CHAIRMAN'S STATEMENT

Dear Stakeholders,

I extend my warm greetings to all of you and hope that you are in good health when you find this.

Last year was a challenging one, from emotional to financial aspects. With COVID at its peak, there were several novel challenges presented to us. But even in these uncertain times, the company delivered exceptional results. Our clients have been expanding their work with us, especially to get aid to expand their business through technological advancements. We are rapidly becoming an integral part of the digital and cloud transformation journeys of our clients.

The past financial year has been special and extraordinary for us, for more reasons than one. Our company got listed in IPO on 15th September, 2021. The IPO came at a price band of ₹71 to ₹74 with a lot size of 1600 shares, planning to raise a total of ₹3.99 crores at the Face Value of ₹10. The company plans to utilize the net proceeds of the issue for financing its expansion activities. This majorly includes work capital that is required to run the business and build better products. Also, the object of the IPO is to fund the purchase of equipment and to create branding and marketing of its upcoming products. We are fortunate to have received guidance from CrAdLE and EDII at an early stage which gave us a sound understanding of scaling up.

Apart from the IPO, the company also launched its master project - VizMan. Our Visitor Management system will replace the traditional logbook and provide digital records about all the visitor's information, thereby keeping it safe, secure, confidential and preventing any unauthorized access. Apart from this, it will also aid organizations to send formal invites to their visitors via mail, formal invite templates, send multiple invites and will additionally provide a module of gatekeeper, receptionist, employee and admin. Our target audience for VizMan is offices, organizations, warehouses, factories, hotels, events, societies, hospitals, schools, retail stores, etc.

Due to these initiatives and the hard work of our employees, we were able to generate a total revenue of Rs.280.45 (in lakhs), compared to Rs.271.33 (in lakhs); which is an increase of 3.36% Y-o-Y. The Profit after tax is ₹ 23.26 lacs as compared to the previous year was ₹ 47.05 lacs which is declined by 49.44 % on Y-o-Y. The primary reason for this is non-availability of new business opportunities, increase in number of competitors and Global recession.

Our leadership team came together and has been united and focused on ensuring we were delivering what our clients needed. Our cross-functional teams have brought the best of all our capabilities together by working in unison, to support and drive the digital transformation journeys of our clients. For me, it is a matter of pride to see the commitment and dedication that our employees displayed during this year to serve our clients. I am extremely grateful to them, our clients, the leadership team, our Board members, and all our well-wishers, who have supported us with their trust and guidance through this most challenging year.

As I look ahead, I am more optimistic than ever about the enormous opportunity ahead of us. The IPO is a result of many sleepless nights and the sheer hard work of the team to make a big move towards growth and expansion. Funds from the IPO will help us to ideate, innovate and develop better products and services. Our application VizMan, has already been getting the response we expected.

Our primary role for the upcoming financial year is to work on connected interfaces and to ensure how digitization can help several businesses achieve their goals. With the advancement in technological capabilities, almost every business today is digitized and we will continue to work in this direction.

Naapbooks Private Limited is now Public Limited. In this world of digitalization where every single system is digitalized, Naapbooks is known for its niche in the IT domain. We believe in delivering made-in-India solutions following a vocal for local approach.

On behalf of our company, I would like to express gratitude to each one of you for your continuous support and faith in us. Let's join hands to walk through an amazing financial year of 2022-2023.

THE YEAR GONE BY

After the successful debut of the Visitor Management software "VizMan" for factories and offices last year, this year another dimension was added to it to accommodate buildings that need to manage parking spaces in addition to visitors. This will significantly increase the product's value and enhance sales.

The company raised \$3.99 billion in financing before it was listed on the Start-up Platform of the Bombay Stock Exchange on September 15, 2021.

The e-Voting Application made its debut and has been operating without a hitch. It was created exclusively for Insolvency Resolution Professionals and other members to meet the requirements of mandated e-Voting for Insolvency and Bankruptcy procedures.

After having ISO 9001 & CMMI Level 3 certification for Managed IT Services, the organisation obtained ISO 27001:2013 certification on November 30, 2021.

