## MANAGEMENT DISCUSSION AND ANALYSIS REPORT FOR THE YEAR 2018-19

### **GLOBAL ECONOMIC OVERVIEW**

The global economy will continue to grow at a steady pace of around 3.2 percent in calendar years 2019 and picking up to 3.5 percent in 2020, after an expansion of 3.6 per cent in 2018 amid signs that global growth has peaked. However, a worrisome combination of development challenges could further undermine growth, according to the United Nations World Economic Situation and Prospects (WESP) 2019.

Further global financial conditions tighten an unexpectedly rapid rise in interest rates or a significant strengthening of the US dollar could exacerbate emerging market fragilities, leading to heightened risk of debt distress. This risk can be further aggravated by global trade tensions, monetary policy adjustment in developed economies, commodity price shocks, or domestic political or economic disruptions. Many low-income countries have already experienced a substantial rise in interest burdens. Countries with a substantial amount of dollar-denominated debt, high current account or fiscal deficits, large external financing needs and limited policy buffers are particularly vulnerable to financial stress.

As global trade weakened towards the end of 2018 partly due to the impact of tariff increases in the United States and China and higher energy prices. The global trade slowdown was led by a sharp deceleration in import demand in emerging markets. Given relatively weaker growth outlook, China is implementing a stimulus package and the United States Fed has indicated a pause in the monetary policy tightening cycle. These policy support measures could potentially help offset growth weakness in the European Union, and be supportive for global demand and commodity prices .

## **INDIAN ECONOMY OVERVIEW**

India is moving towards realizing a New India by 2022, when we celebrate 75 years of India's independence. Promoting inclusive employment-intensive industry and building resilient infrastructure are vital factors for economic growth and development.

India to Remain Fastest-growing Economy in 2019 & 2020, Says UN Report; Pegs GDP Growth at 7.1 percent in 2019-20

The country is expected to witness strong economic growth in FY 20, after it has emerged as the fastest growing major world economy last year despite growing global vulnerabilities "Better demand conditions, settled GST implementation, capacity expansion from growing investments in infrastructure, continuing positive effects of reform policies and improved credit off take especially in the services sector at 24 per cent will sustain the robust GDP growth in the range of 7.5 per cent in calendar year 2019." The Indian industry body observed that despite 2018 being filled with external vulnerabilities arising out of rising oil prices, trade wars between major global trading partners and US monetary tightening, India outshined as the world's fastest growing major economy .

India's foreign exchange reserves were US\$ 405.64 billion in the week up to March 15, 2019, according to data from the RBI.

The recent Non-Banking Financial Companies (NBFC) and Housing Finance Companies (HFC) crisis caused by the IL&FS default led to drying up of funds which had a substantial impact on the real estate and infrastructure sector. Sensing the trouble, RBI came forward to aid NBFCs by relaxing liquidity and asset securitisation norms and allowing banks to lend more. The financial sector troubles do not bode well for the economy as the ongoing liquidity crunch led by nonbank financial institutions could result in further slowdown in India's discretionary consumption, thus derailing overall growth momentum over the next few quarters.

Overall, the Indian economy is well poised for the next leg of growth riding on the back of structural reforms, increasing consumption and investment and government spending on infrastructure and rural economy.

#### **INFRASTRUCTURE INDUSTRY – AN OVERVIEW**

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads and urban infrastructure development. In 2018, India ranked 44th out of 167 countries in World Bank's Logistics Performance Index (LPI) 2018.

India's rank jumped to 24 in 2018 from 137 in 2014 on World Bank's Ease of doing business.

The fiscal year 2018-19 was a year of consolidation for Real Estate sector. The Indian Real Estate segment moved on a recovery path as the residential realty sales grew by 6% in 2018 compared to the previous year, according to a report by Knight Frank. Developers have now started realising the importance of execution and completing existing projects rather than launching new ones owing to increasing level of unsold inventory and lack of growth in demand. As such, completion of existing projects is being prioritized over launching new ones and the focus has shifted to streamlining processes and delivery. Steady income growth, stable home prices, declining interest rates and improvement in the liquidity conditions bodes well for the industry.

### **NEED FOR INFRASTRUCTURE DEVELOPMENT**

- (1) Housing shortage in rural and urban India;
- (2) Inadequacy of existing urban infrastructure to meet the current demand of urban population.

