Voting through electronic means

Process and manner for members opting for Remote e-voting are as under:

In terms of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company has engaged the services of CDSL to provide the facility of electronic voting ('e-voting') in respect of the Resolutions proposed at this AGM.

CDSL e-Voting System – For remote e-voting and e-voting during AGM and Joining Virtual Meeting(s)

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 02/2021 Dated January 13, 2021, 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Annual Report. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.ramgopalpolytex.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of The Ministry of Corporate Affairs ("MCA") has vide its Circular No. 14/2020 dated 8th April 2020, Circular No. 17/ 2020 dated 13th April 2020, Circular No. 20/2020 dated 5th May 2020 and Circular No. 10/2022 dated 28th December 2022 (collectively referred to as 'MCA Circulars') and SEBI Circular No. SEBI/ HO/ CFD/CMD1/CIR/ P/2020/79 dated 12th May 2020 read with SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January 2023 issued by the Securities and Exchange Board of India ("SEBI Circulars") permitted the holding of an Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circulars.

A. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on **Friday, September 27, 2024 (9:00 a.m. IST)** and ends on **Sunday, September 29, 2024 (5:00 p.m. IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Monday, September 23, 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in de-mat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<ol style="list-style-type: none"> 1) Users of who have opted for CDSL’s Easi / Easiest facility, can login through their existing user id and password. 4. During his employment, Mr. Sanjay Jatia shall devote sufficient time, attention and abilities during business hours to the development of the activities and business of the Company and shall use his best endeavour to promote its interest and welfare.
5. During the period of his employment Mr. Sanjay Jatia shall, if so required by the Board undertake such travelling in India and/ or elsewhere as the Board may from time to time require in connection with the Company.
6. Subject to the limits as laid down in the Companies Act, 2013, the Company shall pay to the Managing Director from August 07, 2024, during the terms of his office, remuneration as follows:

Remuneration: Salary, perquisites and all other allowances shall not exceed Rs. 1,00,000/- (Rupees One Lakh only) per month.

The perquisites and allowances payable to Mr. Sanjay Jatia, subject to aforesaid limits, will include house rent allowance together with reimbursement of expenses or allowances for education, professional magazines, telephone allowance, entertainment allowance and flexible allowance besides medical reimbursement, leave travel concession for self and his dependant family member(s) and such other perquisites and / or allowances, within the amount specified above.

7. The terms and conditions, the remuneration, perquisites and benefits to be paid or to be provided to Mr. Sanjay Jatia as set out in respect of appointment may be reviewed, revised, increased or enhanced, in accordance with relevant provisions in the Companies Act, 2013 and/or the rules and regulations made thereunder and/or relaxation or revision in the Guidelines for Managerial Remuneration as may be made and/or announced by the Central Government from time to time.
8. The Managing Director of the Company will be liable to retire by rotation.
9. The Managing Director shall not be entitled for sitting fees for attending the meetings of the Board of Directors or Committee thereof.

10. The Managing Director shall not, during the continuance of his employment with the Company, divulge or disclose to any person, firm, company or body corporate whomsoever or make any use whatever for his own or for whatever purpose, of any confidential information or knowledge obtained by him during his employment as to the business or affairs of the Company or as to any trade secrets or secret processes of the Company and the Managing Director shall, during the continuance of his employment hereunder also use his best endeavor to prevent any other person, firm, company or body corporate concerned from doing so.
11. The aforesaid appointment of the CMD may be terminated by either party by giving three months' prior notice of termination in writing to the other party. If at any time Mr. Sanjay Jatia ceases to be a Director of the Company, he shall cease to be the Chairman and Managing Director.
12. The terms and conditions of the said appointments may be altered and varied from time to time by the Board, as it may, in its discretion deem fit, so as not to exceed the limits specified in Schedule V to the Act or any amendments made hereinafter in that regard.
13. The termination or earlier determination of this employment for any reasons whatsoever shall not affect the rights and claims which may have accrued to either party prior to the effective date of such termination or earlier determination.
14. Upon the termination of his employment, Mr. Sanjay Jatia shall handover charge to such person nominated for that purpose by the Company and shall deliver to such person such papers, documents and other property of the Company as may be in his possession, custody, control or power.
15. This employment represents the entire terms and conditions between the parties hereto in relation to the terms and conditions of Mr. Sanjay Jatia's employment with the Company and cancels and supersedes all prior agreements, arrangements or understandings, if any, whether oral or in writing, between the parties hereto on the subject matter hereof.
16. It is expressly agreed by and between the parties hereto that any indulgence granted or forbearance shown by the Company in connection with any of the provisions, conditions or stipulations herein contained shall not be deemed to imply a waiver by the company of its right hereunder and shall not preclude the Company from at any time enforcing its rights under this employment against Mr. Sanjay Jatia.
17. It is expressly agreed by and between the parties hereto that appointment of Mr. Sanjay Jatia will be subject to and within the preview of all the applicable provisions of Companies Act, 2013 and such other conditions as may be specified prescribed imposed suggested by the Central Government, Department of Company affairs, National Company Law Tribunal and Board of Directors of the Company or any other Competent Authority prescribed by the Government in their behalf and acceptable to Mr. Sanjay Jatia.
18. This employment and the terms and conditions hereof shall be subject to the approval of the shareholders of the Company and also such statutory authorities as may be required.