To add another application in the bouquet of products - a **SaaS** based Supply Chain and Inventory Management gets green signal and will be completely developed by end of September 2023.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

Naapbooks is engaged in the business of developing and providing Information Technological solutions to corporates for their requirements. The company develops and provides Fintech App, Cloud Consulting, Block chain App, Mobile App, Web App, Embedded App products to its clients. The services broadly cover designing, developing, operating, install installing analyzing, designing, maintaining, converting, porting, debugging, coding and programming software to be used on computer or any microprocessor-based device or any other such hardware.

Our Company is also engaged in Software Consultancy services. Our Company adheres to all necessary regulatory specifications. We firmly believe in maintaining our service quality against the highest standards, are unflinchingly customer centric, deeply people focused, and follow ethical business practices and corporate governance standards overall. We draw our strength from an age-old tradition of quality services as the best strategy for sustained growth.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Software and computing technologies are transforming businesses in every industry around the world in a profound and fundamental way. During the fiscal year 2022, we witnessed an acceleration in the adoption of digital technologies as businesses attempted to reimagine their cost structures, increase business resilience and agility, personalize experiences for their customers and employees, and launch new and disruptive products and services. This gives major boost to the IT companies providing technology as products or services to digitalize the processes of the businesses.

INDIAN ECONOMIC OVERVIEW

According to the Department for Promotion of Industry and Internal Trade (DPIIT), foreign direct

investment (FDI) equity inflows to India reached US\$ 72.12 billion in 2020-21 (until January 2021) while the cumulative FDI equity inflows to the country from April 2000 to January 2021 reached **US\$ 545.0 billion**.

The IT and BPM market accounts for 9.3% of India's GDP and 56% of the global outsourcing market.

The IT industry accounted for 8% of India's GDP in 2020. India's IT industry is expected to contribute 10% to India's GDP by 2025. As of FY21, the IT industry employs 4.5 million people.

In FY 2022, the top three Indian IT companies, TCS, Wipro and Infosys, are expected to offer 1.05 lakh job opportunities due to the increasing demand for talent. India's IT and business services market is projected to reach US\$ 19.93 billion by 2025. According to Gartner estimates, IT spending in India was forecasted to be US\$ 81.89 billion in 2021 and further increase to US\$ 101.8 billion in 2022, a 24.31% YoY increase.

In FY 2021, India ranked third worldwide with 608,000 cloud experts across all verticals, including technology. Japanese investments in the Indian IT sector grew 4X between 2016 and 2020. Investments stood at US\$ 9.2 billion in the review period. A preferred destination for IT & BPM in the world, it continues to be a leader in the global sourcing industry with 52% market share (as of FY20) in services exports from the country.

Exports from the Indian IT industry stood at US\$ 149 billion in FY21. Export of IT services has been the major contributor, accounting for more than 51% of total IT export (including hardware). BPM and Engineering and R&D (ER&D) and software products exports accounted for 20.78% each of total IT exports during FY21. ER&D market is expected to grow to US\$ 42 billion by 2022.

In November 2021, Mr. Piyush Goyal, Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles, lauded the Indian IT sector for excelling its competitive strength with zero government interference. He

further, added that service exports from India have the potential to reach US\$ 1 trillion by 2030. Indian IT & business services industry is expected to grow to US\$ 19.93 billion by 2025.

OPPORTUNITIES AND THREATS

i) OUR STRATEGY

- **Leveraging expertise in Mobility, Cloud and Analytics domain.**

We are developing a sound analytic strategy that involves step by step stakeholder participation and socializing them into the utility of the platform. Most importantly, dashboard updates will be designed to correspond to day-to-day planning or execution insights. We are working on seamless integration of strong analytics with our solution in the backend which will provide insightful Business Intelligence for the clients.

- **Leveraging our Market skills and Relationships**

We are planning to expand our network and reaching new geographies. In respect of our present location, we are expanding our network by marketing. We have always aimed to maintain our relationship with our clients by satisfying their requirements. We aim to do this by leveraging our marketing skills and relationships and further enhancing customer satisfaction. We plan to increase our customers by meeting orders in hand on time, maintaining our customer relationship and renewing our relationship with existing clients.

