Necessity for the Buyback

Buyback is the purchase of its own Equity Shares by the Company. The objective is to maximize returns to investors, to reduce total number of shares and enhance overall shareholders value by returning cash to shareholders in an efficient and investor friendly manner. The Board of Directors of the Company at its meeting held on February 09, 2022 considered the accumulated Free Reserves as well as cash liquidity reflected in the audited accounts for the Financial Year ended March 31, 2021 and benefits to the members holding Equity Shares of the Company and decided to allocate a sum of Rs. 13,775 Lakhs (Rupees One Hundred Thirty Seven Crore Seventy Five Lakhs only) (which is 8.02% and 7.97% of the total paid-up equity capital and free reserves, as per the standalone and consolidated financial statements, respectively, of the Company for the year ended March 31, 2021), excluding expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, merchant banker fees, stock exchange fee for usage of their platform for Buyback, transaction costs viz, brokerage, applicable taxes inter- alia including tax on distributed income to shareholders, Securities Transaction Tax, Goods and Services Tax, Stamp duty, etc., public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, which is within the maximum amount as aforesaid, for returning to the members holding Equity shares through Buyback.

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

- 1. The Buyback will result in reduction in the overall capital employed in the business, which will, in turn lead to higher earnings per share and enhanced return on equity and return on capital employed, return on net worth, return on assets, etc and long term increase in shareholders' value
- 2. The Buyback will help the Company to distribute surplus cash to its Members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- 3. The Buyback, which is being implemented through the Tender Offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of 15% of the outlay to Small Shareholders. The Company believes that this reservation of 15% for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder"; and
- 4. The Buyback gives an option to the Members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

Record date and shareholder entitlement

- 8.1 As required under the SEBI Buyback Regulations, the Company has fixed Saturday, February 19, 2022, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders.
- 8.2 The Equity Shares to be bought back, as part of the Buyback is divided in to two categories:
- (a) reserved category for Small Shareholders (defined under Regulation 2(i)(n) of the SEBI Buyback Regulations as a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than INR 2,00,000 (Rupees two lakhs only); and
- (b) the general category for all other shareholders.
- 8.3 In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 8.4 On the basis of the Shareholding as on the Record Date, the Company will determine the entitlement of each Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Shareholder will be calculated based on the number of Equity Shares held by the respective Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Shareholder belongs. The final number of Equity Shares the Company will purchase from the Shareholders will be based on the Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by Shareholders over and above their entitlement.
- 8.5 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Shareholders in that category, and thereafter from Shareholders who have tendered over and above their entitlement in other category.
- 8.6 In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/subaccounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will e considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- 8.7 The Eligible Shareholders participation in the Buyback will be voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.
- 8.8 The maximum tender under the Buyback by any Shareholder cannot exceed the number of Equity Shares held by the Shareholder as on the Record Date.
- 8.9 The Equity Shares tendered as per the entitlement by Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations.
- 8.10 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Shareholders as on Record Date.

2. Necessity for the Buyback

Buyback is the purchase of its own Equity Shares by the Company. The objective is to maximize returns to investors, to reduce total number of shares and enhance overall shareholders value by returning cash to shareholders in an efficient and investor friendly manner. The Board of Directors of the Company at its meeting held on February 09, 2022 considered the accumulated Free Reserves as well as cash liquidity reflected in the audited accounts for the Financial Year ended March 31, 2021 and benefits to the members holding Equity Shares of the Company and decided to allocate a sum of Rs. 13,775 Lakhs (Rupees One Hundred Thirty Seven Crore Seventy Five Lakhs only) (which is 8.02% and 7.97% of the total paid-up equity capital and free reserves, as per the standalone and consolidated financial statements, respectively, of the Company for the year ended March 31, 2021), excluding expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, merchant banker fees, stock exchange fee for usage of their platform for Buyback, transaction costs viz. brokerage, applicable taxes inter- alia including tax on distributed income to shareholders, Securities Transaction Tax, Goods and Services Tax, Stamp duty, etc., public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, which is within the maximum amount as aforesaid, for returning to the members holding Equity shares through Buyback.