In accordance with the provisions of Sections 196, 197, 198, 203 & other applicable provisions of the Act, read with Schedule V to the said Act, the proposed appointment and the terms of remuneration payable to Mr. Sanjay Jatia require approval of members by passing Special Resolution. Hence, the members are requested to pass the Special Resolution accordingly.

The Board recommends the Resolution at Item No. 3 for approval of the shareholders.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report on the business of the Company as applicable and to the extent relevant is given below:

The statements in the “Management Discussion and Analysis Report” describe the Company’s objectives, projections, expectations, estimates or forecasts which may be “forward-looking statements” within the meaning of the applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied therein due to risks and uncertainties. Important factors that could influence the Company’s operations, *inter alia*, include global and domestic demand and supply conditions affecting selling prices of goods, availability and prices, changes in government regulations, tax laws, economic, political developments within the country and other factors such as litigations and industrial relations.

GLOBAL ECONOMY OVERVIEW:

According to the World Economic Outlook by the International Monetary Fund (IMF) published in April, 2024, Global growth, estimated at 3.2 percent in 2023, is projected to continue at the same pace in 2024 and 2025. The pace of expansion is low by historical standards, owing to both near-term factors, such as still-high borrowing costs and withdrawal of fiscal support, and longer-term effects from the COVID-19 pandemic and Russia’s invasion of Ukraine; weak growth in productivity; and increasing geo-economic fragmentation. Global headline inflation is expected to fall from an annual average of 6.8 percent in 2023 to 5.9 percent in 2024 and 4.5 percent in 2025, with advanced economies returning to their inflation targets sooner than emerging market and developing economies. The latest forecast for global growth five years from now at 3.1 percent is at its lowest in decades. The pace of convergence toward higher living standards for middle and lower-income countries has slowed, implying persistence in global economic disparities.

Risks to the global outlook are now broadly balanced. On the downside, new price spikes stemming from geopolitical tensions, including those from the war in Ukraine and the conflict in Gaza and Israel, could, along with persistent core inflation where labor markets are still tight, raise interest rate expectations and reduce asset prices. A divergence in disinflation speeds among major economies could also cause currency movements that put financial sectors under pressure. High interest rates could have greater cooling effects than envisaged as fixed-rate mortgages reset and households contend with high debt, causing financial stress.

In China, without a comprehensive response to the troubled property sector, growth could falter, hurting trading partners. Amid high government debt in many economies, a disruptive turn to tax hikes and spending cuts could weaken activity, erode confidence, and sap support for reform and spending to reduce risks from climate change. Geo-economics fragmentation could intensify, with higher barriers to the flow of goods, capital, and people implying a supply-side slowdown.

On the upside, looser fiscal policy than necessary and assumed in projections could raise economic activity in the short term, although risking more costly policy adjustment later on. Inflation could fall faster than expected amid further gains in labor force participation, allowing central banks to bring easing plans forward. Artificial intelligence and stronger structural reforms than anticipated could spur productivity.

INDIAN ECONOMY OVERVIEW:

India, a South Asian nation, is the seventh-largest country by area, the second-most populous country with over 1.38 billion people, and the most populous democracy in the world. India boasts of an immensely rich cultural heritage including numerous languages, traditions, and people. The country holds its uniqueness in its diversity, and hence has adapted itself to international changes with poise and comfort. While the economy has welcomed international companies to invest in it with open arms since liberalization in the 1990s, Indians have been prudent and pro-active in adopting global approach and skills. Indian villagers have proudly taken up farming, advanced agriculture and unique handicrafts as their profession on one hand, while modern industries and professional services sectors are coming up in a big way on the other.

