

# Crack down on 'resale' of Russia oil: EU policy chief

REUTERS  
16 May

The European Union should crack down on India reselling Russian oil into Europe as refined fuel, including diesel, EU foreign policy chief Josep Borrell said in an interview with the *Financial Times*.

India has emerged in the past year as a top buyer of Russian oil following the war. Access to cheap Russian crude has boosted output and profits at Indian refineries, enabling them to export refined products to Europe and take a bigger market share. Borrell told the newspaper he will raise the issue with India's foreign minister, S Jaishankar.

"If diesel or gasoline is entering Europe ... coming from India and being produced with Russian oil, that is certainly a circumvention of sanctions and member states have to take measures," Borrell said.

"That India buys Russian oil, it's normal... But if they use that in order to be a centre where Russian oil is being refined and by-products are being sold to us... we have to act," he added.

## India, EU talk trade deal, market access

Jaishankar, Goyal, Chandrasekhar co-chair 1st India-EU trade & tech body meet

India and the European Union (EU) on Tuesday discussed the need to expedite the ongoing trade deal negotiations by finding convergence on all issues on the sidelines of the first ministerial meeting of the India-European Union Trade and Technology Council meeting in Brussels.

Both sides sought to give "due consideration to mutual sensitivities, including on market access for balanced and meaningful outcomes" that would support the economies and employment on both sides, commerce and industry ministry said in a statement on Tuesday. The matter was discussed between commerce and industry minister Piyush Goyal, and executive vice president of the European Commission Valdis Dombrovskis. India and the EU had in April last year agreed to establish a "Trade and Technology Council", to

Indian ministers with EU President Ursula von der Leyen (centre), in Brussels, on Tuesday PHOTO: PTI

tackle the challenges at the nexus of trade, trusted technology and security. Such a council is the first for India with any of its partners and second for the EU, following the first one it has set up with the US. The ministerial meeting was co-chaired on the Indian side by External Affairs Minister S Jaishankar, Commerce and Industry Minister Piyush Goyal and Communications, Electronics and IT Minister Rajeev

Chandrasekhar.

While the first ministerial aims to lay the road map for the cooperation under all the three working groups set up under the council, there will also be discussions over thorny issues such as the EU's decision to rollout the controversial Carbon Border Adjustment Mechanism (CBAM), which will result in imposition of a levy on imported carbon-intensive products. # Modi distributes 71,000 job letters before 9th anniversary

ARCHIS MOHAN  
New Delhi, 16 May

Prime Minister Narendra Modi marked nine years of the day the Bharatiya Janata Party (BJP) won the 2014 Lok Sabha elections on May 16, 2014, by distributing 71,006 appointment letters at a 'Rozgar Mela' on Tuesday. With this, the PM has handed out 359,000 appointment letters in five such events since October 22, 2022. In June last year, the PMO tweeted that Modi instructed all departments and ministries to recruit one million people "in a mission mode in the next 18 months" by December 2023. At the event, the PM spoke about his government's initiatives towards employment generation, stating that the past few weeks have brought news of "unprecedented positivity" in industry and investments, detailing his meetings with the leading CEOs of global firms. "I met the Walmart CEO (Doug McMillon) a few days back. He said his company will start exporting goods

PM Modi addresses 'Rozgar Mela', in New Delhi PHOTO: PTI

worth ₹80,000 crore from India in the next three-four years. This is big news for our youth who wish to work in the logistics and supply chain sector," the PM said. During his India visit, CISCO CEO, Chuck Robbins, told him that his firm was targeting exporting products worth ₹8,000 crore from India, Modi said.

The PM said top executives of NXP Semiconductors met him recently and were "positive" about the capability of India's semiconductor ecosystem. "Foxconn has also started

investing thousands of crores in its several projects in India," Modi said. The PM noted that over the next week, he would be meeting the CEOs of several global companies who are enthusiastic about investing in India, and these efforts are proof of the speed with which employment opportunities are increasing in different sectors.

Modi said according to the Employees' Provident Fund Organisation (EPFO) net payroll data from 2018-19 onwards, more than 45 million people have received formal

jobs. "It is evident that there is a sharp increase in formal jobs and self-employment opportunities," he said.

The PM recalled that on May 16, the results of the Lok Sabha polls were announced nine years ago, which "the entire country celebrated". The government and BJP have elaborate plans to mark the Modi government's nine years, including the PM addressing a public rally on May 30 and possibly inaugurating the new Parliament building, which is getting its final touches.

Modi said start-ups had increased to nearly 100,000 from a few hundred before 2014, and they are estimated to have provided a minimum of one million jobs. The government has disbursed loans worth over ₹23 trillion under the Mudra Yojna since 2014, helping establish new businesses, buy taxis or expand their existing establishments. About 80-90 million citizens have become first-time entrepreneurs after availing of loans under the scheme.

