	<p>The Annual General Meeting (AGM) for the year ended 31st March, 2022 was due to be held latest by 30th September, 2022. However, the AGM for the FY 2021-22 was held on 31.03.2023. The new management did not have access to complete records of various transactions of the Company. It caused delay in the finalization of accounts and convening of Annual General Meeting. The new Management has inherited several legacies under various provisions of law, including non-compliances related to non-holding of Annual General Meeting of Unitech Limited on or before the due dates. Ever since the new Management took control of Unitech Group as whole, it has been endeavoring to make the Group compliant in accordance with the provisions of the Companies Act, 2013 and rules made thereunder and other applicable laws.</p> <p>The Company has scheduled its Annual General Meeting for the FY 2022-23 on 29th September 2023, which is well within the prescribed time-lines.</p> <p>The Management had taken up the issue of seeking exemptions and waiver of penalties from MCA as well as SEBI vide its letters dated 11.06.2020, 29.07.2020 and 27.08.2020 and had also sought the intervention of Secretary MCA to take up the matter with SEBI. The Secretary MCA also took up the matter with Chairman SEBI vide his letter dated 05.08.2020. SEBI responded vide its letter dated 09.09.2020 informing that the BSE and NSE had examined the issue in view of moratorium granted by the Hon'ble Supreme Court and the notice for suspension of trading of securities had been withdrawn. Finding that there was no positive response on waiver of penalties, the Management filed an IA No. 81660 of 2021 and 81663 of 2021 on 16.07.2021 in the Supreme Court seeking requisite reliefs, which is still pending. The above defaults on the part of the Company were also placed before the Hon'ble Supreme Court in the Action Taken Report-III filed on 28.03.2022</p>

Matter 3		
1	Details of Audit Qualifications:-	
	<p>Material uncertainty related to going concern</p> <p>The management has represented that the Standalone Financial Statements have been prepared on a going concern basis, notwithstanding the fact that the Company has incurred losses and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Company also has various litigation matters which are pending before different forums, and various projects of the Company have stalled/ slowed down.</p> <p>These conditions indicate the existence of material uncertainty that may cast significant doubt about Company's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework. Also, the Board of Directors are exploring various possible options for completion of ongoing projects and are trying to generate additional possible revenues by construction of new flats. This activity is getting conducted under supervision of Justice A.M. Sapre, as appointed by Hon'ble Supreme Court of India.</p> <p>Considering the above, we are unable to express an opinion on this matter.</p> <p>We had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2022 in respect of this matter.</p>

	The Management has already stated its position in the Resolution Framework submitted in the Hon'ble Supreme Court on 15.07.2020, followed by updated versions submitted on 05.02.2021 and 08.08.2022, wherein the Hon'ble Supreme Court has been prayed to grant certain concessions and reliefs so that the Company is able to fulfil its obligations towards the construction and completion of projects and meet other liabilities. The reasons for opting against the winding up the Company or its reference under IBC have fully been explained in the application filed for submission of the Resolution Framework.

	<p>The Company had received a 'cancellation of lease deed' notice from Greater Noida Industrial Development Authority ("GNIDA") dated 18 November 2015. As per the Notice, GNIDA cancelled the lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 Lakhs. The said land is also mortgaged and the Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6,682.10 Lakhs (net of repayment). No contract revenue has been recognized on this project.</p> <p>GNIDA has, in the meanwhile, in terms of the Order of the Hon'ble Supreme Court dated 18.09.2018, deposited on behalf of the Company, an amount of Rs. 7,436.35 Lakhs (Rs. 6,682.10 Lakhs and interest @ 6% on the principal amount of Rs. 6,682.10 Lakhs), out of the monies paid by the Company, with the registry of the Hon'ble Supreme Court.</p>	