Thus, the country is attracting many global majors for strategic investments owing to the presence of vast range of industries, investment avenues and a supportive Government. Huge population, mostly comprising the youth, is a strong driver for demand and an ample source of manpower.

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

Amidst global challenges, the Indian economy has stayed resilient. Buoyed by strong domestic demand and backed by robust macroeconomic fundamentals, India has emerged as the fastest growing major economy of the world in 2023-24. The upturn in the investment cycle, broad-based revival in manufacturing and services sectors, government’s capex push, upbeat business and consumer sentiments and strong corporate and bank balance sheets provide impetus to the growth momentum going forward. Volatile food prices, however, interrupt the path of disinflation and cloud the inflation outlook. The continuing effect of monetary policy action and stance is keeping core inflation muted. Spillovers from geopolitical hostilities, volatile global financial markets and climate shocks are the key risks to the growth and inflation outlook.

INDUSTRY STRUCTURE AND DEVELOPMENT:

During the financial year ended March 31, 2024, your Company was mainly engaged into the wholesale trading of commodities such as yarn and polymer etc.

Polymer

The high volatility and low market prices contribute to reduced business activity and profitability in the polymer products industry. In simpler terms, when prices for polymer products are both unstable and low, it can negatively impact businesses in this industry. This is because the uncertainty and low pricing can make it challenging for companies to make money and operate effectively.

Yarn

Due to considerable volatility in cotton prices and low demand for fabrics, the yarn prices fell substantially. In some cases, the traders quoted prices below the contribution level.

STRENGTH, WEAKNESS, OPPORTUNITIES AND THREATS:

Strengths:

1. **Diverse Product Portfolio:** The Company's involvement in both yarn and polymer markets offers diversification, reducing dependency on a single product line.
2. **Established Market Presence:** A strong reputation and established relationships with suppliers and customers in the industry can lead to steady demand.

Weaknesses:

1. **Price Sensitivity:** Both yarn and polymer markets are highly sensitive to fluctuations in prices, which can impact profit margins.
2. **Limited Market Penetration:** The company may have limited reach in emerging markets, which could constrain growth opportunities. It is largely dependent on the local market.

Opportunities:

The Company is in the business of trading in commodities for last three decades, which has made it a well-known business house in the market in which the Company trades.

Threats:

1. **Price Sensitivity:** Both yarn and polymer markets are highly sensitive to fluctuations in prices, which can impact profit margins.
2. **Intense Competition:** Competition from both domestic and international players may lead to price wars, reducing margins.
3. **Economic Uncertainty:** Global economic slowdowns or recessions could decrease demand for both yarn and polymer products.
4. **Regulatory Changes:** Any changes in environmental or trade regulations could impose additional costs or restrict market access.
5. **Government Policies:** The Company's business also has a threat of sudden change in government policies like policies relating to import of certain products, change in customs duty structure, change in GST rates, etc. The Company monitors the changes in government policies on day-to-day basis and forms appropriate strategies to mitigate the impact on the Company while ensuring adequate compliances.

SEGMENT/PRODUCT-WISE PERFORMANCE:

The Company's current business activity has only one primary reportable segment, namely trading in Commodities such as yarn, polymer, etc.

OUTLOOK:

We are one of the oldest Companies in the field of Yarn & Polymers. Your Directors are confident and optimistic of generating additional revenues. The demand for this product will never be in slump due to the sheer size of the Domestic Market.

During the Financial year 2023-24, due to significant drop in spandex yarn prices, the Company incurred a loss.

The Company hopes that once volatility in the prices of the commodities becomes stable, the Company will be able to get good business.

RISK AND CONCERNS:

Business risk evaluation is an ongoing process within the Company. The assessment is periodically examined by the Board. Your Company has devised and implemented a mechanism for Risk management and has developed a Risk Management Policy. The Policy provides for identification of internal and external risks and implementing risk mitigation steps. The said Policy is available on the website of the Company www.ramgopalpolytex.com.

Yarn and Polymer Industry has certain specific set of risk characteristics, which needs to be carefully evaluated and mitigated. In order to effectively manage the same, the Company has evolved proactive Risk Management System, which is adhered to. The risk management covers the entire process from competitors' activities, new entrants etc.

This section lists forward-looking statements that involve risks and uncertainties.

