Sir/Madam,

In compliance with Regulation 30 of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015, this is to inform you that the Company has commenced the Mechanical Spinning of Unit-I of 60 MW Naitwar Mori Hydro Electric Project (NMHEP) at Mori, Uttarakhand today.

The spinning of Turbine Generators and associated auxiliaries with water flow marks the final preparations for synchronization of the Units. The Barrage and Head Race Tunnel have been filled with water as per procedural guidelines for filling of the hydro project components.

The 60 MW Naitwar Mori Hydro Electric Project is Run off the river project designed to harness energy from river Tons in Uttarkashi district of Uttarakhand. The project will generate 265.5 million units of electricity annually. The Company has constructed 37 km 220 KV Transmission Line for evacuation of power from Naitwar Mori HEP from Bainol to Snail.

This achievement reaffirms the commitment of the Company to harness the energy from non-fossil fuel sources. Marching towards sustainable future, the Company has aimed to be a 50,000 MW Company by 2040.

Kindly take the above information on record and oblige.

Thanking you,

Yours faithfully,

(Soumendra Das)
Company Secretary