	<p>GNIDA has adjusted Rs. 9,200.00 Lakhs of Unitech group's liabilities towards the Company's other projects with GNIDA and forfeited Rs. 13,893.42 Lakhs.</p> <p>The Company had paid a sum of Rs. 34,221.90 Lakhs, including Rs. 4,934.95 Lakhs of stamp duty on the land, for the said land. The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Company has, subsequently, shown the amount of Rs. 18,339.80 Lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 Lakhs and lease rent paid of Rs. 61,13.11 Lakhs. Further, the Company is also carrying</p> <p>a) Other construction costs amounting to Rs. 805,75.05 Lakhs in respect of the projects to come upon the said land which also includes interest capitalized of Rs. 696,84.68 Lakhs.</p> <p>b) Deferred liability on account of interest payable to GNIDA appearing in the books of accounts as on 31st March, 2023 amounting to Rs. 3,72,777.42 Lakhs (including Rs. 52,220.54 Lakhs booked on account of interest during the year ended 31st March, 2023). Out of the interest mentioned above Rs. 4,846.67 Lakhs has been capitalized in the books of accounts of the company resulting in overstatement of profits by the said amount for financial year ending 31st March, 2022. The same is in contravention of the provisions of Indian Accounting Standards 23 "Borrowing Costs".</p> <p>The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, cannot be ascertained, since the matter is still subjudice, as mentioned hereinabove, vis-à-vis dues of the Company, and hence we are unable to express an opinion on this matter.</p> <p>We had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2022 in respect of this matter.</p>

As per IA submitted by the Company, there was no basis available with erstwhile management for such share valuation. Also, there were certain plots allotted to Carnoustie at a price lower than the market rate as on allotment date. Considering the nature of this investment, same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Company has decided to carry investment made in Carnoustie at cost as the matter is subjudice. • Investment – CIG – The Company made investment of Rs. 254,53.18 Lakhs in CIG realty fund for which no details are available with the Company. As explained by management, the Company is planning to file a separate Intervention Application "IA" before Hon'ble Supreme Court of India requesting Hon'ble Court to take up this matter. Management also explained that CIG funds are already under investigation by Enforcement Directorate (ED) and Serious Fraud Investigation Office (SFIO). Considering the nature of this investment, same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Company has decided to carry investment made in CIG funds at cost as the matter is under investigation by various authorities. <p>In view of non-existence of any impairment study, non-existence of any expected credit loss policy in the Company and accounting of investment at cost which were otherwise to be carried at FVTOCI, we are unable to express an opinion upon the adjustments, if any, that may be required to the carrying value of these non-current investments and non-current loan and its consequential impact on the Standalone Financial Statement.</p> <p>We had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2022 in respect of this matter.</p>

	<p>(i) Unitech Limited has 186 Indian Subsidiary Companies out of which 08 subsidiary Companies have been struck off by the Registrar of Companies, NCT Delhi and Haryana. The Company has moved the National Company Law Tribunal (NCLT) for the revival of the subsidiaries which have been struck off, out of which 02 have already been ordered to be revived.</p> <p>(ii) For 149 Indian Subsidiary Companies, Statutory Auditors have been appointed so far whereas the due process for settlement of accounts with the existing Statutory Auditors in case of 16 other Subsidiaries is underway. 	(i) Management's estimation on the impact of audit qualification:	
	(ii) If management is unable to estimate the impact, reasons for the same:	
	(i) There are a number of secured, unsecured and operational creditors qua the Company and its subsidiaries, JVs and other affiliates. Further, the Company and the promoters have also given various kinds of Guarantees, including Bank Guarantees and Corporate Guarantees, the lists whereof (to the extent of availability of records), surviving or matured, have been shared with the Statutory Auditors. However, it may not be possible to vouchsafe at this stage that these are the only Guarantees given by the Company.	
	(ii) The issues pertaining to secured, unsecured and operational creditors have been covered in Chapter-3 of the Resolution Framework (RF). Apart from seeking various reliefs and concessions qua such creditors, the RF also contains a provision on invitation of Claims and settlement thereof (3.2). Hence, it is neither possible nor feasible at this stage to undertake any impairment assessment of secured creditors, and/ or Corporate Guarantees till these related issues are crystalized and settled by the Hon'ble Supreme Court. Likewise, some of the investments/ advances made by the Company are a subject matter of investigations being conducted by various Central Investigating Agencies.

