VST Tillers Tractors Showcases VST 929DI EGT Tractor at Krishithon 2022

Nashik, 29 November 2022:

VST Tillers Tractors Ltd, one of India's leading farm equipment manufacturers, showcased its newly launched **VST 929DI EGT** compact tractor at Krishithon 2022, India's Premier Agriculture Trade Fair in Nashik.

Equipped with a three-cylinder 28HP DI Engine, VST 929DI EGT offers higher power and greater fuel efficiency. VST 929DI EGT offers Dual Acting Power Steering, Higher Torque, Superior Styling, and Great Ergonomics. VST 929DI EGT is suitable for a wide range of applications and can be used with Sprayer, cultivator, rotavator, seed drill, and other attachments. This product offers best-in-class features in this category & could find its extensive usage in Grapes, Mango, Arecanut, Pomegranate, & Cotton Fields.

Mr. Antony Cherukara, CEO of VST Tillers Tractors, said "we are happy to showcase our range of products at Krishithon 2022. We are excited that visitors are showing great interest in our products which are on display at the fair. The highlight of our pavilion at the fair is our new VST 929DI EGT tractor which is currently available only in the Maharashtra market. VST 929 comes with a very high torque engine & at the same time extremely fuel efficient. This makes it the best in-category product. VST 929DI EGT tractor is one such product that will further improve productivity and earnings for the Indian farmer. This also comes in with Electrohydraulic as an optional feature.

VST also showcased its other models like the 932 & MT1800. VST 932 is also a Smart Tractor which comes with features like a Fully Synchro mesh gearbox, and Mid Pto amongst other Advanced Features.

Krishithon a four-day exhibition, organized at Thakker's Dome in Nashik from 24th to 28 November 2022 is India's Premier Agriculture Trade Fair that offers huge business opportunities for Manufacturers, Suppliers, and those involved in the Agriculture & Allied Sectors to showcase their products & innovative technologies.

About VST

VST Tillers Tractors Limited. was established in the year 1967 by the VST Group of companies. With a legacy of more than 53 years, VST continues to drive farm mechanization and empowerment of Indian farmers. The organization is the largest Indian manufacturer of Tillers, and 4WD Compact Tractors, and amongst the leading producers of the other category of Tractors, Engines, Transmission, Power Reaper, and Precision Components. VST also exports products to European, Asian, and African markets. For more details, please visit <https://www.vsttractors.com/>
