Dear Sir,

**Sub: Disclosure under Regulation 30 of SEBI (LODR) Regulations, 2015-
Pre-Sale for Long-Term Services For 19% Capacity at New JNPT Terminal**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to announce that 19% of our new and upcoming capacity at the JNPT terminal has been locked in through the closure of a long-term contract for storage and handling, prior to its scheduled commencement in March 2023.

The contract is signed with a leading chemical manufacturer starting with a 3-year renewable term, for storing and handling two tanks totaling up to 3640 Metric Tonnes. The annual revenue, resultantly, is fixed at approximately at Rs. 4 Crs subject to a certain throughput.

The new and upcoming special chemical grade terminal at JNPT for 17,876 KL has been constructed to meet long term demands for storing and handling specialty chemicals such as Dilute Nitric Acid.

Early-stage discussions to fulfill the balance capacity of the new terminal are in place, and would be announced soon.

This is for your information and record.

Thanking you,

Yours Faithfully,

For Ganesh Benzoplast Ltd.