India has a requirement of investment worth '50 trillion (US\$ 777.73 billion) in infrastructure by 2022 to have sustainable development in the country. India is witnessing significant interest from international investors in the infrastructure space. Some key investments in the sector are listed below.

In 2018, infrastructure sector in India witnessed private equity and venture capital investments worth US\$ 1.97 billion.

During the fiscal year 2018-19, majority of the launches as well as demand have been witnessed in the affordable housing segment. This was driven by incentives announced by the government under **Pradhan Mantri Awas Yojana (PMAY)** which pushed developers towards the affordable segment. Policy initiatives undertaken by the government in the past two years have contributed to increased home buyer interest in this segment. The sector faced temporary hiccups due to NBFC and Housing Finance Companies (HFC) crisis which led to increased rates thereby impacting margins of some developers. However, the industry will not grow much but the organised player will get mores share because of the market consolidation. The immediate liquidity crisis has also forced some of the NBFCs to slow down lending to ongoing projects as well.

Developers with a scalable business model are well placed to augment market share in a well regulated environment that calls for greater transparency and accountability from real estate developers.

# **GOVERNMENT INITIATIVES**

The Government of India is expected to invest highly in the infrastructure sector, mainly highways, renewable energy and urban transport. The Government of India is taking every possible initiative to boost the infrastructure sector. We are poised to become a Five Trillion Dollar Economy in the next five years and aspire to become a Ten Trillion Dollar Economy in the next 8 years thereafter.

# KEY DEVELOPMENTS IN THE INDIAN REAL ESTATE REGULATORY FRAMEWORK

### Real Estate(regulatory and Development Act,2016)

The Central Government had notified the RERA in May, 2016. However, Certain States are yet to notify the rules or certain states notified the rules but were yet to launch an operational website by the close of the financial year under review. Even as the regulation induced short term pain, it is likely to be beneficial for the sector by enhancing consumer confidence and sectoral transparency.

## Goods & Services Tax

New norms stipulated a one-time option to continue with existing slabs(effective rate of 12% for regular and 8 % for affordable housing) with input tax credit or switch to new slabs(5% for regular and 1% for affordable housing) without input tax credit for under-construction or ongoing realty projects.

New projects mandatorily have to be in 5% slab for regular segment and 1% slab for affordable segment without any input tax credit. New norms are applicable for residential properties only, while there has been no change for commercial Properties.

# Announcements in Union Budget 2019-20:

The Government of India has given a massive push to the infrastructure sector by allocating '4.56 lakh Cr (US\$ 63.20 billion) for the sector.

Communication sector allocated '38,637.46 Cr (US\$ 5.36 billion) to development of post and telecommunications departments.

The Indian Railways received allocation under Union Budget 2019- 20 at '66.77 billion (US\$ 9.25 billion). Out of this allocation, '64.587 billion (US\$ 8.95 billion) is capital expenditure.

Rs. 83,015.97 Cr (US\$11.51 billion) allocated towards road transport and highway.

Rs. 3,899.9 Cr (US\$ 540.53 billion) to increase capacity of Green Energy Corridor Project along with wind and solar power projects.

Allocation of Rs. 8,350.00 Cr (US\$ 1.16 billion) to boost telecom infrastructure.

Water supply to be provided to all households in 500 cities.

Allocation of Rs. 888.00 Cr (US\$ 110.88 million) for the upgradation of state government medical colleges (PG seats) at the district hospitals and Rs. 1,361.00 Cr (US\$ 188.63 million) for government medical colleges (UG seats) and government health institutions.

Government plans to invest Rs. 100 lakh crore in Infrastructure in next five years.

Achievements in the past four years:

- The total national highways length increased to 122,434 kms in FY18 from 92,851 kms in FY14.
- Energy deficit reduced to 0.7 per cent in FY18 from 4.2 per cent in FY14.
- Number of airports has increased to 102 in 2018.
- India's national highway network is expected to cover 50,000 kilometers by 2019. National highway construction in India has increased by 20 per cent year-on-year in 2017-18.
- India and Japan have joined hands for infrastructure development in India's north-eastern states and are also setting up an India-Japan Coordination Forum for Development of North East to undertake strategic infrastructure projects in the northeast.
- First 100 smart cities in India will require an annual investment of '35,000 Cr over the next 20 years, both private investments and public private partnerships (PPP) are essential.

