Sops for semiconductor and display fabs in six months

KIRAN RATHEE
New Delhi, May 20

THE MINISTRY OF Electronics and IT (MeITy) is going to come out with incentive schemes for setting up display and semiconductor fabrication units in the country in the next six months. According to MeITy secretary Ajay Prakash Sawhney, the government is already doing the preparatory work and talking to the industry about the support required to set up the fabs. Separate expression of interests (EoIs) have been floated for display and semiconductor fabs and companies, both global and local, are showing keen interest to set up units in India.

For display units, the government is seeking interest from companies to set up LCD/OLED/AMOLED/QLED based display fabrication units in India.

As per information shared by the government, displays constitute a significant portion of the total bill of materials (BoM) in electronic products. For instance, displays account for over 25% of the BoM in the case of smartphones and over 50% in the case of LCD/LED TVs.

As per a report launched by industry association ICEA, in collaboration with Grantwood Technologies, the domestic consumption of display components exceeded \$5 billion in 2020 alone.

The demand for display components in India is expected to sharply rise over the next five years, which is estimated to be much greater than \$10 billion in 2025, mainly resulting from the "Make-in-India" national strategy to promote electronic

manufacturing. The report highlights that India has steadily grown into a leading consumer market for display-centric products. However, India does not currently have a local display manufacturing industry and all display components have to be imported from overseas suppliers.

India has already established a substantial market pull for display components and this market pull is accelerating to be a substantial fraction of the global display industry. The creation of an India-based display industry will require the confluence of market pull, capital and know-how.

Globally, the display was a \$100 billion industry in 2020 and is projected to grow over \$125 billion in revenues by 2024. The mobile phone and TV product segments account for greater than 65% of the industry revenues while notebooks, monitors, tablets, automotive and other applications account for the rest.

G Rajeswaran, Director & CEO, Grantwood Technologies said, "Displays are the windows to the digital world of data. They make it possible for data to be visualized in a human-readable form. India has the market pull for display-centric electronic products, it needs a plan to bring together capital and know-how for the creation of a display manufacturing industry in India."

Plan to increase oilseed sowing area by a quarter

FE BUREAU
New Delhi, May 20

AHEAD OF KHARIF sowing of crops to begin from June 1, the Centre has set a target to bring an additional 6.37 lakh hectare under oilseeds cultivation this season itself and rolled out a long-term plan to make the country self-sufficient in edible oils.

"Under a multi-pronged strategy, the government has approved an ambitious plan for the free distribution of high yielding varieties of seeds to the farmers for this kharif season in the form of mini-kits," the agriculture ministry said in a statement.

From bringing additional area under oilseeds, the country's oilseeds production may go up by 1.2 million tonne (MT),

enough to generate 2,44,000 tonne of edible oils through domestic processing.

Though production of oilseeds has gone up in the past few years, it is highly inadequate to reduce India's annual edible oil import bill of Rs 75,000 crore.

Oilseeds output has increased to 37.31 MT in 2020-21 from 27.51 MT in 2014-15 to 37.31 MT in 2020-21, while the area has gone up to 28.82 million hectares from 25.99 million hectares during this period.

The overall yield has increased to 1,295 kg/hectare from 1,075 kg/hectare.

The special plan for the ensuing season was discussed in detail with the states during the kharif conference held on April 30. Both area and productivity enhancement have been for-

mulated for soybean and groundnut with a focus on high yielding varieties of seeds to be provided free of cost under the "National Food Security Mission" and "Oil Seeds and Oil Palm Mission".

Soybean seeds worth ₹76.03 crore will be distributed in 41 districts of Madhya Pradesh, Maharashtra, Rajasthan, Gujarat, Karnataka, Telangana and Chhattisgarh with a target to cover 1,47,500 hectares under intercropping. Further, 73 high potential districts in Madhya Pradesh, Maharashtra, Rajasthan, Telangana, Karnataka, Uttar Pradesh, Chhattisgarh and Gujarat have been identified costing ₹104 crore and 3,90,000 hectares.