1	<u>Details of Audit Qualifications:-</u>		
	Inventory and project in progress		
	(i) Standalone Financial Statement of the Company as on 31st March, 2023, has shown inventory of Rs. 62,517.96 Lakhs and projects in progress "PIP" of Rs. 17,56,942.48 Lakhs. Company is currently carrying these inventory and PIP items at cost, which is computed based on percentage of completion method under Indian Accounting Standard 115 "Revenue from Contracts with Customers". In view of the fact that in majority of the projects of the Company, construction and other operational activities are on hold since last 24-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realizable value "NRV" in accordance with the requirement of Indian Accounting Standard 2 "inventories".		
	(ii) Further, management is in the process of verification of title documents for land and other immovable assets.		
	(iii) As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines.		

	<p>These PMCs have also conducted actual physical assessment of the projects and submitted their reports. Management was earlier of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports but the same is still awaited.</p> <p>(iv) Further, the Company has during the year capitalized expenses to the tune of Rs. 11,249.80 Lakhs as construction expenses (including interest expense of Rs. 6,154.51 Lakhs). The same is in contravention of the provisions of Indian Accounting Standard 16 "Property plant and equipment" and Indian Accounting Standard 23 "Borrowing cost" as construction activity for all the projects is stalled since last 4-5 years. This has resulted in understatement of current year loss by above said amount.</p> <p>Also further, the Company, in its financial statements has bifurcated PIP under two headings – "Project in progress on which revenue is not recognized" and "Amount recoverable from project in progress (on which revenue is recognized)". We have not been provided with any basis on which this bifurcation is made.</p> <p>In view of the absence of any NRV assessment by the management and absence of any physical verification report, capitalization of expenses and interest cost during the year, and absence of any basis of bifurcation of projects in financial statements, we are unable to express an opinion upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact on the Standalone Financial Statements.</p> <p>We had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2022 in respect of this matter.</p>

5	For Audit Qualification(s) where the impact is not quantified by the auditor:			
	(i) Management's estimation on the impact of audit qualification:			
	(ii) If management is unable to estimate the impact, reasons for the same:			
	<p>(i) Five Project Management Consultants (PMCs) have been engaged, with the approval of the Hon'ble Supreme Court, who have substantially completed Part-A of the Scope of Work assigned to them. This includes "As-is-assessment" of various projects i.e. the status of work done/ completed during the period of erstwhile management. The PMCs have backed their work with photographs and videography of these projects so as to avoid any conflicts when it comes to the claims of old contractors' vis-à-vis the work to be done by the new contractors. Based on this exercise, the PMCs have worked out the BoQs of the remaining works, which form the basis for preparation of Tender Documents.</p> <p>(ii) About 130 to 140 Tenders would need to be floated to complete the balance works, out of which 35 Tenders (Lot-1) were floated on 02.01.2023. On scrutiny of bids, it was discovered that no bids were received against 18 tenders (out of 35) whereas both the bids received in case of one tender failed to meet the eligibility criteria and both the bids received in respect of another tender were abnormally high, resulting in the rejection of bids for these 02 tenders. Thus, bids were required to be called afresh in respect of these 20 (18+1+1) tenders.</p> <p>(iii) In continuation thereto, 2nd Lot of 31 Tenders was prepared by the PMCs, which was duly reviewed by the EIL. Thus, a total of 51 Tenders (20 re-tenders of Lot-1 and 31 tenders of Lot-2) were approved by the BoD and Justice (Retd.) A. M. Sapre in the month of April 2023 for uploading the same on Unitech's e-Tendering web-portal. Accordingly, these tenders were uploaded on the Unitech's web-portal on 08/09.05.2023.</p> <p>(iv) The extended last date for submission of bids in respect of these 51 Tenders was 22.06.2023. On opening of Technical bids on 23.06.2023, it was discovered that no bids had been received in respect of 09 tenders. After completion of the process of evaluation of Technical and Financial bids, the management finalized the bids received qua 34 tenders. This has been approved by the Board of Directors, followed by Justice (Retd.) A.M. Sapre on 18.08.2023.</p> <p>(v) Projects in Progress (PIP) on which revenue is not recognized refers to those projects where no inventory is available for sale and only expenditure is to be made for the completion of residual works in such projects.</p>