## **OUTLOOK**

Your Company believes that demand conditions in the real estate sector are exhibiting early signs of improvement, and signs of declining interest rates as well as renewed activity in the lending and public capital markets are expected to ease funding pressures. As your Company continues to build on its core business of real estate development and leasing, your Company believes that it is well placed to achieve its targets of reducing its overall indebtedness, executing its real estate development and leasing operations and taking advantage of a potential revival in economic growth and its resultant positive effects on the real estate sector. Expansions are required to be made in developing Shopping Complexes.

Foreign institutional Investors have also shown confidence in the country's construction and are showing up investments in India. This is a positive sign and will open new areas of growth and development.

#### **STRENGTHS**

Our Company has the following principle competitive strengths:

- Positioned strategically to realize opportunities in the sector
- Experience and end to end expertise in the Infrastructure Projects
- Sustained investment in equipment and fixed assets
- Professional Board and Management Team

This steady growth owes itself to the Company's unerring strategy of leveraging its core competencies and drawing heavily upon past experience. An effective combination of energy, excellence and endurance is evident everywhere, from the construction site to the administrative division. The result, a holistic growth pattern that has seen the company grows into a preferred choice for national projects.

## **Strengths**

- Strong brand awareness and reputation
- Recognized industry leader in large civil construction and infrastructure projects

#### **OPPORTUNITIES**

Better Business Opportunities means better growth. In today's era, a lots of Growth opportunities are available to infrastructure industry and the only need is to grab and act on them with perfect vision and mission. After analysis, broadly speaking, the following opportunities are available to the Company to achieve the desired position and goal:

**Increasing Income Levels:** The economic growth in India contributed to increasing income levels. This, combined with trends of higher urbanization, increase in working age population and nuclear families, created greater demand for housing. Much of the demand was backed by easier availability of housing finance that often converted people from living on rent to having their own housing asset.

Rising Foreign Direct Investment Levels: FDI up to 100 percent allowed with the Government permission for development of township and settlements will provide opportunities in the sector. In view of shortage of housing for low income groups in major cities and town, in the union budget there are proposals to set up Credit Guarantee Trust Fund to ensure better flow of institutional credit for housing loans, allowing External Commercial Borrowing (ECB) for low cost affordable housing projects which are positive for the growth of housing sector. The infrastructure of India is also growing day by day so it adds to the better facility to different sectors which boost the real estate projects.

**Growth in IT/ITES Sector:** The primary growth driver of commercial real estate is the IT/ITES sector, which, is growing at a rapid pace.

**Expansion in organized retail sector:** Concept of specialized malls is also gaining popularity with auto malls, jewellery malls, furniture malls, and electronic malls anticipated to be the part of the sector in the future. Several other factors, such as rising incomes, evolving preferences, emergence of nuclear families, tax incentives and home loans at competitive rates have been responsible for the growth in demand for homes and residential construction.

**Demand for newer avenues for entertainment:** As the demand for more and more amusement parks is growing, development of same needs to take place.

**Hotel Industry:** Despite the temporary slowdown that the Indian hospitality industry faced due to the global economic crisis, India is still one of the world's fastest growing hotel markets.

**Supply Push Factors:** Certain Factors like, Policy and Regulatory factors providing with simplification of urban development guidelines, infrastructural support and development by government, some fiscal benefits to developers, positive outlook of global investors etc have also increased the opportunities at real estate sector.

## THREATS/RISKS

What needs to be determined is:

- a. The proportion of real versus perceived risks.
- b. The monetary quantification of risks.
- c. The real import and the impact of a type of risk.

Risks, when indeterminate, are worse than assessed risks. The obvious outcome of the situation is that the Banks and Financial Institutions hesitate in lending to the operators of Construction Industry or alternatively lend in absence of authentic and reliable inputs. Either of the situations is detrimental to the overall growth of the industry and thus, the economy. It is therefore of paramount importance that the present operating systems be substantially strengthened to provide comfort to the financial systems. Mitigation of risks is the all en-compassing requirement. Broadly speaking, Construction Projects face the following type of risks:

**Completion risk:** This is the risk that the project may not be completed on time, or at all, due to various reasons such as cost overruns, technology failure, force majeure etc.

**Price risk:** This is the risk that the price of the project's output might be volatile due to supply-demand factors. If new capacities are coming up or if there is likelihood of fall in demand of the project output, the price risk is high.

**Resource risk:** This risk includes the non-availability of raw materials for the project operation. It also includes the risk that the raw material prices might move adversely.