Besides, in the existing soybean growing areas of 1.0 lakh hectares spread over 90 districts of Madhya Pradesh, Maharash-

tra, Rajasthan, Karnataka, Telangana Chhattisgarh, Gujarat, UP and Bihar 8.16 lakh mini kits (free seeds) worth ₹40 crore will be distributed to increase yield. The soybean seeds to be distributed will be having a yield of not less than 20 quintals per hectare, the government said. The distribution of seeds for intercropping and high potential districts will be through the state seed agencies and the seeds under the mini-kits will be through the Central seed producing agencies.

The Centre has also approved the distribution of 74,000 groundnut seed mini kits, having not less than 22 quintals/hectare yield, in Gujarat, Andhra Pradesh, Rajasthan, Madhya Pradesh and Tamil Nadu with a budget of ₹13 crore.

Retail inflation for farm, rural workers eases a tad in April

RETAIL INFLATION FOR farm workers and rural labourers in April eased marginally to 2.66% and 2.94%, respectively, mainly due to lower prices of certain food items.

"Point-to-point rate of inflation based on the CPI-AL (Consumer Price Index for Agricultural Labourers) and CPI-RL (Consumer Price Index for Rural Labourers) decreased to 2.66% and 2.94% in April 2021, from 2.78% and 2.96%, respectively, in March, 2021," the labour ministry said in a statement.

Food inflation based on CPI-AL and CPI-RL stood at 1.24% and 1.54% in April 2021, respectively, it added. The change in the index varied from state to state.

In the case of agricultural labourers, it recorded an increase in the range of 1-17 points in 16 states and a decrease of 1-4 points in four states. Tamil Nadu, with 1,249 points, topped the index; whereas Himachal Pradesh, with 813 points, stood at the bottom.

In the case of rural labourers, it recorded a rise in the range of 1-18 points in 17 states and a decrease of 1-4 points in three states. Tamil Nadu, with 1,233 points, topped the index table; whereas Bihar, with 851 points, stood at the bottom.

CBI probing illegal commissions to sons of IFFCO MD, Indian Potash chief, others

PRESS TRUST OF INDIA
New Delhi, May 20

THE CBI IS probing alleged illegal commissions worth over ₹685 crore received during 2007-14 by the NRI sons of IFFCO managing director US Awasthi, Indian Potash managing director PS Gahlaut and others from overseas suppliers through transactions facilitated by AgustaWestland case accused Rajiv Saxena, the agency said.

The commissions were received from suppliers of fertilisers and raw materials using a complex web of transactions, CBI alleged in its FIR.

The sham transactions were facilitated through circuitous routes in the garb of consultancy agreements to hide commissions to Awasthi, who is also the Indian Farmers Fertiliser Co-operative's CEO,

and Gahlaut who allegedly imported fertilisers and raw materials at inflated rates, the agency has alleged.

Similar modus operandi was allegedly adopted in sending bribes in the AgustaWestland helicopter corruption case too in which Saxena is facing probe.

The CBI has alleged that between 2007-14, in order to claim higher subsidies, Awasthi and Gahlaut as part of a criminal conspiracy imported fertilisers at highly inflated rates, which included commission meant for both, from various overseas suppliers.

The commission amounts were siphoned off out of India via their sons based in the US and other accused persons, including owner of Jyoti Trading Corporation and the Rare Earth Group, Pankaj Jain, his brother Sanjay Jain, and senior VP of the company

AD Singh, and chartered accountant Saxena, the CBI has alleged in its inquiry.

"They allegedly siphoned off the commission through a complex web of fake commercial transactions through multiple companies registered outside India (beneficially owned by the accused persons) to camouflage the fraudulent transactions as genuine," it said in the FIR.

Narada case: HC defers hearing

THE CALCUTTA HIGH COURT on Thursday deferred hearing in the case filed by CBI against bail given to TMC leaders arrested by the agency in the Narada sting tape case due to unavoidable circumstances.

A division bench comprising Acting Chief Justice Rajesh Bindal and Justice Arijet Banerjee is hearing an application by the CBI, to transfer the bail applications from the Special CBI Court to the High Court citing unprecedented mob pressures by supporters of the jailed leaders.