	(i) It is stated that as per Standards on Auditing (SA)-505, prescribed by the Institute of Chartered Accountants of India (ICAI), the process of external confirmation is to be initiated by the Statutory Auditors for directly obtaining the evidence from the confirming parties at their level. However, the management would initiate this exercise now keeping the Statutory Auditors in loop for the with respect to outstanding balances as on 31.03.2023. It would, therefore, be appropriate that the Statutory Auditors take up external confirmations based on random sampling basis since obtaining confirmation from all the parties would be a time-consuming exercise.			
	(ii) As far as the liability of the Company towards the secured, unsecured or operational creditors is concerned, the same has been covered in Chapter-3 of the Resolution Framework (RF) submitted before the Hon'ble Supreme Court. 	The Company has accounted for its investment in one of its subsidiary M/s Unitech Power Transmission Limited, as non-current assets held for sale. Cost of investment as on 31 March, 2023 is Rs. 42,26.26 Lakhs. The Company is carrying said investment at cost and has not made any estimation of its fair value less cost to sell as required under provisions of Indian Accounting Standard 105 "Non-Current Assets Held for Sale and Discontinued Operations". The company, post as on 31st March, 2023, has received a binding offer of Rs. 6700.00 Lakhs from a buyer which is also approved by the directors of the company through circular resolution dated 14.08.2023. 	(i) Management's estimation on the impact of audit qualification:	
	(ii) If management is unable to estimate the impact, reasons for the same:	
	(i) Unitech Limited, during the period of erstwhile Management, had signed a binding term sheet with M/s Sterling & Wilson (SW) and had agreed to sell the entire shareholding of M/s Unitech Power Transmission Limited (UPTL) for an overall equity value of Rs. 105 Crore, out of which Rs. 68.40 Crore was the firm component whereas Rs. 35 Crore was to be backed by a Bank Guarantee and was to be paid on meeting certain conditions as set out in the purchase agreement. SW was further required to pay Rs. 1.6 Crore as the agent fee directly out of the total equity value of Rs. 105 Crore. However, the said transaction did not mature and the Hon'ble Supreme Court permitted the new Management to explore new buyers.	

