Letter from the Executive Director

Dear Shareholders,

In July 2019, after almost five decades, the Hon'ble Finance Minister Nirmala Sitharaman became the second woman in India to ever present the Union Budget. The challenges facing her were vast. The overall unemployment rate has climbed to 6.1% and India has lost the tag of the world's "fastest growing economy". Despite this, the OECD estimates India's GDP growth to be above 7% in the next two years. In the short run numbers fluctuate, so the important question is, "where is the Indian Economy headed in the future"? And will the government do enough to ignite growth?

The financial year 2018-19 has been a better year for your company compared with the previous couple of years. The **Transformer** division sales turnover has grown 9% despite harsh competition and depressed prices. Order booking was the highest ever, growing by 38%. This is an achievement in such a competitive market that has not seen any increase in overall demand. Consolidation in the industry is inevitable as over capacity has plagued the market for many years now. However, new capacities seem to somehow keep being added, and margins continue to be under pressure. Expanding our customer base has been a focus area for us over the last few years. As a result of this, our market reach has grown substantially.

The **Motor** business has had a good year registering a strong 42% year-on-year sales growth. A number of factors have contributed to this growth. A tight rein on price realizations, implementation of new energy efficiency standards, and an increased geographic and sectoral coverage have all played a key role. Our division has done well to respond to a sudden spurt in demand by ramping up capacities at short notice. As a result of these efforts market share has increased significantly. The market factors that drove this growth may not sustain and we must be cautious in our expectations. For the second time in three years we have received the CII (Confederation of Indian Industry) Award for the 'Most Innovative Energy Efficient Product' for a motor that we have developed in-house.

The **Projects** division took steps last year to identify certain high potential but low risk segments for order input. This has culminated into the booking of some good orders as per the plan. It will open up further revenue streams in oil and gas, defence, and some specific utilities. We continue to be choosy and avoid taking unnecessary risk in this space.

The **Magnet Technology Machines** division (**MTM**) grew 44% on the back of good export orders for elevator machines. Our focus in the coming year will be to maintain our leadership in the domestic market and

increase export sales. This year we will focus on new product development, both in gearless and special direct drive machines. Our new MTM plant has been certified as a 'Green Building' by IGBC (Indian Green Building Council).

Drives & Automation is working closely with the **MTM** division to develop solutions that will combine motor and drive to improve productivity and energy efficiency of equipment. This will have a number of applications in textiles and plastics. Foreign exchange variations have been affecting our margins and we are taking steps to address this. Our efforts to leverage the synergies of both these divisions and offer an integrated solution to the market should pay off soon.

The World Bank expects global growth to weaken to 2.6% for 2019. A number of macroeconomic factors are contributing to this. A looming trade war between the world's two biggest economies is bound to have repercussions for the rest. In Europe the Brexit stalemate continues in the United Kingdom, threatening to split the union itself. Even Germany, Europe's largest economy, has cut its GDP estimate to its lowest in the last five years. Trade barriers, renewed financial stress, and protectionist governments are taking their toll. Overall growth is muted and credit is tight.

In India the Modi government has returned with a thumping majority and hopefully they will be able to push through some major reforms. The task however is challenging with the current NBFC and banking crisis leaving financial institutions staring at an unprecedented number of NPAs (non-performing assets). The recent budget in July 2019 has mentioned a large figure to be allocated to infrastructure. It does not however tell us where this money will come from. This kind of stimulus is the need of the hour. Let us hope that this materializes soon.

- xv. In accordance with the provisions of Section 101 and Section 136 of the Companies Act, 2013 read with relevant rules thereto, companies can serve Annual Reports and other communications through electronic mode to those Members who have registered their e-mail address either with the Company or with the Depository. Accordingly, the Notice of the AGM along with the Annual Report of the Company for the financial year 2018-2019, Attendance Slip, Proxy Form and Route Map, is being sent by electronic mode to those Members who have registered their e-mail address with the Company (in respect of shares held in physical form) or with their DP (in respect of shares held in electronic form) unless any Members have requested for a physical copy of the same. For Members who have not registered their e-mail address, a physical copy of the said Annual Report and Notice is being sent through permitted mode.
- xvi. To support '**Green Initiative**', the Company requests those Members who have not yet registered their e-mail address, to register the same directly with their DP, in case shares are held in electronic form or with the Company, in case shares are held in physical form. Members whose email ids are already registered may update the changes therein, if any. This may be treated as an advance opportunity in terms of proviso to Rule 18(3) (i) of the Companies (Management and Administration) Rules, 2014.
- xvii. The Notice of the 72nd AGM, Attendance Slip, Proxy Form, Route Map and the Annual Report 2018-19 circulated to the Members of the Company, will also be hosted on the Company's website at www.bharatbijlee.com and also on the website of the respective Stock Exchanges at www.bseindia.com and www.nseindia.com.
- xviii. In terms of the provisions of Section 107 of the Companies Act, 2013, since the resolutions as set out in this Notice are being conducted through remote e-Voting, the said resolutions will not be decided on a show of hands at the AGM.
- xix. Pursuant to the provisions of Section 124 of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules'), (including any statutory modification(s)/ re-enactment(s) / amendment(s) thereof, for the time being in force), the dividend which remains unclaimed / unpaid for a period of seven (7) years from the date of transfer to the unpaid dividend account of the Company, is required to be transferred to the Investor Education and Protection Fund Authority ('IEPF') of the Central Government. Also, attention of Members is invited to the provisions of Section 124(6) of the Companies Act, 2013 read with IEPF Rules which inter alia requires the Company to transfer the equity shares on which the dividend has remained unpaid or unclaimed for seven (7) consecutive years or more, to a special demat account to be opened by IEPF Authority.
- Further, in compliance with the provisions laid down in IEPF Rules, the Company had sent notices and also advertised in the newspapers seeking action from Shareholders who have not claimed their dividends for seven (7) consecutive years or more. Accordingly, Company has transferred all corresponding equity shares for the financial year ended March 31, 2011, on which dividend was not encashed / remained unclaimed, to the Demat Account of the IEPF, the due date of which was August 6, 2018. It may please be noted that no claim shall lie against the Company in respect of share(s) transferred to IEPF pursuant to the said Rules.
- However, the Shareholders are entitled to claim their equity shares including all the corporate benefits accruing on such shares, if any, from the IEPF Authority by submitting an online application in Form IEPF-5 and sending a physical copy of the Form IEPF-5 duly signed by all the joint shareholders, if any, as per the specimen signature recorded with the Company along with requisite documents enumerated in the Form IEPF-5, to the Company's RTA. The Rules and Form IEPF-5, as prescribed, for claiming back the shares, are available on the website of the IEPF, i.e., on www.iepf.gov.in. It may please be noted that no claim shall lie against the Company in respect of share(s) transferred to IEPF pursuant to the said Rules.
- Members who had not claimed the dividends declared for the financial year March 31, 2012, were requested to lodge their claim on or before June 30, 2019, with the Company's Registrar and Share Transfer Agents at the address mentioned in the Annual Report. The Company had sent reminders to all such Members at their registered address in this regards.

Further, all the Members who have not claimed their dividends in the last seven (7) consecutive years from 2012 are requested to claim the same by August 16, 2019, with the Company's Registrar and Share Transfer Agents at the address mentioned in the Annual Report. In case valid claim is not received by that date, the Company will proceed to transfer the respective shares to the IEPF Account in terms of the IEPF Rules. In this regard, the Company has individually informed the shareholders concerned and also published notice in the newspapers as per the IEPF Rules. It may please be noted that no claim shall lie against the Company once such share(s)/ dividend transferred to IEPF demat account, pursuant to the said Rules.

The Statement containing details of Name, Address, Folio No., Demat Account No. and No. of shares due for transfer to IEPF demat Account is made available on www.bharatbijlee.com.

The Shareholders are therefore encouraged to verify their records and claim their dividends, if not claimed.

xx. **VOTING THROUGH ELECTRONIC MEANS**

The remuneration recommended by Audit Committee shall be considered and approved by the Board of Directors and ratified by the Members.

