**About 5paisa:**

5paisa Capital Limited commenced operations in 2016 and has, since then, evolved into a major fintech player. The Company is among India’s fastest-growing technology-driven financial service companies. The Company offers a wide range of financial products and services for all investment needs of customers. These include online discounted stock broking, depository services, research and distribution of mutual funds, peer-to-peer lending, among others.

We are registered with SEBI as a stock-broker, depository participant and research analyst, and with AMFI as a mutual fund distributor. With services that are targeted at retail investors and high-volume traders who actively invest and trade in securities markets. Our offerings are predominantly DIY (Do-it-Yourself) and low cost. We are a technology-driven company with a robust and growing online presence. Our focus remains firmly on innovation, based on our understanding of customer behavior, and we constantly strive to achieve tech superiority as is visible through the developments of our robust trading platform, advanced mobile app, AI-powered robo-advisory platform, and paperless account opening process.

We continuously endeavor to enhance digital offerings, improve operational efficiency and augment customer satisfaction.