	(ii) Thereafter, the new Management made two more unsuccessful attempts. The Board of Directors of Unitech Limited in its meeting held on 14.02.2023 decided to appoint M/s E&Y as the Transaction Advisor for the sale/ divestment of UPTL on as-is-where-is basis, for which exclusivity period of 09 months was approved.
	(iii) Subsequent thereto, the notice of divestment was uploaded on e-Tendering portal of Unitech Limited on 06.04.2023, inviting Expressions of Interest (EOIs) from interested parties along side individual mailers to 37 potential investors on or before 19.04.2023. A total of 10 parties submitted their EOIs by the Due date, with whom NDAs were signed. Another notice was uploaded on the Unitech website and e-tendering portal on 26.04.2023 inviting non-binding offers up to 01.05.2023. Four non-binding offers were received, which were opened on 02.05.2023, for amounts of Rs. 65 Crore (Jakson Limited), Rs. 25.00 Crore (M/s JSC OGCC), Rs. 20.00 Crore (Shilpa Steel) and Rs. 10.00 Crore (Shree Metals). The highest bidder thereafter submitted his Binding offer on 27.07.2023. The highest bidder subsequently revised his offer to Rs. 67.00 Crore. The binding Term Sheet submitted by the highest bidder was considered by the Board of Directors by circulation of an agenda on 11.08.2023. The said binding term sheet has been approved by the Board of Directors of Unitech Limited on 14.08.2023. After the decision of the Board, the transaction advisor has been requested to submit the final version of the binding term sheet.
	(iv) A fair valuation report as per the provisions prescribed under section 56 of Income Tax Act, 1961, read with Rule 11UA of Income Tax Rules, 1962, has been obtained from a registered Merchant Banker. However, the statutory auditor has asked for getting the fair valuation report from an IBBI registered Valuer as required under the provision of Indian Accounting Standard 105 - " Non-current assets held for sale and discontinued operations". 1	Details of Audit Qualifications:-	
	Revenue from real estate projects We draw attention to Note no. 32 of the Standalone Financial Statements, The Company is accounting for revenue under real estate projects using percentage of completion method (POCM) with an understanding that performance obligations are satisfied over time. Provisions of paragraph 35 of Indian Accounting Standard 115 "revenue from contracts with customers" specifies that an entity can recognise revenue over time if it satisfies any one of the following criteria: - <ul style="list-style-type: none"> • The customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs • The entity's performance creates or enhances an asset (for example, work in progress) that the customer controls as the asset is created or enhanced • The entity's performance does not create an asset with an alternative use to the entity and; the entity has an enforceable right to payment for performance completed to date. On perusal of various agreements entered by the Company with home buyers, it seems that the Company does not satisfy any of the conditions specified in paragraph 35 of Indian Accounting Standard 115 "revenue from contracts with customers". Based on the explanation provided by the management, they are in agreement with our understanding and are in the process of evaluation its impact on the present and earlier presented periods. During the year, the company has handed over some units to homebuyers after receiving outstanding applicable dues. Company has accounted for money received as advance and has kept sold inventory in its current assets as Project in Progress "PIP", which is in contravention of the provisions of Indian Accounting Standard 115. Also, the Company has received some interest on delayed payment of dues and has accounted for the interest received as advance from customer which resulted in under reporting of other income by Rs. 40.26 lakhs and over reporting of loss before tax by said amount. In view of the above, we are unable to express an opinion on the all the matter mentioned above. We had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2022 in respect of this matter.

	(i) Management's estimation on the impact of audit qualification:												
	(ii) If management is unable to estimate the impact, reasons for the same:												
	(i) The Audit Observations are a statement of fact and an accounting practice followed since the erstwhile Management. The Statutory Auditors are of the view that the Company should switch over from the POCM based accounting to "Point-in- Time" system of accounting as prescribed in IND-AS-115 to correct this anomaly. Though desirable to do so, it would take some time and its impact on the overall accounts of the Company would need to be examined. (ii) There are more than 15,000 homebuyers across 74 residential and 12 Commercial projects where construction is lying stalled at various stages of construction. These units are to be completed and handed over to the homebuyers. The entire exercise is being carried out under the overall guidance and supervision of Hon'ble Supreme Court. (iii) As such, the Management will be in a position to assess the impact thereof only in due course of time after the Projects are completed and handed over.

(i) Management's estimation on the impact of audit qualification:

(i) The observation is admitted as correct. However, the MSMEs are entitled to a speedier remedy under the MSME Act, 2006. The management has not received any notice from any such authority in any state where the MSMEs can seek relief.

(ii) It is believed that the MSME creditors, if any, should primarily be from among the Vendors/ Contractors of the Company or any of its subsidiaries. It may open a Pandora's box if the management starts writing to all its creditors to ascertain if they are MSMEs or not.

(iii) The information about their registration under the MSME Act is to be supplied by the concerned parties only in order to claim the benefits as prescribed therein. It is best left to the claimant to exercise any such privilege if he/she is entitled to the same.