On the recommendation of Audit Committee at its meeting held on Monday, May 6, 2019, the Board has considered and approved appointment of Messrs P. M. Nanabhoy & Co., Cost Accountants, for the conduct of the Cost Audit of the Company's various products for the financial year 2019-2020, at remuneration as mentioned in the resolution forming part of this Notice.

Accordingly, consent of the Members is sought to the Resolution as set out at Item No. 4 of the Notice as an Ordinary Resolution for approval and ratification.

None of the Directors and / or Key Managerial Personnel of the Company and / or their relatives are concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item No. 4 of the Notice.

Item No. 5

Mr. Prakash V. Mehta (DIN: 00001366), was appointed as a Non-Executive Director of the Company, effective from August 7, 1990. He is a Chairman of the Company, Chairman of the Stakeholder Relationship Committee, Member of Audit Committee and Member of the Nomination and Remuneration Committee of the Board.

On April 1, 2014, the Ministry of Corporate Affairs notified Section 149 of the Companies Act, 2013 and related Rules. Pursuant to the provisions of Section 149, 152 and Schedule IV of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Clause 49 of erstwhile Listing Agreement, Mr. Prakash V. Mehta was appointed as an Independent Director of the Company, at the 67th Annual General Meeting of Members of the Company, held on September 11, 2014, for a term of five (5) consecutive years, with effect from September 11, 2014 upto September 10, 2019 ("First Term" in line with the explanation to Section 149(10) and 149(11) of the Companies Act, 2013).

In line with Section 149(10) of the Companies Act, 2013, an Independent Director shall hold office for a term of upto five (5) consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a Special Resolution by the Company for another term of upto five (5) consecutive years on the Board of a Company. Since Mr. Mehta will complete his First Term as an Independent Director of the Company on September 10, 2019, he is eligible for re-appointment for one more term of five (5) years.

Mr. Prakash V. Mehta obtained a Bachelors Degree in Law from the University of Bombay in 1963, thereafter qualified as a Solicitor in 1966 and since then has been practicing as a Solicitor. He is a partner of M/s. Malvi Ranchoddas & Co., a renowned firm of Solicitors. He has considerable experience in the field of Law and is also an expert in Corporate Law, Acquisitions, Joint Ventures and Foreign Collaborations. He is a Director on the Boards of several prominent companies in India. He has been a Director on the Board of the Company since August 7, 1990. As on March 31, 2019, Mr. Mehta holds 325 equity shares of ₹ 10/- each, of the Company representing 0.0058% of the Issued and Subscribed Equity share Capital of the Company.

The Board at its meeting held on July 25, 2019, on the recommendation of the Nomination and Remuneration Committee and based on the performance evaluation, considers that, given his rich experience, acumen, qualification and the substantial contribution as a Chairman Non-Executive Independent Director, the association of Mr. Mehta would be of immense benefit and accordingly, it is desirable to re-appoint Mr. Prakash V. Mehta, Chairman, as an Independent Director of the Company, not liable to retire of rotation, for a Second Term, of five (5) consecutive years, effective from September 9, 2019.

Members may please note that, the Company has received from Mr. Mehta:

- (a) a Notice in writing in terms of Section 160(1) of the Companies Act, 2013, from a Member, proposing the candidature of Mr. Mehta for the office of Director
- (b) Consent in writing to act as a Director, in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment and Qualification of Directors) Rules, 2014;
- (c) Intimation in Form DIR-8 in terms of the Companies (Appointment and Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013;

- (d) Declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 read with regulation 16 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended); and
- (e) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that he has not been debarred from holding office of a Director by virtue of any Order passed by Securities and Exchange Board of India or any other such authority.

Further, as per Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, ("Amendment Regulations, 2018"), inter alia, provides that no listed company shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of 75 (seventy five) years unless it is approved by the Members by passing a Special Resolution to that effect and justification thereof is indicated in the explanatory statement annexed to the Notice for such appointment.

Mr. Mehta has already attained the age of 75 years as on date and hence continuation beyond 75 years requires the approval of Members by way of a Special Resolution. Accordingly, the Nomination & Remuneration Committee and the Board of Directors of the Company at their respective meetings held on July 25, 2019 have recommended to the Members, the continuation of office of Mr. Mehta as a Non-Executive Independent Director of the Company, on and after September 9, 2019 till the expiry of his second term i.e. upto September 8, 2024, notwithstanding that he has attained the age of 75 years.

The Board confirms that Mr. Mehta fulfils the conditions of re-appointment as an Independent Director as prescribed in the Companies Act, 2013, the rules framed thereunder and the Listing Regulations and that he is independent of the management of the Company.

Copy of the draft Letter of Appointment of Mr. Mehta setting out the terms and conditions of re-appointment as an Independent Director, are available for inspection by the Members of the Company without any fee at the Registered office of the Company.

The brief profile of Mr. Mehta under Regulation 36(3) of the Listing Regulations and Secretarial Standard – 2 on General Meetings issued by the Institute of Company Secretaries of India, is set out in the Annexure – I to the Explanatory Statement and forms integral part of Notice.

The Board accordingly recommends passing the Special Resolution as set out as Item No. 5 in the accompanying Notice for the approval of Members.

Mr. Prakash V. Mehta is not related to any Director on the Board of the Company.

Mr. Prakash V. Mehta, Chairman, Non-Executive Independent Director is deemed to be concerned or interested in the Resolution at Item No. 5 of this Notice. None of the other Directors are concerned or interested in the said Special Resolution.

No other Promoters, Directors and / or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of this Notice.

The Board of Directors at its meeting held on July 25, 2019, on the recommendation of the Nomination and Remuneration Committee and based on the performance evaluation, considers that, given the vast experience, immense knowledge of the industry and his substantial contribution as a Non-Executive Independent Director, it is in the interest of the Company to continue to avail the benefits of his expertise, and accordingly, it is desirable to re-appoint Mr. Thacker, as an Independent Director of the Company, not liable to retire of rotation, for a Second Term, of five (5) consecutive years, effective from September 9, 2019.

Members may please note that, the Company has received from Mr. Thacker:

- (a) a Notice in writing in terms of Section 160(1) of the Companies Act, 2013, from a Member, proposing the candidature of Mr. Thacker for the office of Director;
- (b) Consent in writing to act as a Director, in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment and Qualification of Directors) Rules, 2014;
- (c) Intimation in Form DIR-8 in terms of the Companies (Appointment and Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013;
- (d) Declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 read with Regulation 16 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended); and

- (e) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that he has not been debarred from holding office of a Director by virtue of any Order passed by Securities and Exchange Board of India or any other such authority.

The Board confirms that Mr. Thacker fulfils the conditions of re-appointment as an Independent Director as prescribed in the Companies Act, 2013, the rules framed thereunder and the Listing Regulations and that he is independent of the management of the Company.

Copy of the draft Letter of Appointment of Mr. Thacker setting out the terms and conditions of re-appointment as an Independent Director, are available for inspection by the Members of the Company without any fee at the Registered office of the Company.

The brief profile of Mr. Thacker under Regulation 36(3) of the Listing Regulations and Secretarial Standard – 2 on General Meetings issued by the Institute of Company Secretaries of India, is set out in the Annexure – I to the Explanatory Statement and forms integral part of Notice.

The Board accordingly recommends passing the Special Resolution as set out as Item No. 7 in the accompanying Notice for the approval of Members.

Mr. Jairaj C. Thacker is not related to any Director on the Board of the Company.

Mr. Jairaj C. Thacker, Non-Executive Independent Director is deemed to be concerned or interested in the Resolution at Item No. 7 of this Notice. None of the other Directors are concerned or interested in the said Special Resolution.

No other Promoters, Directors and / or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 7 of this Notice.

Item No. 8

Mr. Rajeshwar D. Bajaaj (DIN: 00087845), was appointed as a Non-Executive Director of the Company, effective from September 11, 2014.

