## PRESS RELEASE

### **RAH Infotech Forges Strategic Partnership With Tata Communications For Cloud Offerings**

*As a value added distributor, RAH Infotech and Tata Communications will jointly offer enterprise solutions including Managed Cloud Services, Managed Security Solutions and Cloud Infrastructure as a Service (iaas)*

**New Delhi, India, Oct 17<sup>th</sup> 2019** – RAH Infotech, the specialty value added distributor of mission critical technology solutions including cyber security, networking and cloud, and Tata Communications, a leading global digital infrastructure provider, have joined forces to address businesses' cloud requirements.

As per the association, RAH Infotech will act as a value added distributor of Tata Communications' entire gamut of cloud solutions and will cater to the needs of customers in India including enterprises, government and SMEs.

“RAH Infotech and Tata Communications is a perfect combination to offer end-to-end cloud solutions – from consulting to migration and deployment, from integration and risk compliance to application modernization – to the enterprise customers. We are proud to have joined hands with Tata Communications as its value added distributor,” *said Ashis Guha, CEO, RAH Infotech.*

“RAH Infotech is a leading value added distribution and support partner for some of the mission critical security products that can be packaged with Tata Communications' IZO Cloud platform to address the cloud and security needs of our customers. We are glad to join forces with RAH Infotech to meet these customer requirements,” *said Rajesh Awasthi, Associate Vice President - Managed Hosting & Cloud Services, Tata Communications.*

#### **About RAH Infotech**

RAH Infotech is a specialty value added distributor of mission critical technology solutions including network and cyber security, disaster recovery and cloud. In over a decade of its operations, RAH Infotech has been consistently providing world class IT solutions to a large number of channel partners and corporates in India and SAARC countries. Headquartered in Gurgaon, RAH Infotech has presence across the country with International presence in Netherlands, Singapore, UAE, the UK and the USA.

## About Tata Communications

Tata Communications is a leading global digital infrastructure provider that powers today's fast growing digital economy.

The company's customers represent 300 of the Fortune 500 whose digital transformation journeys are enabled by its portfolio of integrated, globally managed services that deliver local customer experiences. Through its network, cloud, mobility, Internet of Things (IoT), collaboration and security services, Tata Communications carries around 30% of the world's internet routes, and connects businesses to 60% of the world's cloud giants and 4 out of 5 mobile subscribers.

The company's capabilities are underpinned by its global network, which is the world's largest wholly owned subsea fibre backbone and a Tier-1 IP network.

Tata Communications Limited is listed on the Bombay Stock Exchange and the National Stock Exchange of India, and it serves customers in more than 200 countries and territories worldwide through its technology capabilities and partnerships.

TATA COMMUNICATIONS and TATA are trademarks of Tata Sons Private Limited in certain countries. IZO is a trademark of Tata Communications in certain countries.
