value through OCI, interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the profit or loss and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value changes recognised in OCI is reclassified from the equity to profit or loss

Financial assets designated at fair value through OCI (equity instruments)

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss.

This category includes derivative instruments and listed equity investments which the Group had not irrevocably elected to classify at fair value through OCI. Dividends on

Nexus Select Trust

Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

listed equity investments are recognised in the statement of profit and loss when the right of payment has been established.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the group has transferred substantially all the risks and rewards of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

Impairment of financial assets

The Group recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and contract assets, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss

experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

For debt instruments at fair value through OCI, the Group applies the low credit risk simplification. At every reporting date, the Group evaluates whether the debt instrument is considered to have low credit risk using all reasonable and supportable information that is available without undue cost or effort.

It is the Group's policy to measure ECLs on such instruments on a 12-month basis. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Group has not designated any financial liability as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

Nexus Select Trust

RN: IN/REIT/22-23/0004

Condensed Consolidated Financial Statements

Notes to the Condensed Consolidated Financial Statements

(All amounts in Rs. million unless otherwise stated)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

		amortized cost and fair value is recognised in profit or loss.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss the reclassification date.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.3.18 Segment Information

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses. All operating segments, operating results are reviewed regularly by a representative of Group and Group's Chief Operating Decision Maker ('CODM') to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Segment result represents Net Operating Income (NOI) which has been defined by the CODM as follows:

Mall Rentals (Urban Consumption Centre Rentals)

NOI for Mall business is defined as Revenue from operations, which includes (i) revenue from lease rentals (ii) maintenance income (iii) marketing income and (iv) parking income and other operating income less other operating expenses which includes (i) Employee benefits expense (ii) Operations and maintenance expenses excluding business support service and non-recurring repairs and maintenance; (iii)

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

other expenses excluding certain non-recurring (a) legal and professional fees (b) bad-debts, allowances for excepted credit losses (c) Ind AS adjustments and (d) any other gains / losses etc.

Office Rentals

NOI for Office business is defined as Revenue from operations, which includes (i) revenue from lease rentals (ii) maintenance service (iii) parking income less other operating expenses which includes (i) Employee benefits expense (ii) Operations and maintenance expenses excluding business support service and non-recurring repairs and maintenance; (iii) other expenses excluding certain non-recurring (a) legal and professional fees (b) bad-debts, allowances for excepted credit losses (c) Ind AS adjustments and (d) any other gains / losses etc.

Hospitality

NOI for Hotel business is defined as Revenue from operations, which includes (i) Room income (ii) Food and beverage revenue (iii) Other operating revenue less other operating expenses which includes (i) Employee benefits expense (ii) Food, beverage and operating supplies consumed (iii) Operations and maintenance expenses excluding management fees (iv) Other expenses

Others

NOI for other segments is defined as Revenue from operations which includes (i) Sale of Inventories (office units and land) (ii) income from generation of renewable energy (iii) other operating revenue less other operating expenses which includes (i) Changes in inventories of finished goods and work-in-progress (ii) employee benefits expenses and (ii) other expenses excluding business support service, bad-debts, allowances for excepted credit losses and (iii) any other gains/ losses etc.

2.3.19 Unit Capital

Units issued by the Trust are classified as equity. Incremental costs directly attributable to the issuance of units are recognized as a deduction from equity, net of any tax effects.

2.3.20 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

2.3.21 Distribution Policy

Under the provisions of the REIT Regulations, the Trust is required to distribute to the unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of the Trust ("REIT Distributions"). The NDCF is calculated in accordance with the REIT Regulations and in the manner defined by the Manager. REIT Distributions shall be declared and made not less than once every six months in every

Nexus Select Trust
RN: IN/REIT/22-23/0004
Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts in Rs. million unless otherwise stated)

financial year and shall be made not later than fifteen days from the date of such declaration.

In terms of the REIT Regulations and NDCF framework prescribes the following minimum amount of NDCF to be distributed to the Trust:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Trust, in proportion to its shareholding in the SPVs, subject to applicable provisions of the Companies Act, 2013.
- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Trust, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Trust, subject to applicable provisions of the Companies Act, 2013.

