This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- i. Financial Assets Loans (Non-Current) include Rs. 3,201.62 Lakhs (September 30, 2020: Rs. 4,179.93 Lakhs), due from related party. Sufficient appropriate audit evidence to corroborate management's assessment of recoverability of the above said amount is not available and the amount are outstanding for more than five years. Further, no provision with respect to the same is made in the books of accounts as explained in the Note 02 of Unaudited consolidated financial results. Accordingly, we are unable to comment on the carrying value of above-mentioned Financial Assets Loans amounting to Rs. 3,201.62 Lakhs and the impact, if any, on account of non-provisioning of the said balance on the financial results at present.
 - ii. The carrying value of Deferred Tax Asset (DTA) on unabsorbed business losses amounting to Rs. 43,914 Lakhs (including an amount of Rs. 41 Lakhs reversed during the current quarter ended September 30, 2021) (September 30, 2020: Rs. 44,060 Lakhs) which is recognized on unabsorbed business losses. Due to unavailability of sufficient appropriate audit evidence to corroborate management's assessment on reasonable certainty of future taxable profits, as required by IND AS 12 on Income Taxes, and considering the current pandemic situation, we are unable to ascertain the extent to which the deferred tax asset can be utilized. Refer to Note 05 of Unaudited consolidated financial results.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 8 below, with the exception of the matter described in the paragraph 5 and the effect thereon, nothing has come to our attention that causes us to believe that the accompanying Statement are prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. Material Uncertainty Related to Going Concern

We draw attention to Note 06 in the financial results, which states that the Group has incurred a net loss Rs. 6,165.39 Lakhs during the period ended September 30, 2021 and as of that date has accumulated losses aggregating Rs. 1,99,605.84 Lakhs which has resulted in substantial erosion of its net worth. Further, the COVID-19 pandemic has also impacted operations resulting in delay of collection relating to project dues. These events or conditions indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. However, as stated in Note 06, considering the investment proposal from an Investor who has submitted a business plan based on which a Resolution Plan has been submitted to the consortium of lenders, the Company's ability to continue as a going concern is dependent on the successful implementation of the resolution plan. Accordingly, the financials have been prepared on going concern basis.

Our conclusion is not modified in respect of this matter.

8. We draw attention to Note 07 to the unaudited consolidated financial results which states that the management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the period ended September 30, 2021 and has concluded that there is no impact which is required to be recognized in the financial results. Accordingly, no adjustments have been made to the financial results.
