Note: The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 29th May, 2024. The statutory auditors of the Company have reviewed the financial result for the quarter ended 31st March, 2024 in terms of Regulations 33 of SEBI (Listing and Other Disclosure Requirements) Regulations, 2015.

As informed earlier, the subsidiary Company at Singapore viz. Roadsteads Steel Singapore Pte. Ltd. is under liquidation process and hence due to non-availability of its financial information, the same have not been considered in the above consolidated financial results. The Company has already repaid the loans and interest outstanding in the said subsidiary Roadsteads Steel Singapore Pte. Ltd. in its standalone financials. In view of the same, there will be no material impact of the said liquidation on the financial results of the Company.

The Company operated in a single business segment but there are two geographical segments. However, since the figures for Singapore subsidiaries are not available as mentioned above, the segment reporting is not submitted in respect of the Consolidated Financial Results.

Unaudited provisional financial information of the Associate Company viz. Vijay Nirmal Company Private Limited have been considered in the above consolidated financial results. The Company has already repaid its investments and loans outstanding in the said Associate Company viz. Vijay Nirmal Company Private Limited, in its consolidated financials, as the network of the Associate Company is fully ended and is negative.

Exceptional items are on account of Reversals of earlier provisions made & Impairment of Investment in the Associate Company.

The Company had accumulated an unapproved approval in respect of One Time Settlement in respect of the debt due to its lenders, the same requires payment of certain amount by the Company over a period of time, which is under process. Post approval, and final approval of the lenders the amount of corresponding Liability shall be derecognized.

The Company has recovered losses incurred in the past years which have resulted in erosion of Company's Net worth. However, the management is of the view that its proposal of One Time Settlement submitted to the lenders and other creditor reduction measures adopted by the Company will be able to support the Company's continued operations and enable it to continue as a going concern. Accordingly, the financial results are prepared on going concern basis.

The above is an extract of the detailed format of Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the Financial Results are available on the Stock Exchange website www.bseindia.com & www.nseindia.com, and our Company's website www.kridhan.com.

'Lifeline' that empowers women in HEC-hit Besorkona

Assam Rising, Guwahati, May 29: "This single strand solar-powered fence that now shields our village and residences from wild elephants, has given us a new lease of

life and a whiff of prosperity after a prolonged period of mental agony and threat to our very existence. This fence is nothing less than the lifeline for villagers here" said Kingish Koch, a mother of two young daughters and a leading woman in remote Besorkona Kochpara hamlet in Goalpara district of Assam. The innocuous looking wire held horizontally high above the ground by posts of tree stems has brought smiles back on the faces of residents of the remote village. The women of the villages used to be severely affected by an unrelenting traumatic atmosphere because of the raging human elephant conflict (HEC) phenomenon gripping the residents. They were compelled to finish household chores including cooking of dinner by the sunset as no one knew what would befall them once the herd of wild elephants happened to enter the village after the dusk. Hell used to break loose on these villages inhabited by indigenous Koch community and located about 12 kilometers away from the sub-division headquarter at Lakhipur in Goalpara district of Assam, when wild elephants entered the village at night, raiding household after household in search of food. As the menfolk got busy trying to chase the elephants away, if possible, the women had to gather their children and elderly in the household and run for safety, if any. Biodiversity conservation organisation Aaranyak with support from USFWS and Goalpara Territorial Division of Assam Forest Department, installed a 2.5 km long single-strand solar fence in April this year to protect Besorkona and No.1 Pukhuri villages as part of its sustained in efforts for mitigation and HEC and facilitation of coexistence. The length of the fence around Besorkona hamlet is 1.6 km. The religious and cultural activities in the village have also resumed in the right spirit as the hub of these activities, the village Kali Temple has now been also made out of reach for wild elephants because of the solar fence.