The aforesaid net distributable cash flows are made available to Trust in the form of (i) interest paid on Shareholder Debt, (ii) Repayment of Shareholder Debt, (iii) dividends (net of applicable taxes), (iv) Proceeds from buy-backs / capital reduction (net of applicable taxes) and (v) Redemption proceeds of preference shares or other similar instruments or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

2.3.22 Statement of net assets at fair value

The disclosure of statement of Net Assets at Fair value comprises of the fair values of the properties held by SPVs/Investment Entity and the Holding Company as well as book values of the total liabilities and other assets of the Group. The fair value of the property held by SPVs/Investment Entity and Holding Company are reviewed semi-annually taking into consideration market conditions existing at the reporting date, and other generally accepted market practices.

2.3.23 Cash distribution to Unitholders

The Group recognizes a liability to make cash distributions to Unitholders when the distribution is authorized. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

2.3.24 Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash at banks and on hand, cheques on hand and short-term deposits, as defined above, net of outstanding bank/book overdrafts as they are considered an integral part of the Group's cash management.

2.3.25 Earnings per unit

Nexus Select Trust

RN: IN/REIT/22-23/0004

Condensed Consolidated Financial Statements

Notes to the Condensed Consolidated Financial Statements

(All amounts in Rs. million unless otherwise stated)

Basic earnings per unit is calculated by dividing the net profit or loss attributable to unit holders by the weighted average number of units outstanding during the period.

For the purpose of calculating diluted earnings per unit, the net profit or loss for the period attributable to unitholders and the weighted average number of units outstanding during the period are adjusted for the effects of all dilutive potential units.

2.3.26 Earnings before finance costs, depreciation, amortisation, share of net profits / (losses) of investments accounted for using equity method, exceptional items and tax (EBITDA)

The Group has elected to present EBITDA as a separate line item on the face of the Condensed Consolidated Statement of Profit and Loss. In its measurement, the Group does not include finance costs, depreciation, amortisation, share of net profits / (losses) of investments accounted for using equity method, exceptional items and tax.

Less : Units issue expenses (refer note below)	-		(549.79)
Balance as at March 31, 2024	1,515,000,000		150,950.21

Note : Issue expenses pertaining to the Initial Public Offering have been reduced from the unit capital in accordance with Ind- AS-32 Financial Instruments: Presentation.

Terms / rights attached to Units

- (i) The Trust has only one class of Unit. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Board of Directors of the Manager approve distribution. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distribution in Indian Rupees.

Under the provisions of the REIT Regulations, the Trust is required to distribute to Unitholders not less than 90% of the net distributable cash flows of the Trust at least once in every six months in each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Trust to pay to its Unitholders. Hence, the Unit Capital is a compound financial instrument which contain both equity and liability components in accordance with Ind AS 32-Financial Instruments: Presentation. However, in accordance with SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2023/116 dated July 06, 2023 issued under the REIT Regulations, the unit capital have been classified as equity in order to comply with the mandatory requirements of Section H of Chapter 3 to the SEBI master circular dated July 06, 2023 dealing with the minimum disclosures for key financial statements. Consistent with Unit Capital being classified as equity, the distributions to Unitholders is presented in Other Equity and not as finance cost. In line with the above, the distribution payable to unit holders is recognised as liability when the same is approved by the Manager.

- (ii) The Trust has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units from the date of incorporation till the balance sheet date. Further the Trust has not issued any units for consideration other than cash from the date of incorporation till the balance sheet date, except as disclosed above.

Notes:

- On acquisition date, the Trust has availed initial recognition exemption on recognition of temporary difference. Accordingly, the Trust has not recognised deferred tax assets / liabilities on temporary difference of SPVs as at the acquisition date.
- Post-acquisition, one of the SPV has incurred tax losses, pursuant to repayment of non-convertible debentures. Hence, the Trust has recognised deferred tax asset amounting to Rs. 580.37 million on such losses during the year ended March 31, 2024.
- During the half year ended September 30, 2023, SIPL has recognised deferred tax asset of Rs. 1,518.31 millions owing to change in tax base of Investment property pursuant to the merger of WRPL with SIPL (Refer note 59 (II)).

47 Earnings Per Unit (EPU)

Basic EPU is calculated by dividing the profits for the period / year attributable to unitholders of the Trust by the weighted average number of units outstanding during the period / year. Diluted EPU is calculated by dividing the profits attributable to unit holders of the Trust by the weighted average number of units outstanding during the period plus the weighted average number of units that would be issued on conversion of all the dilutive potential units into unit capital.