On April 1, 2014, the Ministry of Corporate Affairs notified Section 149 of the Companies Act, 2013 and related Rules. Pursuant to the provisions of Section 149, 152 and Schedule IV of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Clause 49 of erstwhile Listing Agreement, Mr. Rajeshwar D. Bajaaj was appointed as an Independent Director of the Company, at the 67th Annual General Meeting

of Members of the Company, held on September 11, 2014, for a term of five (5) consecutive years, with effect from September 11, 2014 upto September 10, 2019 ("First Term" in line with the explanation to Section 149(10) and 149(11) of the Companies Act, 2013).

In line with Section 149(10) of the Companies Act, 2013, an Independent Director shall hold office for a term of upto five (5) consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a Special Resolution by the Company for another term of upto five (5) consecutive years on the Board of a Company. Since Mr. Bajaaj will complete his First Term as an Independent Director of the Company on September 10, 2019, he is eligible for re-appointment for one more term of five (5) years.

Mr. Bajaaj was the Chairman of the Board of Directors and Managing Director of Otis Elevators India. He also held the position of Vice President, South and Southeast Asia based in Singapore wherein the Otis country heads from India, Singapore, Thailand, Malaysia, Indonesia, Philippines and Vietnam reported to him. He has nearly four decades of experience in the elevator industry. Thereafter, for a period of three years, he joined Special Olympics Inc. as Managing Director, Asia Pacific, a nonprofit organization created by the Joseph P. Kennedy Jr. Foundation, Washington for the benefit of people with Intellectual Disabilities. He was also a Director on Board of APW President Systems for a period of two years and also served as the President of Bombay Gymkhana Limited for a period of two years. Mr. Bajaaj does not hold any shares in the Company.

The Board of Directors at its meeting held on July 25, 2019, on the recommendation of the Nomination and Remuneration Committee and based on the performance evaluation, considers that, Mr. Bajaaj is a highly renowned professional who brought wide range of skills and experience to the Board, which enhanced the quality of the Board's functioning and its decision making process. The Company immensely benefitted from his strategic insights on various matters to Company's business, during his tenure as a Non-executive Independent Director. Accordingly, it is desirable to re-appoint Mr. Rajeshwar D. Bajaaj, as an Independent Director of the Company, not liable to retire of rotation, for a Second Term, of five (5) consecutive years, effective from September 9, 2019.

Members may please note that, the Company has received from Mr. Bajaaj:

- (a) a Notice in writing in terms of Section 160(1) of the Companies Act, 2013, from a Member, proposing the candidature of Mr. Bajaaj for the office of Director;

- (b) Consent in writing to act as a Director, in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment and Qualification of Directors) Rules, 2014;
- (c) Intimation in Form DIR-8 in terms of the Companies (Appointment and Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013;
- (d) Declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 read with Regulation 16 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended); and
- (e) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that he has not been debarred from holding office of a Director by virtue of any Order passed by Securities and Exchange Board of India or any other such authority.

Further, as per Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, ("Amendment Regulations, 2018"), inter alia, provides that no listed company shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of 75 (seventy five) years unless it is approved by the Members by passing a Special Resolution to that effect and justification thereof is indicated in the explanatory statement annexed to the Notice for such appointment.

Mr. Bajaaj has already attained the age of 75 years as on date and hence continuation beyond 75 years requires the approval of Members by way of a Special Resolution. Accordingly, the Nomination & Remuneration Committee and the Board of Directors of the Company at their respective meetings held on July 25, 2019 have recommended to the Members, the continuation of office of Mr. Bajaaj as a Non-Executive Independent Director of the Company, on and after September 9, 2019 till the expiry of his second term i.e. upto September 8, 2024, notwithstanding that he has attained the age of 75 years.

The Board confirms that Mr. Bajaaj fulfils the conditions of re-appointment as an Independent Director as prescribed in the Companies Act, 2013, the rules framed thereunder and the Listing Regulations and that he is independent of the management of the Company.

Copy of the draft Letter of Appointment of Mr. Bajaaj setting out the terms and conditions of re-appointment as an Independent Director, are available for inspection by the

Members of the Company without any fee at the Registered office of the Company.

The brief profile of Mr. Bajaaj under Regulation 36(3) of the Listing Regulations and Secretarial Standard – 2 on General Meetings issued by the Institute of Company Secretaries of India, is set out in the Annexure – I to the Explanatory Statement and forms integral part of Notice.

The Board accordingly recommends passing the Special Resolution as set out as Item No. 8 in the accompanying Notice for the approval of Members.

Mr. Rajeshwar D. Bajaaj is not related to any Director on the Board of the Company.

Mr. Rajeshwar D. Bajaaj, Non-Executive Independent Director is deemed to be concerned or interested in the Resolution at Item No. 8 of this Notice. None of the other Directors are concerned or interested in the said Special Resolution.

No other Promoters, Directors and / or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 8 of this Notice.

Item No. 9

Mrs. Mahnaz A. Curmally (DIN: 06907271), based on recommendation of Board and Nomination and Remuneration Committee, at their meetings held on July 25, 2014, was appointed as a Non-Executive Director of the Company, at the 67th Annual General Meeting of Members of the Company, effective from September 11, 2014, liable to retire by rotation.

In terms of proviso to Regulation 17(1)(a) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Board of Directors of the top 500 listed entities shall have at least one (1) Independent Woman Director by April 1, 2019 and the Board of Directors of the top 1000 listed entities shall have at least one (1) Independent Woman Director by April 1, 2020.

As per SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the top 500 and 1000 entities shall be determined on the basis of market capitalisation, as at the end of the immediate previous financial year. Your Company, Bharat Bijlee Limited ('BBL') stands 832 out of top 1000 Companies, based on Market Capitalisation. Hence BBL is required to appoint at least one (1) Independent Woman Director by April 1, 2020.

Mrs. Mahnaz A. Curmally has obtained an English Literature Honors degree from Lady Shri Ram College,

Delhi University and thereafter acquired a M.A. Degree in Sociology from Bombay University. She started her career with J Walter Thompson (JWT) as a copywriter and reached the position of President, South Asia and retired from Ogilvy PR as Chairman South Asia in December 2003. Post her departure from Ogilvy, Mrs. Curmally continued to work as part time PR consultant with pharmaceutical, consumer, finance, engineering and NGO organizations and also taught communication and PR courses in three leading communication management institutes in Mumbai.

Mrs. Mahnaz Curmally, with over 40 years of work experience is considered one of the pioneers of corporate and marketing communications in India. She has through the course of her working life gathered considerable understanding of industries such as infrastructure (power, realty and health); pharmaceutical (MNC and local); FMCG (food, personal care, cosmetics, apparel, household goods); and Travel and Tourism.

The Board of Directors on the recommendation of the Nomination and Remuneration Committee at their respective meetings held on July 25, 2019, and based on the performance evaluation, considers it is desirable to appoint Mrs. Curmally, as an Independent Director of the Company, not liable to retire of rotation, for a term, of five (5) consecutive years, effective from September 9, 2019 to September 8, 2024.

Members may please note that, the Company has received from Mrs. Curmally:

- (a) a Notice in writing in terms of Section 160(1) of the Companies Act, 2013, from a Member, proposing the candidature of Mrs. Curmally for the office of Director
- (b) Consent in writing to act as a Director, in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment and Qualification of Directors) Rules, 2014;
- (c) Intimation in Form DIR-8 in terms of the Companies (Appointment and Qualification of Directors) Rules, 2014, to the effect that she is not disqualified under Section 164(2) of the Companies Act, 2013;
- (d) Declaration to the effect that she meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 read with Regulation 16 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended); and

- (e) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that she has not been debarred from holding office of a Director by virtue of any Order passed by Securities and Exchange Board of India or any other such authority.

Further, as per Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, ("Amendment Regulations, 2018"), inter alia, provides that no listed company shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of 75 (seventy five) years unless it is approved by the Members by passing a Special Resolution to that effect and justification thereof is indicated in the explanatory statement annexed to the Notice for such appointment.