**Technology risk**: This is the risk that the technology used in the project is not sufficiently proven.

**Operating risk:** This is a risk that the project operational and maintenance costs would escalate. It also includes the risk that the project will have operational problems.

**Political risk:** This risk relates to matters such as increased taxes and royalties, revocations or changes to the concession, exchange controls on proceeds, forced government participation in shares and refusal of import licenses for essential equipment.

Casualty risk: This is the risk of physical damage to the project equipment. It also includes liabilities to third parties on account of accidents at the project site.

**Environmental risk:** This risk refers to increased project costs for complying with new environmental standards. There could also be environmental protests from the local populace against the project.

**Permission risk:** This is the risk that official clearances for the project may not be forthcoming or subject to expensive conditions.

**Exchange rate risk:** This is the risk that the currency of sale of the project produce would depreciate with reference to the currency of the project loans. Even though the debt being rated might be Rupee denominated, the presence of foreign currency liabilities can decrease the debt service coverage ratio of the bonds in case there is adverse exchange rate movement.

**Interest rate risk:** This is the risk that the floating interest rate of the project loans would increase beyond the levels assumed for preparing projected cash flows.

**Insolvency risk:** This is the risk of insolvency of contractors, project sponsors, suppliers, and purchasers of project output, insurers or a syndicate bank.

Project development risk: This is the risk that the project development might not take place in an orderly manner.

**Site risk:** This is the risk that the project site might have legal encumbrances. It also includes the risk that the site has technical problems.

## **SEGMENT WISE PERFORMANCE**

The Company deals in only one segment i.e. Real Estate. Therefore, it is not required to give segment wise performance.

## **DISCUSSION ON FINANCIAL PERFORMANCE - STANDALONE REVENUES**

The Revenue from Operations is 12.50 Lakhs for the financial year 2018-19

**Profit/Loss before Tax:** The Loss before Tax for 2018-19 is (257.97) Lakhs as compared to Loss before Tax of Rs. (318.34) Lakhs in 2017-18.

**Profits/Loss after Tax:** The Loss before Tax for 2018-19 is (257.97) Lakhs as compared to Loss before Tax of Rs. (318.34) Lakhs in 2017-18.

## **DISCUSSION ON FINANCIAL PERFORMANCE - CONSOLIDATED REVENUES**

The Revenue from Operations is 12.50 Lakhs for the financial year 2018-19

**Profit/Loss before Tax:** The Loss before Tax for 2018-19 is (554.94) Lakhs as compared to Loss before Tax of Rs. (473.31) Lakhs in 2017-18.

**Profits/Loss after Tax:** The Loss before Tax for 2018-19 is (554.94) Lakhs as compared to Loss before Tax of Rs. (473.31) Lakhs in 2017-18.

## INDEPENDENT AUDITORS' REPORT

To

#### To the Members of M/s Newtime Infrastructure Limited

### Report on the Standalone Financial Statements

### **Opinion**

We have audited the accompanying standalone financial statements of Newtime Infrastructure Limited ('the Company'), which comprise the balance sheet as at 31 March 2019, the statement of profit and loss and statement of cash flows for the year then ended including a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with relevant rules, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit and loss and its cash flows for the year ended on that date.

## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

## Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, profit and loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable

and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
  a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also
  responsible for expressing our opinion on whether the Company has adequate internal financial controls
  system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The balance sheet, the statement of profit and loss and the statement of cash flows dealt with by this Report are in agreement with the books of accounts;
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act read with relevant rules, as amended.
  - (e) On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - i) The Company did not have any pending litigations which would impact its financial position.
    - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - iii) Currently there are no amounts held by the company that are required to be transferred to Investor education and protection fund hence we do not comment on the same; and
  - (h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the company to its directors during the year is in accordance with the provisions of section 197 of the Act read with schedule V to the Act.

# Annexure A" to the Independent Auditors' Report

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the standalone Ind AS financial statements of the Company for the year ended March 31, 2019:

- Based on our scrutiny of the Company's books of account and other records and according to the information and explanations received by us from the management, we are of the opinion that the commenting on maintenance of proper records of fixed assets and physical verification of the fixed assets is not required as the Company had no fixed asset as on 31st March 2019 or at any time during the financial year ended 31st March 2019.
- 2. The Company does not hold any physical inventory any time during the year, hence no comments are required on clause 3(ii).
- 3. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- 4. According to the information and explanation given to us the Company has complied with the provisions of Section 185 and 186 of the Act, wherever and as applicable.
- 5. According to the information and explanation given to us the Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Act and the Rules framed there under to the extent notified.
- 6. As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7. (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues with the appropriate authorities, as applicable to it.
  - (b) Detail of disputed statutory dues aggregating to Rs. 12.2984 Lacs not deposited due to matter being pending before appropriate authority is given hereunder-:

S. No.	Name of Statue	Nature of dues	Relevant Assessment Year	Forum where dispute is Panding	Amount ('Rs.') in Lac
1.	Income Tax Act, 1961	Income Tax	2014-15	Commissioner of Income Tax Appeal	12.2984

- 8. Based on our audit procedure and the information and explanations given by the management, we are of the opinion that the Company has not issued debentures during the year under audit. Accordingly the provisions of clause 3(viii) of the Order are not applicable to the Company and hence not commented upon.
- 9. Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10. Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the course of our audit.
- 11. Based on the audit procedures performed and the information and explanations given by the management, the Company has not paid or provided any managerial remuneration. Accordingly, the provisions of clause 3 (xi) of the Order are not applicable to the Company and hence not commented upon.

- 12. In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause3 (xii) of the Order are not applicable to the Company.
- 13. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the standalone Ind AS Financial Statements as required by the applicable accounting standards.
- 14. Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3(xiv) of the Order are not applicable to the Company and hence not commented upon.
- 15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16. In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

# "Annexure B" to the Independent Auditor's Report

Referred to in paragraph 2(f) under the heading 'Report on Other Legal & Regulatory Requirement' of the Independent Auditors' Report of even date to the members of Newtime Infrastructure Limited on the financial statements for the year ended March 31, 2019

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Newtime Infrastructure Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

## Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

# **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### NOTE - 1

M/s Newtime Infrastructure Ltd. is a private limited company incorporated in India on July 07, 1984. The address of its registered office is Lotus Green City Sector 23 & 24, Bhiwadi, Alwar Bypass 75 Mtr. Road Dharuhera Rewari, Haryana-123 401.

The Company is has engaged in Real estate activities with Building of complete constructions and providing legal & professional Services.

#### **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

#### 1.1 Statement of Compliance

The Financial Statements have been prepared in accordance with IND AS notified under the companies (Indian Accounting Standard) Rules, 2015. The Company standalone financial statements have been prepared with Ind AS notified by section 133 of Companies Act, 2013 read with relevant rules issued there under from time to time, to the extent applicable to the Company.

### 1.2 Basis of preparation of Financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act , 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued Indian accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### 1.3 Use of Estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

#### 1.3.1 Useful lives of property, plant and equipment & Capital Work in progress

The Company reviews the useful life of property, equipment & Capital work in progress at the end of each reporting period or more frequently. The reassessment may result in change in depreciation expenses in future periods.

## 1.3.2 Provisions and contingent liabilities

A provision is recognized when the company has a present obligation as a result of past event and it is probable than an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized or disclosed in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

#### 1.4 Impairment of Assets

### 1.4.1 Financial assets (other than at fair value)

The company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction.

#### 1.4.2 Non-financial assets

#### Property, Plant & equipment and Intangible Assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is an indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss.

#### Investment in Subsidiaries

Investment held by Company as on date of transaction dated i.e 31.03.2019 is valued at cost.

## Investment - Others

 Non Current Investments: Unquoted long term investments and investment in property have been classified at cost.

#### 1.5 Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### 1.6 Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation /amortization and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The cost of property, plant & equipment also includes initial estimates of dismantling cost and restoring the site to its original position, on which the site is located.

#### 1.7 Borrowings

Preference Shares are separated into equity and liability components based on the terms of the issue / contract. On issuance of the preference shares, the fair value of the liability component is determined using a market rate for an equivalent instrument. This amount is classified as financial liability and it is measured at amortized cost method until it is extinguished on conversion or redemption. The reminder of the proceeds is recognized and included in equity component is not re-measured in subsequent years.

### 1.8 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset.

Preference Shares are separated into equity and liability components based on the terms of the issue / contract. Interest on liability component of preference shares is determined using amortized cost method and is charged to the statement of profit & loss.

#### 1.9 Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions determined by discounting the expected future cash flow at a pre-tax rate that reflects current market assessment of the time value of money and the risk specified to the liability.

## 1.10 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivables. Amounts disclosed as revenue are exclusive of excise duty/GST and net of returns, trade allowances, rebates, discounts and value added taxes.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured regardless of when the payment is being made. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each agreement.