Particulars	For the quarter ended March 31, 2024	For the quarter ended December 31, 2023	For the quarter ended March 31, 2023	For the half year ended March 31, 2024	For the half year ended September 30, 2023	For the half year ended March 31, 2023	For the year ended March 31, 2024	For the period August 10, 2022 to March 31, 2023

- Diluted (Rupees/unit)	0.97	0.71	Refer note	1.67	2.94	Refer note	4.45	Refer note

Note : The Trust has issued units subsequent to March 31, 2023. Therefore the disclosures in respect of Earnings per unit is not applicable for the comparative periods presented.

48 Investment Management fee

Property Management fee

Pursuant to the Investment Management Agreement dated August 10, 2022, the Manager is entitled to a fee of 4% of the revenue from operations (excluding revenue from hospitality and renewable energy). The fees is paid to the Manager in consideration of the property management services offered by the Manager. Property Management fee for the quarter and year ended March 31, 2024 amounts to Rs. 251.10 millions and Rs 694.22 millions respectively . There are no changes during the period in the methodology for computation of fees paid to the Manager.

REIT Management fee

Pursuant to the Investment Management Agreement dated August 10, 2022, Investment Manager is entitled to fees @ 1% of distributions. The fees has been determined for undertaking management of the Trust and its investments. REIT management fees recognised during the quarter and year ended March 31, 2024 amounts to Rs. 31.68 million and Rs. 107.19 million respectively.

49 Secondment Fees

Pursuant to the Secondment agreement dated April 27, 2023 the Manager is entitled to fees of Rs. 0.10 million per month in respect certain employees of the Manager being deployed to the Trust in connection with the operation and management of the assets of the Trust. The fees shall be subject to an escalation of five per cent every financial year for a period of five years. Secondment fees for the quarter and year ended March 31, 2024 amounts to Rs.0.30 million and Rs.1.06 million respectively. There are no changes during the year ended March 31, 2024 in the methodology for computation of secondment fees paid to the Manager.

50 Financial instruments - Fair value measurement

A. The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying Value	Fair Value	Carrying Value	Fair Value
	March 31, 2024	March 31, 2024	March 31, 2023	March 31, 2023
Financial assets				
At FVTPL				
Investments in mutual funds	9,733.77	9,733.77	-	-
At amortised cost				
Trade receivables	656.22	656.22	-	-
Cash and cash equivalents	394.04	394.04	0.10	0.10
Other bank balances	788.98	788.98	-	-
Loans	863.50	863.50	-	-
Other financial assets	1,058.99	1,058.99	264.96	264.96
Total	13,495.50	13,495.50	265.06	265.06
Financial liabilities				
At FVTPL				
Call option over Non-controlling interest	80.42	80.42	-	-
At amortised cost				
Borrowings (including interest accrued)	42,772.72	42,772.72	-	-
Lease deposits	6,795.25	6,795.25	-	-
Trade payables	740.56	740.56	0.05	0.05
Other financial liabilities	450.93	450.93	480.42	480.42
Total	50,839.88	50,839.88	480.47	480.47

The management has assessed that the fair value of cash and cash equivalents, other bank balances, trade receivables, current borrowings, trade payables, current lease deposits and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

B. Measurement of fair values

The level of fair values are defined below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the nine months ended March 31, 2024

Quantitative disclosures fair value measurement hierarchy for assets

Particulars	Total	Level 1	Level 2	Level 3
Financial assets measured at FVTPL				
As at March 31, 2024				
Investment in mutual funds	9,733.77	-	9,733.77	-
As at March 31, 2023				
Investment in mutual funds	-	-	-	-
Financial liabilities measured at FVTPL				
As at March 31, 2024				
Call option over Non-controlling interest	80.42	-	-	80.42
As at March 31, 2023				
Call option over Non-controlling interest	-	-	-	-

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- The fair value of mutual funds are based on NAV at reporting date.
- The fair values of other financial assets and liabilities are considered to be equivalent to their carrying values.

51 Segment Reporting

The Chief Operating Decision Maker ('CODM') evaluates the Nexus Select Trust performance and allocates resources based on an analysis of various performance indicators by operating segments. The accounting principles used in the preparation of the condensed combined financial statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the significant accounting policies.

- a) Operating segments of Nexus Select Trust are -
(i) Urban consumption centre Rentals (Mall Rentals),
(ii) Office Rentals,
(iii) Hospitality and
(iv) Others - comprising of (a) sale of office units, and (b) income from generation of renewable energy and (c) other operating revenue.

Net Operating Income ('NOI') excluding Ind AS adjustments is the key metric reported to the CODM for the purposes of assessment of the segment results. Certain income (such as interest, dividend and other income) and certain expenses (such as depreciation, amortization, impairment and finance cost) are not specifically allocable to segments and accordingly these expenses are not allocated to the Operating segments.