Mrs. Curmally will be attaining the age of 75 years on August 4, 2021, i.e., during her term of Independent Directorship and hence continuation beyond 75 years requires the approval of Members by way of a Special Resolution. Accordingly, the Nomination & Remuneration Committee and the Board of Directors of the Company at their respective meetings held on July 25, 2019 recommended to the Members, the continuation of Mrs. Curmally's directorship as a Non-Executive Independent Director of the Company, on and after August 4, 2021 till the expiry of her second term i.e. upto September 8, 2024, notwithstanding that she will attain the age of 75 years.

The Board confirms that Mrs. Curmally fulfils the conditions of appointment as an Independent Director as prescribed in the Companies Act, 2013, the rules framed thereunder and the Listing Regulations and that she is independent of the management of the Company.

Copy of the draft Letter of Appointment of Mrs. Curmally setting out the terms and conditions of re-appointment as an Independent Director, are available for inspection by the Members of the Company without any fee at the Registered office of the Company.

The brief profile of Mrs. Curmally under Regulation 36(3) of the Listing Regulations and Secretarial Standard – 2 on General Meetings issued by the Institute of Company Secretaries of India, is set out in the Annexure – I to the Explanatory Statement and forms integral part of Notice.

The Board accordingly recommends passing the Special Resolution as set out as Item No. 9 in the accompanying Notice for the approval of Members.

Mrs. Mahnaz Curmally is not related to any Director on the Board of the Company.

Mrs. Mahnaz Curmally, Non-Executive Director is deemed to be concerned or interested in the Resolution at Item No. 9 of this Notice. None of the other Directors are concerned or interested in the said Special Resolution.

No other Promoters, Directors and / or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 9 of this Notice.

Route Map to the venue of 72nd Annual General Meeting to be held on Monday, September 9, 2019.

REPORT OF THE DIRECTORS TO THE MEMBERS

The Directors are pleased to present their 72nd Annual Report on the business and operations of the Company together with the Audited Accounts for the financial year ended March 31, 2019.

GENERAL OUTLOOK OF INDUSTRY AND ECONOMY:

The financial year 2018-19 saw the GDP growth decelerating to its lowest level in the past five years at 6.80%. Domestically the risk to growth stems from lower capacity utilization, weak investment rate and credit constraints.

While the capital goods industry still remains fiercely competitive, we continue to tread cautiously concentrating on our market position and profitable market opportunities.

We have been focusing on enhancing our internal capabilities and reaching deeper into markets to seize opportunities when investment cycle revives.

Accordingly, for the financial year ended March 31, 2011, the Company has transferred all corresponding equity shares on which dividend remained unclaimed for a period of seven (7) years, to the Demat Account of the IEPF, the due date of which was August 6, 2018. It may please be noted that no claim shall lie against the Company in respect of share(s) transferred to IEPF pursuant to the said Rules.

However, the Shareholders are entitled to claim their shares including all the corporate benefits accruing on such shares, if any, from the IEPF Authority by submitting an online application in Form IEPF-5 and sending a physical copy of the Form IEPF-5 duly signed by all the joint shareholders, if any, as per the specimen signature recorded with the Company along with requisite documents enumerated in the Form IEPF-5, to the Company's RTA. The Rules and Form IEPF-5, as prescribed, for claiming back the shares, are available on the website of the IEPF, i.e., on www.iepf.gov.in.

Members who had not claimed the dividends declared for the financial year March 31, 2012, were requested to lodge their claim on or before June 30, 2019, with the Company's Registrar and Share Transfer Agents at the address mentioned in the Annual Report. The Company had sent reminders to all such Members at their registered address in this regards.

Further, all the shareholders who have not claimed their dividends in the last seven (7) consecutive years from 2012 are requested to claim the same by August 16, 2019. In case valid claim is not received by that date, the Company will proceed to transfer the respective shares to the IEPF Account in terms of the IEPF Rules. In this regard, the Company has individually informed the shareholders concerned and also published notice in the newspapers as per the IEPF Rules. It may please be noted that no claim shall lie against the Company once such share(s)/ dividend transferred to IEPF demat account, pursuant to the said Rules.

The Statement containing details of Name, Address, Folio No., Demat Account No. and No. of shares due

for transfer to IEPF demat Account is made available on www.bharatbijlee.com.

The Shareholders are therefore encouraged to verify their records and claim their dividends, if not claimed.

The framework of our CSR policy rests on principles of:

- Empowerment;
- Environment; &
- Employee Participation.

The following are the areas of emphasis for CSR activities under the CSR policy:

- a. The activities carried out under this CSR policy will be in the areas of health, education, livelihood/income generation and environment.
- b. These activities will be carried out in partnership with registered NGOs and Trusts who are already working in the respective fields.
- c. Monthly reports will be provided to the CSR committee and also annual consolidated report.
- d. Surplus arising out of the CSR Projects/programmes/activities, if any, shall not form part of business profits.

Web-link to the CSR Policy: <https://www.bharatbijlee.com/media/1200/csr-policy.pdf>

2. The composition of the CSR Committee:

The CSR Committee comprises of the following members:

- a. Mr. Nakul P. Mehta (Chairman, Managing Director);
- b. Mr. Shome N. Danani (Executive Director);
- c. Mr. Jairaj C. Thacker (Independent Director).

3. Average Net Profit / (Loss) of the Company for last three financial years:

The Company has incurred average net loss for the last three (3) financial years as under:

Year	Profit/Loss (-) Amount (₹ in Lakhs)
2015-2016	(630.20)
2016-2017	(1135.88)
2017-2018	(574.60)
Total	(2340.68)

Average Net Profit / (Loss) for last three (3) financial years: ₹ (780.23) Lakhs.

4. Prescribed CSR Expenditure (two percent of the amount as per item 3 above):

The Company is not required to spend any amount in view of average net loss during the three (3) immediately preceding financial years.

5. Details of CSR spent during the financial year:

- a. Total amount to be spent for the financial year: NIL
- b. Amount unspent if any: N.A.

c. Manner in which the amount spent during the financial year under review, is detailed below:

Sr. No.	CSR Project or activity identified	Sector in which the project is covered	Project or programs (1) Local area or other (2) Specify the state and district where projects or programs was undertaken	Amount outlay (budget) project or programs wise	Amount spent on the projects or programs sub heads:	Cumulative expenditure up to the reporting period	Amount spent Direct or through implementing agency
1.	N.A.	N.A.	N.A.	N.A.	N.A.	N.A.	N.A.

6. In case the Company has failed to spend the two percent of the average net profit of the last three financial years or any part thereof, the Company shall provide the reasons for not spending the amount in its Board Report:

The Chairman of the CSR Committee, at its meeting held on May 6, 2019, brought to the notice of the Members that the Company has incurred a loss in the Financial year 2015-16, 2016-17 and 2017-18 thereby resulting in Net Loss of ₹ 2340.68 lakhs and Average Net Loss of ₹ 780.23 lakhs.

Accordingly in absence of average Net Profits for the three (3) immediately preceding financial years, the provision pertaining to spending 2% of average net profits on CSR activities is not applicable to the Company for the financial year 2018-2019 and hence it was recommended by the CSR Committee not to incur any expenditure on the CSR activity in the financial year 2018-2019.

7. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR policy is in compliance with CSR objectives and policy of the Company:

The CSR Committee hereby confirms that the implementation and monitoring of CSR policy has been carried out with all reasonable care and diligence and the same is in compliance with the CSR objectives and the policy of the company. However as explained in item no. 6 above, no amount was spent on CSR activities in view of average net loss of the last three financial years.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS, OPPORTUNITIES AND THREATS

The domestic economy during the financial year 2018-19 faced challenges resulting from a mixed macro-economic environment. The balance sheets of the banking and corporate sectors, and of the Government remain strained. Further, the Central Bank adopted a tight monetary policy during most of the year, with consequent increases in real interest rates during that period. As a result the investment rate in the economy moderated, thereby impacting demand for the capital goods. Capital expenditure from the private sector barring select industries remained muted.