1. Our revenues and expenses are difficult to predict and can vary significantly from period to period.
2. We may not be able to sustain our profit margins or levels of profitability.
3. The economic environment, pricing pressures etc. can negatively impact our revenues and operating results.
4. Currency fluctuations may affect the results or our operations.
5. Intense competition in the market can affect our pricing.
6. Changes in the policies of Government or political instability could impede liberalization of the Indian Economy and adversely affect economic conditions in India generally, which could impact our business and prospects.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an ideal internal control system in every area of its operations. The internal control system is commensurate with the size and nature of its business. Further, the Company has appointed M/s. Ravi Seth & Co. as “Internal Auditors” to ensure effectiveness of internal control system. The Company mitigate the lapses in internal control system, if the same are observed by the Internal Auditors.

FINANCIAL AND OPERATIONAL PERFORMANCE:

Financial Results and performance for the year are elaborated in the Director’s Report.

HUMAN RESOURCES AND INDUSTRIAL RELATION:

The Company’s philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. Industrial relations are cordial and satisfactory.

The employee strength as on March 31, 2024 was 7 (Seven).

The Key Financial Ratios of the Company are given as below:

Sr. No.	Particulars	2023-24	2022-23
i.	Debtors Turnover ratio (Times)	10.26	8.09
ii.	Inventory Turnover (Times)	8.09	2.64
iii.	Interest coverage ratio	(10.56)	(9.65)
iv.	Current ratio	33.05	11.26
v.	Debt equity ratio	-	0.04
vi.	Operating margin ratio%	(13.84)%	(16.59)%
vii.	Net Profit Margin	(15.16)%	(18.30)%

Explanations for variation of 25% or more in Key Financial Ratios:

- Debtors Turnover ratio increased due to increase in turnover.
- Inventory Turnover ratio increased due to increase in turnover and decrease in average inventory.
- Current ratio increased due to decreased in Current Liability.
- Debt equity ratio is nil in current year as there are no Borrowings as at the year end.
- Net profit ratio is decreased due to increase losses during the year.

RETURN ON NET WORTH:

Particulars	2023-24	2022-23
Return on net worth (%)	(14.50)%	(9.80)%

Reason for significant change: Return on equity decreased as there is increase in the losses in the current year.

CAUTIONARY STATEMENT:

Some of the statement contained within this Report may be “forward looking” in nature and may involve risks and uncertainties. The statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company’s actual results, performance or achievements could thus differ materially from those projected in any such forward-looking statements.

The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RAMGOPAL POLYTEX LIMITED

Report on the Audit of Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Ramgopal Polytex Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 (herein after referred to as 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its losses and other comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of the Ind As financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read annual report, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with governance for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Indian accounting standard (Ind AS) and accounting principles generally accepted in India, specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of any identified misstatements in the standalone financial statements.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

- e) On the basis of the written representations received from the Directors as on March 31, 2024 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2024 from being appointed as a Director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of information and according to the explanations given to us, the remuneration paid by the Company to its Director during the year is in accordance with the provisions of Section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations (contingent liability) on its financial position in its Ind AS financial statements - Refer Note No 36 of the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year.
- i) Based on our examination, which included test checks the company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit, we did not come across any instance of the audit trail features being tampered with.

As Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the Statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure “B” to the Independent Auditors’ Report

ANNEXURE “B” REFERRED TO IN “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” SECTION OF OUR REPORT TO THE MEMBERS OF RAMGOPAL POLYTEX LIMITED OF EVEN DATE

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of RAMGOPAL POLYTEX LIMITED (“the Company”) as at March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. Our opinion is not modified in respect of this matter.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024**NOTE 1****A. CORPORATE INFORMATION**

Ramgopal Polytex Limited ("The Company") is a public limited Company domiciled in India. The Shares of the Company are listed on BSE Limited and The Calcutta Stock Exchange Association Limited. The Company is primarily engaged in the business of trading of polymer, yarn etc.

The Registered office of the Company is Located at Greentex Clearing House, B1, 2 and 3, Gosrani Compound, Rehnaal Village Bhiwandi Thane, Maharashtra.

B. SIGNIFICANT ACCOUNTING POLICIES**(i) Basis of Preparation of Financial Statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention (except for certain financial instruments that are measured at fair values and defined benefit employee plans) on accrual basis to comply in all material aspects with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

(ii) Key Estimates and Assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which component of the cost may be capitalized.
- Impairment of Property, Plant and Equipment
- Recognition and measurement of defined benefit obligations
- Recognition of deferred tax assets
- Fair value of financial instruments
- Provisions and Contingent Liabilities

(iii) Property, Plant and Equipment(PPE)

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates, any directly attributable cost of bringing the PPE to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. The cost of PPE includes interest on borrowings (finance cost) directly attributable to acquisition. PPE are stated at cost less accumulated depreciation and impairment losses, if any.