- b) Nexus Select Trust operates within India and does not have operations in economic environments with different risks and returns. Hence, it is considered operating in single geographical segment. Further, the information relating to segment assets and segment liabilities are not regularly provided to CODM for review and hence the same is not disclosed.

The following definitions have been considered for the purpose of computation of ratios and other information

- (a) Debt Equity Ratio = Total borrowings¹ / Unitholders' Equity²
(b) Debt Service Coverage Ratio = Earnings before Finance costs, Depreciation, Amortisation and Tax / [Finance cost (net of capitalisation and excluding interest on lease deposit and interest on lease liability) + Scheduled principal repayments made during the year to the extent not refinanced excluding repayment made of overdraft facility]
(c) Interest Service Coverage Ratio = Earnings before Finance costs, Depreciation, Amortisation and Tax / Finance cost (net of capitalisation and excluding interest on lease deposit and interest on lease liability)
(d) Net worth = Unitholder's Equity²
(e) Current ratio = Current assets/ Current liabilities
(f) Long term debt to working capital ratio = Long term debt³ / working capital⁴
(g) Current liability ratio = Current liabilities/ Total liabilities
(h) Total debt to total assets = Total debt⁵ / Total assets
(i) Debtors Turnover = (Revenue from operations * no. of days) / Average trade receivable
(j) Bad debts to account receivable ratio = Bad debts (including provision for doubtful debts) / Average trade receivable
(k) Operating margin = Net operating income (excluding Ind AS adjustments) / Revenue from operations
(l) Net profit margin = Profit after exceptional items and tax/ Total revenue
(m) Asset cover ratio = Fair value of Gross Assets / Total borrowings*(excluding processing fees)
(n) Inventory turnover ratio = (Cost of food, beverages and other consumables* no. of days) / Average inventory of food, beverage and other operating supplies

- Notes:
1 Total borrowings = Non-current borrowings + current borrowings + Accrued interest
2 Unitholder's equity = Unit Capital + Other equity + Corpus
3 Long term debt = Non-current borrowings (excluding current maturities of non-current debt) + Interest accrued on debts (Non-current)
4 Working capital = Current asset - Current liabilities
5 Total Debt = Non current borrowings (including current maturities of long term borrowings),+ current borrowings and interest accrued on these debts

54 Contingent liabilities and commitments

Particulars	As at March 31, 2024	As at March 31, 2023
Claims against the SPVs not acknowledged as debts		
Contingent liabilities in respect of		
GST/Input Tax credit (includes matter mentioned in note a below)	993.56	-
Service-Tax matters (includes matter mentioned in note b below)	309.13	-
Income-Tax matters (includes matter mentioned in note c below)	779.42	-
Property-Tax matter (refer note d below)	286.32	-
Total Contingent liabilities	2,368.43	-
In respect of Bank guarantee	107.48	-
Capital and other commitments		
Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for	179.83	-

- a) SRPL had constructed a building comprising of Mall, Hotel and Office space ('Project') at Bhubaneswar under a composite construction contract. Further, SRPL had entered into agreement for sale of office and hotel space and leases for renting the mall to earn rental income. In the earlier years, SRPL had availed CENVAT credit on all input services used in construction of the project. Further, while discharging its service tax liability on the advance received from customers towards the sale of office and hotel space, SRPL availed abatement as per Notification no. 26/ 2012 dated June 12, 2012 under the erstwhile service tax regime. In relation to the aforesaid utilisation of credit and abatement, SRPL had, in the earlier years, received a demand cum show cause notice from the Office of the Commissioner (Audit), GST and Central Excise amounting a total of Rs. 297.09 million.

During the year ended March 31, 2020, SRPL had received a demand dated January 27, 2020 from the Office of the Principal Commissioner, GST and Central Excise confirming the aforementioned demand and imposing a penalty of equivalent amount. SRPL has filed an appeal against the said order before Customs, Excise and Service Tax Appellate Tribunal (CESTAT) and has deposited Rs. 22.21 million towards mandatory pre-deposit for appeal. The management believes that SRPL has merits in the said case and accordingly no provision is required in the condensed consolidated financial statements.