The Indian transformer industry, which had substantially added capacities over the past years in anticipation of domestic and overseas demand, has witnessed overcapacity. This has been compounded by stagnant demand due to slowdown in project approvals, lack of funds, and a slowdown in private investment in the manufacturing sector. To achieve its objective of “Power for All” and “Make in India”, the Government has undertaken several initiatives to strengthen the power transmission and distribution network. These include UDAY for the financial turn-around of power distribution companies, “Deendayal Upadhyaya Gram Jyoti Yojana” for rural electrification, “Saubhagya” for last mile connectivity to rural consumers and intra-state transmission projects. These initiatives coupled with revival of private capital expenditure will be the drivers of growth for the industry.

The electrical motors industry has benefited from the Government’s Quality Control Order prohibiting the sale and manufacture of motors of efficiency class lower than IE2 (High Efficiency). As 95% of the lifetime cost of a motor is the cost of energy it consumes, this landmark legislation will also benefit the environment and the economy at large. While the Government’s emphasis on adoption of energy efficient motors, a corresponding awareness among industrial users, and initiatives such as Make in India, Smart City Mission, affordable housing, Atal Mission for Rejuvenation and Urban Transformation (AMRUT) are expected to positively influence the electric motors market in India, consistent demand growth remains dependent on growth in core sectors of the economy.

OPERATIONAL AND FINANCIAL PERFORMANCE OF SEGMENTS

The Company operates in two Business Segments, viz. “Power Systems” and “Industrial Systems”.

Power Systems:

The Power Systems segment comprises of Power Transformers upto 200 MVA, 220 KV voltage class and EPC projects for electrical substations upto 400 KV.

Our efforts to reduce dependence on Public Sector Utilities and to increase our market share in the industrial segment are yielding results. However, the sector continues to suffer from overcapacity and almost stagnant demand. Though the Company achieved a near full utilization of capacity, intense competition kept prices low and margins muted.

For the Project business, we continue to tread cautiously, targeting orders from customers of repute to ensure timely completion of projects with reasonable profitability.

The revenue of Power Segment increased by 6.9% but segmental profit decreased by 21.3% due to over-supply in the industry leading to intense price competition amongst manufacturers.

Industrial Systems:

This segment comprises of a full range of low and medium voltage industrial motors, permanent magnet technology machines (MTM) and AC variable drives and drive systems.

Electric Motors impact almost every aspect of modern living. Hence the Motors business and GDP have a strong positive correlation. Despite moderate GDP growth, the mandated shift to a minimum efficiency, and growth in a few industry sectors proved to be positive factors. Your Company has obtained orders from the Indian Railways for its ongoing programme to replace diesel locomotives to electric as part of efforts to completely electrify the broad gauge network.

The Drives and Automation business has been developing newer applications with an eye on widening its market reach, and we expect these efforts to enrich its portfolio in the coming years.

MTM commissioned its new IGBC certified manufacturing facility in May 2018, and achieved its highest ever volume in spite of strong competition with multiple international brands who have entered the Indian market. The focus on value engineering and high quality products has helped not only to combat competition in the domestic market but to significantly grow export sales.

The revenue of the Industrial Systems Segment grew by 34.6%, and segmental profit increased by 151.6%, as your Company successfully seized available market opportunities.

RISKS AND CONCERNS

Tight liquidity in the domestic financial markets in spite of an accommodative policy stance by the Central Bank, a continuing overhang of underutilized manufacturing capacity and muted private sector capital expenditure remain the key risks.

INTERNAL CONTROLS AND RISK MANAGEMENT

Most Internal Controls of the Company have been automated through the SAP ERP system. System driven controls ensure consistency, continuous monitoring and compliance. Internal Controls have been designed to mitigate financial and operational risks and to ensure that transactions are being made within the authority delegated by the top management, are recorded properly and reported correctly.

Internal controls across the Company are periodically reviewed and tested to assess its adequacy and effectiveness both by the Company's Internal Audit team and the Statutory Auditors. The Management and the Audit Committee are apprised of the outcome of such reviews. Internal Controls are further reinforced based on such reviews, if required.

The Company has defined a framework for Risk Management that is reviewed regularly and updated along with all businesses of the Company.

Human Resources

Material Development in Industrial Relations:

Management has signed a Long Term Settlement with the Union, Engineering Workers Association, amicably which is operational from January 1, 2018 to December 31, 2020.

Total number of employees recruited / appointed during the period from April 1, 2018 to March 31, 2019 are 153.

OUTLOOK

Political stability following the general elections is expected to bring capital into infrastructure development, provided India ensures socio-economic stability. Structural reforms like the IBC and strengthening of PSU banks should release risk capital and lower risk averseness of the financial sector, leading to an upturn in the private capital expenditure cycle.

From an international environment perspective, firm oil prices may put upward pressure on inflation and hence on interest rates, which could defer the nascent investment cycle. Global trade tensions, geo-political conflicts and protectionist policies may cause import-export distortions.

Despite the global geo-political tensions and fear of trade wars, the long term growth story of India remains intact. Against the backdrop of the general elections and the reduced level of spending by the Government to stem inflation, GDP growth, and hence the capital investment cycle, have taken a back seat. We hope that a stable government at the Centre and continued buoyancy in GST collections will now prop up Government spending. Also, a majority Government at the Centre will be able to create an environment conducive to investment and place the economy on a high growth trajectory.

To maintain our market position and quality edge across the segments, your Company has undertaken a capacity enhancement program to enhance plant level productivity to meet stringent quality standards, and to enrich its product offerings.

INDEPENDENT AUDITOR'S REPORT

To The Members of Bharat Bijlee Limited

Report on the Audit of the Financial Statements
Opinion

We have audited the accompanying financial statements of Bharat Bijlee Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The recognition of deferred tax assets involves judgement regarding the likelihood of the realisation of these assets, in particular whether there will be taxable profits in future periods against which these can be utilised. Auditing management's estimates of future taxable profit and the determination of whether it is probable that the deferred tax assets will be realised involved judgment.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • Tested the effectiveness of controls over deferred taxes, including estimates of future taxable profits • Assessed the appropriateness of management's key assumptions in respect of estimates of future taxable profits; • Evaluated management's ability to accurately estimate future taxable profits by comparing actual results to management's historical estimates. • Evaluated the reasonableness of management's estimates of future taxable profits by comparing the estimates to <ul style="list-style-type: none"> • Historical taxable profits • Internal communications to management and Board of Directors • Assessed the appropriateness of the disclosures included in the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board Report including Annexures to Board's Report and Corporate Governance, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to

the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has

adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - The Company has made provision, as required under the applicable law or accounting

standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

- There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bharat Bijlee Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components

of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under

Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (b) The Company has a program of verification of Property, Plant and Equipment to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. Immovable properties of land and buildings whose title deeds have been pledged as security for loans are held in the name of the Company based on the confirmations directly received by us from lenders/ parties. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as Property, Plant and Equipment in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals excluding inventories lying with third parties. In respect of inventories lying with third parties, these have substantially been confirmed by them. No material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans to parties covered under section 185 of the Companies Act. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits during the year. In respect of unclaimed deposits, the Company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Customs Duty, Goods and Service Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Customs Duty, cess, Goods and Services Tax and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.

- (c) Details of dues of Sales Tax, Customs Duty, Excise Duty, and Value Added Tax which have not been deposited as on March 31, 2019 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs. in Lakhs)	Amount Unpaid (Rs. in Lakhs)

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks and the Company does not have any loans or borrowings from any financial institution or government, nor has it issued any debentures.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under this clause of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.

- (xi) In our opinion and according to the information and explanations given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

- (xii) The Company is not a Nidhi Company and hence reporting under this clause of the Order is not applicable.

- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.

- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected to directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES TO THE FINANCIAL STATEMENTS

Notes**1. GENERAL INFORMATION**

Bharat Bijlee Limited is one of the leaders in the electrical engineering industry in India. A multi-product, multi-divisional organisation, its main products are transformers, electric motors, magnet technology machines and drives & automation system. The Company also undertakes turnkey projects (switchyards). The Company has a well established all-India marketing network that ensures responsive pre and after sales service.

The address of its registered office is Electric Mansion, 6th Floor, Appasaheb Marathe Marg, Prabhadevi, Mumbai 400 025.

2. SIGNIFICANT ACCOUNTING POLICIES**2.01 Statement of Compliance:**

These financial statements of the Company are prepared in accordance with Indian Accounting Standards ("Ind AS") notified under section 133 of Companies Act, 2013 (the Act) read alongwith Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

2.02 Basis of Preparation and Presentation:

The Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements are presented in Indian currency (INR) which is the Company's functional and presentation currency.

All values are rounded off to the nearest lakhs.

The financial statements were approved for issue by the Board of Directors on 6th May, 2019.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities.

2.03 Revenue Recognition:

The Company earns revenue primarily from sale of its main products transformers, electric motors, magnet technology machines and drives & automation system. The Company also earns revenue by undertaking turnkey projects (switchyards).

Effective from 1st April, 2018, the Company has applied Ind AS 115 – Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the cumulative catch-up transition method which is applied to contracts that were not completed as of 1st April, 2018. Accordingly, the comparatives have not been retrospectively adjusted – i.e. the comparatives continues to be reported under Ind AS 18 and Ind AS 11. The adoption of the standard did not have any material impact to the financial statements of the Company.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of the promised goods or services to a customer in an amount, being the transaction price that reflects the consideration which the Company expects to receive in exchange for those goods or services. The performance obligation in case of sale of goods is satisfied at a point in time which is generally at the time of despatch / delivery as may be specified in the contract. In case of contracts, where the control of the goods is transferred on despatch, the Company has determined that freight is a separate performance obligation. A portion of the revenue earned under these contracts, representing the obligation to perform the freight service, is deferred and recognised upon delivery.

The performance obligation in case of sale of services is satisfied when the service is performed and there are no unfulfilled obligations.

Revenue is measured based on the transaction price, which is net of variable consideration adjusted for discounts, rebates, refunds, credits, price concessions, etc., if any, as specified in the contract with the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)

amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. Revenue also excludes taxes collected from customers.

The amount of consideration does not contain a significant financing component as payment terms are less than one year.

Generally contracts with customers include warranty periods following sale of products. These obligations are not deemed to be separate performance obligations and therefore estimated and included in the total costs of the products. Where required, amounts are recognised accordingly in line with Ind AS 37: Provisions, Contingent Liabilities and Contingent Assets.

Revenue from construction contracts is recognised over time using the input method to measure progress of delivery. As work is performed on the assets being constructed they are controlled by the customer and have no alternative use to the Company, and it also has a right to payment for performance to date. When the outcome of individual contracts can be estimated reliably, contract revenue and contract costs are recognised as revenue and expenses respectively by reference to the stage of completion at the reporting date. Costs are recognised as incurred and revenue is recognised on the basis of the proportion of total costs at the reporting date to the estimated total costs of the contract. No margin is recognised until the outcome of the contract can be estimated with reasonable certainty. Provision is made for all known or expected losses on individual contracts once such losses are foreseen.

Revenues in excess of invoicing are classified as contract assets (which we refer as Gross amounts due from customers of Construction Contracts) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as Project amount due to customers).

Contracts are subject to modification to account for changes in contract specification and requirements. The Company reviews modification to contract in conjunction with the original contract, basis which the transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

The Company disaggregates revenue from contracts with customers by nature of products and services.

2.04 Other Income:

- a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established.
- b) Interest income is recognised on the time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.
- c) Insurance and other claims are accounted as and when unconditionally admitted by the appropriate authorities.

2.05 Property, Plant and Equipment:

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or Losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Capital work-in-progress / intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013. Depreciation is provided on pro-rata basis on the straight line method over the useful life of assets. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end and adjusted prospectively.

Leasehold land is stated at historical cost less amounts amortised proportionate to expired lease period.

Spares in the nature of capital spares/ insurance spares are added to the cost of the assets. The total cost of such spares is depreciated over a period not exceeding the useful life of the asset to which they relate.

2.06 Intangible Assets:

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. The amortisation period and amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Expenditure on application software is amortised over a period of three years.

2.07 Impairment of assets:

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)

When an impairment loss subsequently reverses, the carrying amount of the asset or a cash-generating unit is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) earlier.

2.08 Financial instruments:**1. Initial recognition and measurement**

Financial assets and/or financial liabilities are recognised when the Company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2. Financial assets:**Classification and subsequent measurement of financial assets:****a) Classification of financial assets:**

- (i) The Company classifies its financial assets in the following measurement categories:
 - those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
 - those measured at amortised cost.
- (ii) The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.
- (iii) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (iv) The Company reclassifies debt investments when and only when its business model for managing those assets changes.

b) Subsequent Measurement**(i) Debt instruments:**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

(1) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(2) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(3) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are subsequently measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(ii) Equity instruments:

The Company subsequently measures all equity investments at fair value. There are two measurement categories into which the Company classifies its equity instruments:

Investments in equity instruments at FVTPL:

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

Investments in equity instruments at FVTOCI:

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)**c) Impairment of financial assets:**

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

d) Derecognition of financial assets:

A financial asset is primarily derecognised when:

1. the right to receive cash flows from the asset has expired, or
2. the Company has transferred its rights to receive cash flows from the asset; and
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in the Statement of Profit and Loss.

3. Financial liabilities and equity instruments**Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

Classification and subsequent measurement

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through Profit and loss or at amortized cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in profit and loss when the liabilities are derecognized.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

Derivative Financial Instruments

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of profit and Loss immediately.

2.09 Inventories:

Inventories are stated at the lower of cost and net realisable value.

Cost of inventories comprise all costs of purchase (net of input credits), costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Cost of raw materials and components, packing materials, stores, spare parts other than specific spares for machinery and traded finished goods are determined on the basis of weighted average method.

Cost of Materials in transit and materials in bonded warehouse are determined at cost-to-date.

Cost of Work-in-progress and manufactured finished goods comprises of all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Custom duty is included in the materials lying in bonded warehouse.

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)**2.10 Foreign Currencies:**

Items included in the financial statements of the Company are recorded using the currency of the primary economic environment (INR) in which the Company operates (the 'functional currency').

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions, and from translation of monetary assets and liabilities at the reporting date are recognised in the Statement of Profit and Loss.

2.11 Employee Benefits:**Retirement Benefit Costs and Termination Benefits:****Defined Contribution Plans**

Payment to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contributions to Provident and Family Pension Fund and Superannuation scheme, which are defined contribution plans, are made as required by the statute and expensed in the Statement of profit and loss.

Defined Benefit Plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement comprising actuarial gains and losses and the effect of the changes to the return of plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of Profit and Loss. Past service cost is recognised in Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item "Employee benefits expense". Curtailment gains and losses are accounted for as past service cost.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for the termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

Short-Term and Other Long-Term Employee Benefits:

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange of related service.

Liabilities recognized in respect of other long-term employee benefits are measured at present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employee upto the reporting date.

2.12 Borrowing Costs:

(a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.

(b) All other borrowing costs are recognised as expense in the period in which they are incurred.

2.13 Taxation:

Income Tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets including Minimum Alternate Tax (MAT) are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head “capital gains” are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current Tax Assets and Current Tax Liabilities are offset when there is a legally enforceable right to set-off the recognised amounts and there is an intention to settle the asset and liability on a net basis. Deferred Tax Assets and Deferred Tax Liability are offset when they relate to the same governing taxation laws.

Current and Deferred tax is recognised in Statement of Profit and Loss, except when it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.14 Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating Leases

The Company’s operating lease arrangements are for premises and vehicles.

For premises/vehicles, taken/given on operating lease, lease rentals payable/receivable are charged/credited in the statement of Profit and Loss.

