Independent Auditor's Limited Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, as amended

**Limited Review Report to
The Board of Directors
TCI Finance Limited**

We have reviewed the accompanying statement of unaudited standalone financial results of TCI Finance Limited for the Quarter ended 30th September, 2022 ("the statement") being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019.

Attention is drawn to the fact that the figures for the corresponding quarter ended 30th September, 2022, as reported in these financial results have been approved by the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance about whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion:

We draw attention to following notes to financial results:

- a. Note no 3 regarding claims on the Company by the lenders of Amrit Jal Ventures Private Limited and Gati Infrastructure Bhasmey Power Private Limited aggregating to Rs. 25,619.80 Lakhs due to the invocation of corporate guarantee given by the Company. Against the said liability, the company during the year 2019-20, considering the disputed nature of the claim and unlawful invocation of the corporate guarantee made a provision of Rs. 7,798.81 Lakhs. The Company has treated the balance amount of liability Rs.17,820.89 Lakhs as contingent liability in its interim financial reporting. In the absence of adequate basis for recognition of partial liability, in our opinion the Company ought to have recognized the liability in its books. Had the liability been recognized, the loss for the quarter and accordingly the other equity (negative balance) will be higher by Rs.17,820.89 Lakhs.
- b. Note no 5 (a) regarding the invocation of Company's investment in equity shares of Gati Limited pledged as security for the credit facilities availed by Godavari Commercial Services Private Limited (Godavari), one of the lenders to the Company. However, the Company continued to treat the said equity shares as investment at fair value as at September 30, 2022 despite invocation for the reasons stated in the said note. Fair value of the invoked shares considered as an asset which aggregates to Rs.1,524.47 Lakhs. Considering that the investments have been sold, we are unable to comment on the appropriateness of said treatment. Further in view of the uncertainty relating to recoverability the said investment, we are unable to comment on the impact, if any, on the loss for the quarter and other equity as at September 30, 2022.
- c. Note no 5 (b) regarding the investment in equity shares of Gati Limited pledged as security for the credit facilities availed by Gati Infrastructure Private Limited (GIPL) on receipt of letter of comfort from Amrit Jal Ventures Private Limited. The lenders of GIPL invoked the pledge and realized their dues in the year 2016-17. In the year 2021-22, the

Company has accounted for the invoked shares and value realized of Rs.1,875.03 Lakhs as receivable. However, the latest audited financial statements of GIPL which shows negative networth and there is substantial amount of borrowings in the Company. These circumstances raise a doubt on the realizability of the amount's receivable from GIPL.