- b) During the FY 2020-21, CSJIPL received a show cause notice from the Commissioner of GST and Central Excise amounting to Rs. 119.52 million (excluding the interest and penalty) on account of demand of service tax on the sale of office space and certain CENVAT Credit for the period October 2014 to June 2017 by invoking the extended period of limitation. CSJIPL had filled writ petition in Hon'ble High Court of Chandigarh challenging the validity of said show cause notice issued under the repealed act. However, order was passed by the Commissioner against CSJIPL with 100% penalty on February 21, 2022. Against the said order, a revised writ was filled in High Court on March 03, 2022. Based on the fact of the case, management believes that CSJIPL has merits in the said case and accordingly no provision is required in the condensed consolidated financial statements.
- c) VPPL, for the AY 2007-08 had received an assessment order dated June 28, 2010 which had capital gains amounting to Rs. 2,320 million added to the taxable income of VPPL. The total demand payable including interest amounted to Rs. 691.18 million (advance tax and tax deducted at source amounting to Rs. 10.00 million) as per the assessment order received. VPPL had appealed against the assessment order to the Income Tax Appellate Tribunal ("ITAT") by making a payment of Rs. 10 million as tax paid under protest. VPPL received an order from the ITAT dated November 25, 2011 wherein the ITAT has disagreed with the assessment order and passed an order in the favour of VPPL. As a result, VPPL did not have capital gains and hence there was no tax liability. VPPL subsequently received a refund order dated December 11, 2012 for repayment of tax which was paid under protest. In FY 2015-16, the Income tax department had filed an appeal before the Honorable High Court at Madras against the order passed by the ITAT for the AY 2007-08 and VPPL had received a notice dated January 28, 2016 on this matter. VPPL has appointed a legal firm and contested the matter. The management believes, based on the legal representative's representation, that the amount demanded will not be sustained. The matter is currently pending with the Hon'ble High Court of Madras.
- d) The Amritsar Municipal Corporation ("AMC"), vide its Order dated October 03, 2022, had raised a demand of Rs. 286.32 million towards Property Tax on EDPL for the years FY 2014-15 till FY 2019-20. The amount includes 100% penalty. EDPL has filed a writ petition in the High Court of Punjab and Haryana, Chandigarh praying, inter alia, for (a) stay on the said Order dated October 03, 2022 and (b) challenge the vires of the statutory provision. The Court vide its Order dated December 05, 2022 has directed the authorities to not to take any coercive steps against EDPL pursuant to order dt. October 03, 2022, and for deciding, inter-alia, the applicability of the appropriate provision. The management believes that EDPL has merits in the said case and accordingly no provision is required in the condensed consolidated financial statements.

55 Acquisition of subsidiaries and joint venture entity

I Asset Acquisition

On May 12, 2023 Nexus Select Trust entered into share acquisition agreements with shareholders of SPVs for acquisition of equity interest, redeemable preference shares and compulsorily convertible debentures as described in more detail in Note 1 - Organization structure; in exchange for units of Nexus Select Trust and payment of cash consideration amounting to Rs. 147,734.47 million (the "Purchase consideration"). The management has applied the optional concentration test, under Ind AS 103, and concluded that the acquired set of activities and assets is not a business because substantially all of the fair value of the gross assets acquired is concentrated in investment properties and related assets, with similar risk characteristics. Accordingly, the acquisition has been accounted for as an asset acquisition.

The management has identified and recognized the individual identifiable assets acquired and liabilities assumed; and allocated the purchase consideration to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of acquisition.

The allocated value of the identifiable assets and liabilities of the SPVs as at the date of acquisition were:

Particulars	Rs. Million
Assets	
Property, plant and equipment	6,465.92
Investment property	139,473.23
Investment property under development	62.85
Right of use assets	80.85
Capital work-in-progress	43.85
Other Intangible Assets	37,828.40
Other Assets	18,090.05
Total Assets (A)	202,045.15
Liabilities	
Borrowings (including current maturities of long term borrowings)	43,023.52
Other liabilities	11,287.15
Total Liabilities (B)	54,310.67
Net Assets (A-B)	147,734.47

II Investment in Joint venture

On May 12, 2023 (the acquisition date), Nexus Select Trust has acquired 50% of the equity interest of Indore Treasure Island Private Limited (IT IPL) in exchange for units of Nexus Select Trust amounting to Rs. 2,059.31 million.