Rental expense under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor’s expected inflationary cost increases, such increases are recognised in the period in which they are incurred.

2.15 Provisions, Contingent Liabilities and Contingent Assets:

Provisions: Provisions are recognised when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured using the cash flows estimated to settle the present obligation at the Balance sheet date.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent assets are disclosed, where an inflow of economic benefits is probable.

2.16 Segment Reporting:

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision making body, in deciding how to allocate resources and assessing performance.

The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue is accounted on the basis of transactions which are primarily determined based on market/fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under “unallocated revenue/expenses/assets/liabilities”.

2.17 Cash and Cash Equivalents:

Cash and Cash equivalents include cash, cheques on hand, cash at bank and short term deposits with banks having original maturity of three months or less, which are subject to insignificant risk of changes in value.

2.18 Statement of Cash Flows:

Cash flows are reported using the indirect method whereby profit / (loss) is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.19 Dividend to Equity Shareholders:

Dividend to equity shareholders is recognised as a liability and deducted from shareholders’ equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)**2.20 Earnings per Share:**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.21 Government Grants:

Government grants including export incentives are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received. The Company accounts for its entitlement in the Statement of Profit and Loss on accrual basis in the period in which the matching costs are incurred.

2.22 Critical accounting judgements and key sources of estimation uncertainty:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes judgements, estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to significant accounting estimates include useful lives and impairment of property, plant and equipment, allowance for doubtful debts/advances, deferred tax assets, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, allowances for inventories, etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

(i) Useful lives and Impairment of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation expense in future periods.

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Company makes an estimate of the asset's recoverable amount. An asset's recoverable amount is the higher of its fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets and the asset's value in use cannot be estimated to be close to its fair value. In such cases the asset is tested for impairment as part of the cash-generating unit to which it belongs. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset or cash-generating unit is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Impairment losses relating to continuing operations are recognised in those expense categories consistent with the function of the impaired asset.

(ii) Allowance for Doubtful Debts/Advances

When determining the lifetime expected credit losses for trade receivables, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and credit assessment and including forward-looking information. Refer Note No.10(ii).

(iii) Deferred Tax Assets

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits. The amount of total deferred tax assets could change if estimates of projected future taxable income or if tax regulations undergo a change.

(iv) Employee Benefit Obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(v) Expected Cost of Completion of Contracts

The Company's revenue recognition policy, set out in Note 2.03, explains how the Company values the work it has carried out in each financial year.

Estimates are also required with respect to the below mentioned aspects of the contract.

- 1) Determination of stage of completion;
- 2) Estimation of project completion date; and
- 3) Estimated total revenues and estimated total costs to completion, including claims and variations.

(vi) Allowance For Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item and losses associated with obsolete / non-moving inventory items.

NOTES TO THE FINANCIAL STATEMENTS

Notes (Contd.)**2.23 Recent Accounting Pronouncements****(a) Ind AS 116 – Leases**

On 30th March, 2019 the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116 Leases. Ind AS 116 would replace the existing standard on Leases i.e. Ind AS 17 Leases. The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise right-of-use asset and a lease liability for all leases with a term of more than 12 months, unless the underlying asset is of low value.

As per Ind AS 116, the lessee needs to recognise depreciation on rights of use assets and finance costs on lease liabilities in the statement of profit and loss. The lease payments made by the lessee under the lease arrangement will be adjusted against the lease liabilities. Currently, operating lease expenses are charged to the statement of profit and loss.

Requirements with regard to lessor accounting are substantially similar to accounting requirements contained in Ind AS 17.

The Company is in the process of evaluating the implications of Ind AS 116 on the financial statements.

(b) Other amendments

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) notified certain other amendments to Indian Accounting Standards (Ind AS), as below, as part of the Companies (Indian Accounting Standards) Second Amendment Rules, 2019. These other amendments come into force on 1st April, 2019.

(i) Ind AS 12 – Income Taxes

Amendments relating to income tax consequences of dividend:

The amendment relating to income tax consequences of dividend clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Appendix C, Uncertainty over Income Tax Treatment to Ind AS 12, Income Taxes:

The Appendix clarifies how to apply the recognition and measurement principles while recognizing current tax, deferred tax, taxable profits (losses), tax bases, unused tax losses, unused tax credits and tax rates when there is uncertainty over tax treatments under Ind AS 12. As per the Appendix, the Company needs to assess whether it is probable that a tax authority will accept an uncertain tax treatment used or a treatment which is being proposed to be used in its income tax filings, in particular assuming that a tax authority might reach with full knowledge and information if it were to make an examination.

(ii) Ind AS 19 – Employee Benefits

Plan Amendment, Curtailment or Settlement

The amendments to Ind AS 19 clarify the accounting for defined benefit plan amendments, curtailments and settlements.

The Company must:

- calculate the current service cost and net interest for the remainder of the reporting period after a plan amendment, curtailment or settlement by using the updated assumptions from the date of the change;
- any reduction in a surplus should be recognised immediately in profit or loss either as part of past service cost, or as a gain or loss on settlement. In other words, a reduction in a surplus must be recognised in profit or loss even if that surplus was not previously recognised because of the impact of the asset ceiling; and
- separately recognise any changes in the asset ceiling through other comprehensive income.

(iii) Ind AS 23 – Borrowing Costs

The amendments clarifies that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, it becomes part of general borrowings.

The Company is in the process of evaluating the impact of these amendments.

Notes:			
I. Nature and Purpose of Reserve			
(A) General Reserve is created out of the profits earned by the Company by way of transfer from surplus in the statement of profit and loss. The Company can use this reserve for payment of dividends and issue of fully paid-up shares. As General Reserve is created by transfer of one component of equity to another and is not an item of other comprehensive income, items included in General Reserve will not be reclassified to statement of profit and loss.			
(B) Retained Earnings are the profits that the Company has earned till date, less any transfers to General Reserve and payment of Dividend.

1) Defined contribution plans:

The Company participates in defined contribution plans on behalf of relevant personnel. Any expense recognised in relation to these schemes represents the value of contributions payable during the period by the Company at rates specified by the rules of those plans. The only amounts included in the balance sheet are those relating to the prior months contributions that were not due to be paid until after the end of the reporting period.

The defined contribution plans are as below:

a) Provident fund

In accordance with the Employee's Provident Fund and Miscellaneous Provisions Act, 1952 eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the provident fund administered and managed by Government of India (GOI). The Company has no further obligations under the fund managed by the GOI beyond its monthly contributions which are charged to the Statement of Profit and Loss in the period they are incurred. The benefits are paid to employees on their retirement or resignation from the Company.

b) Superannuation fund

The Company holds a policy with an Insurance company, to which it contributes a fixed amount relating to superannuation and the pension annuity is met by the Insurer as required, taking into consideration the contributions made. The Company has no further obligations under the Scheme beyond its monthly contributions which are charged to the Statement of Profit and Loss in the period they are incurred.

Contribution to Defined Contribution Plans, recognised in the Statement of Profit and Loss for the year under employee benefits expense, are as under :

32. Disclosure pursuant to Indian Accounting Standard (Ind AS) – 19 : Employee Benefits (Contd.)
(2) Defined Benefit Plans:

The Defined Benefit Plan is as below:

Gratuity (Funded)

The Company has an obligation towards gratuity, a funded defined benefit retirement plan covering eligible employees. The plan provides for lump sum payment to vested employees at retirement, on death while in employment or on termination of the employment in terms of the provisions of the Payment of Gratuity Act, 1972 or as per the Company's Scheme, as applicable. Vesting occurs upon completion of five years of service. The Company makes annual contributions to gratuity fund established with the insurance company. The Company accounts for the liability for gratuity benefits payable based on an actuarial valuation. The plan typically exposes the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The Probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Interest risk

If the Discount Rate i.e the yield on the Government Bonds decrease in future, the Actuarial Liability will increase and vice versa. The quantum of increase in valuation liability corresponding to specific decrease in the Discount Rate and vice versa, has been shown in the annexure containing the sensitivity Analysis of Key Actuarial Assumption.

