MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

Gems and jewellery industry plays a vital role in the Indian economy as it is one of the largest exporters and contributes a major chunk to the total foreign reserves of the country. India's gems and jewellery industry is one of the largest in the world contributing almost 29% to the global jewellery consumption. India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. One of the fastest growing sectors, gems and jewellery industry is extremely export oriented and labour intensive.

OPPORTUNITIES AND THREATS

Jewellery exports have been recording a decelerating trends since the beginning of FY21 on account of various domestic as well as global challenges including rise in import duty on precious stones viz. polished diamonds and colored gem stones, tightening of lending terms by banks, declining demand from export markets and withdrawal of GSP benefit by USA among others.

To add to this, the spread of COVID-19 in key export markets such as USA, Europe, China, Hong Kong and U.A.E. has created further hurdles for this export oriented industry. Gems and jewellery market comprises of gold, diamond studded and silver jewellery as well as precious and semi-precious gemstones and its jewellery. A major chunk of gold jewellery manufactured in India is for domestic consumption, whereas a major portion of polished diamonds or finished diamond jewellery is exported. India is the world's largest centre for cut and polished diamonds in the world and exports 75% of the world's polished diamonds

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company's main business is diamond jewellery manufacturing and all the activities of the Company during the year are related to this business. As such there are no separate reportable segments.

OUTLOOK

The Company has done reasonable in the current year and expects to achieve a good percentage of market share in the Diamond manufacturing and Jewellery marketing fields in the years to come. The outlook for the Company can therefore be termed as optimistic and expects higher growth than inflation and average growth in the industry. In the coming years, growth in Gems and Jewellery sector would be largely contributed by the development of large retailers/brands. Established brands are guiding the organized market and are opening opportunities to grow. The demand for jewellery is expected to be significantly supported by the recent positive developments in the industry.

There is a Strong possibility of revival of the Indian economy after a 1year pause and result in favour of discretionary spending categories.

RISKS AND CONCERNS

Following can be some of the risks and concerns the Company needs to be wary of:

- The largely unorganized structure of the market can affect the systematic functioning of the Company.
- Political instability, which has a tremendous impact on the capital markets.
- Likely opening up of the economy, which can be a double-edged sword.
- The Diamond market in India is heavily influenced by the US Markets.
- The major income component of the Company being exports, changes in economies or government policies of the countries to which
- The Company is exporting may also affect the operations of the Company.
- Increasing competition among the Indian Exporters in this industry.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control procedures commensurate with the size of the Company and the nature of its business for purchase of stores, raw materials, components, plant and machinery, equipment and other assets, and for the sale of goods.

The Company also has in place an Audit Committee to have a periodic over view of the internal control procedures of the Company. The Audit committee is accessible at all times to the employees of the Company for any improvement to be recommended in the procedures in place.

TRADING STATUS ON THE STOCK EXCHANGE:

The company's equity shares are Listed and traded on Bombay Stock Exchange Limited.

HUMAN RESOURCE DEVELOPMENT

The company considers human resources as one of the vital and important factors for sustained growth. The human resources strategy is to attract talent in the industry, develop and upgrade their skill and competence on the job and ensure employee satisfaction through reward, appreciation and development of environment based on culture and values nurtured by the Group over the years.

CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectation or predication may be "forward-looking" statements within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factors.

**Independent Auditor's Report
To the Members of PATDIAM JEWELLERY LIMITED
Report on the Audit of the Financial Statements**

Opinion

We have audited the accompanying financial statements of PATDIAM JEWELLERY LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and profit/loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Management and Those charged With Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial

position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the interim consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial

controls system over financial reporting and the operating effectiveness of such controls

- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the interim consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, the auditor determines those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. In accordance with the requirements of SA 701, the auditor describes these matters in the auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, the auditor determines that a matter should not be communicated in the auditor's report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of

section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements of one joint operation that was audited by the other auditor, as noted in the "Other Matters" paragraph, we report that:

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Patdiam Jewellery Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

1 SIGNIFICANT ACCOUNTING POLICIES :

a) Basis of preparation

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the Generally Accepted Accounting Principles, Accounting Standards notified under Section 133 of the Companies Act, 2013 and the relevant provisions thereof.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principals (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of financial statements and reported amounts of revenue and expenses for the year. Although these estimates are based upon management 's best knowledge of current events and actions , actual result could differ from these estimates.

c) Property, plant and equipment and intangible assets

Property, plant and equipment and intangible assets (excluding Land & Building) are stated at cost (Net of Gst wherever applicable). They are stated at historical cost less accumulated depreciation and Impairment loss.

Machinery spares which can be used only in connection with a particular item of fixed asset and the use of which is irregular, are capitalised at cost net of Gst credit, wherever applicable.

d) Depreciation

Depreciation on Fixed Assets is provided on "Written Down Value" method and at the rates prescribed in Schedule II of the Companies Act, 2013. Depreciation on addition to fixed assets is provided on prorata basis from the date of acquisition or installation. Depreciation on assets sold, discarded, demolished or scrapped, is provided upto the month in which the said assets is sold, discarded, demolished or scrapped.

e) Impairment of assets

i) At each Balance sheet date, the Company determines whether a provision should be made for impairment loss on fixed assets by considering the indications that an impairment loss may have occurred in accordance with Accounting Standard (As)-28 "Impairment of Assets".

ii) After Impairment, depreciation is provided on the revised carrying amount of the assets.

iii) A Previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if no impairment loss had been recognized.

f) Inventories :

i) Raw materials are valued at cost or market value, whichever is lower on first in first out basis.

ii) Stores and Spares are valued at cost on first in first out basis.

iii) Work in progress comprises of direct material, proportionate conversion cost or net realisable value whichever is less

iv) Cost of finished goods comprises of direct material, conversion cost and all other cost incurred in bringing material to its present location and are valued at cost or net realisable value whichever is lower. Trading goods are valued at Cost or net realisable value, Whichever is lower.