56 Details of utilisation of proceeds of IPO are as follows:

Objects of the issue as per the prospectus	Proposed Utilisation	Actual utilisation upto March 31, 2024	Unutilised amount as at March 31, 2024
Partial or full repayment or prepayment and redemption of certain financial indebtedness of the asset SPVs and the joint venture.	2,500.00	2,500.00	-
Acquisition of stake and redemption of debt securities in certain asset SPVs	10,032.64	10,032.64	-
General purposes and REIT issue expenses	1,467.36	1,467.36	-
Total	14,000.00	14,000.00	-

57 Details of utilisation of proceeds of Non Convertible Debentures are as follows:

Objects of the issue as per the information memorandum	Proposed Utilisation	Actual utilisation upto March 31, 2024	Unutilised amount as at March 31, 2024
Providing loans to the SPVs for repaying their debts, refurbishment expenses, working capital requirements and for general corporate requirements.	10,000.00	10,000.00	-
Total	10,000.00	10,000.00	-

59 Capital Reduction and Restructuring schemes

I Capital Reduction

(i) The following SPV's have filed petitions for capital reduction under Section 66 read with section 52 and other applicable provisions of the Companies Act, 2013 to obtain approval of National Company Law Tribunal (NCLT):

- CSJIPL
- NURPL
- NWPL
- CPPL

NCLT has passed an adverse order for CSJIPL. However, this will not have any impact on condensed consolidated financial statements. Out of the remaining, subsequent to March 31, 2024, capital reduction scheme for CPPL and NURPL have been approved by the NCLT. NWPL petition is pending with NCLT for approval.

(ii) NHRPL had filed petition under Section 66 and other applicable provisions of the Companies Act, 2013 to obtain approval of National Company Law Tribunal for reduction of share capital. The said scheme was approved on August 11, 2023. The said capital reduction has no significant impact on Condensed Consolidated Financial Statements.

II Restructuring

In accordance with section 233 of the Companies Act, 2013 and rules made thereunder, following schemes of amalgamation (the "Scheme") was filed for amalgamation, on fast track basis, between wholly owned subsidiary company and their respective Holding company :

- Merger of NSMMPL, holding company with MSPL, subsidiary company - The appointed date as per the Scheme is April 1, 2023, which was approved by Regional Director on July 28, 2023. The said merger has no significant impact on Condensed Consolidated Financial Statements.

- Merger of WRPL, subsidiary company with SIPL, holding company - The appointed date as per the Scheme is May 15, 2023, which was approved by Regional Director on October 12, 2023. The said merger has resulted in change in tax base of Investment property resulting in recognition of deferred tax asset amounting to Rs. 1,518.31 millions (Refer note 46). There is no other significant impact of the said merger on Condensed Consolidated Financial Statements.

60 The Trust was incorporated on August 10, 2022. Accordingly, the comparative figures have been disclosed from the date of incorporation. Further, the Trust acquired the SPVs/Investment Entity by issuing units on May 12, 2023. Accordingly, the previous year numbers are not comparable. The figures for the comparative period from August 10, 2022 to March 31, 2023 and quarter and half year ended March 31, 2023, as reported in these condensed consolidated financial statements have been compiled by the management.

61 The financial information for the quarter and half year ended March 31 are the balancing figures between audited figures in respect of year ended March 31 and the unaudited figures upto December 31 and September 30 respectively.

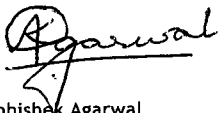

62 The figures of previous year have been reclassified/ regrouped for better presentation in the financial statements and to conform to the current year's classifications / disclosures. This does not have any impact on the profits / (loss) and hence, no change in the basic and diluted earnings per share of previous year.

Independent Auditor's Report on Security Cover, Compliance with all Covenants and book value of assets as at March 31, 2024 pursuant to Regulation 56(1)(d) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) and SEBI Circular dated May 19, 2022 for submission to Catalyst Trusteeship Limited (the 'Debenture Trustee')

To

The Board of Directors
Nexus Select Mall Management Private Limited
(formerly known as Nexus India Retail Management Services Private Limited)
(Acting in its capacity as Manager of Nexus Select Trust)
501, B Wing, Embassy 247,
LBS Marg, Vikhroli West,
Mumbai 400083