Longevity risk

If the Mortality rate experienced by the staff of a particular company is higher than what is assumed in mortality Table used in the valuation, the valuation liability will increase.

However, it will be very cumbersome to measure the quantum of increase for assumed reduction of Mortality rates as can be done in case of changes in salary Growth Rate and Interest Rate.

Salary risk

If the salary Growth Rate over the future years of services is increased, the Actuarial Liability will increase and vice versa.

The quantum of increase in the valuation liability corresponding to specific increase in the salary growth rate and vice versa has been shown in the annexure containing Sensitivity Analysis of key Actuarial Assumption.

The most recent actuarial valuation of the present value of the defined benefit obligation was carried out at 31st March, 2019 by an independent actuary. The present value of the defined benefit obligation, the related current service cost and past service cost were measured using the projected unit credit method.

A. Principal actuarial assumptions used:

The principal assumptions used for the purposes of the actuarial valuations are as follows:

The Sensitivity Analysis below has been determined based on reasonably possible change of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. For presenting the sensitivities, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the Defined Benefit Obligation presented above. There was no change in the methods and assumptions used in the preparation of the Sensitivity Analysis from previous year.

Projected Benefits Payable in Future Years From the Date of Reporting	As at 31st March, 2019	As at 31st March, 2018

42. Disclosure pursuant to Indian Accounting Standard (Ind AS) – 107 : Financial Instruments: Disclosures
Financial instruments and Risk management
42.1 Capital management

The capital structure of the Company consists of net debt (borrowings offset by cash and bank balances) and total equity of the Company. The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through an optimum mix of debt and equity within the overall capital structure. The Company's management reviews its capital structure considering the cost of capital, the risks associated with each class of capital and the need to maintain adequate liquidity to meet its financial obligations when they become due. Accordingly the management and the Board of Directors periodically review and set prudent limit on overall borrowing limits of the Company.

A.1 Foreign currency sensitivity analysis

The Company's exposure to Foreign Currency changes for all currencies is not material.

A.2 Derivative Financial Instruments

The Company has entered into foreign currency forward contracts to manage its exposure to fluctuations in foreign exchange rates on foreign currency receivables and payables. Fair value of derivative financial instruments are determined using valuation techniques based on information derived from observable market data.

The following table details the significant derivative financial instruments outstanding at the end of the reporting period:

Financial assets/ (Financial liabilities)	Particulars	31st March, 2019	31st March, 2018

	Fair value (₹ lakhs)	(3.00)	(15.56)

* - Denotes amounts in full figures.

B. Interest rate risk management

The Company does not have interest rate risk exposure on its outstanding loans as at the year end as these loans are short-term loans on fixed interest rate basis.

NOTES TO THE FINANCIAL STATEMENTS
Notes (Contd.)
42. Disclosure pursuant to Indian Accounting Standard (Ind AS) – 107 : Financial Instruments: Disclosures (Contd.)
C. Other price risks

The Company is exposed to price risks arising from its investments in mutual funds and equity.

Equity price risk is related to change in market reference price of investments in equity shares held by the Company. The fair value of quoted investments held by the Company exposes it to equity price risks. In general, these investments are not held for trading purposes.

The Company manages the surplus funds majorly through investments in debt based mutual fund schemes. The price of investment in these mutual fund Net Asset Value (NAV) declared by the Asset Management Company on daily basis as reflected by the movement in the NAV of invested schemes. The Company is exposed to price risk on such Investment schemes.

Mutual fund investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However, due to the very short tenor of the underlying portfolio in the liquid schemes, these do not hold any significant price risks.

C.1 Equity price sensitivity analysis

The sensitivity analysis below has been determined based on the exposure to equity price risks at the end of the reporting period.

If equity prices had been 5% higher / lower, the other comprehensive income for the year ended 31st March, 2019 would have increased / decreased by ₹ +/- 1754.48 lakhs (2017-2018: increase / decrease by ₹ +/- 1650.02 lakhs) as a result of the changes in fair value of equity investments measured at FVTOCI.

C.2 Mutual fund price sensitivity analysis

The sensitivity analysis below has been determined based on Mutual Fund Investment at the end of the reporting period. If NAV had been 1% higher / lower, the profit for year ended 31st March, 2019 would have increased/decreased by ₹ +/- 25.16 lakhs

(2017-2018: increase/decrease by ₹ +/- 86.85 lakhs) as a result of the changes in fair value of mutual funds.

42.3.2 Credit risk management

Credit risk arises from the possibility that a counter party's inability to settle its obligations as agreed in full and in time. The maximum exposure to credit risk in respect of the financial assets at the reporting date is the carrying value of such assets recorded in the financial statements net of any allowance for losses.

A. Trade Receivables

The Company's trade receivables consists of a large and diverse base customers including State owned Companies, Large Private Corporates and Public sector enterprises. Hence the Company is not exposed to concentration and credit risk.

The ageing analysis of trade receivables as of the reporting date is as follows:

Ageing of trade receivables (Gross)	31st March, 2019	31st March, 2018
0 - 6 months past due	25124.80	28347.71
More than 6 months past due	1152.21	1942.79

42. Disclosure pursuant to Indian Accounting Standard (Ind AS) – 107 : Financial Instruments: Disclosures (Contd.)
B. Other Financial Assets

The Company maintains exposure in cash and cash equivalents, time deposits with banks and NBFCs, investments in debt mutual funds. Investment of surplus funds are made only with approved counter parties. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

42.3.3 Liquidity risk management

The objective of liquidity risk management is to maintain sufficient liquidity to meet financial obligations of the Company as they become due. The Treasury Risk Management Policy includes an appropriate liquidity risk management framework for the management of the short-term, medium-term and long term funding and cash management requirements. The Company manages the liquidity risk by maintaining adequate cash reserves, banking facilities and reserve borrowing facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The Company has access to various fund / non-fund based bank financing facilities. The amount of unused borrowing facilities (fund and non-fund based) available for future operating activities and to settle commitments as at 31st March, 2019 ₹ 14041 lakhs, (as at 31st March, 2018 ₹ 14850 lakhs).

42.3.3.1 Liquidity risk table

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes principal cash flows along with interest.

NOTES TO THE FINANCIAL STATEMENTS
Notes (Contd.)
42. Disclosure pursuant to Indian Accounting Standard (Ind AS) – 107 : Financial Instruments: Disclosures (Contd.)
42.4 Fair value measurements

The Company's certain financial assets and financial liabilities are measured at fair value at the end of each reporting period. The following table gives information about the valuation technique(s), inputs used and the fair value hierarchy used in determining such fair values.

Financial assets/ (Financial liabilities)	Fair value as at		Fair value hierarchy	Valuation technique(s) and key input(s)
	31st March, 2019	31st March, 2018		
1) Foreign currency Forwards: Derivative Assets	–	0.09	Level 2	<u>Discounted cash flow.</u> Future cash flows are estimated based on forward exchange rates (from observable forward exchange rates at the end of the reporting period) and contract forward rates, discounted at a rate that reflects the credit risk of various counterparties.
Derivative Liability	3.00	15.56		
2) Investments in Mutual funds at FVTPL	2516.13	1737.02	Level 1	Fair value of investments in Mutual Funds is based on Net asset value (NAV) declared by mutual fund houses at the reporting date.
3) Investments in equity instruments at FVTOCI (quoted) (refer note below)	35089.71	33000.58	Level 1	Quoted bid prices in an active market

Note: These investments in equity instruments are not held for trading. Instead, they are held for long-term strategic purpose. Upon the application of Ind AS 109, the Company has chosen to designate these investments in equity instruments as at FVTOCI as the management believe that this provides a more meaningful presentation for medium or long-term strategic investments, than reflecting changes in fair value immediately in profit or loss.

There were no transfers between Level 1 and 2 in the period.

43. Previous year's figures have been regrouped/recast/reclassified, wherever necessary.