All expenses and income are accounted on accrual basis.

#### 1.11 Employee benefits

#### 1.11.1 Long - Term Employee Benefits

The liability for gratuity & leave encashment is determined using Projected Unit Credit [PUC] Method and is accounted for on the basis of actuarial valuation in Accordance with IND AS - 19. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Actuarial Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognized in other comprehensive income. The current service cost is included in the employee benefit expense in the statement of profit & loss account. The interest cost calculated by applying the discount rate to the net balance of defined benefit obligation, is included in the finance cost in the statement of profit & loss account.

## 1.11.2 Short-Term Employee Benefits

Short - term employee benefits include performance incentive, salaries & wages, bonus and leave travel allowance. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the services.

#### 1.12 Depreciation & amortization

The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. Depreciation on additions/deductions to property, plant and equipment is provided on pro-rata basis from the date of actual installation or up to the date of such sale or disposal, as the case may be.

#### 1.13 Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

### 1.14 Cash and Cash Equivalent

Cash and Cash equivalent comprise cash in hand and demand deposits, together with other short term, highly liquid investment that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

#### 1.15 Cash Flow Statement

Cash flow are reported using indirect method set out in Ind AS-7 on cash flow statement, expect in case of dividend which has been considered on the basis of actual movement of cash with corresponding adjustments of assets and liabilities and where by profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items in income or expenses associated with investing or financial cash flow. The cash flow from operating, investing and financing activities of the company are segregated.

#### INDEPENDENT AUDITORS' REPORT

#### To

#### To the Members of M/s Newtime Infrastructure Limited

Report on the Consolidated Financial Statements

#### **Opinion**

We have audited the accompanying Consolidated financial statements of Newtime Infrastructure Limited ('the Company'), which comprise the balance sheet as at 31 March 2019, the statement of profit and loss and statement of cash flows for the year then ended including a summary of the significant accounting policies and other explanatory information (herein after referred to as "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with relevant rules, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit and loss and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated financial statements.

#### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, profit and loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable

and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also
  responsible for expressing our opinion on whether the Company has adequate internal financial controls
  system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The balance sheet, the statement of profit and loss and the statement of cash flows dealt with by this Report are in agreement with the books of accounts;
  - (d) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act read with relevant rules, as amended.
  - (e) On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - i) The Company did not have any pending litigations which would impact its financial position.
    - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - iii) Currently there are no amounts held by the company that are required to be transferred to Investor education and protection fund hence we do not comment on the same;

## "Annexure A" to the Independent Auditor's Report

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of Newtime Infrastructure Limited (the Holding Company) as of and for the year ended March 31,2019, we have audited the internal financial controls over financial reporting of Newtime Infrastructure Limited ("the holding company"), its associates, incorporated in India, as of that date.

### Management's Responsibility for Internal Financial Controls

The respective board of directors of the holding company, its associates incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their reports referred to in other paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the holding company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanation given to us and based on consideration of reporting of other auditors as mentioned in "Other Matters" paragraph of Audit Opinion, the holding Company, its associate companies, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Notes to the Financial Statement**

### 1. Background

Newtime Infrastructure Limited (Formerly known as Intra Infotech Limited) was incorporated under laws of India on 5th July 1984 and has One wholly owned subsidiary namely Lotus Buildtech Limited and Eight subsidiaries namely Pluto Biz developers Pvt Itd, Cropbay Real estate Pvt Ltd, Wintage Infraheight Pvt Ltd, Estaeagro Real estate Pvt Ltd, Magik Infraprojects Pvt Ltd Vincent Infraprojects Pvt Ltd, Villnova housing Pvt Ltd, Prosperous Buildcon Pvt Ltd.

#### 2. Significant Accounting Policies

#### 2.1 Statement of Compliance

The Financial Statements have been prepared in accordance with IND AS notified under the companies (Indian Accounting Standard) Rules, 2015. The Company has adopted Indian Accounting Standard from April 1, 2016 and accordingly these standalone financial statements have been prepared with Ind ASs notified by section 133 of Companies Act, 2013 read with relevant rules issued there under from time to time, to the extent applicable to the Company.

#### 2.2 Basis of preparation of Consolidated Financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act , 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued Indian accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Further the consolidated financial statements have been prepared using uniform accounting policies for like transactions and other event similar circumstances except for items, for which the accounting treatment is given on the basis of local laws applicable in respective countries for which using uniform accounting policies for the purpose of consolidation is impracticable.