1. This Report is issued in accordance with the terms of the service scope letter dated July 20, 2023 and master engagement agreement dated July 20, 2023, as amended with Nexus Select Mall Management Company Private Limited (hereinafter the "Manager").
2. We, S R B C & CO LLP, Chartered Accountants, are the statutory auditors of Nexus Select Trust (the "Trust") and have been requested by the Trust to examine the accompanying Statement showing 'Security Cover as per the terms of Debenture Trust Deed, Compliance with Covenants and book value of assets' in relation to 70,000 listed, secured, redeemable and non-convertible Series I (Tranche A) debentures having face value of Rs. 1 lakh each amounting to Rs. 7,000 million and 30,000 listed, secured, redeemable and non-convertible Series I (Tranche B) debentures having face value of Rs. 1 lakh each amounting to Rs. 3,000 million (hereinafter together referred to as "NCDs") issued by the Trust as at March 31, 2024 (hereinafter the "Statement") which has been prepared by the Management of the Manager (the "Management") from the audited Condensed Standalone Ind AS Financial Statements as at and for the year ended March 31, 2024 and audited Condensed Consolidated Ind AS Financial Statements as at and for the year ended March 31, 2024, underlying books of account and other relevant records and documents maintained by the Trust as at and for the year ended March 31, 2024 pursuant to the requirements of the Regulation 56(1)(d) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and SEBI Circular dated May 19, 2022 on Revised format of security cover certificate, monitoring and revision in timelines (hereinafter the "SEBI Regulations and SEBI Circular"), and has been initialed by us for identification purpose only.

This Report is required by the Trust for the purpose of submission with Catalyst Trusteeship Limited (hereinafter the "Debenture Trustee") of the Trust to ensure compliance with the SEBI Regulations and SEBI Circular in respect of its NCDs. The Trust has entered into an agreement with the Debenture Trustee vide agreement dated June 14, 2023 (the "Trust Deed").

Management's Responsibility

3. The preparation of the Statement is the responsibility of the Management including the preparation and maintenance of all accounting and other relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The Management is responsible for ensuring that the Trust complies with all the relevant requirements of the SEBI Regulations and SEBI Circular including maintenance of hundred per cent security cover or higher security cover as per the terms of Debenture Trust Deed sufficient to discharge the principal amount and the interest accrued thereon at all times for the non-convertible debt securities issued. The Management is also responsible for providing all relevant information to the Debenture Trustee and for complying with all the covenants as prescribed in the Debenture Trust Deed dated June 14, 2023 entered into between the Trust and the Debenture Trustee.

Auditor's Responsibility

5. It is our responsibility to provide a limited assurance and conclude as to whether the:
 - (a) Trust has maintained hundred percent Security cover or higher Security cover as per the terms of the Debenture Trust Deed;
 - (b) Trust is in compliance with all the covenants (including financial covenants) as mentioned in the Debenture Trust Deed as at March 31, 2024;
 - (c) Book values of assets as included in the Column F of Annexure 1 to the Statement and column F of Annexure 2 to the Statement are in agreement with the books of account underlying the audited Condensed Standalone Ind AS Financial Statements and audited Condensed Consolidated Ind AS Financial Statements respectively of the Trust as at March 31, 2024.
6. We have performed an audit of the Condensed Standalone and Consolidated Ind AS Financial Statements of the Trust for the year ended March 31, 2024, prepared by the Management pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended including any guidelines and circulars issued thereunder (hereinafter referred to as the "REIT Regulations"), and issued an unmodified opinion dated May 9, 2024. Our audit of these Condensed Standalone and Consolidated Ind AS Financial Statements was conducted in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the "ICAI").

Nexus Select Trust

Page 3 of 6

7. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
9. Our scope of work did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the audited Condensed Standalone and Consolidated Ind AS Financial Statements taken as a whole. Accordingly, we do not express such opinion.
10. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence on the applicable criteria, mentioned in paragraph 5 above. The procedures performed vary in nature and timing from, and are less extent than for, a reasonable assurance. Consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, our procedures included the following in relation to the Statement:
 - a) Obtained and read the Debenture Trust Deed and noted that as per such debenture trust deed the Trust is required to maintain 100 percent security cover.
 - b) Obtained the Board approved audited Condensed Standalone and Consolidated Ind AS Financial Statements of the Trust for the year ended March 31, 2024.
 - c) Traced the principal amount and the interest accrued thereon of the secured listed NCDs outstanding as on March 31, 2024 to the Board approved audited Condensed Standalone and Consolidated Ind AS Financial Statements and the underlying books of account maintained by the Trust as on March 31, 2024.
 - d) Obtained and read the list of security cover in respect of secured listed NCDs outstanding as per the Statement. Traced the value of assets from the Statement to the audited Condensed Standalone and Consolidated Ind AS Financial Statements of the Trust as on March 31, 2024 or books of accounts and records of the Trust underlying the Board approved audited Condensed Standalone and Consolidated Ind AS Financial Statements as on March 31, 2024.

