Auditors Review Report on Quarterly Financial Results of Mercury Trade Links Limited, pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

To, The Board of Directors Mercury Trade Links Limited,

SMMP

- 1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of Mercury Trade Links Limited ("the Company") for the quarter ended June 30, 2019 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Regulation") This Statement, which is the responsibility of the Company's Management and approved by the Board of directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind As) 34 Interim Financial Reporting, specified under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a Report on the Statement based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other procedures. A review is substantially less in scope that an audit is conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Further, attention is drawn to the fact that the figures for the three months ended March 31, 2019 represent the balancing figures between audited figures in respect of the full financial year ended March 31, 2019 and the published year to date figures up to December 31, 2018, being the date of the end of the third quarter of the previous financial year.
- 4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared by the Company in accordance with the aforesaid Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