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

- The Buyback will result in reduction in the overall capital employed in the business, which will, in turn lead to higher earnings per share and enhanced return on equity and return on capital employed, return on net worth, return on assets, etc and long term increase in shareholders' value;
- The Buyback will help the Company to distribute surplus cash to its Members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- 3. The Buyback, which is being implemented through the Tender Offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of 15% of the outlay to Small Shareholders. The Company believes that this reservation of 15% for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder"; and
- 4. The Buyback gives an option to the Members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

Record date and shareholder entitlement

- 8.1 As required under the SEBI Buyback Regulations, the Company has fixed Saturday, February 19, 2022, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders.
- 8.2 The Equity Shares to be bought back, as part of the Buyback is divided in to two categories:
- (a) reserved category for Small Shareholders (defined under Regulation 2(i)(n) of the SEBI Buyback Regulations as a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than INR 2,00,000 (Rupees two lakhs only); and

(b) the general category for all other shareholders.

- 8.3 In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 8.4 On the basis of the Shareholding as on the Record Date, the Company will determine the entitlement of each Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Shareholder will be calculated based on the number of Equity Shares held by the respective Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Shareholder belongs. The final number of Equity Shares the Company will purchase from the Shareholders will be based on the Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by Shareholders over and above their entitlement.
- 8.5 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Shareholders in that category, and thereafter from Shareholders who have tendered over and above their entitlement in other category.
- 8.6 In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/subaccounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- 8.7 The Eligible Shareholders participation in the Buyback will be voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.
- 8.8 The maximum tender under the Buyback by any Shareholder cannot exceed the number of Equity Shares held by the Shareholder as on the Record Date.
- 8.9 The Equity Shares tendered as per the entitlement by Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations.
- 8.10 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Shareholders as on Record Date.

Necessity for the Buyback

Buyback is the purchase of its own Equity Shares by the Company. The objective is to maximize returns to investors, to reduce total number of shares and enhance overall shareholders value by returning cash to shareholders in an efficient and investor friendly manner. The Board of Directors of the Company at its meeting held on February 09, 2022 considered the accumulated Free Reserves as well as cash liquidity reflected in the audited accounts for the Financial Year ended March 31, 2021 and benefits to the members holding Equity Shares of the Company and decided to allocate a sum of Rs. 13,775 Lakhs (Rupees One Hundred Thirty Seven Crore Seventy Five Lakhs only) (which is 8.02% and 7.97% of the total paid-up equity capital and free reserves, as per the standalone and consolidated financial statements, respectively, of the Company for the year ended March 31, 2021), excluding expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, merchant banker fees, stock exchange fee for usage of their platform for Buyback, transaction costs viz. brokerage, applicable taxes inter- alia including tax on distributed income to shareholders. Securities Transaction Tax. Goods and Services Tax, Stamp duty, etc., public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, which is within the maximum amount as aforesaid, for returning to the members holding Equity shares through Buyback

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

- 1. The Buyback will result in reduction in the overall capital employed in the business, which will, in turn lead to higher earnings per share and enhanced return on equity and return on capital employed, return on net worth, return on assets, etc and long term increase in shareholders'
- 2. The Buyback will help the Company to distribute surplus cash to its Members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- 3. The Buyback, which is being implemented through the Tender Offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of 15% of the outlay to Small Shareholders. The Company believes that this reservation of 15% for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder"; and
- 4. The Buyback gives an option to the Members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment

- 8.2 The Equity Shares to be bought back, as part of the Buyback is divided in to two categories:
- (a) reserved category for Small Shareholders (defined under Regulation 2(i)(n) of the SEBI Buyback Regulations as a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than INR 2,00,000 (Rupees two lakhs only); and
- (b) the general category for all other shareholders.
- 8.3 In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 8.4 On the basis of the Shareholding as on the Record Date, the Company will determine the entitlement of each Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Shareholder will be calculated based on the number of Equity Shares held by the respective Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Shareholder belongs. The final number of Equity Shares the Company will purchase from the Shareholders will be based on the Equity Shares tendered. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/subaccounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
