Sub: Transmission of shares & Loss of Share Certificate

With regards to above please be informed that the total-1250- no. of shares having above Folio nos were jointly held by myself and my husband LATE MR. PRITHWIRAJ BOSE who suddenly expired on 30/8/2014 (Please find the attached copy of his Death Certificate).

Now, since the certificates were jointly held by myself and my deceased husband you are requested to please arrange to transmit the shares in my name. The shares were held in physical Certificate form and were not dematerialised.

Further I request to inform you that as the share certificates were in my husband's custody after his demise I am not being able to find them out even after diligent and extensive searching.

So you are requested to issue a duplicate certificate also.

Thanking you
