"We have taken this decision after taking approvals from the Railway Board. We have also reduced frequency of train trips," said a Western Railway official. In fact the WR authorities have cancelled and revised frequency of train trips 'until further

SC DIRECTS SCHOOLS TO REDUCE FEES

Private schools need fees to sustain, pay salaries: MESTA

Parents demand 50 per cent reduction in fees

RONALD RODRIGUES ronald.rodrigues@fpj.co.in

In response to the Supreme Court (SC) direction for private-unaided schools to reduce fees by 15 per cent in lieu of unutilised facilities by students due to shift to online education, the Maharashtra English School Trustee Association (MES-TA) said schools need fees to survive and sustain. On the other hand, parents of students studying in privateunaided schools have demanded a 50 per cent reduction in fees on account of unutilised facilities during the last academic year 2020-

Sanjayrao Tayade Patil President of MESTA, said, "Schools have addressed the issue of reduction in costs and revised fees last year but they are under immense financial distress and are on a brink of closure leading to unemployment of many stakeholders. Parents should realise the efforts and pains taken by teachers during the lockdown."

On the other hand, parents said schools should reduce fees because they have saved on certain costs in the last academic year. Falguni

Vartak, a parent said, "Private-unaided charge exorbitant fees for services such as library, laboratory, playgrounds, canteen and bus facilities which have not been used by students due to the shift to online education. Also, we have faced loss of employment and salary cuts. Schools should reduce fees to ease the burden."

Jayant Jain, president of Forum for Fairness in Education (FFE), a non-governmental organisation (NGO), said, "The Supreme Court (SC) order is applicable to all private-unaided schools of India. We have demanded for 50 per cent reduction in school fees as schools have saved 50% costs. Also, contracts of many teachers have not been renewed and teachers are facing salary

Patil said, "Teachers have gone beyond the call of duty during the pandemic but are facing massive pay cuts due to non-payment of fees. It is imperative that the state government should allow schools to maintain their autonomy to function and reach an amicable solution with concerned stake-

Worrying about hospital bills was the last thing in the mind of Vijaya Patil (name changed)- a corona warrior attached to the health department of the Mira Bhayandar Municipal Corporation (MBMC) when she needed a surgery costing Rs.70,00 at a private hospital. The reason, Patil was dependent on the health insurance cover provided by the civic body. However, she and her family were shocked to learn that her policy was in lapse mode for the past four-month owing to non-renewal of the medical policy. Patil is not alone; she is amongst hundreds of municipal employees who are on the frontline in the battle against the deadly Covid-19 pandemic.

Boasting an annual budget amounting to more than Rs. 2100 crore, the civic administration has yet again failed to renew the cashless medical insurance policy worth Rs. 2 lakh each of its employees since December-

While several health workers have tested positive for the infection while being on the frontline in the battle against Covid-19, most of them had to be admitted to private hospitals for treatment. To the shock and dismay of workers and union ing BJP-led standing committees nod for renewal has mysteriously failed to find a place in the agendas of two consecutive meetings. "The resolution could not

be tabled as it came up before the committee at the eleventh hour. However, the welfare of staffers is our priority and proposal of renewal will be duly cleared in the upcoming meeting," said BJP's standing committee chief-Dinesh Jain. While deputy civic chief-

Vijay Mashaal remained unavailable for his comments, Kamgaar Sena Govind Parab said, "Despite our requests, delay in renewals leading to policy lapses has become an annual ritual for the administration and the ruling governance. This year the proposal was sent on 30 April.