Matter 10																																	
1	Details of Audit Qualifications:-																																
	Inventory and project in progress																																
	The Holding Company, as on 31st March, 2023, has shown inventory of Rs. 62,517.96 Lakhs and project in progress "PIP" of Rs. 17,56,942.48 Lakhs. Company is currently carrying these inventory and PIP items at cost which is computed based on percentage of completion method under Indian Accounting Standard 115 "Revenue from Contracts with Customers". In view of the fact that in majority of the projects of the Holding Company, construction and other operational activities are on hold since last 24-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realisable value "NRV" in accordance with requirement of Indian Accounting Standard 2 "inventories".																																
	Further, management is in the process of verification of title documents for land and other immovable assets.																																
	As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the projects and submitted their reports. Management was earlier of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports but the same is still awaited.																																
	Further, the Holding Company has during the year capitalized expenses to the tune of Rs. 11,249.80 Lakhs as construction expenses (including interest expense of Rs. 6,154.51 lakhs). This Same is in contravention of the provisions of Indian Accounting Standard 16 "Property plant and equipment" and Indian Accounting Standard 23 "Borrowing cost" as construction activity for all the projects is stalled since last 4-5 years. This has resulted in understatement of current year loss by above said amount.																																

	<p>Also further, the Holding Company, in its financial statements has bifurcated PIP under two headings – “Project in progress on which revenue is not recognized” and “Amount recoverable from project in progress (on which revenue is recognized)”. We have not been provided with any basis on which this bifurcation is made.</p> <p>In view of the absence of any NRV assessment by the management and absence of any physical verification report, capitalization of expenses and interest cost during the year, and absence of any basis of bifurcation of projects in financial statements, we are unable to express an opinion upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact on the Consolidated Financial Statements.</p> <p>We had given a disclaimer of opinion on the consolidated financial statements for the year ended 31st March, 2022 in respect of this matter.</p>

5	For Audit Qualification(s) where the impact is not quantified by the auditor:			
	(i) Management's estimation on the impact of audit qualification:			
	(ii) If management is unable to estimate the impact, reasons for the same:			
	<p>(i) Five Project Management Consultants (PMCs) have been engaged, with the approval of the Hon'ble Supreme Court, who have substantially completed Part-A of the Scope of Work assigned to them. This includes “As-is-assessment” of various projects i.e. the status of work done/ completed during the period of erstwhile management. The PMCs have backed their work with photographs and videography of these projects so as to avoid any conflicts when it comes to the claims of old contractors' vis-à-vis the work to be done by the new contractors. Based on this exercise, the PMCs have worked out the BoQs of the remaining works, which form the basis for preparation of Tender Documents.</p> <p>(ii) About 130 to 140 Tenders would need to be floated to complete the balance works, out of which 35 Tenders (Lot-1) were floated on 02.01.2023. On scrutiny of bids, it was discovered that no bids were received against 18 tenders (out of 35) whereas both the bids received in case of one tender failed to meet the eligibility criteria and both the bids received in respect of another tender were abnormally high, resulting in the rejection of bids for these 02 tenders. Thus, bids were required to be called afresh in respect of these 20 (18+1+1) tenders.</p> <p>(iii) In continuation thereto, 2nd Lot of 31 Tenders was prepared by the PMCs, which was duly reviewed by the EIL. Thus, a total of 51 Tenders (20 re-tenders of Lot-1 and 31 tenders of Lot-2) were approved by the BoD and Justice (Retd.) A. M. Sapre in the month of April 2023 for uploading the same on Unitech's e-Tendering web-portal. Accordingly, these tenders were uploaded on the Unitech's web-portal on 08/09.05.2023.</p> <p>(iv) The extended last date for submission of bids in respect of these 51 Tenders was 22.06.2023. On opening of Technical bids on 23.06.2023, it was discovered that no bids had been received in respect of 09 tenders. After completion of the process of evaluation of Technical and Financial bids, the management finalized the bids received qua 34 tenders. This has been approved by the Board of Directors, followed by Justice (Retd.) A.M. Sapre on 18.08.2023.</p> <p>(v) Projects in Progress (PIP) on which revenue is not recognized refers to those projects where no inventory is available for sale and only expenditure is to be made for the completion of residual works in such projects.</p>