Chief Minister Mamata Banerjee and Law Minister Moloy Ghatak have also been made parties in the case filed by CBI. "Due to unavoidable circumstances, the First Division Bench will not assemble today," a notice in the Calcutta High Court website said. Earlier the high court on Monday night stayed the CBI court's decision to grant bail to West Bengal ministers Subrata Mukherjee and Firhad Hakim, Trinamool Congress MLA Madan Mitra and former mayor of Kolkata Sovan Chatterjee, arrested and charge-sheeted by the CBI in the Narada sting case.

Covid eats into exports of readymade garments, decline by 21% to \$12.2bn

FE BUREAU
Chennai, May 20

THE READYMADE GARMENTS (RMG) or apparel exports from the country on a cumulative basis declined by 21.1% y-o-y to \$ 12.2 billion during FY21 triggered by Covid-19 pandemic disruptions.

The fall in RMG outbound shipments was seen across all the markets with exports to the top two markets, Europe and the US decreasing by about 23% each to \$ 3.7 billion and \$ 3.3 billion, respectively, according to a research note by CARE Ratings. The Europe market for RMG includes only UK, Germany, France, Spain, Netherlands, Italy and Denmark.

The shipments to other markets, too, fell by a similar 23% to \$ 3.6 billion while exports to UAE, the third largest RMG export market for India, dropped by a lower 4.8% to \$ 1.6 billion. The slower fall in shipments to UAE market was backed by strong increase in exports to UAE in each of the months during latter part of FY21 (September 2020 onwards) except for December 2020 and January 2021 where exports fell by about 10% in each of these two months, it said.

The RMG exports from India comprise cotton including accessories, man-made fibres, other textile materials, wool and silk with cotton including accessories accounting for lion's share and wool and silk contributing minimal to the exports.

During FY21, the share of cotton including accessories in total RMG outbound shipments remained constant at 56% y-o-y and its exports fell by 20.8% to \$ 6.8 billion while the contribution of man-made fibres contracted by about 1% to 21% as its shipments decreased by a faster 25.2%. The exports of third major segment other textile materials however declined by a slower 16.5% compared to the other two major segments and thus its share expanded by around 1% to 21% during FY21, according to CARE Ratings study. India is largely dependent on cotton for RMG exports which is contrary to the trend in international textiles market where consumption of man-made filaments & fibres (MMF) textiles have a share of about 70%.

NOTICE

Members are hereby informed that pursuant to Sections 108 and 110 of the Companies Act, 2013 ("Companies Act"), read with the Companies (Management and Administration) Rules, 2014 ("Management Rules"), each as amended from time to time, and the General Circular Nos. 14/2020 and 17/2020 dated April 8, 2020, April 13, 2020, September 28, 2020 and December 31, 2020 respectively, issued by the Ministry of Corporate Affairs, Government of India (the "MCA Circulars"), the Company has completed dispatch of the postal ballot notices along with explanatory statement (in electronic form) on Thursday, May 20, 2021 to all shareholders whose names appear in the register of members/ list of beneficial owners, as on the close of working hours on May 14, 2021 (Friday) i.e., cut off date, as received from the National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL") (together referred to as "Depositories") and who have registered their e-mail addresses in respect of electronic holdings with the depository through the concerned depository participants and in respect of physical holdings with KFin Technologies Private Limited, the registrar and share transfer agent of the Company ("KFinTech"), for seeking their approval to the proposed "Tanla Platforms Limited - Restricted Stock Unit Plan 2021" & "Grant of Stock Options to the eligible employees of the Subsidiary(ies) of the Company, through Postal Ballot by way of remote e-voting ("E-voting").