- **Continue to develop customer relationships and expand our customer base**

A business can grow by increasing the number of customers, as we believe that increased customer relationships will add stability to our business. We seek to maintain our existing relationships while also focusing on bringing more customers in our portfolio. Our Company believes that our business is a by-product of relationship. We have built long term relations

with our clients by building trust and providing them good quality of services.

ii) COVID-19

At NBL, as we continue in our endeavour to fight waves of the COVID-19 pandemic, our priority remains the safety and well-being of our employees, and business continuity for our clients. Business continuity programs were tested and practiced, and the processes were proven to be resilient.

iii) Our strengths

We believe that we are well-positioned for the principal competitive factors in our business. With almost 5 (five) years of experience in managing the systems, we believe we are uniquely positioned to help them steer through their digital transformation with our Digital Navigation Framework.

We believe that the following strengths have contributed to success and will be of competitive advantages for us, supporting our strategy and contribution to improvements in financial performance.

- **Quality Assurance and Standards**

The company holds ISO 9001:2015 quality certificate. We believe in providing our customers the best possible quality. We adopt stringent quality control process which is managed at every stage of our service to ensure the adherence to desired specifications and quality. Since, our Company is dedicated towards quality services; we get repetitive clients as we are capable of meeting their quality standards.

- **Growing Domestic Economy**

India is moving as developed country from developing country now. The GDP rate of India is also higher as compared to the other developing countries. It forecasts more demand for our services and there will be a huge expansion of disposable incomes and our main services will have huge demand.

With the changes in landscape because of Covid19, India have become a manufacturing and trade hub in Asia because of highly skilled

manpower and infrastructure available in abundance. With MNCs coming to India for new manufacturing set up with high end automation, we seek greater requirement of office automation and information technology.

➤ **Development of products incorporating latest technology trends**

We update and upgrade our Software/Digital Products with the latest developments in all the mobile technology platforms by leveraging: 1) Vertical specific and in-depth domain and industry knowledge 2) Agile Cloud based Mobility Technology platform and solutions 3) Center of Excellence where constant innovation happens on both the technology and the applications front.

➤ **Experienced & Qualified Management**

Our Company is managed by Qualified Management Team of Ashish Jain, Yaman Saluja and Nirmal Jain and we believe that the leadership and exemplary vision of our Promoters have been instrumental in driving our growth and implementing our business strategies. Our management team has the requisite experience to manage the current scale of business as well as the expansion plans for the future. We believe that we have achieved a measure of success in attracting an experienced senior management team with operational and technical capabilities, management skills, business development experience and financial management skills. For further details, please refer "Our Management" on Page No. 96 of this Prospectus.

➤ **Skilled and dedicated manpower**

We believe that Human resource is the most important resource. Our Company is managed by a team of well experienced and highly knowledgeable personnel. The team comprises of personnel having technical, operational and business development experience. We take pride in relating our success to our employees, for their consistent efforts and dedication has brought us

to where we are today. We also require application of high levels of technology at key stages of design and manufacturing processes as an important part of the business procedure.

➤ **Strong customer relationship**

We believe that we constantly try to address our customer's needs which help us to maintain a long-lasting working relationship with them and improve our customer retention strategy. We believe that our existing relationship with our customers represents a competitive advantage in gaining new customers and increasing our business.

OUR COMPETITION

The Software Consultancy industry in India is highly competitive, and we expect that the competition in this industry will continue to increase. Our Industry is fragmented consisting of large established players and niche players. We compete with organized as well as unorganized sector on the basis of availability of consumers. Thus, our customers have the option of choosing any competitor providing similar services. Further, there are no entry barriers in this industry and any expansion in capacity of existing competitors would further intensify competition. If we are not able to compete effectively with existing or future competitors, our business and financial condition could be adversely affected.

FINANCIAL CONDITION

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of its financial statements, including the recoverability of carrying amounts of financial and non-financial assets. The impact of COVID-19 on the Company's financial statements may differ from that estimated at the date of approval of its financial statements. Refer to the Standalone financial statements in this Integrated Annual Report for detailed schedules and notes.

Independent Auditor's Report

To the Members of **Naapbooks Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of Naapbooks Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined there are no any key audit matters to be communicated in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Report on Other Legal and Regulatory Requirements

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Naapbooks Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CORPORATE INFORMATION, SIGNIFICANT ACCOUNTING POLICIES

NOTE 1

Background: -

The Company was incorporated as "Naapbooks Private Limited" under the provisions of the Companies Act, 2013 vide Certificate of Incorporation dated April 21, 2017 bearing Registration No. 096975 issued by the Registrar of Companies, Ahmedabad, Gujarat. It was converted into a Public Limited Company and the name of our Company was changed to "Naapbooks Limited" vide a fresh certificate of incorporation consequent to conversion into a public limited company issued by the Registrar of Companies, Gujarat on January 7, 2021.