Note : Inventories of cut and polished diamonds are valued at cost or market price whichever is lower based on the valuation report obtained from Government approved Valuer.

g) Foreign currency transaction

Monetary Assets except those which are covered by forward exchange contracts and monetary liabilities, i.e. items to be received or paid in foreign currency, are stated at the exchange rates prevailing on the date of Balance Sheet. In case of transactions which are covered by forward exchange contracts, the difference between the forward rate and the spot rate is recognised as income or expense over the life of contracts. Realised gains and losses on foreign currency transactions are recognised in the Profit & Loss Account.

Monetary items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and is recognised over the life of the contract.

Transactions in foreign currencies Current Assets (including bank account maintained in foreign currency) and current liabilities (including bank loans taken in foreign currency), i.e. items to be received or paid in foreign currency, are stated at the exchange rates prevailing on the date of the Balance Sheet.

h) Borrowing cost

Financial Income and borrowing costs include interest income on bank deposits and interest expense on loans recognised when the right to receive the payment is established.

PATDIAM JEWELLERY LIMITED
SIGNIFICANT ACCOUNTING POLICIES :

i) Recognition of Income and expenditure

Revenues/Incomes and Cost/Expenditures are generally accounted on accrual basis as they are earned or incurred.

Sales

Revenue is recognised when the significant risks and rewards of ownership to the goods is passed to the buyer.

Domestic sales are accounted on dispatch of products to customers and Export sales are accounted on the basis of dates of Bill of Lading. Domestic Sales are disclosed net of Value Added Tax, discounts and returns as applicable.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

j) Employee benefits

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of given years of service. The company has provided gratuity on the basis of the amount payable for gratuity as on the date of balance sheet.

k) Research and development expenditure

Revenue expenses on Research & Development are charged to the Profit & Loss Account in the year in which these are incurred. Capital expenditure is taken as addition to the fixed assets.

l) Provision for current and deferred tax

Deferred tax asset / Liability is Nil as there is no timing difference on account of Income referred to in Profit and Loss account and Computation of Income.

Income Tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the Income tax law and deferred tax charge or credit.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge of credit and corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

m) Provisions/ Contingencies

A Provision is created when an enterprise has a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount and it is probable that an outflow of resources will be required to settle the obligation. A disclosure for contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

The Company does not recognise assets which are of contingent nature until there is virtual certainty of reliability of such assets. However, if it has become virtual certain that an inflow of economic benefits will arise, assets and related income is recognised in the financial statements of the period in which the change occurs.

n) Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period are adjusted for events of buy back. For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all diluted potential equity shares.

PATDIAM JEWELLERY LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

33 During 2006, company has acquired some equity interest (equal to 18%) in two USA based companies, namely American Value Chain Inc(AVC) and Gems Media LLC (GM) by the investing in the aggregate a sum of US \$ 2,00,000 (Equivalent Indian ` 92,55,666/-)(US \$ 190000 in AVC and US \$ 10000 in GM-Equal to ` 87,92,568/- in AVC and ` 4,63,098/- in GM). Subsequent to investment both companies run in to trouble and incurred huge loss. The aggregate loss as on April, 2008 was US \$ 47,45,220.67. However, company had a share holder agreement with other share holders of these companies where in it was protected from the loss and was given an exit option at a valuation of its interest for US \$ 9,80,456.13, after 2009. Company has exercised its option and claimed that other share holders buy out its interest at an agreed consideration in terms of share holder's agreement. However, other share holders had initially sought an extension of time, Ever after expiry of extened period, they have used delaying tactics citing huge loss, financial crunch etc as reason. Pending action in terms of share holder's agreement, company continue to present its investment as such and has not considered any provision for diminution in value of its investments in terms of theoretical value of its equity interest. Also, it has other trade receivable of US \$ 1,76,741.72(Equivalent Indian ` 1,33,95,697/- as at year end) due from GM which it has continue to carry at book value. In the mean time company came to know that order share holders have put in more equity fund in the companies and raised their interest developments and after having exhausted all informal channels, finally in financial year i.e.in F.Y.2015-16 company has lodged a suite in court of law in USA and claimed remedy and specific performance under share holder's agreement. It has made a plea before th court of law that its equity interest be brought out and it be paid compensation as per share holder's agreement. Management if the company has been advised by its USA Lawyers that, there is more than probable chance of it getting its claim. Considering this company has continued to show it investment at cost and other receivables from these companies at book value and has not make any provision for loss by way of diminution in value of investment or bad debts for book debts. However as it has now filed a suite and expressed its intention to transfer or sale its equity interest in those companies, same has been classified as current investments.
