Sub: SSWL receives new orders for close to Euro 200K from Europe

Dear Sir,

SSWL has bagged firm export orders for over 29,000 wheels for EU Caravan Trailer Market to be executed in August from its Chennai plant. Similar orders are expected in times to come from other regular customers as the market regains normalcy.

This will support further ramping up of production at Chennai steel wheels plant.

Kindly take the above on your records please.

Thanking you.

Yours faithfully,
For **Steel Strips Wheels Limited**