Nexus Select Trust
Page 4 of 6

- e) Obtained the list of security created in the register of charges maintained by the subsidiary company that has provided security against the NCDs and 'Form No. CHG-1' filed with Ministry of Corporate Affairs ('MCA') by the subsidiary company in this regard. Traced the value of charge created against Secured Assets to the Security Cover in the attached Statement.
- f) Examined and verified the arithmetical accuracy of the computation of Security Cover in the accompanying Statement.
- g) With respect to compliance with financial covenants included in Annexure 3 to the Statement, we have performed following procedures:
 - i. Obtained and verified the computation of Loan to Value (LTV) of Secured Assets, Loan to Value ratio and Net Total Debt to EBITDA ratio as computed in the Statement with the definition as mentioned in the Debenture Trust Deed;
 - ii. For Net Total Debt to EBITDA and Loan to Value ratio
 - Traced the Earnings before interest, depreciation and amortization expense and tax figure from the Board approved audited Condensed Consolidated Ind AS Financial Statements of the Trust as at and for the year ended March 31, 2024 and the underlying books of account maintained by the Trust;
 - Traced the value of outstanding borrowings, accrued interest thereon and the cash and cash equivalent investments from the Board approved audited Condensed Consolidated Ind AS Financial Statements of the Trust as at and for the year ended March 31, 2024 and the underlying books of account maintained by the Trust;
 - Traced the gross asset value of all the assets of the Trust from the valuation report issued by an independent valuer, provided to us by the Management on which we have placed reliance;
 - iii. For Loan to Value (LTV) of Secured Assets
 - Traced the value of total outstanding nominal value of NCDs and interest accrued thereon as at March 31, 2024 from the Board approved audited Condensed Consolidated Ind AS Financial Statements of the Trust as at and for the year then ended and the underlying books of account maintained by the Trust;

Nexus Select Trust

Page 5 of 6

- Traced the cash and cash equivalent investments of the subsidiary company whose assets are secured as considered in computing the LTV of Secured Assets to the books of accounts and other relevant records and documents maintained by the Trust underlying the Board approved audited Condensed Consolidated Ind AS Financial Statements of the Trust as at and for the year ended March 31, 2024;
 - In relation to calculation of LTV of Secured Asset, traced the fair value of the secured assets from the valuation report issued by an independent valuer, provided to us by the Management on which we have placed reliance;
- iv. With respect to covenants other than those mentioned in paragraph above, the management has represented and confirmed that the Trust has complied with all the other covenants, including affirmative, informative, and negative covenants, as prescribed in the Debenture Trust Deed, as at March 31, 2024.
- h) Traced the book value of assets from the books of accounts of the Trust underlying the Board approved audited Condensed Standalone and Consolidated Ind AS Financial Statements as at March 31, 2024.
- i) Performed necessary inquiries with the Management and obtained necessary representations.

Conclusion

11. Based on the procedures performed by us, as referred to in paragraph 10 above and according to the information and explanations received and management representations obtained, nothing has come to our attention that causes us to believe that the:
- a) Trust has not maintained hundred percent security cover or higher security cover as per the terms of the Debenture Trust Deed;
 - b) Trust is not in compliance with all the covenants (including financial covenants) as mentioned in the Debenture Trust Deed as on March 31, 2024; and
 - c) Book values of assets as included in column F of Annexure 1 to the Statement and column F of Annexure 2 to the Statement are not in agreement with the books of account underlying the audited Condensed Standalone Ind AS Financial Statements and audited Condensed Consolidated Ind AS Financial Statements respectively of the Trust as at March 31, 2024.

Restriction on Use

12. The Report has been issued at the request of the Trust, solely in connection with the purpose mentioned in paragraph 2 above and to be submitted with the accompanying Statement to the Debenture Trustee and is not to be used or referred to for any other person. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come. We have no responsibility to update this Report for events and circumstances occurring after the date of this report.

Scrip Code for NCDs: 974908 and 974909, Scrip Code for CPs: 726784

Dear Sir/ Madam,

Subject: Declaration of Unmodified opinion in the Audit Report of Nexus Select Trust for the financial year ended March 31, 2024.

Pursuant to Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that the Statutory Auditors of Nexus Select Trust have not expressed any modified opinion in the Audit Reports of Nexus Select Trust for the financial year ended March 31, 2024.

Kindly take the same on record.

Thanking you,

For and on behalf of **Nexus Select Trust** acting through its Manager, **Nexus Select Mall Management Private Limited** (Previously known as “Nexus India Retail Management Services Private Limited”)
