Dear Sir/ Madam,

**Unit: Arunjyoti Bio Ventures Ltd (BSE Scrip Code: 530881)**

**Sub: Completion of Solar Rooftop Installations at our Manufacturing Facilities**

**Ref: Disclosure u/r 30 of SEBI (LODR) Regulations, 2015**

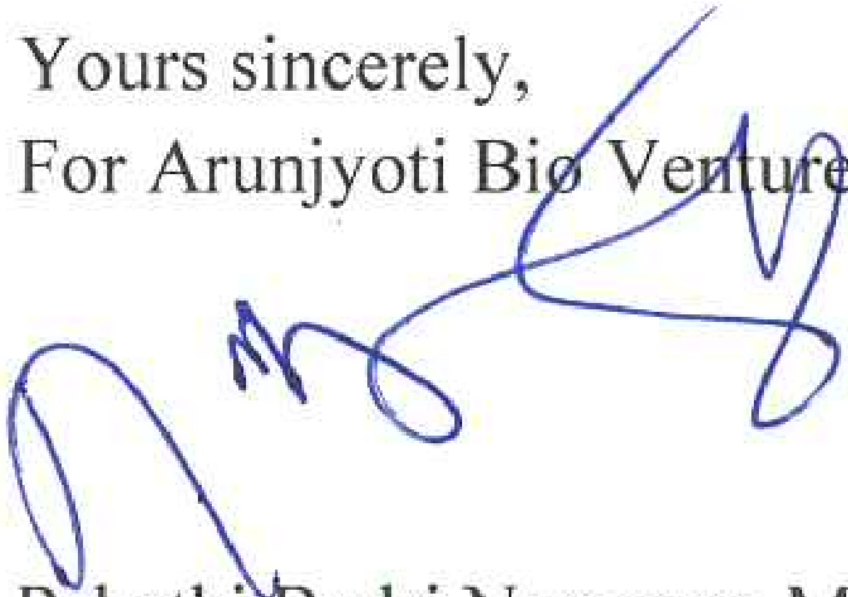

This is to inform the Exchange that Arunjyoti Bio Ventures Limited has successfully completed the installation of solar rooftop systems at our manufacturing facilities. Further, two solar power systems were installed with a total capacity of 1.1 Megawatts (MW).

The first installation with a capacity of 0.6 MW is located at Arunjyoti Bio Ventures – Unit 1/Kallem, Jangaon, Telangana State and the second installation, with a capacity of 0.5 MW is located at Arunjyoti Bio Ventures – Unit 2/Annadevarapeta, Tallapudi, Andhra Pradesh.

This installation is a key component in reducing monthly electricity bills of the factories. We are confident that this investment in renewable energy will not only support our operational objectives but also reinforce our commitment to corporate social responsibility and sustainability.

This is for your information and records of the Exchange, please.

Yours sincerely,  
For Arunjyoti Bio Ventures Limited

  
Pabathi Badri Narayana Murthy