Subsequent costs are included in the PPE's carrying amount or recognised as a separate PPE, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation on tangible PPE is charged after considering residual value of five percent, is provided on Straight Line Method in the manner specified in Schedule II to the Companies Act, 2013 except for carrying value of property, plant and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

equipment as on April 01, 2014 which is depreciated equally over the balance useful life of the PPE.

The carrying values of PPE are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of PPE.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the PPE. Any gain or loss arising on disposal or retirement of an item of PPE is determined as the difference between sales proceeds and the carrying amount of the PPE and is recognised in statement of profit and loss. Fully depreciated PPE still in use are retained in financial statements.

(iv) Intangible Assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount.

(v) Financial Instruments

Financial Assets – Initial Recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. On initial recognition, a financial assets is recognised at fair value, in case of financial assets which are recognized at fair value through profit and loss (FVTPL), its transaction cost are recognized in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial assets. However, trade receivable that do not contain a significant financing component are measured at transaction price.

Subsequent Measurement

Financial Assets are subsequently classified as measured at:

- Amortised Cost
- Fair Value through Profit and Loss (FVTPL)
- Fair Value through Other Comprehensive Income (FVTOCI)

The above classification is being determined considering the followings:

- (a) The entity's business model for managing the financial assets and
- (b) The contractual cash flow characteristics of the financial assets.

Financial assets are not reclassified subsequent to their recognition, except if and in the period, the Company change its business model for managing financial assets.

(i) Measured at Amortised Cost

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial assets give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognised in the Other Comprehensive Income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'Other Income' in the Statement of Profit and Loss in case of debt instrument and transferred within equity in case of equity instrument.

(iii) Measured at Fair Value through Profit or Loss (FVTPL)

Financial assets other than equity instrument are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

in the Statement of Profit and Loss.

Impairment

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVTOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking.

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognise impairment loss allowance based on the life time ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12 Months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial assets has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial assets increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognising impairment loss allowance bases on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For financial assets measured at FVTPL, there is no requirement of impairment testing.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial assets expire, or it transfers rights to receive cash flows from an asset. It evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial liabilities**Initial Recognition and Measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognized at fair value net of transaction costs for all financial liabilities not carried at fair value through Profit or Loss.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent Measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans and Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through EIR amortisation process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivative Financial Instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

Off Setting of Financial Instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a currently enforceable legal right to off set the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(vi) Measurement of Fair Values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

(vii) Inventories

Inventories are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including taxes, transit insurance and receiving charges. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(viii) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods. The Company is generally the principal as it typically controls the goods before transferring them to the customer.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligation with respect to the goods shipped.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024**Contract Balances****Trade Receivables**

A receivable represents the Company's right to an amount of consideration that is unconditional.

Contract liabilities

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration from the customer.

Interest Income

Interest income from financial assets is recognised using effective interest rate method.

Dividend Income

Dividend income is recognised when the Company's right to receive the amount has been established.

(ix) Employee Benefits**Short-Term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

Post Employment Benefits**(a) Defined Contribution Plans**

Payments made to a defined contribution plan such as Provident Fund and Family Pension maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as they fall due.

(b) Defined Benefit Plans

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, after discounting the same. The calculation of defined benefit obligations is performed annually by qualified actuary using the projected unit credit method. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses are recognized immediately in "Other Comprehensive Income (OCI)". Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Terminal Benefits

All terminal benefits are recognized as an expense in the period in which they are incurred.

(x) Borrowing Costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date its ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(xi) Taxes on Income

Income tax expense comprises current tax and deferred income tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the income tax authorities, based on tax rate and laws that are enacted at the Balance Sheet date.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

Deferred Tax

Deferred income tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred income tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or assets realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(xii) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

(xiii) Leases

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re-measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(xiv) Foreign Currency Transactions

Transactions in foreign currency are recorded at the rate of exchange in force at the date of the transaction. Assets and Liabilities in foreign currency outstanding at the year end, if any, are stated at the rate of exchange prevailing at the close of the year and the resultant gain / loss is recognised in the Statement of Profit and Loss.

(xv) Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.