# 37 Gw offshore wind power by '30; TN, Gujarat sit on 70-Gw potential

SHINE JACOB  
Chennai, 16 May

Tamil Nadu and Gujarat have an offshore wind energy potential of more than 70 gigawatt (Gw). This is more than the existing 64 Gw capacity globally, informed Indian government officials on Monday. Their estimate, made at the meeting of the Energy Transition Working Group under India's G20 Presidency, in Mumbai, comes before India issues its first offshore wind tender in four to six weeks. The bids will be for installing around 37 Gw of offshore wind energy by 2030, in phases.

Both Tamil Nadu and Gujarat have agreed to purchase power from the initial offshore wind projects for around ₹4 per unit. According to India's discussions, 37 Gw of offshore wind energy power may see investments of \$100 billion, excluding the money needed for creating the ecosystem.

According to the target set by the Global Wind Energy Council, the world by 2030 may achieve 380 Gw of installed offshore wind power and by 2050, touch 2,000 Gw.

"The first offshore wind sea bed lease tender is likely to be rolled out soon. We are happy that the governments of Tamil Nadu and Gujarat have expressed their willingness to purchase offshore wind power generated off the respective

coasts at a very competitive tariff of ₹4 per unit for the initial few projects. This will help to kick off the initial projects. We will also plan viability gap funding for the initial part of offshore wind capacity," said

Bhupinder Singh Bhalla, secretary, Ministry of New and Renewable Energy (MNRE).

Another government official said the first bids are likely to be out in the next four to six weeks.

"From 2023 through 2030, there will be a series of bids, which will cumulatively add 37 Gw by then. Probably, this year we may go for 5 Gw," said Dinesh D Jagdale, joint secretary, MNRE.

India has a realistic potential of 400-500 Gw in the sector, he added. The world has 63.4 Gw in installed offshore wind energy capacity, of which, China has taken the lead with 28.6 Gw. The UK stands second with 12.5 Gw. Germany is at no. 3 with 7.5 Gw. Denmark and the Netherlands are at fourth and fifth positions with 2.9 and 2.3 Gw, respectively. The rest of the world contributes around 4 Gw. Among Indian states, Gujarat and Tamil Nadu have a natural advantage due to their 1,600 km and 1,076 km coastline, respectively.

"In Tamil Nadu, the wind speed is 9.5-10 metres per second on average, which means it will come as a Class 1 site in line with international technical standards. On the West coast, the winds are rather modest at an average of 7.5-7.8 metres per second. When we further move to the elevated hills of Goa and Kerala, it is not as encouraging for offshore wind," said Rajesh Katyal, director-general (additional charge), National Institute of Wind Energy.

According to industry estimates, the per-megawatt of offshore wind power may cost \$2.6-4 million.

**APPENDIX-IV-A [See proviso to rule 8 (6)]**  
**SALE NOTICE FOR SALE OF IMMOVABLE PROPERTIES**

E-auction Sale Notice for Sale of Immovable Assets under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ("SARFAESI Act") read with proviso to Rule 8 (6) of the Security Interest (Enforcement) Rules, 2002 ("Rules"). Notice is hereby given to the public in general and in particular to Neptune Ventures and Developers Pvt. Ltd. ("Borrower"), Mr. Nayan Shah, Mr. Nayan Bheda, Mr. Sachin Deshmukh and M/s Neptune Developers Ltd. ("Guarantors") that Central Bank of India (hereinafter referred to as "Assignor Bank") has assigned the debts of Borrower together with underlying Securities mortgaged / charged / created by Borrower and its Guarantors in favour of Edelweiss Asset Reconstruction Company Limited acting in its capacity as the trustee of EARC Trust SC-158 (hereinafter referred to as "EARC / Secured Creditor") vide Assignment Agreement dated September 24, 2015. Pursuant to the said assignment, EARC has stepped into the shoes of the Assignor Bank and therefore, exercises its rights as the secured creditor.

EARC, in its capacity as secured creditor, had taken the symbolic possession of the below-mentioned immovable secured assets on August 02, 2019, on April 29, 2021, and on November 12, 2021, under 13(4) of SARFAESI Act and Rules there under respectively.

Further, notice is hereby given to the public in general and in particular to the Borrower / Mortgagee(s) and Guarantor(s) that the below described immovable property mortgaged/charged to the Secured Creditor, the symbolic possession of which has been taken by the Authorised Officer of EARC / Secured Creditor, will be sold through a public-auction on "As is where is", "As is what is", "No recourse" and on symbolic possession basis scheduled on **June 08, 2023** for recovery of Rs. 3,76,09,80,598/- (Rupees Three Hundred Seventy Six Crore Nine Lakh Eighty Thousand Five Hundred Ninety Eight Only) as on January 22, 2021 (along with further contractual interest, cost and expenses, adjusted with any amount received after the aforesaid date) being due to EARC viz. Secured Creditor from Borrower / Mortgagee and Guarantor(s).