Company is engaged in the business of providing solutions and services related to Web Technologies, Mobile Applications, Internet, Cloud and E-commerce, including design, develop, operate, own, establish and install. Also, analyzing, designing, maintaining, converting, porting, debugging; coding, outsourcing and programming 'software' to be used on computer or any microprocessor-based device or any other such hardware within and outside India.

Significant Accounting Policies

a) Basis of preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with relevant rules there under and other accounting principles generally accepted in India. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in the Schedule III of the Companies Act, 2013.

b) Revenue recognition:

- i) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.
- ii) Revenue from maintenance contracts are recognised pro rata over the period of the contract as and when services are rendered.
- iii) All other income and expenditure are recognised and accounted for on accrual basis.

c) Use of estimates:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised.

d) Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

f) Inventories

Inventories are valued at lower of cost and net realizable value, including necessary provision for obsolescence. Cost is determined using the weighted average method.

Work in Progress are valued at cost including related overhead costs.

g) Tangible Fixed Assets:

- i. An item is classified as Tangible fixed asset only if it satisfies the recognition criteria stated in AS 10 (i.e.) is probable that future economic benefits will flow to the company and the cost of such item could be measured. Stores and Spares fulfilling the above conditions are also classified as fixed assets. Fixed assets are initially recognized at its purchase price including all costs directly attributable to bring the asset in a ready to use condition. All subsequent cost incurred such as day to day running expenses, repair and maintenance expenses are treated as revenue expenses except when such expenditure satisfied the recognition criteria stated above. Cost Model is followed after initial recognition i.e. Fixed Assets are carried at cost less accumulated depreciation/amortization/impairment.
- ii. **Depreciation:** Fixed assets are depreciated using the Written Down Value method. Useful lives of assets necessary for calculation of depreciation rates are taken as specified in Schedule II of Companies Act, 2013.
- iii. Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately.
- iv. Capital Work-in-Progress: Projects under which tangible fixed assets are not yet ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing costs.

h) Intangible Assets/Intangible Asset under Development:

Intangible Assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.

Software Products Developed/Purchased which are held for use in the production or supply of goods and services, for rental to others or for administrative purposes have been recognized as Intangible Assets.

Research Costs are expensed as incurred. Software product development cost are expensed as incurred unless technical and commercial feasibility of the product is demonstrated, future economic benefits are probable, the company has an intention and ability to complete and use or sell the software and the costs can be measured reliably. The costs which can be capitalized include the cost of materials, direct labour, and overhead cost that are directly or indirectly attributable to preparing the asset for intended use.

Self-Generated Intangible assets which are ready for sale are amortized on Straight Line method over their estimated useful life or 10 years, whichever is lower. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

Subsequent Expenditure on Self-Generated Intangible Assets are capitalized only if it will enable the asset to generate future economic benefits in excess of its originally assessed standard of performance and the expenditure can be measured and attributed to the asset reliably. Amortization of subsequent expenditure is done in line with that of the original cost over the remaining life of the asset.

Intangible Asset under Development: - All Software Development Expenses eligible for capitalization are recognized as "Intangible Assets under Development" until the Software Product is ready for market.

i) Impairment of assets:

The carrying value of assets/cash generating units at each balance sheet date is reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognized.

j) Investments:

Investments are classified into current and long-term investments. Current investments are stated at lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments.

k) Employee benefits:

Wages, salaries, paid annual leave, sick leave and bonuses are accrued in the year in which the services are rendered by the employees. The company does not permit accumulating of unused leaves. The company does not provide any long-term employee benefits except gratuity.

The company is not having any defined contribution plan and nor has made any provision for payment of Gratuity.

l) Borrowing cost:

Borrowing cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

m) Taxation:

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the reserves directly. In such cases, the tax is also recognized in the reserves.