#### 2.3 Use of Estimates

The preparation of the consolidated financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

## 2.3.1 Useful lives of property, plant and equipment & Capital Work in progress

The Group reviews the useful life of property, equipment & Capital work in progress at the end of each reporting period or more frequently. The reassessment may result in change in depreciation expenses in future periods.

### 2.3.2 Provisions and contingent liabilities

A provision is recognized when the company has a present obligation as a result of past event and it is probable than an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best

estimates. Contingent liabilities are not recognized or disclosed in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

#### 2.4 Principles of Consolidation and Equity Accounting

Consolidation financial statements are the financial statements of the group in which assets, liabilities, equity, income, expenses and cash flow of the parent and its subsidiaries are presented as those of a single economic entity.

#### 2.4.1 Subsidiaries

Subsidiaries are all entities (including structure entities) over which the group has control. The group controls the entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date, the control seizes.

The group combines the financial statements of the parent and its subsidiaries line by line, adding together like items of assets, liabilities, equity, income and expenses. Inter-Company transactions, balances and unrealized gains all transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transactions provides evidence of impairment of the transferred assets. Accounting policies of subsidiaries have been changed wherever considered necessary to ensure consistency with the policies adopted by the group.

Non-controlling interest in the results and equity of the subsidiaries are shown separately in the consolidated statement of profit & loss, consolidated statement of change in equity and balance sheet respectively.

#### 2.5 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivables. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured regardless of when the payment is being made. The group bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each agreement.

All expenses and income are accounted on accrual basis.

### 2.6 Employee benefits

#### 2.6.1 Long - Term Employee Benefits

The liability for gratuity & leave encashment is determined using Projected Unit Credit [PUC] Method and is accounted for on the basis of actuarial valuation in Accordance with IND AS - 19. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Actuarial Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognized in other comprehensive income. The current service cost is included in the employee benefit expense in the statement of profit & loss account. The interest cost calculated by applying the discount rate to the net balance of defined benefit obligation, is included in the finance cost in the statement of profit & loss account.

## 2.6.2 Short-Term Employee Benefits

Short - term employee benefits include performance incentive, salaries & wages, bonus and leave travel allowance. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the services.

#### 2.7 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset.

Preference Shares are separated into equity and liability components based on the terms of the issue/contract. Interest on liability component of preference shares is determined using amortized cost method and is charged to the statement of profit & loss.

#### 2.8 Depreciation & amortization

The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. Depreciation methods, useful lives and residual values are reviewed at each reporting period. Depreciation on additions/deductions to property, plant and equipment is provided on pro-rata basis from the date of actual installation or up to the date of such sale or disposal, as the case may be.

#### 2.9 Impairment of Assets

### 2.9.1 Financial assets (other than at fair value)

The company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction.

#### 2.9.2 Non-financial assets

#### Property, Plant & equipment and Intangible Assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is an indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss.

#### **Investment in Subsidiaries**

Investment held by Group as on date of transaction dated i.e 31.03.2019 is valued at cost.

#### Investment - Others

 Non Current Investments: Unquoted long term investments and investment in property have been classified at cost.

#### 2.10 Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### 2.11 Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation /amortization and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The cost of property, plant & equipment also includes initial estimates of dismantling cost and restoring the site to its original position, on which the site is located. For transaction to IND AS, the company has elected to continue with carrying value of all its property, plant and equipment recognized as on 01.04.2019 measured as per the previous GAAP.

## 2.12 Borrowings

Preference Shares are separated into equity and liability components based on the terms of the issue/contract. On issuance of the preference shares, the fair value of the liability component is determined using a market rate for an equivalent instrument. This amount is classified as financial liability and it is measured at amortized cost method until it is extinguished on conversion or redemption. The reminder of the proceeds is recognized and included in equity component is not re-measured in subsequent years.

#### 2.13 Investments

#### **Investment in Subsidiaries**

Investment held by group as on date of transaction dated i.e 31.03.2019 is valued at cost.

#### Investment - Others

 Non Current Investments: Unquoted long term investments and investment in property have been classified at cost.

### 2.14 Provisions

A provision is recognized if, as a result of a past event, the Group has a present legal or constructive obligation that is reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions determined by discounting the expected future cash flow at a pre-tax rate that reflects current market assessment of the time value of money and the risk specified to the liability.

## 2.15 Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted

for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.