In compliance with Sections 108 and 110 of the Companies Act read with Rules 20 and 22 of the Management Rules, Regulation 44 of the SEBI Listing Regulations and MCA Circulars, the Company is offering facility of E-voting. The Company has engaged services of KFinTech as its agency for providing E-voting facility to shareholders of the Company. In compliance with the requirements of the MCA Circulars, hard copy of the postal ballot notice along with postal ballot forms and pre-paid business envelope have not been sent to the shareholders for this postal ballot and shareholders are requested to carefully read the instructions indicated in postal ballot notice and communicate their assent (for) or dissent (against) through E-voting only.

Voting through electronic means shall commence from 9.00 a.m. on May 21, 2021 (Friday) and end at 5.00 p.m. on June 19, 2021 (Saturday). Voting by electronic means will not be allowed beyond 5.00 p.m. on June 19, 2021 (Saturday). Members are requested to refer to E-voting instructions in the postal ballot notice regarding the process and manner for E-voting. The voting rights of the members for e-voting shall be in proportion to their shareholding in the paid-up equity share capital as on the said cut-off date. A person who is not a member as on the cut-off date should treat this notice for information purposes only. The Postal Ballot Notice can also be downloaded from the Company's website (www.tanla.com), website of KFinTech (https://evoting.karvy.com), and at the relevant sections of the websites of the stock exchanges on which the Equity Shares of the Company are listed i.e., National Stock Exchange of India Limited and BSE Limited.

The Board of Directors has appointed Ms. Madhu Lakshmi, Practicing Company Secretary (CP No. 23044), Madhu Lakshmi & Company, Hyderabad as the Scrutinizer for conducting the e-voting process in a fair and transparent manner.

On account of threat posed by COVID-19 and in terms of the MCA Circulars, the Company has sent the postal ballot notice in electronic form only and hard copy of the postal ballot notice along with postal ballot forms and pre-paid business envelope have not been sent to the members for this postal ballot. Accordingly, the communication of the assent or dissent of the members would take place through the E-voting system. Therefore, those members who have not yet submitted their e-mail address are requested to get their e-mail addresses registered by following the procedure given below:

- In light of the MCA Circulars, for remote E-voting for this postal ballot, shareholders who have not registered their email addresses and in consequence the E-voting notice could not be serviced, may temporarily get their e-mail addresses submitted with the Company's Registrar and Share Transfer Agent, KFin Technologies Private Limited, by clicking the link: https://ris.kfintech.com/client-services/postalballot/ Shareholders may also visit the website of the Company (www.tanla.com) and click on the "Postal ballot-email registration" and follow the submission process as guided thereafter. Post successful submission of the e-mail address, the shareholder would get soft copy of this Notice and the procedure for E-voting along with the user-id and the password to enable E-voting for this postal ballot. In case of any queries, shareholder may write to einward.ris@kfintech.com.
- It is clarified that for permanent registration of e-mail address, the shareholders are however requested to register their email address, in respect of electronic holdings with the depository through the concerned depository participants and in respect of physical holdings with the Company's Registrar and Share Transfer Agent, KFin Technologies Private Limited, Selenium, Tower B, Plot 31 & 32, Gachibowli, Financial District, Nanakramguda, Hyderabad-500032, India by following due procedure.
- Those shareholders who have already registered their e-mail address are requested to keep their e-mail addresses validated with their depository participants / the Company's Registrar and Share Transfer Agent, KFin Technologies Private Limited to enable servicing of notices / documents / annual Reports electronically to their e-mail address.

The Scrutinizer will submit the report to the Chairman of the Company or any other person authorized by the Chairman and the e-voting results will be announced on or before June 21, 2021 (Monday), and will be displayed on the website of the Company at www.tanla.com and shall also be informed to National Stock Exchange of India Limited, BSE Limited, and the Registrar and Share Transfer Agent.

For any query or grievance regarding, inter alia, voting by electronic means, please visit Help & FAQ's section of KFinTech's e-voting website or contact the Kfintech at Toll free No. 1800 3454 001 or write an e-mail to evoting@karvy.com or contact Ms. Seshanuradha Chava, General Counsel and Chief Regulatory Officer, Tanla Technology Centre, Hitec City Road, Madhapur, Hyderabad, Telangana - 500 081 at +91 040-40099999 or write an e-mail to investorhelp@tanla.com.
