Add-shop would be leveraging on its robust distribution network spread across the country for its ayurvedic products and agriculture products. The company having vast distribution network of more than 650 franchises spread across India. In addition the company is having wide customer base, which offers substantial base for marketing its products to them. Such distribution network would be major growth catalyst for the company.

This is for your information and record.

Thanking You,

Yours Faithfully,

For, Add-Shop E-Retail Limited
