Aurionpro launches next-generation transaction banking platform in Saudi Arabia

Secures first win with one of the leading banks in the country

Mumbai, October 11, 2024: Aurionpro Solutions Limited (BSE: 532668) (NSE: AURIONPRO) is pleased to announce a multi-million dollar deal with a leading bank in Saudi Arabia. This win reinforces Aurionpro's leadership in digital banking transformation with the cutting-edge iCashpro platform, designed to meet the needs of both conventional and Shariah-compliant banking systems. The bank has chosen Aurionpro's next-generation cash management and transaction banking platform, to deliver a seamless and contextual customer experience to its corporate clients.

iCashpro+ was selected for its robust functionality, superior performance, and future-proof architecture. The platform stands out for its unparalleled flexibility, which facilitates swift customer onboarding and accelerates product launches. Enhanced by a high degree of automation through Arya.ai, iCashpro+ significantly elevates the customer experience. It delivers highly personalized and context-driven interactions, ensuring that each engagement is tailored to meet the specific needs and personas of its users.

As a strategic partner, Aurionpro will collaborate with the bank to enhance their corporate business offerings. iCashpro+ is equipped with advanced features such as AI-powered cash flow forecasting, virtual accounts, liquidity management, and receivables management. These advanced capabilities are designed to improve operational efficiency while delivering a superior customer experience.

Commenting on the win, Ashish Rai, CEO of Aurionpro, said: "We are thrilled to announce this win that extends Aurionpro's reach in the strategic Saudi Arabian market and further solidifies our position as the partner of choice for leading banks and financial institutions in the Middle East. With iCashpro+, the bank will gain access to one of the most advanced platforms in the market that includes AI-driven automation to offer a superior experience to its corporate clients."