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

n) Provisions, contingent liabilities and contingent assets:

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present values and are determined based on the best estimate required to settle the obligations at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the

financial statements and are disclosed in the Notes. A Contingent asset is neither recognized nor disclosed in the financial statements.

o) Earnings Per Share

Basic earnings per share is computed by dividing the profit/loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/loss after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

p) General:

- i. "Accounting policies not specifically referred to above are consistent with generally accepted accounting principles. Previous year's figures have been regrouped/reclassified wherever applicable
- ii. A major part of Trade Receivables consists of parties whose projects were on-going and invoicing of the same has been done at the year end. Trade Receivable due are expected to be realised within the next half year
- iii. The information regarding applicability of MSMED Act 2006 to the various supplier/parties has not been received from the suppliers. Hence information as required vide clause 22 of chapter V of MSMED Act 2006 is not being given.
- iv. The details of Quarterly Statements of Current Assets filed by the company with the Bank are in agreement with the books of accounts.

Notes

1. Pursuant to the General Circulars 2/2022 and 19/2021, other circulars issued by the Ministry of Corporate Affairs (MCA) and Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 issued by SEBI (hereinafter collectively referred to as “the Circulars”), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC.
2. A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a member of the Company. Since the AGM is being held in accordance with the Circulars through VC, the facility for the appointment of proxies by the members will not be available.
3. Participation of members through VC will be reckoned for the purpose of quorum for the AGM as per Section 103 of the Act.
4. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Scrutinizer by email to roc.vikasjain@gmail.com with a copy marked to evoting@nsdl.co.in.
5. The Register of directors and key managerial personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 27, 2022. Members seeking to inspect such documents can send an email to compliance@naapbooks.com.
6. Members are requested to address all correspondence to the company at Naabooks Limited, 3rd Floor, Broadway Business Center, Law Garden, Ahmedabad or to RTA, KFin Technologies Limited (formerly known as Kfin Technologies Private Limited), Selenium Tower B, Plot 31-32, Financial District, Nanakramguda, Serilingampally, Hyderabad-500032.
7. In compliance with Section 108 of the Act, read with the corresponding rules, Regulation 44 of the LODR Regulations and in terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020; the Company has provided a facility to its members to exercise their votes electronically through the electronic voting (e-voting) facility provided by the National Securities Depository Limited (NSDL). Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized mode and for members who have not registered their email addresses is provided in the ‘Instructions for e-voting’ section which forms part of this Notice. The Board has appointed Nirav Soni & Co., Practicing Company Secretaries, as Scrutinizers to scrutinize

the e-voting in a fair and transparent manner.

8. Members holding shares as on cut-off date, i.e. as on **Thursday, September 22, 2022**, may cast their votes electronically. **The e-voting period commences on Sunday, September 25, 2022 (9:00 a.m. IST) and ends on Tuesday, September 27, 2022 (5:00 p.m. IST).** The e-voting module will be disabled by NSDL thereafter. A member will not be allowed to vote again on any resolution on which vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date, i.e. **Thursday, September 22, 2022**. A person who is not a member as on the cut-off date is requested to treat this Notice for information purposes only.
9. The facility for voting during the AGM will also be made available. Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.
10. In compliance with the Circulars, the Integrated Annual Report 2021-22, the Notice of the 05thAGM, and instructions for e-voting are being sent through electronic mode to those members whose email addresses are registered with the Company / depository participant(s).
11. We urge members to support our commitment to environmental protection by choosing to receive the Company's communication through email. Members holding shares in demat mode, who have not registered their email addresses are requested to register their email addresses with their respective DP, and members holding shares in physical mode are requested to update their email addresses with the Company's RTA, KFin Technologies Limited at einward.ris@kfintech.com, to receive copies of the Integrated Annual Report 2021-22 in electronic mode. Members may follow the process detailed below for registration of email ID to obtain the report and notice of the 05th AGM.
12. Members may also note that the Notice of the 05th AGM and the Integrated Annual Report 2021-22 will also be available on the Company's website, <https://www.naapbooks.com/investor/>, website of the stock exchange, i.e. BSE at www.bseindia.com, respectively, and on the website of NSDL, <https://www.evoting.nsdl.com>.
13. The Scrutinizer will submit his report to the Chairman of the Company ("the Chairman") or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting), not later than 48 hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges, NSDL and RTA, and will also be displayed on the Company's website, www.naapbooks.com.
14. Since the AGM will be held through VC in accordance with the Circulars, the route map, proxy form and attendance slip are not attached to this Notice.