	<p>Bank confirmations</p> <p>In respect to confirmation of bank balances, margin money balance and term deposits, the company has not sent confirmation requests to any of the banks. 	(ii) If management is unable to estimate the impact, reasons for the same:	
	<p>(i) It is stated that as per Standards on Auditing (SA) – 505, prescribed by the Institute of Chartered Accountants of India (ICAI), the process of external confirmation is to be initiated by the Statutory Auditors for directly obtaining the audit evidence from the confirming parties at their level. However, the management would initiate this exercise now keeping the Statutory Auditors in loop for the with respect to outstanding balances as on 31.03.2023. It would, therefore, be appropriate that the Statutory Auditors take up external confirmations based on random sampling since obtaining confirmation from all the parties would be a time-consuming exercise.</p> <p>As far as the liability of the Company towards the secured, unsecured or operational creditors is concerned, the same has been covered in Chapter-3 of the Resolution Framework (RF) submitted before the Hon'ble Supreme Court. The RF also contains a provision on the Process of Claim Settlement qua such creditors according to which the Company shall be inviting claims from all such stakeholders but it can be done only after a definitive view on the RF is crystalized by the Hon'ble Supreme Court.</p>

	<p>Revenue from real estate projects</p> <p>The Holding Company is accounting for revenue under real estate projects using percentage of completion method (POCM) with an understanding that performance obligations are satisfied over time. Provisions of paragraph 35 of Indian Accounting Standard 115 "revenue from contracts with customers" specifies that an entity can recognise revenue over time if it satisfies any one of the following criteria: -</p> <ul style="list-style-type: none"> • The customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs • The entity's performance creates or enhances an asset (for example, work in progress) that the customer controls as the asset is created or enhanced • The entity's performance does not create an asset with an alternative use to the entity and; the entity has an enforceable right to payment for performance completed to date. <p>On perusal of various agreements entered by the Holding Company with home buyers, it seems that the Holding Company does not satisfy any of the conditions specified in paragraph 35 of Indian Accounting Standard 115 "revenue from contracts with customers". Based on the explanation provided by the management, they are in agreement with our understanding and are in the process of evaluation its impact on the present and earlier presented periods.</p> <p>In view of the above, we are unable to express an opinion on the all the matter mentioned above.</p> <p>We had given a disclaimer of opinion on the consolidated financial statements for the year ended 31st March, 2022 in respect of this matter.</p>

	<p>(i) The Audit Observations are a statement of fact and an accounting practice followed since the erstwhile Management. The Statutory Auditors are of the view that the Company should switch over from the POCM based accounting to "Point-in- Time" system of accounting as prescribed in IND-AS-115 to correct this anomaly. Though desirable to do so, it would take some time and its impact on the overall accounts of the Company would need to be examined.</p> <p>(ii) There are more than 15,000 homebuyers across 74 residential and 12 Commercial projects where construction is lying stalled at various stages of construction. 	(i) Management's estimation on the impact of audit qualification: (ii) If management is unable to estimate the impact, reasons for the same: (i) The observation is admitted as correct. However, the MSMEs are entitled to a speedier remedy under the MSME Act, 2006. The management has not received any notice from any such authority in any state where the MSMEs can seek relief. (ii) It is believed that the MSME creditors, if any, should primarily be from among the Vendors/ Contractors of the Company or any of its subsidiaries. It may open a Pandora's box if the management starts writing to all its creditors to ascertain if they are MSMEs or not. (iii) The information about their registration under the MSME Act is to be supplied by the concerned parties only in order to claim the benefits as prescribed therein. It is best left to the claimant to exercise any such privilege if he/she is entitled to the same. As such, it is proposed that as and when any such claim is received, the same would be processed on priority and shared with the Auditors in due course.
