## **Shreeji Expands its Geographical Reach with New Branch in Bhubaneswar**

**Vashi, Navi Mumbai, 10<sup>th</sup> July 2023:** Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, has recently opened a new Branch in Bhubaneswar, Odisha.

- Shreeji Translogistics Limited (STL), a leading logistics company, is pleased to announce the opening of its new branch in Bhubaneswar, Odisha.
- The new branch in Bhubaneswar represents STL's commitment to enhance its presence in the eastern region of India. With its well-established network and expertise in the logistics industry, the company aims to cater to the increasing demand for reliable and efficient transportation and supply chain solutions in the region.
- This strategic expansion marks an important milestone in the company's growth and will provide significant benefits to the business and its customers.

**Commenting on the announcement, the Management team of Shreeji Translogistics Limited, stated:**

***"We are delighted to announce the successful opening of our new branch in Bhubaneswar, Odisha, marking a significant step towards expanding our footprint in the eastern region. This expansion brings exciting opportunities for our business and the local economy.***

***Our team at STL is excited to serve the local businesses and industries in Bhubaneswar, leveraging our expertise and comprehensive range of services. With our unwavering commitment to customer satisfaction, we are confident that our presence will strengthen our position in the logistics industry.***

***We have the opportunity to establish strong partnerships with local businesses, providing seamless logistics support and contributing to their growth and success. Expanding our operations in Bhubaneswar aligns perfectly with our long-term vision. With a focus on technological innovation and operational excellence, we are dedicated to delivering world-class logistics solutions and enhancing our service offerings.***

***We believe that our new branch will significantly contribute to the economic growth of the region by fostering trade and commerce, improving supply chain efficiency, and creating employment opportunities. With the immense potential offered by the Bhubaneswar market, we look forward to delivering exceptional results as we continue to expand our operations."***

## **About Shreeji Translogistics Limited.**

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from Over Dimensional Cargo (ODC) movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and ODC services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of around 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
