## LIMITED REVIEW REPORT

## **Review Report to Board of Directors**

- 1. We have reviewed the accompanying statement of unaudited financial results of Eurotex Industries and Exports Limited ("the Company") for the quarter and nine months ended 31<sup>st</sup> December, 2021 ("the statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 of The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these results based on our review.
- 2. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review, conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian accounting standards (IND AS) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### 4. Material Uncertainty Related to Going Concern

Without qualifying, we draw your attention to note no. 3 of financial results with respect to the fact that these financial results have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business though the Company has incurred cash loss during the current quarter, losses during the last couple of previous periods/years, having eroded its entire net worth, and that the operations of the Mills have continued grinding halt since 25th March, 2019 on account of, as explained by the management, persistent, unfair and illegal activities of labour including strike resorted to by workers and disconnection of power and lack of working capital. The management has already settled dues of lender banks (by borrowing from promoter group companies), is studying ways to restart the operations of the Mills, exploring for sources of additional funds to restructure the operations after proper evaluation and in view of such positivities, the financial statements have been prepared on a going concern basis.

5. We draw your attention to note no. 4 of the financial results with regard to management's assessment about the impact on Company's operations due to covid-19 pandemic outbreak. The management apart from considering the internal and external information up to the date of approval of these financial results, the Company has also performed sensitivity analysis on the assumptions used including in respect of realisability of assets based on current

indicators of future economic conditions, the Company expects to recover the carrying amount of all these assets.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements. Considering the continuing uncertainties, as explained, the Management will continue to closely monitor any material changes to future economic conditions.

Our report is not modified in respect of these matters.
